Hippowdon: Like that, asshole?!

Nico: He sure didn't!

Horsea squirted ink at them.

And blinded them.

Sebastian Mendez: (GROWLS) (To Vera Vegan) This was all your fault from the very beginning, you arrogant bitch! If you and those two assholes had kept your actions on the down low, then, none of you wouldn't be in this fucking mess!

Brett Brinkley: Like you're any better?! You'd already got yourself on permanent thin ice ever since your toxic actions have finally been let out into the public! Hah, face it, you're never gonna change at all, you're still a monstrous toxic bastard with a heart of pitch-black darkness.

Suddenly, Sebastian's smirk turned extremely malicious and his teeth turned into rows of very sharp pointed fangs, we knew they just fucked themselves over!

Nico: Oh Hell no, they just fucked themselves over!

Sebastian Mendez: Is that what you say?! Well, I can't deny it at all, I am still nothing more than a monstrous toxic cold-blooded bastard with a heart of pitch-black darkness who still has an absolute disregard for all life on Earth and the universes beyond. But, at least, I'm proud enough to make it all public and inflict pain and terror on all those weak-willed idiots, but you, you're just mere amateurs, childish bullies who never grew up, and I'm gonna enjoy making you all suffer horribly...before I kill all three of you (DEMONIC VOICE) AND LEAVE YOUR BODIES TO BE PICKED CLEAN BY THE VULTURES! (LAUGHING MALEVOLENTLY)

Suddenly, the skies turned blood red and a horrific tide of evil was about to be unleashed once again as Sebastian proceeded to slash at them with his massive greatsword and sharp claws as he left bleeding cuts and blood was flowing from their wounds and we heard his demonic laughter echoing in the air!

Lincoln: Oh man, we got to stop him.

Sebastian Mendez: DON'T EVEN THINK ABOUT IT! MINIONS, GET THEM!

Suddenly, we saw our secondary targets: The Panther Claw Organization, and we did indeed see that they had The Sigil of Lucifer on their foreheads!

Me: There's our secondary targets!

Lincoln turned the tips of his wolf tails into Cell's stingers and he stabbed them into the chests of The Panther Claw Organization, and he began absorbing them, and he and all of us assimilated the powers, abilities, and skills of The Panther Claw Organization, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of them and he drained their souls of energy and sent them to The Black Abyss, and he found the source of the black magic that corrupted Morgana's mind control magic and turned them to his side: it was the remains of the darkness of Sebastian's residual darkness: the darkness that ruined his life ever since Chase Young cursed him and those dark remnants forever remained with him even after Dark Sebastian had been banished for good. We saw it for ourselves through an orb Lincoln created.

Lincoln: So, that explains it.

Me: Oh crap.

Nico: Even after we got rid of Dark Sebastian, the dark remnants forever remained deep inside him.

Qin: And they're never going to leave because Chase Young's Dark Side forever ruined his life and no amount of help could fix someone so irreparably damaged and completely irredeemable.

Nico: I agree, Qin.

Nico blasted Sebastian and knocked him down and out, then, we tied him up and threw him right in the dungeons once more, but we know he's gonna get out once more. This is gonna be the least of his worries real soon.

We were amazed by the transformations of Sam, Clover, Alex, and Brittney, and when Lincoln saw them, he had an atomic red blush on his face and muzzle, hearts in his eyes, and his wolf nose was gushing out blood. But, when Brett Brinkley, Joe Hassler, and Vera Vegan saw it, they went berserk and they ran at them to kill them, but Sam, Clover, Alex, and Brittney fired colored, white, golden yellow, and blue energy and elemental forces at the three pricks and they got hit and were sent flying into a tree. They got back out, but boy, were they extremely furious.

Lincoln, Robin Hood, Rayman, Sam, Clover, Alex, Brittney, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Chernabog, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, blue, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Sam, Clover, Alex, and Brittney did the same by firing colored, white, golden yellow, and blue energy slashes from her gold plated claws and massive greatsword, and Lincoln, Robin Hood, Rayman, Sam, Clover, Alex, Brittney, Crash Bandicoot, Nico, and I and all of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength and that made Brett Brinkley, Joe Hassler, and Vera Vegan even angrier than ever.

Suddenly, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and nine sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Brett Brinkley, Joe Hassler, and Vera Vegan, and we found ourselves in Heaven.

Then, Lincoln and I charged and smashed our rainbow energy infused left fists into the stomachs of Brett Brinkley, Joe Hassler, and Vera Vegan and a cluster of rainbow, white and blue heavenly flames exploded out behind them then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln and I attacked them with two powerful energy slashes, and then...!

Lincoln and Me: NOW, DIE AND GO TO HELL!

Lincoln and I did one final powerful energy slash that hit Brett Brinkley, Joe Hassler, and Vera Vegan hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln and I landed and Brett Brinkley, Joe Hassler, and Vera Vegan were on their last legs and they were really really mangled.

Then, the cops came and handcuffed Brett Brinkley, Joe Hassler, and Vera Vegan, and then, Lincoln tied Brett Brinkley and Joe Hassler in rainbow, white, golden yellow, and blue energy straitjackets and had them sent to a special wing in The Xaikora Prison, this one's meant for unrepentant bullies, and there, an absolute living Hell is awaiting them. But, as for Vera Vegan, she was taken to the Beverly Hills prison where she'll be remaining there for a very long time for her crimes.

Everyone: BURN IN HELL FOR EVERYTHING YOU'VE DONE, YOU PILES OF GARBAGE, AND MAY YOU THREE NEVER DARKEN SILICON VALLEY HIGH SCHOOL EVER AGAIN!

Everyone cheered as we holstered our weapons and we powered

down, and the new bodies, clothes, weapons, jewelry, 28th Century backpacks, Third Eyes, large gold halos with four large orbiting gold rings on each corner behind the heads, large twenty-five colored planets orbiting around the legs and twenty-five smaller colored planets orbiting around the waists, eleven massive and long colored wolf tails, smaller planets orbiting around the fingers like rings, medium colored planets orbiting around the wrists and ankles and massive colored angel wings and nine sets of large colored angel wings underneath the colored angel wings of Sam, Clover, Alex, and Brittney are permanent.

Lincoln: And that is that.

Nico: Let this be a lesson to anyone who think they're better than others!

Me: Absolutely! See you never, you piles of garbage!

Sam: You said it.

Suddenly, Gabrielle, Stella, and Carmen came over: something was up.

Sam: Lincoln, there's something we got to tell you.

Lincoln: What is it.

Then, Gabrielle, Stella, and Carmen took out the pregnancy tests for Sam, Clover, Alex, and Brittney, and when Lincoln saw them, his eyes went wide as he saw them: positive.

Lincoln: (In Surprise) (GASPS) Wait, Sam, Clover, Alex, Brittney, does this mean...?!

Sam, Clover, Alex, and Brittney: We're pregnant! Congrats, Lincoln, you're gonna be a father to our kids!

Lincoln cheered wildly as he hugged Sam, Clover, Alex, and Brittney in his arms and kissed them on the cheeks and lips and we cheered wildly!

Me: That's so awesome!

Nico: Oh man, we're gonna be heading for the hospital to see how many kids they're pregnant with and what gender they are, but congrats, you guys!

Lincoln: Thanks, Nico. Now, I really need to make sure Sam, Clover, Alex, and Brittney are safe. I know we can kick the butts of our usual dirt clod punks and thugs, but now that Sebastian's back to his horrendous toxic monstrous ways, I'm not taking any chances with him.

Travis Tackett: And there's something I got to tell you guys concerning him.

Travis Tackett made a vision orb, and it was taken the day before Sergio got kicked out of the team, and last night, we saw that Sergio snuck into Sebastian's room and he took a knife and he made an incision in Sebastian's back and he inserted a Monster Chip that he took from the dead remains of Dr. Carol Linnaeus' dead sister, Madeline Linnaeus, and sealed the wound back up and snuck out. When we saw it, now we were beyond so pissed off, our bodies turned red and steam whistled out of our ears like train whistles!

TRAIN WHISTLES!

Me: Why, that goddamn miserable moth-eating parasitic repulsive rat with wings!

Nico: So, all this time, Sebastian was...! (GROWLS) Sergio!

Qin: I can't believe it! That depraved fiend!

Nico's Harem: He is so dead when we head for The Moon Prison!

Lincoln: This was taken the day before he committed his act of betrayal and broke The Anti-Mascot Four out. We got to get Sebastian and remove that chip out of him, but unlike with me with those Rebellion and Anger and Paranoia Chips that were visible in my butt, Sergio made sure to put it in him by making an incision, so that way, it wasn't obvious.

Eli: I'm getting really sick and tired of Sergio!

Me: I know, he still always finds ways to make things hard for us even in prison, that troublemaking parasite!

Lincoln snapped his fingers and brought Sebastian out to us, and then, he turned his hand invisible and inserted it in Sebastian's back, and then, he found the Monster chip and removed it, and that'd knocked Sebastian out and we sent him back to his room. Then, Lincoln threw the chip to the ground and made a viewing window only for Sergio to see it.

Lincoln: Say goodbye to your last chance at revenge on us, Sergio.

Then...!

SMASH!

LINCOLN STOMPED ON THE MONSTER CHIP WITH HIS RIGHT FOOT AND COMPLETELY CRUSHED IT INTO FINE DUST AND IT MADE SERGIO STEAMING MAD! BUT, IF THAT WASN'T ENOUGH, NICO AND I PULLED OUR PANTS DOWN AND MOONED SERGIO AND HE WENT BLIND! WE PULLED OUR PANTS UP AND LINCOLN THEN CLOSED THE VIEWING WINDOW BUT NOT BEFORE SERGIO STARTED CURSING AT US AND WE WERE LAUGHING OUR BUTTS OFF!

Eddy: (LAUGHING HYSTERICALLY) SERVES YOU RIGHT, SERGIO, AND THAT WAS A NICE MOVE WITH MOONING HIM!

May: (LAUGHING HYSTERICALLY) THAT DEFINITELY SERVED HIM RIGHT! STUPID RAT WITH WINGS!

We stopped laughing hysterically.

Me: That was too funny!

Jynx: Yeah!

Me: Nice job Jynx!

Jynx: Thanks. It was funny.

Lola: Yeah!

Poromon: Want some beer?

Jynx: Oh no thanks. I'm allergic.

Me: Oh. Okay.

Poromon: Okay.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Jynx: Nice try pipsqueak.

Squidward (to the mascots): I got an idea for something we can do later. Wanna do a scavenger hunt? I promise they're items worth collecting.

Poromon: Hey sure Squidward!

Poliwag: Yeah!

Nico: Congratulations on being pregnant. But we can discuss that later. Right now, it's time for the anothers.

Me: Yeah.

Lincoln: Alright, we took care of those three pricks, now we can take care of one final business: The Anothers.

Me: Right. And I agree there. Congratulations girls. We'll have to go to the doctor later on.

Camie: Yeah.

Sam: Thanks guys.

Me: Cool. Lets see who we got.

Eli: (Concentrates) WHOA! We got Another Hanzo Suiden, Gwen Tennyson, Aligned Contagion, Eight-Armed Willy, Falkar (X-Squad), Thunderon (X-Squad) and Zword (X-Squad).

WE GASPED!

Gwen Tennyson: Another me? Wow!

Nico: Wow!

Then we sensed a massive energy signal!

Me: WHOA! That massive power! It's coming from the Anothers. There's two of them!

Nico: WHOA!

Nico: There they are!

Then out came Another Aligned Contagion, Eight-Armed Willy, Falkar (X-Squad), Thunderon (X-Squad) and Zword (X-Squad)!

Me: WHOA!

Lola: This will be fun!

Another Eight-Armed Willy: (In a girls voice) It sure will!

Nico: (GASP) That voice!

They merged and she reverted back and it was the gene-slammer of Black Luster Soldier - Envoy of the Beginning!

Nico: (GASP) Jiadha Alpha!

Me: Whoa! She's the gene-slammer of Black Luster Soldier - Envoy of the Beginning.

Jiadha Alpha: That's right. I am one of the most powerful gene-slammers that Nico knows. Me and my sister are widely known as the Twins of The Beginning and The End.

WE GASPED!

Qin: Yep.

Me: WHOA!

Hanzo Suiden: That is amazed!

Brittney: I've heard legends about the Twins of The Beginning and The End! They have intensely strong power and can bring new life into planets for you Jiadha and the other can destroy entire planets in an instant.

Jiadha Alpha: That's right. The one that can destroy is my sister. She is coming.

Me: Wow!

Nico: Yep.

Me: By the way are the Another Hanzo and Gwen Tennyson friendly or hostile?

Jiadha Alpha: One is friendly and the other isn't. Gwen you may not like who the Another you is.

Me: Uh oh.

Gwen Tennyson: Oh man.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: And now, we wait. I wonder who the other Gwen is.

Me: I have a feeling it's someone she has a terrible history with.

Qin: Yeah.

Gwen Tennyson: Oh boy.

Me: Here they are!

We saw Aother Hanzo and Another Gwen!

Me: Whoa!

Another Hanzo: (In a girls voice) Looks like this will be fun!

She reverted back and it was the gene-slammer of Chaos Emperor Dragon - Envoy of The End!

Nico: Olivia Omega!

Me: WHOA! The gene-slammer of Chaos Emperor Dragon - Envoy of The End!

Olivia Omega: That's right.

Me: WOW! That is easily one of the most powerful and most dangerous Duel Monsters in the entire game. Its ability is that strong and dangerous that its been outlawed in duels many times.

Olivia Omega: That is true and yes. And I have intense power and it can destroy entire planets..

Me: WHOA!

Camie: That is intense!

Hanzo: It sure is! Wow! Remind me never to make you angry.

Me: YEAH!

Olivia Omega: Good. Also I have powers over all the elements. Including yours Hanzo.

Hanzo Suiden: Wow! So you use lightning too. I like it!

Nico: Yeah!

Nico: Who's your buddy?

Another Gwen: You thought you would never see me again sister!?

Sunny Tennyson: (GASP) Oh man!

She reverted back and it was a blond hair version of Gwen but she was in a red prison jumpsuit!

Sunny Tennyson: Oh no! Rebecca!?

Gwen: Cousin Rebecca?! I thought you were locked up in prison!

Rebecca Tennyson: I was! But I escaped! I found out that I can do this!

She fired mana blasts at me and I deflected them away!

Me: WHOA! She has an Anodyte in her too!

Kevin Levin: Gwen? Ben? Who the fuck is this?

Me: I take it you girls have a really nasty history.

Sunny Tennyson: Yeah you could say that. Rebecca is my twin sister. She was born 20 minutes after me. And lets just say that me and Rebecca hated each other.

Gwen: And she hated me too because I was better than her.

Ben: We never mentioned Rebecca because she always got in trouble.

Jen Tennyson: She got into fights all the time with Aunt Tina and Uncle John and they had to send her to a maximum security insane asylum for therapy. But the therapy wasn't working.

Nico: Whoa! I see.

Sunny Tennyson: Yeah it's why I became a bad girl and hung out with the wrong people.

Me: Oh man! This gives bad blood a whole new meaning.

Kaito: (Gets out Boukenger gear) Did Swartz promise you anything?

Zocks: (Gets out Magiranger gear) Because we can grant it instead.

Kaito and Zocks got weapons from Mystic Force and Operation Overdrive.

Olivia Omega: No he didn't because of who I am and what I can do.

Me: I'm not surprised there. But If I were to guess on Rebecca's case she wants revenge.

Rebecca Tennyson: Yes!

Me: Not gonna happen. WAIT! I got an idea. Poromon you still have the happy helmet?

Poromon: We sure do!

Sougo: (Gets out Operation Overdrive Ridewatch) Unlike you, Sunny changed for the better.

Geiz: (Gets out Mystic Force Ridewatch) And if you want Gwen, you'll have to get past Kevin and Mevya!

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor

Sunny Tennyson: That's right Rebecca. I've changed. I was bad before but it's not too late for you. You can redeem yourself like I have.

Me: Yeah! Rebecca you can change. It's not too late.

Rebecca Tennyson: I don't need help!

Me: Actually you do!

Lincoln: After we separate you.

We did so.

Me: Now for this!

I put the helmet on her!

THUMP!

Rebecca Tennyson: What the!? What is this thing?

Me: It's a little medicinal motivation for you.

I got the remote.

CLICK BUZZ!

She started feeling it!

Stimpy: Hey! It still works!

Me: Yep.

CLICK BUZZ!

She got smiling. (RATCHETING)

Rebecca Tennyson:HEY! WHAT'S HAPPENING! TO ME!?

She was smiling hard!

Rebecca Tennyson: NO! GOT TO FIGHT IT!

Me: (LAUGHS) That always makes me laugh.

Rebecca Tennyson: NO! CAN'T LOSE! CONTROL! WILL STRONG! BODY WEAK!

We laughed!

Rebecca Tennyson: (LAUGHING HAPPILY) Sunny! I'm so HAPPY! I MUST GO HELP YOU ALL OUT!

Me: That a girl!

Nico: (gets out Hanzo Suiden's Ridewatch) Feel the power of the elements!

May: (Gets out Eight Armed Willy's Ridewatch) Time for some Octopus power!

Maria: (Gets out Thunderon (X-Squad) Ridewatch) Time to smash!

Splat: (Gets out Aligned Contagion's Ridewatch) Lets shake the disease!

They used the powers of Hanzo, Aligned Contagion, Eight-Armed Willy, Falkar (X-Squad), Thunderon (X-Squad) and Zword (X-Squad) and blasted the Anothers all over!

Then Jack Walker, Evil Scratch, Glongi of hayabusa, Hachi Phantom, Vespar, Fighter Jet Dimension and Magmatron came

Me: WHOA!

Nico: Nice team Jack.

Jack Walker: (British Accent) Thank you Nico and it's gonna be fun and cool.

Hokuto Dan: My team next!

Mevya: Aww. I wanted to try nunchucks on her!

Me: You have nunchucks?

He pulled out a pair of nunchucks and swung them around.

Me: Whoa! Careful with those.

2003 Mikey: Nice nunchucks though.

?: That is so cool!

Marsmon came!

Me: WHOA! Marsmon!

Nico: Cool!

Marsmon: (In a girls voice) Yeah this will be fun.

Nico: Martha Aries Mars Daniels? Wow!

She reverted back and was a girl with red hair, red eyes, red clothes and had red angel wings and had the symbol of Mars in the middle of her forehead and had Marsmon on her skirt, shirt and arm and had a powerful warhammer.

Martha Aries Mars: Good to see you Nico. I got this. (ECHOING) CORONA SANCTIONS!

She fired a blast of intense fire from her hand and blasted the Anothers and I caught the ridewatches and purified them!

Me: YEAH!

Kevin Levin: Mevya? Where did you get nunchucks?

Mevya: From our weapons vault.

Kevin Levin: Oh.

Me: Be careful.

Nico: Nice job Martha!

Martha Aries Mars: Thanks Nico.

Me: This means you're the daughter of Aries the God of War.

Martha Aries Mars: That's right.

Me: Cool!

Splat: Do you have a favorite memory of Nico?

Martha Aries Mars: I sure do. When me and Nico went and destroyed a massive army of mafia men in Sicily. They weer no match for us.

Me: WHOA!

Qin: Awesome and cool.

Lola: Yeah!

Nico: Yep.

They hugged.

Nico: I've missed you.

Martha Aries Mars: Same here.

We later went back home.

Lincoln: Oh man, we're here in Bushtown in the world of the 1998 cartoon Skippy: Adventures in Bushtown, and I know what we're going to do here, not only am I going to rescue the six girls here, but I'm also going to meet up with his old friend, Skippy the Bush Kangaroo along with Matilda Roo and his friends, and we're going to take down Mayor Croco and his wife, Suka, whose corruption and greed are causing trouble for the town, and we're sending them and Croco's thugs to prison.

Me: I didn't know you were old friends with Skippy the Bush Kangaroo along with Matilda Roo and his friends, Lincoln.

Lincoln: You didn't ask. I helped out Skippy whenever an emergency arises in Bushtown, and I also exposed Mayor Croco and his greedy wife, Suka, long ago, and their greed and corruption got them in a heap of trouble with the citizens of the town.

Nico: Uh oh, political scandal.

Lincoln: You got that right, they got chased out of town along with Croco's thugs, and they're hiding out in their old home. So, we're going to take them down and send them to prison. Plus, this is where Caleb's younger brother, Tyler Maxwell, is at.

Caleb Maxwell: Without a doubt. We've got seventeen years of catching up to do, and he missed out on so much. It's all the fault of Dad's scumbag relatives.

Suddenly, we saw a helicopter fly by and it landed, and then, we saw a male kangaroo in a red hat, red vest, pants, and yellow neckerchief come out, it was Skippy the Bush Kangaroo.

Skippy the Bush Kangaroo: (Australian Accent) (GASPS) Lincoln, is that you?

Lincoln: Skippy the Bush Kangaroo, it's been a long time.

They hugged.

Skippy the Bush Kangaroo: (Australian Accent) And you brought the rest of Team Loud Phoenix Storm with you.

Me: Yep, and he told us about Croco and Suka along with Croco's thugs, we're here to take them down and send them to prison.

Skippy the Bush Kangaroo: (Australian Accent) I knew it was only a matter of time.

Mike Corbett: Plus, we also found out from Lincoln that a lost relative of our friend, Caleb Maxwell, is here.

Suddenly, we saw a young man who was about seventeen years old and he had the same long dark brown hair as Caleb Maxwell, and he was dressed in a red shirt, black pants, black knee-high boots, and he had the same vampire cross tattoo on his right arm.

Caleb Maxwell: Tyler.

Tyler Maxwell: You...you came, brother.

Caleb hugged Tyler.

Caleb Maxwell: I've spent sixteen years looking for answers to your disappearance, but when I found out that Dad's scumbag relatives were the ones who did this, I wanted them to suffer big time for it.

Tyler Maxwell: I was so young when this happened, and I missed out on everything. Is Drake...?

Caleb Maxwell: No. Drake, he gave into the generational evil of Dad's family and he put me, Mom, and your baby sister, Allie, through Hell with violence and ruthlessness, and he killed me back in 1985, only to come back eight years later. And Dad, he's dead along with his scumbag relatives.

Tyler Maxwell: I...I can't believe it. Drake, and Dad. But, Dad wouldn't descend into evil.

Caleb Maxwell: He didn't. It was due to his scumbag relatives bankrupting his business and leaving him in debt that led him to a life of crime, and he never forgave them. But, when Drake found out of The Syndicate, he became seduced by greed, easy money, and power and turned into a ruthless evil abusive monster, and I bore the brunt of his violence, so much so it shortened my lifespan, and that I wouldn't make it to 21 years old.

Tyler Maxwell: My God...! Is Mom okay?

Caleb Maxwell: She is, along with your baby sister, Allie.

Tyler Maxwell: Sister?

Allie Maxwell came up to him.

Caleb Maxwell: She was born two years after you disappeared, but Mom and Allie missed you every day, and so did I and Dad.

Tyler Maxwell: Now, I've really missed out on so much. Dad, your relatives truly are the scum of the earth.

Then, Matilda Roo arrived.

Matilda Roo: (Australian Accent) Guys, we got trouble, Croco and Suka along with his thugs are trying to flee.

Skippy the Bush Kangaroo: (Australian Accent) Looks like we got ourselves a couple of fugitives on the run.

Lincoln: Let's get going.

We immediately got going and went after Croco, Suka, and his thugs and we saw them, and just as Matilda said, they're trying to flee the country.

Suddenly, we saw a Chimera flying in the skies and it left a wave of darkness across the skies, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long red hair with sea foam green streaks, blue eyes, massive white angel wings wings, white short-sleeved blouse with a Chimera on it and on her forehead, sea foam green sleeveless crop top, sea foam green skirt, sea foam green knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, darkness, chimeras, phoenixes, and angels on the coattails, and on the back is the griffin, she has a darkness greatsword and with her are the six girls.

Lincoln: (GASPS) Carly Chimera, Avatar of The Chimera.

Carly Chimera: That's right, and I got the girls away from Croco and Suka, and as you saw, they're on the run.

Lincoln: Not for long.

Skippy the Bush Kangaroo: (Australian Accent) Let me, Lincoln.

Suddenly, Skippy the Bush Kangaroo fired a red and yellow energy blast that destroyed the tires of Croco's car and forced Croco, Suka, and his thugs out, and we landed.

Croco: (Australian Accent) I was so close to finally escaping, so close!

Lincoln: There was nowhere you could run to, Croco, and now, it's time for you to pay for what you've done. This is where your freedom here and now! (HOWLS)

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a dark blue vortex flared up behind him, and he charged at Croco, Suka, and his thugs, and he proceeded to brutally smash them into the ground with his massive superhuman strength, slashed him with his gold-armored dragon claws and greatsword, and fired blasts of dark blue wolf fire, darkness, moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THEM! HE WAS REALLY GOING APESHIT ON THEIR MISERABLE HIDES!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

RIPS! HOINGS! GIRLY SCREAMS!

LINCOLN ALSO GAVE THEM SUPER MEGA IRREVERSIBLE DOUBLE MEGA WEDGIES!

May: OH! AND HE ALSO RESORTED TO THAT! EUGH!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL! SUPER MEGA IRREVERSIBLE DOUBLE MEGA WEDGIES!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far and pissed him off, I don't blame him for going apeshit on you!

James Blunt: That's only a fraction of what's going to be awaiting you in prison.

We saw Croco, Suka, and his thugs shaking in fear, and they were a mess: Lincoln tore some of their hair off and he left claw marks on their face and clothes.

Croco: (Australian Accent) Please, I beg you all, please forgive us!

Suka: (Australian Accent) We promise, we'll repent for our actions and atone for our sins! Please, forgive us.

Lincoln: If Christ above forgiveth you all for your atrocious actions, will I, The Eye of Dread and Scorn, henceforth forgive you, your thugs, and your wife, Croco?!

LINCOLN SHOT HIM AN EXTREMELY DEATHLY GLARE AND THAT MADE CROCO, SUKA, AND THE THUGS SO SCARED, THEY SCREAMED IN FRIGHT!

Croco, his thugs, and Suka: (BLOODCURDLING SCREAMS)

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, HE REALLY DID IT, HE TRIED TO BEG FOR MERCY, BUT LINCOLN SHOT THEM DOWN WITH THAT AND A DEATHLY GLARE AT THEM TOO!

Eli: They are done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKERS, YOU MESSED WITH THE WRONG HEROES AND THE WRONG PLANET, YOU JUST BOUGHT YOURSELVES A ONE-WAY TRAIN RIDE TO THE NINE CIRCLES OF HELL!", "TAKE THAT, YOU CORRUPT MAYOR!", "YOU DESERVED TO GET BEATEN DOWN BY LINCOLN! HAVE FUN ROTTING IN PRISON FOR LIFE!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending condemnation at Croco, Suka, and Croco's thugs.

We saw the public condemnation, and it was really awesome!

Me: Wow.

Nico: Man, they really are going all out to say those condemnations to those criminals.

Then, Lincoln fired rainbow, white, golden yellow, and blue energy blasts that turned into straitjackets and tied Croco, his thugs, and Suka up, and they were loaded into police cars and they were sent to a special prison in Australia. We cheered as we holstered our weapons and powered down, and we then headed into The TLPS Flying City Fortress along with our new members: Skippy the Bush Kangaroo, Matilda Roo, and their friends.

Skippy the Bush Kangaroo: (Australian Accent) So, this is The World Tree Estate, this place is amazing.

Lincoln: And we've got the whole city of Gotham Royal York with us for the competition we're in as we're going against an evil organization formed by J.D.'s old enemy from fourteen years ago, Elise Elexton, along with Morgana Midnight Sparkle and The Midnight Princesses, my old enemies from seven years ago.

Matilda Roo: (Australian Accent) We heard, we saw a storm form yesterday on the news.

Nico: And so far, we took one of them down from each organization, but we've got more to go.

Lincoln: But, we're not going to stop until all of them are in The Black Abyss forever. (To Carly Chimera) And it's so good to see you again, Carly.

Carly Chimera: You too, Lincoln, it's been seven years since we last met.

Suddenly, Carly Chimera had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Carly Chimera was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Matilda Roo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Skippy the Bush Kangaroo: (Australian Accent) Same here.

Carly Chimera: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Carly Chimera and hugged her, and Carly Chimera is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Carly Chimera: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Carly Chimera, Avatar of The Chimera, she's Lincoln's Guardian Angel and she's known as The Chimera Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Carly is a powerful master of the powers of the wind, and she's also known for her mastery of the powers of The Chimera. She was born to a family of Chimeras during a time of darkness, and over time, as she grew, she gained all of the incredible strengths and powers of The Chimeras, along with immortality and she also mastered the powers of The Chimeras, and she'd fought to protect the Chimeras from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness, and he also gained all of the incredible strengths and powers of The Chimeras, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Chimeras and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Carly kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Chimeras and be torn apart!

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: Same here.

Lincoln: And no one dared to mess with her, she was really vicious, and now that you're here, Carly.

Lincoln with his massive muscular arms still wrapped around Carly Chimera's leaned his head down first to the right side of Carly Chimera's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Carly Chimera: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Carly Chimera with red gems on the gold lightning bolts and sea foam green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Carly Chimera: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Carly Chimera.

Carly Chimera had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Carly Chimera's waist, and he leaned down to her face and kissed her on the lips, and with Carly Chimera's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Carly Chimera had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Carly Chimera: (In Heaven) My God. Oh, Lincoln, the six girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the six girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The six girls are Towa Misogigahara, Shizune Daonaruto, Eris Katsukinomiya, Yuzuki Selestina, Reika Tsukikage, and Izuna Senbazuru from Minagoroshi no Otome..

Lincoln: Oh whoa, it's Towa Misogigahara, Shizune Daonaruto, Eris Katsukinomiya, Yuzuki Selestina, Reika Tsukikage, and Izuna Senbazuru from Minagoroshi no Otome..

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really sexy and voluptuous.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Towa Misogigahara: Yes, we're okay, thanks to you.

Towa Misogigahara: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Towa Misogigahara: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Towa Misogigahara, Shizune Daonaruto, Eris Katsukinomiya, Yuzuki Selestina, Reika Tsukikage, and Izuna Senbazuru with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out, and we told everyone of what happened.

Maria: Whoa, that was one awesome adventure you had, plus, I didn't know you were also friends with Skippy the Bush Kangaroo and his friends, Lincoln.

Me: Neither of us did.

Nico: Still, you reunited with your old friends in Bushtown and put that corrupt mayor, his wife, and his thugs behind bars.

Lincoln: And we also reunited Caleb with his younger brother, Tyler, after being apart for seventeen years.

Marlene Maxwell: That's right.

Cage Blunt: Still, what his Dad's scumbag relatives did, I'm so glad Caleb and Allie sent them and Drake to The Black Abyss.

Tyler Maxwell: I was stunned to find out that Drake had turned his back on you, Mom, and Allie and turned into a violent, insane, and abusive monster driven by greed and power.

Caleb Maxwell: At least, you missed out on that, Tyler. Those years of him attacking us like a vicious animal really took a toll on me bad.

Travis Tackett: We both saw what Drake's violence did to your brother and him not eating well and not getting any sleep really ruined him, it wasn't pretty at all.

Tyler Maxwell: I really do not want to know how badly my brother suffered because of Drake. What they did cannot be forgiven at all.

Marcus Mackenzie: Yes, however, the cycle of violence and the evil brought on by your Dad's relatives was finally brought to an end once and for all with their deaths.

Tyler Maxwell: That's good to hear at least. I may have been spared when I came to Bushtown, but it didn't change the fact that Caleb, Mom, and Allie suffered because of Drake, and Dad suffered due to the heartlessness of his own relatives.

James Blunt: I saw the full extent of how your older brother suffered: the scars and marks on his body were more than enough to make me sick. I may be a vampire, but what Caleb went through was the absolute definition of a living Hell that no mortal should ever have to go through. Same with Lincoln.

Lincoln: You saw the videos where I got chained up and locked in my room to starve to death.

James Blunt: We did, and I was pissed off at Dark Lori for that, if I see her, I'm gonna kill her myself. (Red Eyes glowed even brighter)

Caleb Maxwell: Now, she really did it this time, committing attempted murder is more than enough to get you killed by a vampire. An inhuman toxic bitch like her deserves to be put through the worst kind of torture.

Christiano Maxwell: Caleb, I hope you're not planning on calling one of the Torture Sommeliers to help out with that. Remember what happened last time?

Caleb Maxwell: I remembered, don't worry. This time, I'm prepared.

After Lincoln and all of us met up with Skippy the Bush Kangaroo along with Matilda Roo and his friends and we're took down Mayor Croco, his wife, Suka, and his thugs and sent them to prison, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Carly Chimera saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Carly Chimera: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Carly, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Carly Chimera: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Carly Chimera: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm, it was Mr. X and his Organization from Streets of Rage, they were brought back by Morgana Midnight Sparkle and her minions to get revenge.

Blaze Fielding: Are you kidding me? Ugh!

Lincoln: Morgana, you've got some nerve.

Skippy the Bush Kangaroo: (Australian Accent) Say, let me get after them, Lincoln. I think it's time I showed these guys some manners.

Eli: Wait, what?

Nico: It's only been a few hours since you joined the team, and now you're about to take on some old villains from our past. (Smirks) Who are we to stop you. Go get 'em!

Skippy the Bush Kangaroo charged outside and confronted Mr. X and his Organization.

Mr. X: Stand aside, Team Loud Phoenix Storm must be killed for the humiliation they've dealt unto me.

Skippy the Bush Kangaroo: (Australian Accent) Sorry, mate, can't let that happen.

Suddenly, Skippy the Bush Kangaroo's black eyes turned neon blue and he was surrounded by a red and yellow, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, fire, flames, kangaroos, phoenixes, and angels, and as he approached Mr. X and his organization, he left red and yellow, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, kangaroos, phoenixes, and angels with every step.

Skippy the Bush Kangaroo: (Australian Accent) Lincoln already told me of the pain and suffering you caused to so many innocent people in your desire for power and control. I cannot forgive a man such as you nor your entire organization for doing so, and now, I will avenge those shattered lives here and now.

We were amazed by Skippy the Bush Kangaroo's transformation, and that angered Mr. X and his entire organization.

Skippy the Bush Kangaroo: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Australian Fire Inferno Firestorm Pilirin Aboriginal Master Kangaroo Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Australian Fire Inferno Firestorm Pilirin Aboriginal

Master Kangaroo Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Australian Accent) I did warn you, but since you refused to listen to reason, I guess I have no choice. Prepare yourselves.

Skippy the Bush Kangaroo went after Mr. X and his organization, and he fired extremely powerful blasts of red and yellow, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, kangaroos, phoenixes, and angels at Mr. X and his cronies and they exploded with incredible power as they hit them. Then, he punched them hard with his gauntlets and kicked them with his graves and they got hit hard.

Blaze Fielding: Wow, already in as a member of the team, and he's already doing some damage to Mr. X and his cronies.

Lincoln: Still, Morgana had some nerve bringing them back to cause havoc, we already got enough with the trouble Elise Elexton and her bastard cronies are cooking up, and now, that she-demon and her minions are also adding more trouble in as well? Now, they're really gonna get it.

Then, Skippy the Bush Kangaroo fired streams of fire that heated the guns of Mr. X and his cronies and they got burned and had to drop them, and then, a massive shower of blades of light appeared over Mr. X and his cronies and the blades dropped down and skewered them and they were burned by beams of light exploding out of them and they were sent to The Black Abyss, and Skippy the Bush Kangaroo flew back to The World Tree Estate.

Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Australian Accent) I knew that was you who did that, Lincoln. That was a nice move.

Lincoln: Thanks.

Me: As you saw for yourself, Lincoln now uses all of the elemental forces.

Nico: And he's also invented some pretty awesome techniques utilizing all of the elemental forces of nature and the universe.

Eli: Same with J.D. Sorry that Lincoln had to end it quickly.

Skippy the Bush Kangaroo: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Australian Fire Inferno Firestorm Pilirin Aboriginal Master Kangaroo Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Australian Fire Inferno Firestorm Pilirin Aboriginal Master Kangaroo Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Australian Accent) It's alright. Plus, I knew he was gonna end this quickly.

Skippy the Bush Kangaroo powered down, and his new body, clothes, weapons, jewelry, accessories, large gold halo with four large orbiting gold rings on each corner behind his head, larger and longer tail, large twenty-five red and yellow planets orbiting around his legs and twenty five smaller red and yellow planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized red and yellow planets orbiting around his wrists and ankles, and massive brown angel wings and nine sets of large brown angel wings underneath his massive brown angel wings are permanent.

Skippy the Bush Kangaroo: (Australian Accent) Still, that was pretty incredible, I transformed like all of you have done.

Maria: And you took on a massive criminal organization on your own. At least, we're now rid of Mr. X and his organization.

Blaze Fielding: Those guys have committed too many crimes to count and were beyond rehabilitation, death was the only thing they deserved. That was some impressive work, and what we saw during Lincoln's rescue, were you doing some training on the side?

Matilda Roo: (Australian Accent) He did, and we've been waiting for the day when we'd meet Lincoln once again along with meeting all of you as well.

Eli: We still were stunned Lincoln knew all of you.

Me: And he'd been to Bushtown as well on numerous occasions.

Selene Emperyous: We've also gone there as well to help out too, and we've met Skippy and his friends as well, and we've had to keep that a secret too. Isn't that right, Lori, Lynn, Lola, Lisa, and Luan?

They looked down.

Lori, Lynn, Lola, Lisa, and Luan: Dang it.

Eli: Shame, shame, shame on you five.

Nico: After all the bad stuff we'd seen your Dark Sides force you five to do to Lincoln and everyone around you, I don't blame Lincoln's Guardian Angels for keeping things a secret.

Me: That'll end once we get rid of them and Dark Chase Young once more.

Lincoln: We got rid of Dark Lynn, now it'll be the turn of the other four parasites and the bastard who made my life Hell by turning Lori, Lynn, Lola, Lisa, and Luan against me, and I've got tons of Hell to unleash on him. (Deep Sapphire Eyes turn red with white, golden yellow, and blue heavenly flames raging around them)

Me, Eli, and Nico: Oh boy.

Luna: The fury of Heaven's been unleashed! That means they have nowhere left to run!

We got a shower, and then, Lincoln, Princess Clarisse de Cagliostro, Becky Lambert, Laetitia Bresson, Nami Hamanaka, Princess Chloe, and Kate KZ are heading to Watermelon Walkabout.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Princess Clarisse de Cagliostro, Becky Lambert, Laetitia Bresson, Nami Hamanaka, Princess Chloe, and Kate KZ are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Princess Clarisse de Cagliostro, Becky Lambert, Laetitia Bresson, Nami Hamanaka, Princess Chloe, and Kate KZ all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Becky Lambert: Wow, so this is Watermelon Walkabout, it sure is beautiful.

Lincoln: It sure is, Becky, and it's perfect for our first date, shall we?

Lincoln, Princess Clarisse de Cagliostro, Becky Lambert, Laetitia Bresson, Nami Hamanaka, Princess Chloe, and Kate KZ dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Princess Clarisse de Cagliostro, Becky Lambert, Laetitia Bresson, Nami Hamanaka, Princess Chloe, and Kate KZ got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Laetitia Bresson: (Swooning) Fujiko was definitely right about him, he's so manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Princess Clarisse de Cagliostro, Becky Lambert, Laetitia Bresson, Nami Hamanaka, Princess Chloe, and Kate KZ and hugged them in their abnormally massive and powerful muscular arms, and Princess Clarisse de Cagliostro, Becky Lambert, Laetitia Bresson, Nami Hamanaka, Princess Chloe, and Kate KZ placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Princess Clarisse de Cagliostro, Becky Lambert, Laetitia Bresson, Nami Hamanaka, Princess Chloe, and Kate KZ and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico

and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Watermelon Walkabout, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Princess Clarisse de Cagliostro, Becky Lambert, Laetitia Bresson, Nami Hamanaka, Princess Chloe, and Kate KZ on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Princess Clarisse de Cagliostro, Becky Lambert, Laetitia Bresson, Nami Hamanaka, Princess Chloe, and Kate KZ are in your harem, Linky.

Princess Clarisse de Cagliostro, Becky Lambert, Laetitia Bresson, Nami Hamanaka, Princess Chloe, and Kate KZ showed the marks Lincoln made on the right sides of their necks.

Fujiko Mine: I definitely made the right move introducing Clarisse, Becky, Laetitia, and Nami to Linky, and they really fell in love with him.

Jenna: You guys had no trouble at all.

Nami Hamanaka: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

In Bikini Bottom, we were over at Squidward's house.

Me: Hey Squidward.

Squidward: Hey guys.

Twilight: What are you guys doing?

Me: We're going to have a scavenger hunt. I decided to have fun in this too.

Twilight Sparkle: I love Scavenger Hunts!

Me: We know you do Twilight.

Poromon: Yeah the more the merrier.

Me: Cool! We're ready Squidward.

Squidward: Okay your first item. Let's see. [takes out a roll of toilet paper and pretends to read something on it] Bring back the rare Desert Sandwich.

Me: Okay. Where do we go for that?

Squidward: The sandwich is only found deep in the Bikini Badlands,

Me: (GULP)

Nico: Lets go.

We went outside.

SpongeBob: Goodlands, half a league.

[SpongeBob and Patrick observe the Goodlands. There, they see jellyfish swimming around, flowers and trees dancing, sun and rainbow shining down and a sea unicorn skipping along.]

Me: Okay that is cute.

Poromon: Yeah. But too easy.

SpongeBob: Badlands, 20,000 leagues?

[SpongeBob and Patrick observe the Badlands. There, they see a dried-up wasteland with a volcano, a cactus, and a skeleton with sea urchins crawling out. SpongeBob and Patrick are stunned]

Me: Oh boy.

But we decide to go there anyway. Bubble transition to us traveling the Badlands.

Some of us become exhausted from the high temperatures and are very thirsty since they had no drinking water with them. SpongeBob and Patrick collapsed from exhaustion.

Patrick: So...thirsty. [rings SpongeBob's sweat and drinks it for water] Oh.

SpongeBob: [dried up and very weak] It's no use. We'll never find the rare Desert Sandwich.

Me: WHEW! It's hot!

Lily: Look guys!

We saw a bunch of crab skeletons!

Me: At least we know what happened to the cheapskates that were banished here.

Nico: Shit!

[Suddenly, a sand tornado appears out of nowhere.]

Me: OH NO!

[SpongeBob and Patrick scream in terror and sand gets into their eyes. The sand tornado lifts them in the air and starts to carry them away. Meanwhile, back at Squidward's house, Squidward is in his bathrobe, dancing with "The Nutcracker Suite" again. The door opens and Squidward flies backward. SpongeBob and Patrick arrive.]

Me: WHOA! That was dusty!

SpongeBob: Squidward! We did it! We brought back the first item!

[A sand tornado comes through the door and into the living room.]

Squidward: Sand? [sand is blown in Squidward's face]

[The sand tornado dies down, revealing a witch within it. The witch cackles.]

Me: WHOA!

Squidward: [spits out the sand] Witch? [the witch cackles] Oh, good grief! Not that kind of sand witch! The Desert Sandwich has tomatoes and bread and—and—mayo.

Sand Witch: No worries, I used to work at an evil deli. [creates a sandwich with her magic] Ta-da!

Me: Wow! That was cool!

Squidward: Oh, looks pretty good. [takes a bite and spikes poke out from his cheeks; he screams as the rare desert sandwich comes to life and bites his nose] Get it off! Get it off! [gets mauled by the sandwich monster]

Me: YIKES!

I grabbed the sandwich but it bit off his nose!

Me: WHOA! DOWN BOY! DOWN!

Nico: That was nuts! The Sand Witch and the sandwich here will be perfect for the M.O.E.

We healed Squidward.

Me: Sorry about that Squidward.

Squidward: No worries. Oh, one of the mystery items here involve the next member of Sonya's team.

Gwen Tennyson: Good to know.

Me: Wow!

Triggerhappy: What's next?

SpongeBob: What's next on our scavenger hunt, Squidward?

Squidward: Hmm...oh. [sees a picture of a flower] Mm-hmm. Your next item is the Boxing Begonia! [spins the globes and points to the location] It only grows in the deepest canyon of the Mariana Trench.

Me: WHOA All the way down there.

SpongeBob and Patrick: Ooh! [giggle as they run out the door]

Me: Lets go then.

Poromon: Yeah.

[Bubble transition to SpongeBob and Patrick and us looking down at the deepest canyon of the Mariana Trench.]

Patrick: It's so straight-downy.

Me: It's over 36,000 feet deep. But nothing we can't handle.

Poromon: Yeah.

We flew down.

SpongeBob: Found it!

Me: That was easy!

[Bubble transition back to Squidward's house where Squidward resumes his dancing. SpongeBob and Patrick swing into his house through the window with the Boxing Begonia they found.]

SpongeBob: We're back!

Squidward: What? But—but it's not possible! [becomes amazed at the Boxing Begonia's beauty] Boxing Begonia? It's beautiful...

[The Boxing Begonia comes to life and starts beating up Squidward with boxing gloves.]

POW! BLAM WHAM BIFF SMASH!

Patrick: The champ takes a swift uppercut to the jaw. [punches himself]

SpongeBob: Squidward is against the ropes. A left, a right.

Patrick: How can a man stand it?

[Squidward falls flat on the floor, knocking out his dentures.]

Me: WHOA!

SpongeBob: Oh, and the champ is down!

Patrick: [holding up the Boxing Begonia] The winner!

[Bubble transition to a beaten-up Squidward pacing back and forth.]

Me: GEEZ! That was crazy!

Nico: YEAH!

Sureshot: According to this, next is the Loch Ness Monster.

Squidward: [sighs and takes out a book] That's right. Your next mission is to find [points to the picture of the Loch Ness Monster] the Loch Ness Monster and bring him back...alive.

Me: WHOA! But it's a she actually.

Squidward: Oh sorry.

SpongeBob: Ooh, the Loch Ness Monster?!

Patrick: Oh, so good! Oh, so good! [takes out a notebook and a pencil; he sharpens his pencil with his bellybutton] What color?

Me: I don't know. But lets go.

[Bubble transition to SpongeBob and Patrick rowing their boat upside-down in Loch Ness, Scotland.]

We were following.

SpongeBob: Stroke! Stroke! Stroke! Stroke! Stroke! Stroke!

Me: WHOA! We haven't been underwater in Loch Ness in a while.

Lily: I know.

Poromon: Cool!

Patrick: How are we gonna find a monster in the dark? I can't see anything.

SpongeBob: We don't have to find it. It'll find us. [pulls out some bagpipes and plays music with it]

[As SpongeBob plays music with his bagpipes, a shadowy creature swims around and looms over them. SpongeBob and Patrick wail in fright. Bubble transition back to Squidward's house, where Squidward resumes his dancing and is playing with his clarinet while wearing a beautiful, purple hat and a scarf.]

Squidward: [sighs] I'm the greatest. [hears a knock at the door] And here comes the worst. [takes off his hat]

SpongeBob and Patrick: [enters] We're back!

[The Loch Ness Monster smashes through the wall above the front door with his head.]

Squidward: [shuddering] The Lo—Lo— The Loch Ness Monster?! How did you find it?

SpongeBob: Oh, simple. [takes out his bagpipe] Bagpipes.

Me: Nessie is a really kind creature when you get to know her. Right?

Nessie: (Scottish Accent) Aye laddie.

Squidward: [grabs the bagpipe] She likes bagpipe music? [the bagpipes blow air out]

Patrick: No, she hates it.

[The Loch Ness Monster roars, grabs Squidward with her mouth, and swallows him whole with the bagpipes.]

The Loch Ness Monster: Ahh...

SpongeBob: But she sure loves to eat 'em.

Me: Oh boy. We're going to have to wait a while.

French Narrator: One very long digestive tract later...

[Squidward is completely worn out from nearly being digested from the Loch Ness Monster.]

Squidward: Good job. We'll wrap it up for today.

Me: Sorry you had to go out through the other end Squidward.

Squidward: No worries.

Then Sheila called us.

Me: What's up Sheila?

Sheila: We have a situation in the city!

We went back and We saw a bunch of stone statues of criminals and prostitutes!

Me: WHOA!

Nico: What the?

I tapped one.

Me: These guys were turned to stone!

Nico: These were all criminals we were after.

Lola: Weird.

Poromon:...if we had stayed here for the last hour-

Squidward: I think my scavenger hunt may have saved you guys.

Me: Yeah. WHOA LOOK!

We saw YVELTAL!

Me: Yveltal!

Nico: What's that doing here!?

Qin: These guys weren't just killed to stone, they were killed!

Nico: Yeah!

Lola: And I think I know why it's here!

Persephone: Same here.

Persephone used Telepathy and gasped!

Persephone: That's Sunflare Oblivion!

Me: The Queen of Damnation!? Oh man!

Persephone: Yep and she is also Daybreaker's sister!

WE GASPED!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Princess Celestia: OH MAN! I had no idea!

Persephone: We need to calm her down!

Me: Lets go!

Me, Persephone and Princess Celestia went to face her!

Nico put his skeleton back.

Nico: I hate it when that happens.

We flew up to her.

Persephone: Sunflare! It's me Persephone!

But she charged up her Oblivion Wing!

Me: LOOK OUT!

I formed a powerful force field and blocked the blast!

Nico: GEEZ!

Me: Like I said, Yveltal would blast everything left and right!

Eli: I believe it too!

Me, Persephone and Princess Celestia blasted her all over.

Me: Lets bring her down.

I snapped my fingers and she reverted back and was a girl with yellow hair, orange eyes with orange sclera and had Yveltal in the middle of her forehead and had fire angel wings and had a red version of Daybreaker's cutie mark on her arm.

Me and Persephone grabbed her and we wrapped her in a blanket.

Me: There. Whoa that was close. If we got hit by that blast it would kill us!

Nico: Not that we could die anyway.

Eli: Yeah.

She woke up.

Persephone: Sunflare?

She saw Celestia and Persephone.

Sunflare Oblivion: Persephone, Celestia? (GASP) It is you!

She hugged them.

Sunflare Oblivion: I'm so glad to see you both.

Princess Celestia: Same here Sunflare.

Me: You were turned into the Pokemon of Destruction, Yveltal and you killed numerous criminals and prostitutes here. Dark Gale turned you into that.

Sunflare Oblivion: Oh man! I remember.

She was wearing a red suit and injected and turned into YVELTAL! She blasted numerous members of the organization and turned them into stone and killed them and flew out.

FLASHBACK ENDS.

Sunflare Oblivion: It was awful.

Me: Well we're in the process of killing Dark Gale.

Sunflare Oblivion: Good.

Me: Sunflare is called the Queen of Damnation. She has the power to judge the worst criminals and banish them straight to the Fires of Hell to Burn!

Nico: WHOA! That is a deadly power.

Me: Yep.

Nico: Your role in Sonya's team?

Sunflare Oblivion: I am the pyromancer and judge, jury and executioner of the team. I use my powers to banish our enemies to hell.

Me: Whoa! Scary.

Lola: Yeah!

Sunflare Oblivion: Yeah and outside the team I am a police officer and banish murderers and rapists to hell.

Me: Wow!

Sheila: We could use someone like you on the force.

Sunflare Oblivion: I would like that.

Nico: How did you meet Persephone?

Sunflare Oblivion: I met her when she was heading home and a bunch of rapists were about to jump her and I saved her and banished them to hell. We became good friends.

Persephone: She saved me from a fate worse than death.

Me: Whoa! That is amazing!

Sunflare Oblivion: It sure is.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her awesome orange clothes and a fire flame sword.

Sunflare Oblivion: Wow! I look amazing.

Me: You sure do.

RD Leni: I want to go on the next scavenger hunt!

Me: Yeah we had fun on that.

Poromon: It sure was.

Xenia: Yeah!

We went back home to the World Tree Estate.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next Ridonculous Race challenge starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates

and they'd since healed and repaired things with Lincoln.

Me: So far nothing out of the ordinary.

Nico: Yep.

Horsea went into the fridge and got something to drink.

Horsea: (Drinks Soda) Ahh. (LOUD BELCH)

Me: Pardon you.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Adwaita, another of Ben's enemies from the past, and he's in The Kanto Region and he's causing havoc and wants revenge on Ben, Gwen, and Kevin. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh man!

Eli: We got a new villain running loose!

Lincoln: But, this one is someone familiar to Ben, Gwen, and Kevin.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: it was Adwaita, another of Ben's enemies from the past, and he's in The Kanto Region and he's causing havoc and wants revenge on Ben, Gwen, and Kevin.

EVERYONE GASPED!

Gwen: Oh man, I thought we'd never have to see him again! Elise had some nerve recruiting him!

Shanan: And I know his story, Adwaita is an Geochelone Aerios who'd mastered magic thousands of years ago, and he's an evil mystic being and he's considered to be the most powerful sorcerer in the universe.

WE GASPED!

Nico: Holy crud!

Me: But, our magic and power outclasses his in every way and we're masters of magic, and he does have a weakness: the lightning of an Amperi and if you hit him with just one bolt of Amperi lightning, that'll take him down. So, Lincoln, where's he at?

Lincoln: He's in The Kanto Region in Saffron City.

Me: Fitting. So, we're heading back to The Kanto Region to take him out.

Nico: And destroy him, this is gonna be intense. Alright, team, let's get going, we got an evil magic-using Geochelone Aerios to destroy.

Lincoln: We'll meet with Don at The Kanto Region to hunt down Adwaita once and for all.

Camie: Who is Adwaita?

Me: He's a Geochelone Aerios that lives in Ledgerdomain.

Ben: And he was tough too.

Ben went over his history

Adwaita is an antagonist in the Ben 10 series. He is a Geochelone

Aerio who mastered magic thousands of years ago.

He was voiced by John DiMaggio in Ultimate Alien, while in Omniverse, he was voiced by Steve Blum.

Adwaita is a evil mystic being considered as the most powerful sorcerer in the universe. He was slightly mentioned and introduced in "Where the Magic Happens" and is responsible for the death of Spellbinder, Charmcaster's father.

Adwaita got a piece of the Map of Infinity in disguise) and reached the interdimensional world of Ledgerdomain. He got corrupted by the immense magical power the artifact possesses.

The inhabitants of Ledgerdomain, were forced to send Hex and Charmcaster, to Earth in order to keep them safe. While he did that, Adwaita murdered him and took control of Ledgerdomain. He had also enslaved most of the people of Ledgerdomain to do his bidding.

In "The Ultimate Enemy: Part 2", Adwaita was seen in a flashback.

He has a short appearance talking to Charmcaster in "Charmed, I'm Sure". He has been turned into a stone miniature along with Michael Morningstar and is kept in Charmcaster's bag. Charmcaster is listening to his advice in her plans but is still confident that she is in control of him.

When it was done we were shocked!

Me: WHOA! HE's that strong!? Holy crap!

Mevya cuddled up to Gwen

Gwen Tennyson: Adwaita was a really tough foe. He gave us a nightmarish challenge.

Charmcaster: And he is also the most that killed my father.

Me: Oh man!

Qin: Horrible!

Lola: He is gonna pay!

Nico: Big time.

Me: Scans show he's in Saffron City.

Sabrina: My home city.

Lola: Yeah.

The previous group came.

Shade: Can me, Trumbipular, Grizzly, Gearhead, Dark Turtles, Abra Kadabra, Batroc the Leaper, Ragdoll, Vanitas and Trapster go with you guys?

Dark Don: Nice job with the scavenger hunt.

Poromon: Thanks.

Me: That was fun.

Qin: Yep.

Nico: And yes you all can come with. We're going to need Mr. Fizz here too shortly.

Me: Yep.

Dark Leo: We'll have him show up soon.

Me: Great.

Stormy Weather: Nico, which Gene Slammer do you think you'll meet next?

Nico: Neptunmon next.

Me: OOH! Aquatic and fun.

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Sarah Solar Shimmer, Midnight Princess of The Hellish Flames of Hell, and she's coming after us at The Kanto Region. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Me: Was that?

Lincoln: Yep, the second of The Midnight Princesses, Sarah Solar Shimmer, Midnight Princess of The Hellish Flames of Hell.

Reina Brenton: I knew she'd be the next one we'd face. But, we're ready for her, she's gonna be burned by the fires of justice.

Nico: She deserves no forgiveness. Alright, everyone, let's head out to The Kanto Region!

Lincoln: Adwaita, your time is finally up and now, you're gonna pay for your crimes over thousands of years ago, and once we get done with him, you're next, Sarah Solar Shimmer!

Reina Brenton: The suffering you've caused all those years ago can never be forgiven, Sarah, and now, I will see to it that you die here and now!

Lincoln put up a powerful rainbow energy field around The TLPS Flying City Fortress ready and we disembarked and headed out to The Kanto Region to meet up with Don and hunt down Adwaita, the next of Dark Gale's members, and once we got done with him, Reina Brenton and Lincoln are going to destroy Sarah Solar Shimmer, Midnight Princess of The Hellish Flames of Hell.

We were off to Saffron City.

We disembarked and we were there in The Kanto Region in Saffron City.

Grizzly: Here we are.

Me: Ah, Saffron City of The Kanto Region.

Nico: This is our second stop on The Ridonculous Race.

Sabrina: Good to be back in Saffron City.

Dark Leo: Let's call Fizz

Then, we saw Don arrive.

Don: That's right, guys. We found another of Dark Gale's bases as well.

Lincoln: Along with Adwaita, plus, we'd found out that the madness of Ed was caused by a plot by one of Dark Gale's minions. But, when we find out who did this, they've basically drawn their final breath.

Me: Yep.

Sabrina: It feels great to be back home.

Qin: It sure is amazing.

Ash: We have a lot of memories here.

Pikachu: We sure do.

Misty: Me and Brock were turned into dolls here by Sabrina

Mr. Fizz arrived.

Mr. Fizz: I'm here guys.

Retrax: Glad you could make it, Fizz.

Mr. Fizz: I uldn't miss this for anything.

Hex then apeared.

Hex (Ben 10): I'm here as well.

Charmcaster: Glad you could come uncle.

Me: We're going to avenge your brother and make Adwaita pay.

Gwen Tennyson: Good thing we're not in Legerdomain.

Dark Mikey: Because that's his home turf, right?

Charmcaster: Besides that. Legerdomain has an unparalleled sky, meaning any being in the air unbound by gravity is unable to return to the ground easily. Perfectly bad conditions for fliers like us.

Abra Kadabra: Really?

Ben: I can tell you from experience that isn't fun.

Me: That is a good thing. The gravity there would hold us at a disadvantage.

Xenia: Yep.

Gwen Tennyson: Adwaita made a huge mistake.

Me: Yeah no kidding.

Lola: But we're ready.

Nico: Yeah.

Me: Oh guys I got this letter.

I pulled out a letter and it had Midnight Sparkle's Cutie Mark on it.

Nico: (Reading) Meet me at Saffron City. Arrive when you get there. M.M.S.

Eli: I sense it's not Morgana. There's no evil on it.

Me: Hmm.

Rose the Huntsgirl: Another ally, maybe?

Me: Yeah.

?: You all are here!

We saw a girl land. She had purple hair with a magenta streak and had Midnight Sparkle's cutie mark in the middle of her forehead and had purple eyes and had purple and blue clothes and had Midnight Sparkle's Cutie Mark on her skirt, shirt and arm and had Midnight Sparkle's wings and had a black sword.

Mina Midnight Sparkle: I'm sorry to drop in like this. I'm Mina Midnight Sparkle.

Me: Pleasure to meet you Mina.

Mina Midnight Sparkle: I have some info I need to tell you about the Midnight Princesses. I should start with Morgana. Morgana Midnight Sparkle is my twin sister. I was born 20 minutes before her.

WE GASPED!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Me: WHOA MAN!

Lola: Yeah!

Mina Midnight Sparkle: Yeah but I am nothing like her. My sister is pure evil.

Nico put his skeleton back.

Nico: I hate it when that happens.

Ragdoll: And let me guess. You're the good one?

Mina Midnight Sparkle: That's right. I should explain. I am the polar opposite of my sister and I use my powers for good and I am absolutely appauled and horrified of the atrocities that my sister did. I can never forgive my sister for all the crimes she did to so many people. But that's not the worst part.

Me: What is it?

Mina Midnight Sparkle: I am the true leader of the Midnight Princesses. We were originally created to defend the world from evil threats like how you all defend the world. Morgana turned my friends the Midnight Princesses into evil monsters by poisoning them with her evil. I vowed to cleanse my friends of the evils Morgana put in them and make my sister pay for her crimes.

WE GASPED IN UTTER SHOCK AND DISBELIEF!

Me: WHOA MAN!

Xenia: That is shocking!

Lola: Yeah!

Cole then came up to me and put his hand on my shoulder.

Cole: She's telling the truth. Everything she said was true.

Me: Oh man.

Jindrax: Hey, if Cole trust her, we should too. After all, he trusted me and Toxica after the whole first Master Org shit

Me: You're right. Mina your sister is pure evil. She wants to destroy everything.

Lola: Yeah!

Mina Midnight Sparkle: I know. When I heard about how Lincoln and his guardian angels sealed my sister and the princesses away 7 years ago, I vowed to find a way to purify them and bring back my friends into the good of light.

Me: Well we are in the midst of battling them after we take down the main villain. We're going to purify them and then bring down Morgana permanently.

Camie: That's right.

Mina Midnight Sparkle: Good. I will gladly help you. My sister must be stopped!

Trapster: We actually defeated one of them yesterday.

Me: Gina Midnight Glimmer.

Mina Midnight Sparkle: That's good. I won't let my sister get away with this. She is dead to me.

?: Just like all of you will be!

We then saw our next target: Sarah Solar Shimmer, Midnight Princess of The Hellish Flames of Hell.

Reina Brenton: If it isn't Sarah Solar Shimmer, Midnight Princess of The Hellish Flames of Hell.

Sarah Solar Shimmer: You murdered Gina! How dare you humiliate us like this!

Lincoln: She deserved it, she and all of you were extremely evil to the core, Sarah. You all sought to destroy the world, and we weren't going to let that happen.

Sarah Solar Shimmer: (ENRAGED DEMONIC SCREAM) I HOPE ADWAITA DESTROYS ALL OF YOU! We will triumph and you and this entire planet will be destroyed!

Mina Midnight Sparkle: SARAH!

Sarah Solar Shimmer: Mina!? You're alive?!

Mina flew up to her.

Mina Midnight Sparkle: I am more than alive Sarah. I am here to save you from this monster that is plaguing you. I am helping Team Loud Phoenix Storm with saving you and our friends. You don't need to serve Morgana anymore. She is only using you.

She put her hand on her face.

Mina Midnight Sparkle: I'm not going to give up on you Sarah. For 7 years I've been trying to find a way to help you. Please Sarah, don't do this. This isn't you. You need to realize that you are more than my friend. You are my sister. I love you. Please.

She hugged her.

Mina Midnight Sparkle: Don't do this Sarah. Please.

Sarah Solar Shimmer: I'm sorry Mina. (Crying) (GROANS)

She let go an clutched her head!

Sarah Solar Shimmer: (SCREAMS) NO!

Sarah Solar Shimmer disappeared in a tornado of red darkness, hellfire, and dark magic.

Me and Nico: What a bitch.

Eli: I sensed that Mina got through to her. Morgana made her this way.

Lincoln: You have no idea, and we'll see who gets destroyed first, Sarah!

Reina Brenton: I knew it, seven years of being trapped in The Netherworld had forever driven them even more insane than ever.

Catherine Fontaine: If the others were that bad, Morgana's become even worse than ever.

Me: But guys I sensed that she is being controlled by Morgana. Mina got through to her temporarily. We can help them. Trust them and Lincoln's plan.

Catherine Fontaine: Alright, we need to get going and stop Adwaita before he does something really bad.

Nico: Right.

Don: We also spotted some Dark Gale grunts and scientists there as well, give them the same kind of treatment as the ones that were with Hro.

Lincoln: You got it.

Reina Brenton: And from what we saw with Gina's Dark Magic Star demons also coming, Sarah's also going to summon her army of demons as well: The Dark Magic Hellish Flame Demons.

Nico: They have their own army of demons?

Lincoln: Yep, they have their own personal armies of demons and each of them bear the same mark as The Midnight Princesses and have the powers of dark magic and the elements of their masters.

Me: That makes things even more dangerous than ever.

Lincoln: But, we're ready for them. (CRACKS KNUCKLES) Let's tear Adwaita apart along with Sarah's army of Dark Magic Hellish Flame demons and trash those Dark Gale grunts and scientists.

Nico: That's the kind of talk I like to hear!

But, the bold determination and talk also caused Lincoln's harem to blush even more.

Lily the Mermaid: (Swooning) My God.

Lynn: Hey, you guys, snap out of it.

They snapped out of it.

Girl Jordan: Sorry about that.

Nico: Alright, let's get going and hunt that evil magic-wielding alien down!

Eevee: First, we need to find the base.

Eli: I sense that it's there.

He pointed to the abandoned castle where Ash and friends met Haunter, Gengar and Gastly.

Ash: I know that castle. That's where we met Gastly, Haunter and Gengar.

Horsea: Spooky!

Shaggy: ZOINKS! Like g-g-g-g-g-go in there!? (Cowardly Whimpering) Like not on your life. NO WAY!

Me: Shaggy this is no time to be chicken!

Shaggy: UH UH! No way! Forget it! Me and Scooby will go to a restaurant. We're not going there no way, no how, no chance!

Scooby Doo: And you can't make us!

Erica Haddock then grabbed them.

Erica: But I can and you're going whether you like it or not!

Ace: Are they always like that?

Me: Oh yeah Ace. Shaggy and Scooby have been this cowardly for as long as I can remember. They get scared of everything and they are even scared of their own shadows.

They saw their shadows they screamed.

Shaggy and Scooby: (SCREAMING!)

Me: See?

Erica held them.

Erica: Get a grip you chickens!

They clucked like chickens.

Horsea: Then I guess you guys don't want the Scooby Snax we made.

Shaggy: Scooby Snax!?

Scooby Doo: Roh boy!

They ate Scooby Snacks and loved them!

Shaggy: Like, what kinds are they?

Horsea: Coconut, Cookies and Cream and Chocolate Pizza flavor.

Nico: Wow! Those look awesome.

Me: Nice flavor Horsea.

Horsea: Thanks.

Mevya continued cuddling up to Gwen.

Gwen: Thanks Mevya.

Lincoln then had a premonition.

Lincoln: WHOA! I just saw who we're going to face for the Akuma. It's Gwen's Akuma, Manaphantom. The Hypothetical Akuma of Gwen Tennyson and she is a phantom made of magic and mana and she is a very powerful master of dark magic. She was made when Kevin was corrupted by the power he got from Aggregor and the Ultimatrix and Ben was forced to kill him. Now she wants revenge on her cousin.

WE GASPED IN SHOCK!

He showed a sketch of her and she looked like a scary evil spirit.

Me: WHOA MAN!

Nico: That is crazy!

Me: Holy crap! Ben was forced to kill Kevin in Manaphantom's world!? That is brutal!

Kevin Levin: Since I'm not out of control at the moment, I can safely say that Ben had the right idea of wanting to kill me to stop my rampage.

Barricade: Justified since he didn't have that many options at the time.

Me: Boy no kidding. I don't know what that worlds version of Kevin did but man that is brutal!

Lola: Yeah!

Gwen Tennyson: I can't believe I would be that vengeful there.

Me: Yeah. What Kevin did that warranted it really crossed the line.

Vanitas: You think she'll calm down if she sees Kevin alive and well?

Me: Chances are slim to none. That would be like telling an Evil Sasuke to calm down.

Xenia: Yeah.

Nico: You're right.

Eli: I sense her coming. She's that way.

He pointed to the north and we saw a glowing figure coming.

Me: There she is!

We saw MANAPHANTOM!

She came up to us!

Me: WHOA! That is scary!

Manaphantom: Looks like you all came. Now I can get my revenge on you dear cousin! YOU STUPID DWEEB!

Windsweeper: Gwen? Is that you?

Manaphantom: Yes Windsweeper it's me. Now move out of the way so I can kill Ben!

Kevin Levin: We won't do that Gwen! You need to let us help you.

Manaphantom: It's good to see you Kevin. But Ben killed Kevin.

Me: In your world he did but not ours.

Batroc: Doesn't Ben get to say his last words before you kill him?

Me: Georges you're not helping.

Batroc: Sorry.

Ben: Gwen, do you think the decision to want to kill Kevin came so easy? I wasn't happy about making it. But at the time, there was no other way. Sometimes, heroes have to make the hard choices to protect the innocent.

Me: He's right on that Gwen. Besides that happened in your world. Not ours thankfully.

Manaphantom: I don't care! I loved Kevin and Ben took him away from me!

Me: Because there was no other choice! Then it looks like we got to fight!

I fired waves of energy and blasted her down.

Mr. Fizz charged at her and blasted her with soda.

Nico: Nice one!

Manaphantom: My turn.

She fire waves of magic and we deflected them back.

Me: Mr. Fizz give me some soda.

Mr. Fizz: You got it!

He gave me some soda and I drank it all down. Then...

LOUD MASSIVE AND POWERFUL LONG BELCH!

I blasted her down with a Wakko style belch!

She was knocked out!

Gilda: That was a big burp!

Me: Excuse me!

Nico: Nice one though!

Qin: (LAUGHS) That was funny and cool!

Wakko: Nice one though.

Me: Thanks.

Dark Raph: Let's kick some Mana Turtle butt!

Me: Yeah!

Qin: Lets get him!

Skalor: Let's start by going into the castle

Me: Okay.

We went to the castle.

Nico: Stay close.

We went into the castle and looked around.

Me: Scary place.

Qin: Yeah.

Gearhead: Any vehicles I can use here?

Me: I don't think so.

Eli: I sense something behind that wall.

Me: Hmm.

I went over and tapped on it.

Me: It's hollow. Something is back there.

I felt around the wall and pressed a button.

Me: Uh oh.

Then it opened and revealed a hidden staircase.

Me: Whoa.

Nico: A hidden staircase.

Eli: The base is down there.

Buddy Pine: Entrance time!

Nico: Lets go.

We went at the base.

Adwaita was waiting there and then the spirits of Ben 10 and aliens came and swirled around him and then converged and then..

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMM

A massive fiery explosion blasted off above him and then a phoenix cry was heard and we came out.

Me: Adwaita!

Adwaita: Team Loud Phoenix Storm! Gwen Tennyson and Ben and Kevin. And Charmcaster. Nice to see you again.

Charmcaster: You will pay!

Adwaita: Not to worry, child. You'll see your pathetic father soon!

Trumbipular: Always did hate your guts!

Ben turned into Jetray.

Jetray: JETRAY! Best part about us not being in Legerdomain? I can fly freely now!

He fired blasts of energy and blasted him all over.

Me: And we can fly freely too!

I flew and fired energy blasts and blasted Adwaita too!

Lola and Sam fired waves of fire and blasted him.

Sam S.L.: Take that you monster!

Xenia: YEAH!

Hex chanted an incantation and fired a blast of fire and burned him!

Hex (Ben 10): You killed my brother!

Charmcaster: This time, I won't use your soul in a sacrifice. I'll destroy it along with the rest of you!

Me: Same here! And I got a nasty surprise for you Adwaita. Later on.

Arcanine charged at him and blasted him with intense fire!

Lola: YEAH!

Trumbipular charged at him And bashed him down!

Ironhide (Beast Wars): Lets make this fun! Ironhide, MAXIMIZE!

He transformed!

Trumbipular and Ironhide: ELEPHANT CHARGE FURY BLAST!

They fired waves of energy and blasted Adwaita all over.

She-Hulk punched Adwaita and bashed him all over.

Raj: (India Accent) Lets make this fun and amazing!

Trumbipular: Lets do it!

Trumbipular and Raj: ELEPHANTS OF MAYHEM BLAST!

They fired waves of energy and blasted Adwaita all over.

Me: OH YEAH!

Polar Claw: Time for some bear power! Polar Claw, MAXIMIZE!

He transformed!

Grizzly and Polar Claw: BEAR BLAST SURPRISE!

They fired a massive blast of energy and blasted Adwaita down!

Gearhead charged at him and blasted him with lasers.

Fuzzy Lumpkins: Lets bring the pain!

Gearhead and Fuzzy: MEAT BEAM BLAST STORM!

They fired waves of energy and blasted Adwaita all over!

Me: TONIGHT I DINE ON TURTLE SOUP!

I teleported and blasted Adwaita all over the place.

Shade charged at him and blasted him with darkness.

Moonlight Raven: Lets bring the darkness!

Shade and Moonlight Raven: DARKNESS FURY BURST!

They fired waves of energy and darkness and blasted him down.

Poromon: YOU WANNA SEE SOMETHING SCARY?! Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

ADWAITA SCREAMED IN FRIGHT!

Adwaita: THAT IS A HORRIBLE MOVIE!

Dark Turtles and Terraspin: WINDSTORM FURY BLAST!

They fired waves of wind and energy and blasted him.

Nico: Take that!

2003 Turtles: COWABUNGA!

Dark Turtles: COWABUNGA!

They fired waves of energy and blasted him all over the place.

Gwen T: Rest in The Black Abyss, Adwaita.

Nico: That monster got what he deserved.

Me: And we did the entire universe a favor by putting him down.

Lincoln: That's true. Now, there's one last thing to do and one last loose end to tie up: Sarah Solar Shimmer, The Midnight Princess of The Hellish Flames of Hell.

A tornado of red energy, hellfire and dark magic appeared, and as soon as the tornado vanished, in its place stood Sarah Solar Shimmer, The Midnight Princess of The Hellish Flames of Hell.

Reina Brenton: We've already taken care of Adwaita and we not only knocked out the Dark Gale grunts and scientists there, but we also got rid of your Dark Magic Hellfire Demons that you sent after us, so you failed to get rid of us with your minions and using one of Elise Elexton's allies.

Sarah Solar Shimmer: (ENRAGED DEMONIC VOICE) Those idiots failed in their task, and now, I have to do everything myself! Damn them!

Reina Brenton: Well, you better consider those your last and final words.

Reina Brenton: From the very moment that we found out the seal was broken, we'd known you and the other Midnight Princesses would return once again to get revenge on us for banishing you all to The Netherworld seven years ago. You wanted to destroy the Earth same with the rest of the other Midnight Princesses, that proves that you're just as dangerous as Queen Opaline, you walked the path of a monster crawling your way through the dark, that's a lonely path, and it's one that'll follow you into death. Sarah Solar Shimmer, Midnight Princess of The Hellish Flames of Hell, may you suffer for all eternity with not a kindred soul to give you solace!

Lincoln, Reina Brenton, Nico, and I went after Sarah Solar Shimmer, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, crimson red and yellow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Reina Brenton did the same by firing crimson red and yellow, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Reina Brenton, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Sarah Solar Shimmer even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Sarah Solar Shimmer, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic

Then, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Sarah Solar Shimmer.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Sarah Solar Shimmer's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Sarah Solar Shimmer hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Sarah Solar Shimmer was now on her last legs and she was really really mangled.

Then, Lincoln fired an orange energy blast that hit Sarah Solar Shimmer and he began sucking out her dark magic and powers, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and nine other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Me: Not forever.

We cheered wildly as we holstered our weapons and powered down and Reina Brenton's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty five large crimson red and yellow planets orbiting around her legs and twenty five smaller crimson red and yellow planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized crimson red and yellow planets orbiting around her wrists and ankles, eleven massive and long crimson red wolf tails, and massive crimson red angel wings and nine sets of large crimson red angel wings underneath her massive crimson red angel wings are permanent.

Reina Brenton: This is the price that you must pay for all of your crimes, you insane she-demon! Thanks for helping me take down Sarah Solar Shimmer, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Reina.

Me and Nico: Our pleasure, Reina.

Suddenly, Reina Brenton wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Reina Brenton's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Daydream Shimmer flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Reina Brenton sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Well, that's it for Sarah Solar Shimmer.

WE HEARD THE LOUD SCREAMS OF DEMONIC RAGE AND INSANITY!

Me: And we've pissed off The Midnight Princesses big time! So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a Leprechaun flying in the skies and it left a wave of emerald green shamrocks across the skies.

Selene Arcangela: (GASPS) The Leprechaun...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Laura Leprechaun, Avatar of The Leprechaun.

WE GASPED!

Me: Wow!

Enya Phoenix: Oh man, I knew you'd pick her, and you guys are going to love meeting her, Laura Leprechaun, Avatar of The Leprechaun, is Lincoln's Guardian Angel and she's known as The Leprechaun Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Laura is a powerful master of the powers of nature and Ireland, and she's also known for her mastery of the powers of The Leprechaun. She was born to a family of Leprechauns during a time of light, and over time, as she grew, she gained all of the incredible strengths and powers of The Leprechaun, along with immortality and she also mastered the powers of The Leprechauns, and she'd fought to protect the Leprechauns from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of nature and Ireland, and he also gained all of the incredible strengths and powers of The Leprechauns, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Leprechauns and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful nature greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Laura kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face some pretty nasty misfortune at her hands.

Me: Oh man!

Nico: So, if anyone dared to anger her by hurting Lincoln, they would be...!

Lincoln: Suffer really nasty misfortune at her hands.

Me: (GULPS) And I know what happens when anyone dared to anger any leprechauns.

Turtle: He gives me a bad name.

Dr. Polaris: Well, he's dead now.

Me: Blown into a thousand pieces!

Spot: And Charmcaster has her father back.

Me: Yep. Blown apart by soda.

Kevin Levin: (laughs) Killed by soda! Who would've thought it?

Me: Yeah and we captured Sarah Solar Shimmer too.

Mina Midnight Sparkle: That is for sure. Soon I will reclaim what my sister took away from me.

Me: Yep.

Skalamander: How should we celebrate?

Red Ghost: With more soda. There's plenty of it now.

Nico: Yep but it will be new soda and not bloodsoake soda. But great job everyone!

Me: Number 2 down.

Lola: Yep.

Alright, and now, for tomorrow, the third match-up in the saga of The War Against The Midnight Princesses and Dark Gale is Sarah Grettleton, Daydream Generosity Princess of Water and Lincoln VS. Celine Crazy Gem

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Chinatown, New York, and we're in for some fun tomorrow and in many more days to come in New York: one of Caleb Maxwell's contacts have gotten reports of an old enemy of his still in business, his name is Chen Xianquan, he's the leader of a local Chinatown triad called The Vermillion Dragons, they're a gang of delinquents and thugs who've caused a lot of trouble in Chinatown for years, and

Caleb Maxwell had heard tons of stories about them: these guys are well-known troublemakers and some of their members are pretty insane, but their current leader was the most ruthless man ever, and Caleb heard the story on him from Chen Xianquan's father, Chun Xianquan, and when he heard of the pretty horrendous things that Chen had done to local rival gang members, let's just say that it's not pretty: Chen Xianquan's known as a boogeyman to locals in Chinatown and in China when he was young, and on some occasions, some of the gang's local tough guys of their group would try to take down Caleb to make a name for themselves and it was long before he died, but the fear of Cage Blunt and Travis Tackett always lurking in the shadows caused them to slink back to Chinatown.

Now, Caleb's heard the latest intel: apparently Chen's been trying to smuggle illegal weapons to Dark Gale and make money, and when Caleb Maxwell heard it, that pissed him off and he also alerted The Big Claw Gang. We're heading down to Chinatown and we're gonna make the streets run red with the blood of The Vermillion Dragons, and we're going to meet the next Avatar of The Mythical Beasts, her name is Laura Leprechaun, Avatar of The Leprechaun, she's Lincoln's Guardian Angel and she's known as The Leprechaun Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Part 3 is in the Johto Region and we're going to battle Trogarr of the Gordanians during Starfire's day to shine.

See you next time!

RIDONCULOUS RACE 2024 PART 3 - JOHTO 1

Johto Region part 1

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had a dream: his dream took him to Chinatown, New York, and as he was flying in Chinatown, he saw the symbol of a vermillion dragon, and to him, it was the sign of one of the local Chinatown gangs. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh man!

Michelle Emperyous: The symbol of a vermillion dragon, that's no doubt the sign of a Chinese Triad, it may be one of the local gang of delinquents and thugs in New York.

Selene Emperyous: We'll have to ask The NYPD Nightshift about this.

Lincoln: Good idea, Selene. Maybe, they know about this in one of the files.

Paige: I wonder if they've gone after the Chinatown gangs before.

Lincoln: We'll have to wait until tomorrow to find out.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Chinatown, New York, and as I was flying in Chinatown, I saw the symbol of a vermillion dragon, it was the symbol of one of the local Chinatown gangs.

Caleb Maxwell gasped along with the NYPD Nightshift.

Caleb Maxwell: My God. Lincoln, that symbol you saw last night. That's the symbol of The Vermillion Dragons, one of the many local gangs of delinquents and thugs in Chinatown who've caused a lot of trouble in the area for years.

Jack Howard: I thought things in Chinatown were much more noisier than ever. We haven't dealt with any of the Chinatown gangs ever since The Big Claw Gang started their business.

Roxy Drake: And Caleb's heard the stories about these guys, and they're not good.

Caleb Maxwell: She's right, and I know of the leader all too well.

Caleb took out the picture of a man with black hair, shades, he also had tattoos on his arms and chest, and he also had on fancy clothes.

Caleb Maxwell: The guy you see here is their leader, his name is Chen Xianquan, he's the leader of The Vermillion Dragons, and I've heard the stories about them in Chinatown: these guys are well-known troublemakers and some of their members are pretty insane, but Chen is the most ruthless man ever. I heard the story on him from Chen Xianquan's father, Chun Xianquan, who unlike his son is a law-abiding citizen. When I heard about the pretty horrendous things that Chen had done to local rival gang members, let's just say that it's not pretty.

Carter Kenrick: Caleb's right, Chen Xianquan's a damn boogeyman to the locals in Chinatown and in China when he was a young kid. On some occasions, some of the gang's local tough guys would try to take down Caleb to make a name for themselves and it was long before he died.

Jack Howard: But, the fear of Cage and Travis always lurking in the shadows caused them to slink back to Chinatown. (Realizes something) Wait, does this mean...?!

Suddenly, an informant in a black coat called Caleb Maxwell and gave him some juicy information: but when the informant was finished, we saw Caleb's eyes narrow with rage.

Caleb Maxwell: What...the...HELL!?

Suddenly, we saw the sclera of Caleb Maxwell's eyes turn black and his red eyes turn brighter: it was not good.

Captain Whitten: What is it, Caleb?

Caleb Maxwell: My informant told me that Chen's planning to smuggle illegal weapons to Dark Gale and make money.

When we also heard it, we were really really pissed off!

Nico: What the fuck?!

Me: That shithead!

Caleb Maxwell: That fucking does it!

Caleb Maxwell sent a message to The Big Claw Gang about this, and immediately, they came out of the rooms all dressed up and they were madder than Hell.

Claw Dane Drake: I warned Chen not to overstep his boundaries long ago, now he's trying to smuggle weapons to Dark Gale to make money. That's it, we're gonna kill him and The Vermillion Dragons.

Nekome: (Japanese Accent) I've been waiting for this chance to come for a long time.

Carla Claw: Hope you got plenty of bullets, Caleb, because we're about to raise Hell on Earth.

Mad Cat Max: Chen's lived for too long, the parasite.

Shroud: Those lunatics from Chinatown are dead when we catch them.

Lincoln: That'll be for after Nico's rescue. Today's the Ace Savvy Comic Convention, but I fear we got some old "friends" of ours to deal with, we should finish up breakfast, and get ready to take down the bad guy for Nico's rescue.

Nico: Right.

We then finished our breakfast, and we set out to take down the targeted bad guy for Nico's rescue at the Ace Savvy Comic Convention, and after that, we're heading to Chinatown.

Starfire woke up to see Gigantamax Butterfree staring at her

Gigantamax Butterfree: Good morning Starfire.

Starfire: Oh good morning Gigantamax Butterfree.

Gigantamax Butterfree: Time for breakfast.

Starfire: Oh glorious!

She went and got dressed and we were having sausages and gravy.

Me: Wow! I've always wanted to come to the annual comic book convention.

Qin: Me too! It's so much fun! Look at all the people here in amazing costumes.

Lola: They sure are cool! And me and my family are dressed for this too.

We saw Lincoln and his family dressed as Ace Savvy, One Eye Jack and the Full House Gang.

Me: Boy how can I forget that. That was so cool.

Nico: I haven't seen those costumes in a long time. Those are so cool.

Xenia: They sure are.

Camie: Wow! Those are so cool.

Me: They sure are.

Nico: Hokuto, I want to thank you, Jack Walker, and your teams for coming

Hokuto Dan: No problem Nico. This is gonna be so cool.

Cybertron Thundercracker: Wow No kidding. Looking forward to this boss.

Nico: Same here.

Me: This is awesome.

Nico: Thundercracker, do you like your accent in your Cybertron form?

Cybertron Thundercracker: I sure do and it's so fun and awesome.

Xenia: Cool!

Me: You got that right.

Cybertron Thundercracker: Yeah it's awesome.

Nico: Personally though, I like both this form and your G1 form.

Cybertron Thundercracker: Thank you kindly boss. Also you are a much better boss than Cybertron Galvatron.

Nico: Thank you.

Qin: That is for sure.

Me: Yep. Wow! Yesterday was awesome. And we got 2 bases of Dark Gale destroyed.

Nico: Yep and we avenged Charmcaster's father.

Ben: We sure did.

Nico: It's a good thing we fought Adwaita outside of Legerdomain

Me: Same here. But that was really funny how Mr. Fizz inflated him with soda till he exploded.

Camie: That was hilarious!

Varie: It sure was!

WE LAUGHED!

Me: Yeah.

Nico: Also Gwen's Akuma was scary!

Me: No shit. What that version of Kevin did crossed the line though.

Qin: Yeah. But at least Adwaita is gone.

Nico: Better to be dead then get your soul sacrificed.

Me: Yeah no kidding.

Camie: I agree.

Me: Yep. And I resurrected Spellbinder. Now Charmcaster can heal her heart and Hex has his brother back too.

Lola: That is too true.

Nico: (laughs) Death by soda! It's a funny way to die!

Me: That sure is true.

Lola: Yeah!

Me: Andy Barclay said it was how they killed Chucky a second time back in 1990. Except they didn't use soda.

Lola: Wow!

Qin: That is cool!

Me: Funny.

Nico: Doesn't look like there's any trouble here.

Me: Not yet but it's bound to show up. Lets get some comics while we're here and have fun.

Nico: Good idea. Also J.D. I remember you and Lincoln made all sorts of hero personas for your friends.

Me: We sure did. And for you too.

Nico: I remember that. That was cool.

Me: It sure was.

We went and had fun.

Me: Here's our recent entry in the Ace Savvy world. "Ace Savvy and the Crimes of the Royal Flush Syndicate." We based them off of the Walker Family from Gotham City 2039.

Jack Walker: (British Accent) I'm honored that you would base them off of us J.D.

Me: Yeah it came to our minds a while back.

Poromon got a few comics

Poromon: So many awesome comics. Look at these. Ace Savvy and the Gang of Five Beer Bandits.

Me: Oh yeah that was one of our what we call Humor Comics for Laughs.

Poromon: Cool!

Poliwag: I like that name

Me: Thanks.

Nico: I like this one. Ace Savvy and Lady Ace in The Crimes of The Seven Jokers of Insanity.

Me: Oh yeah we based them off of Krusty and the Jokerz. Lady Ace is Ace Savvy's lover and female friend.

Nico: Cool!

Me: We used members of the Masters of Evil as inspiration for many of our villains for Ace Savvy.

Nico: That is really cool. As long as it's not the real Joker then it's cool.

Me: Yeah.

Girl Jordan: Whoa look at this one.

Me: That is based off of you Girl Jordan. Ace Savvy and the Tragic Tale of the Carnage Vendetta. That's what we call our Drama Comic.

Girl Jordan: Whoa.

She got to reading it and it was based on a girl similar to Girl Jordan and how she was ruined by a Carnage Symbiote monster lookalike and it ruined her life and she became consumed with vengeance against it and vowed to kill him no matter what.

Girl Jordan: Whoa this is very well accurately made.

Me: Yeah.

Girl Jordan: Okay, maybe I'm still a little pissed at other versions of Carnage but this is well done.

Me: Thanks.

Fu: Hey look at this. Ace Savvy and the Seven Crickets of the Cricket Gang.

Me: That one is based off you Fu. It's about how Ace goes after a gang based on the card came Cricket and they are rainbow butterfly villains.

Fu: Cool!

She got to reading it and it was amazing.

Fu: I like it!

Me: I knew you would. Look at this Nico.

I showed a special comic for him.

Nico: The Crystal 10 And The Crimes of The Dark Meteorite 10.

Me: That one is based on how you had to endure the 20 Days of Darkness as well as the crimes of your Universe 666 Counterpart.

Nico: Cool!

Me: Yeah it's still in the development stages but me and Lincoln are making comics for Ace Savvy and the members of the Full House Gang Individually.

Nico got to reading it and it was VERY WELL made. It was about how the Crystal 10, Nico's Hero Persona, got possessed by an evil spirit and was doing terrible crimes against his will. And later one of his villains opened his big mouth and made him go into solitude in a place based on the Fortress of Solitude called The Poker Deck of Solitude. He fell into depression until Ace Savvy brought him out of it. Then battled the villains and then later battled his evil self called the Dark Meteorite 10.

Nico: There was only one, not ten.

Me: Yep.

Nico: But well done J.D.

Me: Thanks.

Nico: Sounds accurate.

Me: It is.

Nico: But I like it!

Me: You're welcome.

SpongeBob: Hey look a this one. Ace Savvy and Captain Krabby Patty and the Crimes of Admiral Krustaceous Cheapskate and the Krusty Krab Gang.

Me: That is a crossover comic we made based on you SpongeBob. It's based on the crimes of Mr. Krabs and everything he did to get money.

SpongeBob: Ooh!

SpongeBob read it and it was based on SpongeBob as a hero of the fictitious city of Neptuneville which is based on a future version of Bikini Bottom, and how it deals with Ace Savvy and him teaming up to take down his archnemesis Admiral Krustaceous Cheapskate.

Spongebob: Wow this is well done!

Me: It sure is. Thank you.

Spongebob: Aww, no Mermaid Man?

Me: Well we have these here. Look.

I pulled out two comics. Ace Savvy and Captain Krabby Patty meet Mermaidman and Barnacle Boy and Ace Savvy, Mermaidman & Barnacle Boy and Captain Krabby Patty and the Rampage of Starfishzilla.

Me: The last one is where they battle a giant starfish monster based on the Tortured One. But no one dies in that one.

Nico: Yeah, the original source wasn't for kids.

Me: No that one wasn't for kids. So we made a safer alternative for that.

Nico: Good.

Qin: That is awesome though.

Lincoln: Yeah it was cool.

Nico: Wow! You guys have been on a roll with making all these comics.

Nicole: I'll say. But look at this one.

Nicole showed a comic.

Me: That one is based on you Nicole and how much you hate perverts.

Nicole: Ace Savvy and Lady Stardeck and the Crimes of Dark Naked Man.

She read it and it shows Ace Savvy and Nicole's hero persona called Lady Stardeck and how they stop a madman named Dark Naked Man who is based on Master Jiraiya and how he is making EVERYONE in the city naked and it's up to Nicole and Ace Savvy to stop him. It shows how much Nicole hates perverts with a vengeance.

Nicole: Pretty good.

Me: Thanks Nicole.

Nico: Wow! All these comics are perfect for us.

Lola: Yeah!

Me: Glad you all like them. Many more where all those came from.

Eli: These are awesome too.

Me: Yep.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in the Ace Savvy Convention, but here's the bad news.

Suddenly, we saw a young teenage male come in, he has black hair and is wearing a red Ace Savvy-themed t-shirt with blue denim jeans.

Quentin: And the bad news is this: my former parents are here and they want revenge on you and your sisters for long ago, Lincoln.

WE GASPED!

Me: Wait, I remembered you telling me about them, Lincoln.

Nico: How bad are they?

Lincoln: We found out they were fake convention judges who got in by knocking out and tying up the real judges for the Ace Savvy Movie and they were also...sexist, because they gave me and Clyde the roles of pooper scoopers for their cat because they hated boys.

WHEN NICO HEARD IT, HIS BODY TURNED RED AND STEAM WHISTLED OUT OF HIS NORMAL EARS AND BROWN WOLF EARS!

TRAIN STEAM WHISTLE!

Nico: What...THE...HELL!?

BUT, IT WASN'T JUST NICO, WHEN LINCOLN AND CLYDE'S HAREM HEARD THAT, THEIR BODIES TURNED RED AND STEAM WHISTLED OUT OF THEIR EARS!

TRAIN STEAM WHISTLE!

Lincoln's harem and Clyde's harem: WHAT THE?! HOW DARE THEY DO THAT!

Nico: Lincoln, tell me everything!

Lincoln saw the look of vengeance in Nico's eyes.

Lincoln: Understood, and it took place years ago approximately a week after J.D. moved here, and it ended with us exposing those fakers and getting them blacklisted.

Lincoln told everyone the events of that day.

FLASHBACK TO SEVEN YEARS AGO APPROXIMATELY A WEEK AFTER I MOVED TO ROYAL WOODS!

Before Lincoln and Clyde felt defeated they hear a noise from the Janitor's room.

Lincoln: Clyde you hear that?

They went to the room and open it and saw two people tied up.

Man: Hhhhmmm! (Please untie us!)

Clyde untied the people.

Lincoln: Who are you guys?

Real Female Judge: We're the real judges.

Lincoln and Clyde: WHAT?!

Lincoln: What happened?

Real Male Judge: Those two you saw were impostors, they're were not working for the studio making the Ace Savvy Movie, but a different studio that made movies no one really cares about. That got them very jealous, so their plan was to make the Ace Savvy movie horrible, so their movies would be a hit, and that black cat was part of their plan of trying to make you boys look bad, and after that, they'll trick The Full Deck into starring in the movie, so they could later put their plan into action and make the movie terrible by messing up our roles and making us look bad.

Lincoln: WHAT?! How dare they! They're going to pay for this!

Clyde: Don't worry folks. We got this.

Real Male Judge: We'll call the cops.

Later on

Fake Female Judge: Now, ladies and gentlemen-

Lincoln: LISTEN UP!

Lincoln's shadow is on the stage!

Lori: Lincoln?

Lincoln: They're deceiving ya! Reach into their pocket now and take what they got!

Everyone in the croqd steals an item from the pocket of whoever is next to them.

Lincoln: You too, girls!

Lori pull out the Fake Male Judge's note from his pocket and reads it.

Lori: (Reads it) Plans to make Ace Savvy look bad? (Glare at the fake judges) What's the meaning of this?!

Fake Female Judge: Well, you see-

Lincoln: I believe these people will explain. Behold the real judges!

The real judges arrived with the cops.

Real Male Judge: That's them officers! Those are the bad people who locked us all day and stole our jobs as producer judges!

Real Female Judge: They fooled all of you. They're impostors, a bunch of fakes, and worse, they're no judges of the con.

Loud Sisters: WHAAAATT!

Lincoln: I knew it!

Clyde: What a bunch of phoneys!

Fake Male Judge: Yeah well so?!

Lincoln: I think the cops will have to say something about that. Take them away!

The cops cuffed the imposters and took them away.

Fake Male Judge: Come on, we were just kidding!

Fake Female Judge: Yeah, you all knew that didn't you? With stealing the real judges' job, tricking the kids into auditioning and trying to make the movie terrible so ours could be a hit? Wasn't that hilarious everybody?

Lincoln: Crime doesn't pay you two, it backfires!

Fake Female Judge: We'll get for for this brat!

Lincoln: Get them out of here right now! And don't let me catch you here ever again! Steer!

Clyde: Roger that, buddy.

The cops took the impostors away.

Lori: Wow, Lincoln that was amazing!

Lincoln: Thanks, Lori.

Real Judge: Now let's start shooting.

Lincoln, his sisters, and Clyde: YES!

Later, after the convention.

Lincoln: This is perfect, all of us together.

Luna: It sure it bro.

Lincoln: And I'm glad me and Clyde are no longer the kitty's pooper scoopers anymore.

?: Excuse me.

They see a young boy about Lincoln's age: 11 years old, he has black hair, and is wearing a brown t-shirt with blue denim jeans.

Boy: I was wondering, were you at that convention yesterday?

Lincoln: Uh... Yes?

Boy: And you know those two judges who turn out to be imposters?

Lincoln: Yes?

Boy: Well... they were my parents... Well, USED to be.

Lincoln: WHAT?!

Lana: What are you talkin' about?

Boy: You see...not only they were arrested for tying up the real judges, but they apparently had warrants out for their arrests.

Lincoln: Really? Oh man! We're very sorry that your parents got arrested.

Boy: Yeah... Let's just say they didn't like me all that much. They would berate and embarrass me every time I make even the slightest mistake. They even tried to hurt me on occasion.

Lincoln: Sounds like you deserve better than that.

Boy: Yeah... They lost custody of both me AND their cat and they're both in jail for approximately 20 years. I now currently live with my step-parents and the cat's now at a local shelter.

Lincoln: A shelter?

Clyde: Why a shelter?

Boy: To be in better care.

Lincoln and Clyde: Oooooh.

Boy: Name's Quentin by the way.

Lincoln: I'm Lincoln Loud.

Clyde: Name's Clyde.

Lincoln: And those 10 girls over there in the super hero costumes are my sisters.

Lori: I'm Lori.

Leni: I'm Leni.

Luna: Luna.

Luan: Luan.

Lynn: Lynn.

Lucy: Lucy.

Twins: Lana and Lola.

Lisa: Lisa Loud PHD.

Lily: Wiwy. (Giggles)

Quentin: Lisa and Lori is it?

Lori: Well, I'm the oldest.

Lisa: And I'm the genius of the family.

Quentin: My step sisters told me about you two.

Lori: They did?

Lisa: Who are they?

Quentin: Teri and Darcy.

Lori and Lisa: WHAT?!

Quentin: Yep.

Lisa: I didn't know Darcy was your relative.

Quentin: Adopted.

Lisa: Ah yes, adopted.

Quentin: Yeah so is it okay I hang out with you guys as a way of saying "I'm sorry"?

Lincoln: Of course, anything for a friend and an Ace Savvy fan like me and Clyde.

Quentin: Thank you.

Lincoln: (Smiles) You're welcome, Quentin.

The flashback ended.

Nico: Whoa, that was really awesome!

Lincoln: Yep, in the end, we got our roles in The Ace Savvy Movie that turned into an awesome hit, and we made Quentin our new friend, and his parents got sentenced to twenty years in prison not only for the whole incident at the con, but also, for numerous charges of child abuse and harassment and public nuisance.

Me: Nice. But, how did those nuisances break out of prison and get themselves in? Weren't they blacklisted?

Quentin: I found out that a girl with a moon-shaped scar did this.

We knew right then and there the culprit was Elise Elexton.

Me and my sisters: THAT FUCKING BITCH!

Eli: Should've known she was behind this, she just loves pissing us off!

Lincoln: She's just going to make things much worse for herself.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have resurrected Alexei, Graceful Master of Lightning from Ninja Gaiden and sent him after

us.

Lincoln: No..! Morgana, you didn't!

Me: What is it, Lincoln? Oh God, who did Morgana bring back now?

Lincoln: It's not good, it appears Morgana Midnight Sparkle and her minions have resurrected Alexei, Graceful Master of Lightning from Ninja Gaiden and sent him after us.

WE GASPED!

Ed Cowart: Oh crap!

Lori: So, what's the plan, Lincoln?

Lincoln: Just like what happened seven years ago, we're going to expose those sexist jerk judges and after we take them down, we get them arrested by the cops once more. It turns out they also have a much worse and terrible criminal record than we originally thought.

Eli: What about Alexei?

Skippy the Bush Kangaroo: (Australian Accent) This might seem like a crazy idea, but why don't I take him down and send him to Vypra, she'll get him to behave.

Lincoln: Okay, then.

Me: I hope you're right about this.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy,

but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and

sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for the sexist jerk fake judges) Aha! Gotcha. I just spotted the sexist jerk fake judges, they are at the center stage of the convention, but no Dark Gale grunts with them. (Sensed Alexei) But, I also spotted Alexei.

Nico: Let's tear them apart.

Lynn Sr. heard a Pokemon cry

Lynn Sr.: Look here!

He saw a Chansey!

Me: Cool a Chansey.

Lola: Wow! That's perfect for you dad.

Lynn Sr.: It sure is.

Chansey: I agree. Normally it's Nurse Joy for me but I like to cook.

Lynn Sr.: Oh this will be awesome!

Me: Are you hungry?

We gave it food.

Chansey: Thank you.

Nico: (to Lynn Sr) If Nurse Joy can see you now.

Nurse Joy: That is too true.

Lynn Sr.: Yeah. Wanna come with?

Chansey: Sure!

Me: Cool!

Camie: Yeah!

But then we saw fireworks blasting off high above the floor.

Me: Whoa! But it's not the 4th of July.

Lola: Look!

We saw a Blacephalon dancing and shooting off fireworks.

Me: Cool! A Blacephalon!

Nico: What's that doing here?

Me: Probably wants to brighten up the place with some color.

Nico: Maybe.

Lola: Unless it's one of Dark Gale's Pokemon.

Melon Mint: Let me see.

She used Telepathy and gasped!

Melon Mint: (GASP) That's my sister Blue Raspberry Wintermint!

Me: Whoa! We got to help her out!

Me and Melon went to help her.

Melon Mint: Blue Raspberry it's me Melon!

All she did was shoot fireworks at her

Me: WHOA!

We dodged them and put them out.

Melon Mint: WOW! That is dazzling.

Me: But also super dangerous! We got no choice.

We fired waves of energy and blasted her all over the place.

She got back up and we blasted her more. I snapped my fingers and she reverted back and was a girl with blue hair, purple eyes, had Blacephalon in the middle of her forehead and had blue angel wings and had a blue version of Melon Mint's cutie mark on her arm.

We wrapped her in a blanket and brought her over.

Me: WOW! She would be perfect for the 4th of July.

Nico: She should would in the next 3 and a half months.

She woke up.

Blue Raspberry Wintermint: (Groans)

Melon Mint: Blue Raspberry?

Blue Raspberry Wintermint: Melon Mint? (GASP) Melon Mint you're here!

She hugged her.

Melon Mint: Thank goodness sis.

Me: You were turned into a Blacephalon by Dark Gale.

Blue Raspberry Wintermint: (GASP) I remember!

She was in a pink suit and was injected and turned into fireworks and she turned into Blacephalon and blasted the place up and blasted out of there.

FLASHBACK ENDS

Blue Raspberry Wintermint: It was awful. But Blacephalon is my favorite Pokemon.

Me: Cool.

Melon Mint: Poromon you and the mascots would love my sister. She is a bartender and can make any kind of alcoholic beverage. But her specialty is martinis.

Poromon: Really? Are they beer?

Me: No they are fancy schmancy frou frou drinks. Like what James Bond drinks all the time.

Poromon: Cool!

James Bond: (British Accent) It's true. I always love a good vodka martini every now and then.

Poliwag: I love her already!

Me: (LAUGHS) I knew you would.

We laughed!

Me: Anyway what's your role in Sonya's team?

Blue Raspberry Wintermint: I am the fireworks mage and I use fireworks to destroy our enemies.

Me: Ooh! Dazzling and beautiful and awesome form of combat.

Blue Raspberry Wintermint: Yep. And outside the team I am a bartender and drink maker. I can make over 50,000,000 kinds of martinis.

Me: Whoa! You would be perfect for the Iceberg Lounge.

Nico: Where are they?

We heard speaking and looked and saw them.

Me: There they are.

We then took our positions and we set out to expose the sexist jerk fake judges and take them down and send Alexei to The M.O.E. to be closely monitored by Vypra.

As we awaited our orders, we saw the fake sexist jerk judges on the stage.

Fake Female Judge: Now, all we got to do is get our revenge on those stupid Louds and our stupid son for ruining our lives!

Lincoln: LISTEN UP!

Lincoln's shadow is on the stage and we saw it!

Lori: (Smirks) It's time.

Lincoln: They're deceiving ya! Reach into their pocket now and take what they got!

Everyone in the crowd steals an item from the pocket of whoever is next to them. Then, Lincoln plays the video of what those bastards had done seven years ago, and everyone there were horrified, and then, the crowd booed loudly and began throwing rotten tomatoes, eggs and fruit at those bastards.

Fake Male Judge: WHAT?! HOW?!

Fake Female Judge: How was this possible?!

Suddenly, we all came out along with the real judges who arrived after finding out earlier about those jerks, and they were pissed when they saw Lincoln and Clyde along with the Loud Sisters!

Fake Female Judge: YOU! NOT AGAIN!

Fake Male Judge: DAMN YOU! YOU RUINED OUR PLANS ONCE AGAIN!

Lincoln: Oh, shut your traps!

That made them shut up.

Lincoln: You two got some nerve coming back to the convention even after you got blacklisted seven years ago thanks to the con incident, but to also find out Elise Elexton was the one who busted you jerks out of prison and got you off the blacklist of comic book conventions, that's going way too far even for her.

Nico: What you two sexist pigs have done was literally the worst of the worst!

Me: And all for your petty jealousy and greed, you're truly the worst. Now that your actions have been exposed to the public, now you're literally in for Hell.

Fake Male Judge: SCREW YOU!

Fake Female Judge: WE'RE NOT DONE YET!

Lincoln fired blasts of lightning that electrocuted them.

Lincoln: You're about to be done.

Me: Time for some fun!

I then teleported behind them and then...

HOING HOING!

Me: WEDGIES!

I gave them atomic wedgies and pulled their underwear over each of their heads!

Chansey charged at them and blasted them with eggs and rotten fruit!

SPLAT SPLAT SPLAT SPLAT SPLAT!

Nico: YEAH!

Chansey: Take that!

Me: Hey you sexist punks! Sniff on this!

I flicked the switches for Stinky Butt and Limburgia and Doc Duodenum and got a really NASTY FARTING SWORD!

Me: THE SWORD OF LIMBURGER FARTS!

FART FART LOUD FART LOUD FART FART FART!

Nico: WOO MAN! THAT IS RANK!

Applejack: WOOWEE! That smells worse than a pile of fresh Texas Cowpies!

Me: But it is fitting for these pigs! FARTS OF CHEESY DOOM!

I fired a beam of energy and it hit them and then then...

EXPLOSIVELY LOUD NASTY LONG FART!

THEY FARTED SO LOUD AND THEN THREW UP ALL OVER THE PLACE!

Nico: OH GOOD GOD!

Qin: NASTY!

Nico: THAT WAS FUNNY!

Ed: WHO STEPPED ON A DUCK!

Me: (INHALES) Ahh there's nothing like the smells of farts in the morning. Smells like victory.

Layla: This one on.

Loki Loud: This will literally be funny!

LAYLA WILLIAMS! LOKI LOUD! DOC DUODENUM!

Layla flicked the switches for Marluxia, Stinky Butt and Evil Poison Ivy and got a really nasty stinky flower sword!

Layla Williams: The Sword of the Corpse Flower!

Layla Williams and Loki: CORPSE FLOWER STENCH FART STORM!

They fired farts and stinky gas and blasted the two phony judges down and THEY REALLY THREW UP!

Me: OH GOOD GOD! THAT IS HORRIBLE! But funny!

Qin: Awesome!

Layla Williams: That was funny though! Lets see how you like this too! Ready Nico?

Nico: You know it!

LAYLA WILLIAMS! NICO CHAN!

Lincoln, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after the sexist jerk fake judges, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, blue, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at the sexist jerk fake judges and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow

energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Skippy the Bush Kangaroo did the same by firing red and yellow, white, golden yellow, and blue energy slashes from his gold-plated claws and gauntlets, and Lincoln, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Nico, and I and all of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength and that made the sexist jerk fake judges even angrier than ever.

Suddenly, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and nine sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit the sexist jerk fake judges, and we found ourselves in Heaven.

Then, Lincoln and I charged and smashed our rainbow energy infused left fists into the stomachs of the sexist jerk fake judges and a cluster of rainbow, white and blue heavenly flames exploded out behind them then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln and I attacked them with two powerful energy slashes, and then...!

Lincoln and Me: NOW, DIE AND GO TO HELL!

Lincoln and I did one final powerful energy slash that hit the sexist jerk fake judges hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln and I landed and the sexist jerk fake judges were on their last legs and they were really really mangled.

Then, the cops came and handcuffed the sexist jerk fake judges, and then, Lincoln tied Brett Brinkley and the sexist jerk fake judges in rainbow, white, golden yellow, and blue energy straitjackets.

Male Judge: And because of what you've done, you two are not only fired, but you two are going to be put on the blacklist forever, and this is one that can't be hacked by Dark Gale ever again. Get these pieces of trash out of our sight!

The cops threw the sexist jerk fake judges and before the cops drove off, Lincoln, Nico, Eli, Lincoln's harem, Clyde's harem, Clyde, Quentin, and I gave them double middle fingers, and that made them go berserk with rage and they were foaming in the mouth with rage: it was like they had rabies.

Everyone: BURN IN HELL FOR EVERYTHING YOU'VE DONE, YOU PILES OF GARBAGE, AND MAY YOU THREE NEVER DARKEN THE ACE SAVVY CONVENTION AND THE NAME OF ACE SAVVY ALONG WITH THE MALE POPULATION OF EARTH EVER AGAIN! THIS IS WHAT YOU GET, SEXIST PIGS!

Everyone cheered as we holstered our weapons and we powered down, and Skippy the Bush Kangaroo's new body, clothes, weapons, jewelry, accessories, large gold halo with four large orbiting gold rings on each corner behind his head, larger and longer tail, large twenty-five red and yellow planets orbiting around his legs and twenty five smaller red and yellow planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized red and yellow planets orbiting around his wrists and ankles, and massive brown angel wings and nine sets of large brown angel wings underneath his massive brown angel wings are permanent.

Skippy the Bush Kangaroo: (Australian Accent) Well, then, that should do it.

Eli: Those two deserve to rot in prison forever.

Me: You said it.

Nico: Yep.

Skippy the Bush Kangaroo: (Australian Accent) And I heard from Lincoln that you guys not too long ago kicked out Sergio.

Luna: We did.

Lori: And Lincoln was so angry at Sergio, he really gave him an absolute thrashing. But, this wouldn't be the last time Sergio was going to cook up trouble for us.

Lincoln: Nope. He'll still try to get revenge on us. (Smirks) But, yesterday, we gave Sergio quite the punishment when J.D. and Nico mooned him after I crushed that Monster Chip that he put inside Sebastian the night before Sergio got kicked out. Now, it's my turn to deal some humiliation unto that rat with wings.

LINCOLN MADE A ONE-WAY WINDOW FOR ALL OF US TO SEE, AND AS HE SNAPPED HIS FINGERS, SERGIO'S CELL FILLED UP WITH TONS OF THE CREEPIEST BUGS AND INSECTS FROM ALL OVER THE WORLD!

Sergio: (SCREAMS) BUGS! CREEPY INSECTS! ICKY! ICKY! GROSS!

WE LAUGHED AT SERGIO!

Lincoln: (Smirks) I'm just getting started, you repulsive rat with wings!

THEN, LINCOLN SNAPPED HIS FINGERS AGAIN, AND A FAMILY OF SKUNKS APPEARED AND AS THEY RAISED THEIR TAILS, THEY SPRAYED SERGIO AND HE STUNK LIKE THE BACK END OF A DUMPSTER IN THE CITY! AND THEN, BAGS OF GARBAGE APPEARED OUT OF NOWHERE AND THEY WERE THEN DUMPED ON SERGIO, AND WHEN HE GOT OUT, HE WAS COVERED HEAD TO BEAK IN TRASH AND IT MADE THE SMELL EVEN MORE UNBEARABLE!

Sergio: (COUGHS) NASTY!

FINALLY, LINCOLN THREW STINKING FISH THAT SMELLED LIKE YESTERDAY'S SUSHI AT SERGIO AND THAT REALLY MADE HIM SMELL EVEN MORE DISGUSTING!

Plucky Duck: SERVES YOU RIGHT! Now, you smell as bad as yesterday's sushi. (SNIFFS THE FISH) P.U.!

Lana: Serves him right, and that was pretty good, Lincoln.

Lola: It was way too hilarious, and it was perfect for a Philistine like Sergio.

Me: And it fits perfectly for someone like him.

Lincoln: Plus, this is what we're gonna do after we take out the main bad guy on Nico's rescues: we'll have some humiliation sessions on Sergio. Since we put him away for good and he was permanently kicked off the team and permanently banished and exiled to a special cell in The Moon Prison forever, we can do unto him what we've done to the jerks at Lynn's Table.

Laney: That's perfect.

Me: And me and Nico mooning Sergio was just the beginning, we've got tons of humiliating things for us to do to that bird now that he's in a special cell in The Moon Prison forever.

Nico: I like this idea already, plus, we can tick Sergio off even more.

Drakus: Plus, The Mitternacht Clan is so glad that Sergio's in prison where he rightfully belongs, he's the enemy of all birds, animals, and humans, and humiliating him, now that just spices things up.

Luan: When April Fools Day comes, Connor and I have got a few surprises in store for that rainbow colored rat with wings.

Connor Chan: And it won't end with me burning his feathers off when I roar at him like a dragon again.

Lincoln: Awesome, and now that we took care of those two jerks, now we can take care of one final business: The Anothers.

Me: Right.

Nico: This event is gonna need new judges.

Me: That is true.

Lola: Plenty of people to volunteer.

Lincoln: I just never thought we would have to face those guys again.

Me: Same here. I never even knew those judges were from before I moved to Michigan.

Lola: Yeah it's a crazy story.

Nico: I never knew them either.

Me: Yeah. Nice job Chansey!

Chansey: Thanks J.D.!

Poromon: Want to have some beer?

Chansey: Sure!

Poromon: YAY!

He gave her one and she drank it.

Chansey: Ahh. (BARNEY GUMBLE BELCH)

Barney: Welcome to the party! (BELCH)

Chansey got drunk.

Poliwag: Sing the ABC's!

Chansey: (Drunk) (BELCHING) ABCDHEDGEGFHEJTJEIDSWNEWJB!

Nico: (to Rita) It's funny that your husband gets a mascot since you got yours yesterday

Rita: I know. But now we both are part of the club now.

Qin: You sure are.

Camie: I agree there.

Lola: Yep.

Nico: That is cool though.

Qin: It sure is.

Poromon: We're gonna make lunch for you guys later.

Me: Ooh! Looking forward to it guys.

Camie: same here.

Nico: Now lets face the Anothers.

Lola: YEAH!

Eli: (Concentrates) Whoa! We got Another Jack Walker, Starfire, Evil Scratch, Glongi of hayabusa, Hachi Phantom, Vespar, Fighter Jet Dimension and Magmatron.

WE GASPED!

Qin: WHOA!

Starfire: Another me? This will be interesting to see.

Eli: I sense the Anothers minus Jack Walker and Starfire are gene-slammers. And they are 8 people.

Me: WHOA! So the Another Jack Walker is an Embodiment.

Nico: Yep.

Me: So Hokuto Dan, Cybertron Thundercracker, Cybertron Evac, Cybertron Starscream, Armada Thrust and Cybertron Jetfire are up.

Qin: Cool!

Nico: There they are!

We saw Another Evil Scratch, Glongi of hayabusa, Hachi Phantom, Vespar, Fighter Jet Dimension and Magmatron!

Me: WHOA!

Nico: This will be cool.

Another Evil Scratch: (In a girls voice) It sure will.

They merged and reverted back and they were the gene-slammers of Dragon Queen of Tragic Endings, True King of All Calamities, Divine Grace - Northwemko, Ice Queen, Legendary Flame Lord, Frozen Fitzgerald, Nine-Tailed Fox and Last Tusk Mammoth

Nico: (GASP) Connie Greya, Shayera Vega, Grace Northwemko, Kai Cryos, Pyra Volcana, Lanaya Fitzgerald and Laura Mammora!

Lincoln: And Natsumi Kyuubi the Avatar of The Kitsunes and Gene-Slammer of Nine-Tailed Fox

Me: WOW!

Qin: Awesome to see you girls again!

Laura Mammora: Same here Qin and I heard you guys found my sister Diana.

Nicole: Diana the Cavewoman? Yeah we sure did.

Mordecai: How do you know Diana?

Laura Mammora: I'm her sister. I was in her tribe 30,000 years ago before she got frozen.

WE GASPED!

Nico: She's an immortal cavewoman that lived since the great ice age.

All of us: WOW!

Me: That is amazing!

Rice Fitzgerald: LANAYA!

Lanaya Fitzgerald: RICE!

They went and hugged.

Rice Fitzgerald: Awesome to see you sis.

Lanaya Fitzgerald: Same here.

Me: Awesome! Care to introduce us?

Anna Anyanova: Sure. This is Natsumi Kitsune, Avatar of The Kitsunes and Gene-Slammer of Nine-Tailed Fox, she's Lincoln's Guardian Angel from Michigan and she's a powerful force of good. She's a kitsune and a powerful master of fire, wind, and the inferno, and she's someone no one would dare to mess with unless they want to get burned badly. She came to Royal Woods where she met Lincoln, and she trained him in mastering the powers of fire, wind, the inferno, and the kitsune, and he also gained all of the incredible strengths and powers of the nine-tailed fox, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 kitsunes and men combined and she helped him bulk up in muscle even faster than ever and Lincoln also gained incredible levels of incredible superhuman intelligence and he's as smart as 999,000,000,000,000,000,000,000,000,000,000 kitsunes, and she also helped him improve his strategizing and cunning, plus it also enhanced his incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she also found out Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him in his werewolf form on the muzzle and made out many times in his werewolf form and he came back home all covered in kisses and his tails were wagging like crazy. Lincoln made her a powerful fire greatsword and gave her a flower to put in her hair, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lincoln's enemies with a vengeance and vowed to burn them all with the intense power of fire.

Me: WHOA! That is amazing!

Lincoln: Awesome to see you Natsumi.

Natsumi Kyuubi: Same here.

I noticed Connie crying.

Me: Connie what's wrong?

Connie Greya: (CRYING HARD)

I went over and comforted her.

Me: What's wrong? You can tell us.

Connie cried hard in my chest.

Lanaya Fitzgerald: She has a REALLY DARK and tragic story. She lost her family because they were murdered at the hands of a ruthless serial killer and was crying hard since then. She became depressed and wants to kill herself.

WE GASPED IN SHOCK AND HORROR!

Me: Oh no!

I comforted her and she let it out.

Me: Connie I'm sorry. I'm so sorry.

Connie Greya: (WAILING HARD) I JUST WANT TO DIE! I WANT TO DIE!

Me: Connie don't say that! Your parents wouldn't want that.

Connie Greya: HOW WOULD YOU KNOW!? YOU NEVER LOST YOUR PARENTS!

Me: You're right Connie! But Suicide is NOT the answer! Why do you want to kill yourself?

Connie Greya: (Crying) So I can be rid of this pain and be free!

Me: That will lead to even more pain! You'll be in the 7th Circle of Hell where you'll be for the Suicides. Killing yourself only leads to eternal damnation!

Xenia: Yeah! It's not the answer!

Me: I'm sorry Connie but you got to move on and remember everything they taught you and they will always be with you. I know it hurts. And you will always miss your family. But they will always be with you as long as you remember everything they taught you. You'll never be apart.

Connie Greya: (CRYING)

She hugged me and cried hard.

Me: I'm sorry Connie. By the way girls are the Another Jack Walker and Starfire friendly or hostile?

Natsumi Kyuubi: Friendly and Nico is going to love this one.

Nico: Oh wow.

Qin: Yeah!

Nico: We truly are sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

I comforted Connie.

Maria: I'll join you in comforting her as soon as I summon backup

Me: Okay.

Maria: (TURNS DIAL) ELEMENTAL MAGIC FORCE!

She summoned Hanzo Suiden, Aligned Contagion, Eight-Armed Willy, Falkar (X-Squad), Thunderon (X-Squad) and Zword (X-Squad)!

Qin: YEAH!

Maria went and comforted Connie with me.

Me: She is really broken.

Camie: Poor girl.

Poromon cuddled up to her.

Qin: She is really broken. Her heart was completely shattered.

Me: Whoever this murderer is I'm going to kill him.

Nico: Save seconds for me.

Lola: Yeah!

Poliwag cuddled up to her.

Blue Raspberry Wintermint: Oh man. She is really broken and sad.

Camie: Yeah.

Maria: Connie it'll be okay.

Connie Greya: (CRYING) I want to die! Just kill me!

Manaphy cuddled up to her

Me: Connie don't talk like that.

Xenia: Yeah! Your mom and dad wouldn't want you to cry like this.

Varie: Come on Connie it'll be okay. You still have your friends and us to be there for you.

Connie Greya: You don't understand! I am a loser! I lost my family and I'm absolutely pathetic! I just want to die!

Me: Connie that is not true! You still have Nico and Qin and everyone who care about you.

Connie Greya: Why do you care?

Me: Because you have Nico and us to help you.

Horsea cuddled up to her.

Me: Come on Connie. Cheer up. Your mom and dad wouldn't want you to be this way. Think about all the good things they did for you and things they did to make you happy. You still have us and you have Nico, Qin and everyone.

Connie Greya: I can't promise anything. But I'll try.

Me: Good. I'm sorry about your parents Connie but I promise you that we will get him. He might be in prison. We'll have to look into it.

Camie: Yeah.

Lola: One of our frenemies might know.

Xenia: Yeah.

Camie: We'll have to wait and see.

Qin: Yeah.

Connie Greya: Okay.

Nico: Good.

But then Nico smelled something REALLY GOOD! It was the smell of deep fried chicken.

Nico: (Sniffs) (DROOLS) OH BOY! Where is that delicious smell coming from?

Me: I think behind you. Look.

He saw a cart and on it was a whole cooked chicken with numerous chicken wings.

Nico: Oh wow!

Me: Boy where did that come from?

Nico: Who the fuck cares!?

Me: Eat up.

Nico: CHICKEN!

Nico was eating it all over!

Nico ate it all and licked the bones clean.

Nico: (BURP) Pardon.

Me: Boy I wonder who did that?

Lola: They might have!

We saw Another Jack Walker and Starfire!

Me: Whoa!

Another Jack Walker: (In a girls voice) Like the little meal I made for you Nico?

Me: (GASP) That voice!

She reverted back and was the Embodiment of Deepfry!

Me: (GASP) Dianna Deepfry - Embodiment of Deepfry!

Nico: Oh wow!

Me: Yep. She's a master fry cook and more. She has the awesome power to cook and fry anything she touches. But it only works on foods like chicken, burgers and meats.

Nico: Oh wow!

Dianna Deepfry: It's awesome. Watch.

She pulled out a huge raw whole chicken and then she touched it and then it fried fast and was fully cooked and ready to eat and it smelled awesome.

Nico: Wow! That is an amazing power!

Me: It sure is!

Qin: I'll have that please. I haven't had anything for breakfast.

She ate it.

Me: Boy you and SpongeBob and Lily would be great together working at the Krusty Krab.

Dianna Deepfry: I believe it.

Me: Yep.

Maria: And your friend?

Another Starfire: Someone Starfire and Blackfire knows.

She reverted back and she was a Tamaranian but she had blue hair, green eyes with green sclera and had purple clothes and had black angel wings.

Starfire: (GASP) Bluefire! Sister!

She and Blackfire hugged her.

Bluefire: I'm so glad to see you girls.

Blackfire: Me too sister.

Starfire: Bluefire went missing from Tamaran a long time ago.

Blackfire: She's our sister.

Bluefire: I was being raised on the planet Thanagar.

Me: Wow! So the Thanagarians took you in.

Bluefire: That's right and was given my own wings too

Me: Wow!

Kaito (gets out Megaranger gear): Did Swartz promise you anything?

Zocks (gets out Gingaman gear): Because we can grant it instead

Kaito and Zocks got weapons from those teams.

Dianna Deepfry: No he didn't. I made him an awesome feast fit for a king and we used that time to escape.

Sakura Knudson: That explains why I smelled a really awesome feast that day. Boy it made my mouth water and I found Swartz bloated and stuffed like a Thanksgiving Turkey.

WE LAUGHED.

Me: Boy that is awesome.

Nico: (gets out Jack Walker's Ridewatch) I got a full deck!

Me: (Gets out Royal Flush Gang 2039's Ridewatch) Here's a Royal Flush! (Pulls out a Royal Flush of Spades)

May: (Gets out Glongi of Hayabusa's ridewatch) Time for some bird power.

Maria: (Gets out Fighter Jet Dimenson) HOWL INTO THE DANGER ZONE!

Cybertron Thundercracker: (Gets out Evil Scratch's Ridewatch) Time for this bird to strike!

Grounder: What bird?

BLANG!

Scratch hit Grounder on the head!

Grounder: OUCH!

Scratch: He means himself you dumbbot! AHHAHAHA!

We used the powers of Jack Walker, Royal Flush Gang 2039, Evil Scratch, Glongi of hayabusa, Hachi Phantom, Vespar, Fighter Jet Dimension and Magmatron and blasted the Anothers and smashed them.

Then Soldier Stonekong, Savage French Chefs (Ren & Stimpy), Sonja (Family Guy), The Killer (Total Drama), Dr. Diaper and Taco the Toucan came!

Me: WHOA!

Nico: Nice team Soldier Stonekong!

Soldier Stonekong: Thanks Nico. Awesome convention huh?

Me: It sure is.

Cleveland: Sonja!

Sonja: So you all are still here.

Joe Swanson: We're watching you bitch!

Me: Sorry to disappoint you but your fucking boy toy is gone for good. He's in the Black Abyss.

Qin: Yeah and you will join him if you step out of line.

Sonja: Oh I am gonna be careful.

Me: Just remember, we're watching you.

Cloud Man: My team's next!

Me: It sure is! But we're still watching you.

?: That's right you bitch!

Out came Neptunemon!

Me: Whoa! Neptunemon!

Nico: Awesome!

Neptunemon: (In a girls voice) It sure is Nico!

Nico: Penelope Poseidon Neptune! Wow!

She reverted back and was a girl with blue hair, blue eyes, blue clothes and had blue angel wings and had the symbol of Neptune in the middle of her forehead and had Neptunemon on her skirt and shirt and had a powerful trident.

Penelope Poseidon Neptune: That's right Nico. Awesome to see you again Nico.

Me: So you are the daughter of Poseidon the God of the Seas.

Penelope Poseidon Neptune: That's right. I got this. (Echoing) WAVE OF DEPTH!

She fired a massive tsunami that destroyed the Anothers and I caught the ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Penelope Poseidon Neptune: Thanks! It was fun.

Nico: It sure was.

Cybertron Thundercracker: Do you have good memories of the boss?

Penelope Poseidon Neptune: I sure do. When me and Nico went underwater and found an amazing treasure there.

Me: That is cool and as the Daughter of Poseidon you can breathe underwater.

Camie: That is true.

Lola: Yeah.

Nico: Yep.

They hugged.

Nico: I've missed you.

Penelope Poseidon Neptune: Same here.

We went back home to the World Tree Estate.

Now, Caleb's heard the latest intel: apparently Chen's been trying to smuggle illegal weapons to Dark Gale and make money, and when Caleb Maxwell heard it, that pissed him off and he also alerted The Big Claw Gang, and now, we're heading to Chinatown and we're gonna make the streets run red with the blood of The Vermillion Dragons.

Lincoln: Ah, we're here in Chinatown, New York, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're in for some fun today and in the many more days to come in New York: for today, we're going to kill The Vermillion Dragons along with its leader, Chen Xianquan.

Cage Blunt: The Vermillion Dragons are done for, and as for what happened with telling The Big Claw Gang about it this morning, you really threw open The Gates of Hell, Caleb. I wouldn't be surprised if they aren't already going on the rampage and busting the heads of Chen's goons open.

Jack Howard: Knowing Panther and Shroud, they're bound to do just that, same with the others.

Roxy Drake: You really unleashed Hell when you told them this morning, Caleb.

Tyler Maxwell: I seriously had no idea that Caleb could unleash Hell when he gets mad.

Allie Maxwell: His anger was mainly due to Drake for what he's done, and that made him finally snap eight years later after he came back and he really sought to unleash Hell on him and his ex-girlfriend, Kendra Matthews, and her horde of monstrous friends. He found out Kendra was seeing Drake and she betrayed him, that led to Caleb swearing to get revenge on her in blackhearted cold blooded anger, and he fulfilled that by killing her parents.

Caleb Maxwell: In other words, I was out for blood. So, what's this spell you got to purify the rest of The Midnight Princesses, Lincoln?

Suddenly, Lincoln's deep sapphire blue eyes glowed, and then, they changed from deep sapphire blue to a heavenly golden yellow as we felt a massive and powerful divine force coming from him, as we saw heavenly lights shining down from Heaven and the angels of Heaven descended and right in front of us.

God: (Through Lincoln's body) (Divine Heavenly Voice) I believe I can answer that, this spell that Lincoln and his Guardian Angels are going to use is one the Archangels had been using for many eons: it's called The Holy Salvation of The Archangels, an ancient holy spell that's said to free those severely poisoned by the darkest evils ever, but if it hits those who are literally pure evil incarnate and are far beyond any form of redemption and have no good in them like Morgana Midnight Sparkle, it'll destroy all their dark powers forever and render them powerless.

Nico: That's incredible.

Me: You said it. So, it'll remove the evil that Morgana Midnight Sparkle poisoned them with against their will which proved Lincoln, myself, and The Spirit of Tree of Harmony right, my lord.

God: (Through Lincoln's body) (Divine Heavenly Voice) Yes, that is correct, J.D., and I do not know if Selene and the others have told you this: but in addition to having purifying powers, Lincoln and his Guardian Angels also have an arsenal of holy magic spells and purifying spells to free those poisoned by evil, and they also have a massive library of white and gold-accented books on holy magic spells and purifying spells that only they had access to, and I was the one who gave them that library, and as you saw for yourself, whenever a demonic threat approaches, I take over Lincoln's body.

Me: That explains Lincoln's deep sapphire blue eyes glowing and changing from deep sapphire blue to heavenly golden yellow and you guys feeling a massive and powerful divine force coming from him, along with heavenly lights shining down from Heaven and the angels of Heaven descended and right in front of us.

God: (Through Lincoln's body) (Divine Heavenly Voice) Yes, and that day when Kali and her friends arrived, I also gave you all many more incredible gifts to help you all in your fight against evil. Now, then, let's be on our way to take down The Vermillion Dragons along with Chen Xianquan.

Hokuto Dan: Right. So, where in Chinatown would Chen Xianquan be at?

Suddenly, we heard gunshots in the air.

Caleb Maxwell: I know exactly where he's at, and it sounds like Max has already started the fun without us.

Allie Maxwell: Ugh, figures.

We immediately high-tailed it and met with The Big Claw Gang who'd taken cover and Caleb went to Claw Dane Drake.

Caleb Maxwell: Dane, what happened?

Claw Dane Drake: Before you ask, this was the doing of one of

Chen's braindead thugs. He found out we were here and they started shooting.

Patch: He's right, Max didn't shoot at them.

Mad Cat Max: I wanted to, but Chen beat me to it.

Caleb Maxwell: That fucking snakehead. Fine, if he wants to play rough, then, he's left me no choice but to give him Hell.

Suddenly, Caleb Maxwell stomped on the ground hard and sent waves of darkness at the group of Chen's thugs who were shooting at The Big Claw Gang and they got tied up in tendrils of darkness, then, he ran at them and kicked them high up into the air.

Then, we saw a blood red arcane magic circle appear under his feet.

Caleb Maxwell: Arise from your slumber beneath the earth and crush your enemies with one strike. (DEMONIC VOICE) HECATONCHEIRES!

Suddenly, a tornado of black darkness appeared behind him, and then, a massive monstrous giant of enormous size and strength appeared, and he proceeded to smash the group of Chen's thugs with his fists, and then, he wound his right fist back and delivered one last punch that caused the thugs to explode into a gory mess, and the giant was dispatched.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) It figures you'd resort to summoning a demon to end those thugs.

Caleb Maxwell: Well, I'm just getting started. Let's get after that piece of shit before he tries to flee.

Suddenly, we saw a Leprechaun flying in the skies and it left a wave of emerald green shamrocks across the skies, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long orange hair, green eyes, massive green angel wings, white short-sleeved blouse with a Leprechaun on it and Celtic Triquetra on her forehead, blouse, skirt, and right arm, emerald green sleeveless crop top, emerald green skirt, emerald green knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, nature, leprechauns, phoenixes, and angels on the coattails, and on the back is the Leprechaun, she has a Celtic greatsword and with her are the eight girls.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Ah, Laura Leprechaun, Avatar of The Leprechaun, I knew this was your doing.

Laura Leprechaun: (Irish Accent) That's right, my lord, and I got the girls away from Chen, but he and the remnants of his gang are trying to escape.

Caleb Maxwell: Not on my watch.

We ran immediately, and then, we saw our main target: Chen Xianquan, and he and the remnants of his gang were trying to escape Chinatown, but then, God erected a blessed barrier and kept them from trying to escape.

Chen Xianquan: (Chinese Accent) Shit! Who did this?!

?: Who do you think, asshole?

Chen Xianquan turned around, and he saw Caleb Maxwell along with all of us as well.

Chen Xianquan: (Chinese Accent) Crap, Caleb Maxwell, The NYPD, The Big Claw Gang, and Team Loud Phoenix Storm?! Just when we were about to escape!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) You seriously thought you were going to escape? I'm afraid that's impossible, the angelic seal I put up cannot be broken, and it'll stay there until we take you all down.

Chen Xianquan: (Chinese Accent) I'm not going down easy! GET THEM!

Chen's men came after us, pathetic.

Skippy the Bush Kangaroo went after Chen's men, and he fired extremely powerful blasts of red and yellow, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, kangaroos, phoenixes, and angels at the thugs and they exploded with incredible power as they hit them. Then, he punched them hard with his gauntlets and kicked them with his graves and they got hit hard.

Then, Skippy balanced himself on his tail and delivered a hard kick to their pelvis area and shattered them and they fell to the ground in pain. Now, all that's left is Chen Xianquan, and he was panicking.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) It appears you're all alone, now you have no one left to help you, Chen Xianquan. Your father despised your actions in life and he still does after he died and entered my domain, and now, your sins have finally caught up to you, now you shall pay for your sins. (HOWLS)

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Chen Xianquan, and he proceeded to brutally smash him right into the ground with his massive superhuman strength, slashed him with his gold-armored dragon claws and greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON HIM! HE WAS REALLY GOING APESHIT ON THEIR MISERABLE HIDES!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SQUELCH! AGONIZING SCREAM!

LINCOLN ALSO GAVE HIM A SEVERE CASTRATION AS HE SLASHED OFF CHEN'S CROTCH WITH HIS MASSIVE GREATSWORD AND FIRED A BLAST OF HEAVENLY LIGHT THAT CAUTERIZED THE WOUND, BUT THAT MADE CHEN SCREAM EVEN MORE IN PAIN!

May: OH! AND HE ALSO RESORTED TO THAT! EUGH!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL! NASTY CASTRATION!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going apeshit on you!

James Blunt: That's only a fraction of what's going to be awaiting you after you die.

We saw Chen Xianquan shaking with rage, and he was a mess: Lincoln tore some of his hair off and he left claw marks on his face and clothes.

Chen Xianquan: YOU! YOU EXPECT ME TO BEG FOR MERCY LIKE A DOG?! HUH?! SCREW YOU! FUCK YOU!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) You do not deserve mercy whatsoever for your crimes, Chen Xianquan. You murdered so many innocent people and you showed no remorse for your sins, and what you did in breaking the commandment of thou shalt not kill, you've doomed your soul to eternal damnation and no atonement for your sins in the past can save you from the fate that now befalls you: eternal damnation in The Black Abyss.

LINCOLN SHOT HIM AN EXTREMELY DEATHLY GLARE AND THAT MADE CHEN XIANQUAN AND HIS THUGS SO SCARED, THEY SCREAMED IN FRIGHT!

Chen Xianquan and The Vermillion Dragons: (BLOODCURDLING SCREAMS)

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, HE REALLY DID IT, HE TRIED TO BEG FOR MERCY, BUT OUR LORD SHOT THEM DOWN WITH THE FACT THEY BROKE THE COMMANDMENT OF THOU SHALT NOT KILL AND THE TELLING THEM OF THEIR FATE ALONG WITH A DEATHLY GLARE AT THEM TOO!

Eli: They are done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKERS, YOU MESSED WITH THE WRONG HEROES AND THE WRONG PLANET, YOU JUST BOUGHT YOURSELVES A ONE-WAY TRAIN RIDE TO THE NINE CIRCLES OF HELL!", "TAKE THAT, YOU ASSHOLES!", "YOU DESERVED TO GET BEATEN DOWN BY LINCOLN! HAVE FUN IN THE BLACK ABYSS, YOU MISERABLE FUCKS!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending explicit condemnation and threats to those thugs.

We saw the public condemnation, and it was really explicit!

Me: Wow.

Nico: Man, they really are going all out to say those kinds of explicit threats to those bastards.

Luna: And what our lord said was true, now they're really doomed.

Me: When God's word is proclaimed to those facing judgement for their sins, his word is absolute.

Then, Lincoln approached Chen Xianquan who was writhing in pain.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) You're now writhing in agony and pain, and you're not going to last for long, same with your men. Now, to put you out of your misery.

Lincoln grabbed Chen Xianquan by the neck with his left hand, and his heavenly golden yellow eyes glowed and we saw Chen Xianquan's eyes glow white as Lincoln sucked out the thug's soul which killed him, and then, he also did the same to the remaining members of The Vermillion Dragons as he also sucked out their souls and ended their lives, and God through Lincoln's body judged them and he found them guilty and Lincoln's body drained the souls dry of energy and God sent them to The Black Abyss. We cheered as we holstered our weapons and powered down, and we headed back into The TLPS Flying City Fortress.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Rest in The Black Abyss forever, Chen Xianquan.

God left as Lincoln's golden yellow eyes changed back to deep sapphire blue.

Caleb Maxwell: Mr. Xianquan, it's over, Chen and his gang are gone. Now, you can rest in peace.

Me: Wait, what did you mean? Is Mr. Xianquan still...?

Caleb Maxwell: No, Mr. Xianquan died at the age of 95 when I was still in high school. I came over to his house and paid my last respects to him, but before he died, he made me promise I'd take Chen down for good. Back then, I didn't want to kill anyone and he also realized it as well despite his son was extremely evil, but after my death and realizing what kind of bloodthirsty person Chen was and realizing he's just as bad as Drake, I would honor Mr. Xianquan with this one act.

Qin: He'd be proud of you for doing so, you helped him rest in peace by taking his son down forever.

Lincoln: Even if it meant spilling blood, but we did it: we stopped The Vermillion Dragons, but I don't think this is the last time. We'll need to keep an eye on New York's gangs for any Dark Gale trouble in the coming days. (To Laura Leprechaun) And it's so good to see you again, Laura.

Laura Leprechaun: (Irish Accent) Aye, you too, Lincoln, it's been seven years since we last met.

Suddenly, Laura Leprechaun had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Laura Leprechaun was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Laura Leprechaun: (Irish Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Laura Leprechaun and hugged her, and Laura Leprechaun is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Laura Leprechaun: (Irish Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us,

and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Laura Leprechaun, Avatar of The Leprechaun, she's Lincoln's Guardian Angel and she's known as The Leprechaun Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Laura is a powerful master of the powers of nature and Ireland, and she's also known for her mastery of the powers of The Leprechaun. She was born to a family of Leprechauns during a time of light, and over time, as she grew, she gained all of the incredible strengths and powers of The Leprechaun, along with immortality and she also mastered the powers of The Leprechauns, and she'd fought to protect the Leprechauns from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of nature and Ireland, and he also gained all of the incredible strengths and powers of The Leprechauns, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Leprechauns and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful nature greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Laura kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face some pretty nasty misfortune at her hands.

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: Same here.

Lincoln: And no one dared to mess with her, she'll give you a dose of bad karma, and now that you're here, Laura.

Lincoln with his massive muscular arms still wrapped around Laura Leprechaun's leaned his head down first to the right side of Laura Leprechaun's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Laura Leprechaun: (Irish Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Laura Leprechaun with emerald green gems on the gold lightning bolts and emerald green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Laura Leprechaun: (Irish Accent): (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Laura Leprechaun.

Laura Leprechaun had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Laura Leprechaun's waist, and he leaned down to her face and kissed her on the lips, and with Laura Leprechaun's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Laura Leprechaun had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Laura Leprechaun: (In Heaven) My God. Oh, Lincoln, the eight girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the eight girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The eight girls are San Sherard and Kuku from Save Me! Lollipop, Misuzu, Sarena, and Tea from Gin-iro no Olynssis, and Sayuri Satou, Tamaki Shiokawa, and Yuu Kojou from Sparrow's Hotel.

Lincoln: Oh whoa, it's San Sherard and Kuku from Save Me! Lollipop, Misuzu, Sarena, and Tea from Gin-iro no Olynssis, and Sayuri Satou, Tamaki Shiokawa, and Yuu Kojou from Sparrow's Hotel.

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really sexy and voluptuous.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

San Sherard: Yes, we're okay, thanks to you.

Then, when San Sherard and the other seven girls saw who it was that saved them from Chen Xianquan and The Vermillion Dragons, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, San Sherard: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

San Sherard: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of San Sherard, Kuku, Misuzu, Sarena, Tea, Sayuri Satou, Tamaki Shiokawa, and Yuu Kojou with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out, and we told everyone of what happened.

Maria: Whoa, that was one awesome rescue. But, this isn't the last time the gangs of New York are going to cause us trouble, especially if it involves Dark Gale.

Lincoln: I have a feeling I'm gonna find out about the next gang in my dreams. But, that's when Caleb will provide the info on them.

Nico: That's for sure, he knows about the gangs thanks to his training at the police academy while he was attending NYU.

Me: And he also has a massive network of informants on the streets all over New York, and they also provide him with additional info on them.

Captain Whitten: His network of informants was that great, and they were loyal only to him which was a bit of a downward blow for most of us.

Jack Howard: Namely me and Roxy.

Roxy Drake: It was like our pride took a hit. Thanks a lot, Caleb.

Allie Maxwell: Hey, don't get bent out of shape, Roxy. You and Jack still have your informants.

Marlene Maxwell: True, but your brother's network of informants literally outclassed the informants of The NYPD, same with Cage since he has connections in the vampires.

Cage Blunt: Yep.

Casey Antonio: We had no idea of the informants you had though.

Carter Kenrick: Only for us to find out your informants are also vampires. I'm surprised the council hadn't found out about it.

Suddenly, Carter Kenrick looked at the elders and they had a look saying they knew about it.

Carter Kenrick: Don't tell me...

Vampire Elder: We already knew about it, but Cage is doing good at your precinct and he also didn't want anyone else to suffer the same fate as Caleb eight years ago, so he proved to be a great asset to your precinct, and it was all thanks to your fellow officer, Jack Howard. If anything, Carter Kenrick, Cage Blunt had already set himself on a new path.

Marcus Mackenzie: And seeing Caleb returned to life and back to he once was in his childhood also helped out greatly.

Nico: What was Caleb's childhood like?

Timothy Maddock: (British Accent) He had a happy childhood back then since I first visited him when he was three years old, but then, as he got into his teen years, that was when Drake turned into the monster you all saw him as.

Tucker Williams: And right from there, that was when his downward spiral into depression began and it would culminate in The Hallowshade Bloodbath in 1985 along with his death.

Denver: It was Drake's fault from the beginning, he deserved to die, if anything, someone should've killed him back then!

Victor Bristow: (German Accent) Normally, that would've been true, but the evil didn't take hold until Drake was also in his teen years.

Caleb Maxwell: That very evil was the very thing I fell victim to: the violence, the abuse, the cruelty, the malice, the utter toxicity, the hatred, and darkness. It's unthinkable my dad's scumbag relatives could truly be capable of that, but they're gone forever and for the first time in years, my family can finally live in peace without the threat of that very evil coming back.

Me: That's for sure.

After Lincoln and all of us destroyed Chen Xianquan and The Vermillion Dragons and sent them all to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Laura Leprechaun saw Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Laura Leprechaun: (Irish Accent) My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Laura, and I can still defend myself, and in addition to getting stronger and larger in muscle

mass, I've also gotten smarter as well.

Laura Leprechaun: (Irish Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Laura Leprechaun: (Irish Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, James Blunt got out a videotape.

James Blunt: Okay, now this tape here, this one is from the day after Cage came back and it was right from there that he found out about what'd happened to Caleb, and let's just say he was a bit stunned. But, he knew I did that to save him.

James Blunt put the videotape in and it played on the big screen, and there we saw Caleb Maxwell with James Blunt and Cage Blunt and it was a day after he came back.

Past Cage Blunt: Caleb, are you sure you're gonna be okay?

Past Caleb Maxwell: I'm okay, Cage.

Past Cage Blunt: I know, but. (Sighs) Even though I still remember you telling me about what you went through before you died: the living hell your brother inflicted on you to me and Travis always coming after you, that sort of thing never fades away easily, and I had ten years to reflect on that.

Past James Blunt: And you also told me everything you went through, but it feels like the pain your heart is feeling isn't going to go away.

Caleb Maxwell knew they were right.

Past Caleb Maxwell: (Sigh) You're right, Mr. Blunt. The pain in my heart wasn't going to go away that easily, I still remember everything I went through before I died: from the living Hell Drake inflicted on me to you and Travis always coming after me, Cage. It didn't leave me, and...

Suddenly, Caleb Maxwell felt an uneasy presence.

Past Caleb Maxwell: Oh no. Guys, get down!

They ducked, and they heard gunfire.

Past Cage Blunt: What was that?!

Past James Blunt: Drake's assassins, when he found out Caleb came back from the dead, he decided to hire assassins to kill him again.

Past Caleb Maxwell: That is the last straw. Drake, I warned you numerous times, but as always, your head's still so far up your butt, you refuse to listen. I'm going to kill your pack of circus monkeys!

Caleb Maxwell charged out with Cage Blunt and James Blunt following, and they saw the thugs.

Past Caleb Maxwell: Okay, I don't know what Drake was thinking when he sent you all after me, but I'll only say this once: leave right now, if not, you're gonna regret setting foot here.

Suddenly, the thug aimed his gun and shot Caleb Maxwell in the shoulder.

BANG!

Past Cage Blunt: Caleb!

But, then, he saw the wound heal, and then, he saw Caleb's eyes change from brown to red and his nails grew into claws.

Past Caleb Maxwell: That was your first and last mistake, bastards, you got one serious death wish if you had the balls to shoot me like that!

Assassin: What the?! How the fuck did...!

Assassin Leader: Ah shit, keep firing! We need to kill him before...!

Suddenly, Caleb Maxwell appeared right in front of the leader, and then...!

SLASH! SQUELCH!

CALEB MAXWELL SLASHED OUT HIS THROAT SO HARD, HE WAS DECAPITATED!

The thugs were horrified.

Past Caleb Maxwell: Alright, who's next?

Thug: (Screams) Let's get out of here!

But, before they could escape, Caleb Maxwell went after them and he slashed at their throats as well, and it was so bad, they were completely decapitated, and when it was all done, Caleb's red eyes had turned back to brown and his claws shrank back, but his arms were covered in blood.

Past Cage Blunt: Wait, he wasn't even turned into a vampire long ago. (Realizes something) Unless...! Dad, what exactly happened?

Before he could do so, Caleb Maxwell intervened and told Cage Blunt everything, and when he was done, he was surprised.

Past Cage Blunt: So, that explains it, and now I remember. Those in your family were given the same abilities as us, and if you were fed our blood, you were also given immortality, and in your case, when Dad fed you his blood, you were restored to full health and you no longer bear the scars of the past abuse.

Past James Blunt: Caleb no longer bears the physical scars, but the mental scars of the past are a different story.

Past Caleb Maxwell: That's right. I still bear the mental scars of Drake's monstrous toxicity, and they weren't going to leave that easily.

Past Cage Blunt: In any case, we need to get rid of the bodies.

They gathered the bodies and heads and Caleb poured gasoline on them and lit a match and set them on fire and they burned to ashes leaving no trace behind, and then, they went inside and Caleb had washed the blood off his hands and arms.

Past Cage Blunt: This is basically the first time you killed someone, Caleb. You know that never leaves you, right?

Past Caleb Maxwell: I know.

Suddenly, they saw a tear fall from his right eye, and then, more tears began to fall from his eyes. Then, they both went up to him and hugged him as he cried his heart out, and it went on for an hour.

Past Cage Blunt: We never had a problem killing the guilty, but Caleb, what he did, this'll leave quite a mark on him, and he's gonna start blaming himself saying he's no different from Drake. Let's take him to his room.

They took Caleb Maxwell to his room and he laid down in his bed: apparently, the crying for an hour tired him out, but he still had tear streaks on his face, and they saw it clearly, and they stayed with him as they kneeled down near the bed and placed their arms on the mattress.

Past James Blunt: Caleb, what you did just now, this wasn't your fault. Those men weren't going to stop until you were dead, Drake is the only person to blamed here, not you.

Past Cage Blunt: Your brother was and always will be a monster, and what he did ruined your life and what he did in killing you eight years ago.

Cage Blunt brushed a piece of Caleb's hair to the side and placed his hand on Caleb's right shoulder.

Past Cage Blunt: You were innocent in everything, and you were caught in the whirlwind of madness Drake had started, and you suffered the majority of Drake's madness, and I was no better. Travis and I chasing after you constantly also plunged you even deeper into Hell, and for that, I am truly sorry for what I did to you, Caleb.

They stayed with Caleb the entire night as the video ended.

Me: Whoa.

Nico: So, Caleb really made his first kill, but this was before his transformation.

Lincoln: Just like what happened with many of us who made our first kill.

Caleb Maxwell: Yes, and what Cage said, it was the truth, and it provided comfort for me after what I did. I still remembered that you also did the same thing, Mom.

Allie Maxwell: I remember that too. It was during the days of him getting chased by a Demon Blood Influenced Cage and Travis and when he's had to deal with Drake's thugs along with many other idiots wanting to mess with him.

Marlene Maxwell: I knew how much you were suffering, Caleb, and it wasn't pleasant. But, what you went through was basically worse than Hell, and I hated Drake for what he did.

Jazz Jackson: I would've thought you'd be angry at Cage and Travis, especially after you saw Cage's car in your driveway and it was before Caleb came back home.

Marlene Maxwell: It was because they were drunk on Demon Blood, that's true, but I was pissed they overwhelmed Caleb after he kicked their hairy asses and they bit him and drove off.

Cage Blunt: What the? Hey.

Marlene Maxwell: Don't even try and deny it, you saw the video yourself.

Cage Blunt and Travis Tackett looked down to the floor.

Nico: Oof. Put in your place like that, seriously, you both messed with her eldest son and like any parent, anyone who messes with their kids is in for trouble.

We got a shower, and then, Lincoln, Nyamo Namo, Amalla Su, Princess Purple Star, Princess Red Ruby, Princess Green Leaf, Princess Orange Amber, Princess Blue Sapphire, Princess Yellow Gold, and Princess Indigo Keen are heading to Emerald Coast.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Nyamo Namo, Amalla Su, Princess Purple Star, Princess Red Ruby, Princess Green Leaf, Princess Orange Amber, Princess Blue Sapphire, Princess Yellow Gold, and Princess Indigo Keen are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Nyamo Namo, Amalla Su, Princess Purple Star, Princess Red Ruby, Princess Green Leaf, Princess Orange Amber, Princess Blue Sapphire, Princess Yellow Gold, and Princess Indigo Keen all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all. Plus, what many of us didn't know is that Lincoln knew The Seven Mermaid Princesses during his childhood, and they knew him as Prince White Loud or Lincoln Loud, The Merman Prince.

Princess Purple Star: Wow, so this is Emerald Coast, it sure is beautiful.

Lincoln: It sure is, Princess Purple Star, and it's perfect for our first date, shall we?

Lincoln, Nyamo Namo, Amalla Su, Princess Purple Star, Princess Red Ruby, Princess Green Leaf, Princess Orange Amber, Princess Blue Sapphire, Princess Yellow Gold, and Princess Indigo Keen dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Nyamo Namo, Amalla Su, Princess Purple Star, Princess Red Ruby, Princess Green Leaf, Princess Orange Amber, Princess Blue Sapphire, Princess Yellow Gold, and Princess Indigo Keen got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Princess Red Ruby: (Swooning) My goodness, Lincoln's truly changed years ago, he grew from the 4-year-old to an 18-year-old

9'10" imposing and extremely muscular man, and he's also become that much more handsome and much more manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Nyamo Namo, Amalla Su, Princess Purple Star, Princess Red Ruby, Princess Green Leaf, Princess Orange Amber, Princess Blue Sapphire, Princess Yellow Gold, and Princess Indigo Keen and hugged them in their abnormally massive and powerful muscular arms, and Nyamo Namo, Amalla Su, Princess Purple Star, Princess Red Ruby, Princess Green Leaf, Princess Orange Amber, Princess Blue Sapphire, Princess Yellow Gold, and Princess Indigo Keen placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Nyamo Namo, Amalla Su, Princess Purple Star, Princess Red Ruby, Princess Green Leaf, Princess Orange Amber, Princess Blue Sapphire, Princess Yellow Gold, and Princess Indigo Keen and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nyamo Namo, Amalla Su, Princess Purple Star, Princess Red Ruby, Princess Green Leaf, Princess Orange Amber, Princess Blue Sapphire, Princess Yellow Gold, and Princess Indigo Keen on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Nyamo Namo, Amalla Su, Princess Purple Star, Princess Red Ruby, Princess Green Leaf, Princess Orange Amber, Princess Blue Sapphire, Princess Yellow Gold, and Princess Indigo Keen are in your harem, Linky.

Nyamo Namo, Amalla Su, Princess Purple Star, Princess Red Ruby, Princess Green Leaf, Princess Orange Amber, Princess Blue Sapphire, Princess Yellow Gold, and Princess Indigo Keen showed the marks Lincoln made on the right sides of their necks.

Lily the Mermaid: I knew about The Seven Mermaid Princesses, but I never knew that you knew them back then in your childhood, Linky, that's really incredible.

Me and Nico: How many girls did you meet throughout your childhood, Lincoln?

Lincoln: Too many to count.

Kaan Demir-Vanhoof: (Belgian accent) You're a lucky guy, Lincoln.

Jenna: You guys had no trouble at all.

Princess Blue Sapphire: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT

confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Silverstream, Bebe and Shining Armor's 2nd Mission

Nico: Anyone else want to go with Silverstream, Bebe, and Shining Armor? Besides Cole, Chiro, Homer, Galvantula, Kendra, Cheese and MJ?

Jaden: I'll go.

LaGrange: So will I.

Nico: Okay.

Lincoln: Me and Girl Jordan will go too.

Me: Okay then.

Spiderman: Awesome.

Nico: Lets get a move on.

We were off and we opened the portal and we were off to Arachna.

We arrived.

Hunter Steele: Hey guys!

Silverstream: Guys, meet Cole, Chiro, Homer, Galvantula, Kendra, Cheese and MJ.

Cole: Awesome to meet you. Cole Evans.

Chiro: I'm Chiro.

Homer: I'm Homer J. Simpson.

Galvantula: I'm Spiderman's mascot Galvantula.

Kendra: Kendra Armstrong.

M.J.: I'm Mary Jane Watson.

Hunter Steele: Oh wow so you're Mary Jane. Spiderman told us so much about you. It's a pleasure.

Mary Jane: I'm glad he did.

Hunter Steele: Awesome and it's awesome to meet you all.

Jaden Yuki: Same here. I'm Jaden Yuki.

LaGrange: The name is Lucien LaGrange and I'm a racer.

Corona: Awesome to meet you LaGrange.

Lincoln: My name is Lincoln Loud.

Girl Jordan: And I'm Jordan Rosato but everyone calls me Girl Jordan.

Corona: Oh wow it's a pleasure.

Me: I've known Lincoln and Girl Jordan since I've moved to Michigan back in 2016. We became great friends ever since.

Corona: That is awesome.

Me: It sure is.

Cheese: I like chocolate milk.

Me: Oh and this little guy is Cheese.

Hunter Steele: Awesome to meet you Cheese.

Cheese walked up to Shadow and licked him

Shadow: Ew! Hey cut that out.

I grabbed him.

Me: Cheese stop that. Cheese is an idiot. He has a brain the size of an amoeba.

Corona: Oh so he is stupid.

Me: Yep. But he is funny and cool once you get to know him.

Eli: He drives all of our enemies bonkers and crazy.

Girl Jordan: It's true. And he is funny.

Homer: If we're getting spiders, this guy should get one too!

Homer took Spider Pig out.

Me: Plopper the Spiderpig.

WE LAUGHED!

Eli: (LAUGHS) Funny.

Plopper oinked.

Homer: Funny huh?

Nico: Yeah.

Corona: We'll look into that.

Spiderman: You guys would also love meeting my alternate universe counterparts too.

Homer: (Singing)

Spider-Pig, Spider-Pig,

Does whatever a Spider-Pig does.

Can he swing from a web?

No, he can't, he's a pig,

Look out, he is a Spider-Pig!

We laughed.

Nico: Hey that was good!

Eli: Yeah!

Nico: But Homer has a point. Is it possible for us to get spiders?

Corona: It is. But they have to choose you.

Me: Oh I get it.

Lincoln: Yeah.

Corona: It's a powerful process.

Hunter Steele: Silverstream, what can you tell us about yourself?

Silverstream: Well I am one of the Hippogriff's of Mount Aeris and also I'm a seapony.

Me: They are mermaid ponies in Equestria. They lived in the ocean after a terrible enemy of theirs named The Storm King wreaked havoc.

Eli: It's a long story.

Silverstream: Yep. Also I'm one of the students of Twilight Sparkle's School of Friendship. It's really fun there.

Me: They do all kinds of fun activities and bond with many kinds of creatures there. Griffins, Yaks, Kirin, Changelings, Dragons and more.

Silverstream: We learn so much about friendship and it's really cool.

Hunter Steele: Wow! That is cool.

Shining Armor: Yeah my sister opened that school and it's an amazing success.

Me: It sure is. You should see it. It's awesome.

Hunter Steele: Wow! That is so cool.

Eli: It sure is.

Nico: So, has any of your enemies been active lately?

Corona: Actually yes. Larva P. Grasshop Is running around.

Me: What can you tell us about him?

Hunter Steele: Well he redeemed himself.

He told us about him.

A member of the Big Four. He is a grasshopper-type Invectid who uses many technological devices to defeat enemies. So far, he hasn't really fought the Riders preferring to let his minions do the fighting for him instead. Grasshop has (unfortunately for him) seen little success against the Spider Riders and is seen with disdain and disappointment by the other members of the Invectids as well as his wife Weeval and his kids. After the incident in "Dark World," Grasshop was banished from Invectid state and forced to wander the Inner World, swearing to defeat the Spider Riders. As such, he may have mild drinking problems, but this is only speculative. Due to recently assisting the Spider Riders (Sparkle in particular) escape captivity, he is now a traitor to the Invectids. Sparkle calls him Uncle Hop. One of Grasshop's biggest achievements in helping the Spider Riders is removing the Battle Beetle's regeneration device, allowing Hunter to defeat it. According to his wife Weeval, his promotion to the Big Four was a mistake as he is peaceful and loves children. This might explain why he gets along so well with Princess Sparkle and allows her to call him "Uncle Hop". It may also explain why he is reluctant to actually fight the Spider Riders. In "Welcome Back," Grasshop tries to reason with Lord Mantid by saying that after having spent time with the humans he realized that they are not greedy and mean. He tells him he can do whatever he wants to him, but to spare the Spider Riders. Lord Mantid was going to kill Grasshop by smashing him into the ground repeatedly until Buguese stepped in and told Mantid to fulfill the promise he made. Mantid dropped Grasshop and Princess Sparkle rushed over to him. He was unhurt, just scared. Despite being a grasshopper-type Invectid, he claims he is afraid of heights or perhaps it was just a ruse not to let Oracle Mantid smash him into the ground. After he takes the Spider Riders through the sewers (as he comments that he hides in during battles), he is finally reunited with his wife and kids.

When it was done we were shocked.

Me: WHOA! At least he helped you guys. He'll be a perfect addition to the redemption squad and the M.O.E.

Nico: Better call Maria too.

Me: Yeah.

Nico: Anyone else running around?

Corona: Well there have been reports of a monster.

Me: What kind of monster?

Corona: I don't know. Some kind of horrible red man covered in red slime and he is laughing like a monster.

Girl Jordan gasped and then growled in rage!

Corona: Uh oh.

Girl Jordan: That is Carnage! (GROWLS) I'm going to kill him!

Hunter Steele: Uh oh what's wrong with Girl Jordan?

Me: Girl Jordan harbors a massive and intensely burning hatred towards all versions of Carnage. He destroyed her life and destroyed all ties she had with her family. SHE SWORE terrible vengeance on all the versions of Carnage there is.

Lincoln: It's true.

Nico: Yeah.

Me: His real name is Cletus Kasady and he is a homicidal maniac and he is a ruthless serial killer and is completely fucked up to the Nth Degree.

Spiderman: Yep and he is one of my enemies. One of my dangerous enemies.

Me: Yep.

Corona: Oh man!

Nico: But the Prime one was destroyed. Which version is this?

Eli: (Concentrates) It's the one from the Disk Wars universe!

WE GASPED!

Me: That one is REALLY FUCKED UP!

Nico: If Cletus Kasady IS under there, then we should seperate him from his Symbiote. Then, I can use a DISK on said Symbiote while Girl Jordan kills Kasady.

Me: That works. But only after Girl Jordan lets loose all of her fury on him.

Nico: Fair enough.

Eli: Yep.

Corona: Okay lets go then.

Hunter Steele: Right! CALLING ALL SPIDER RIDERS! ARACHNA POWER!

They transformed and were ready!

We were off to the Village of Flowers like before.

We were flying.

Hunter Steele: What hurts Symbiotes anyway?

Nico: Fire and sound.

Me: Yeah and we got plenty of that.

Eli: We sure do.

We arrived.

Me: Here we are.

Eli: Hmm. There!

He pointed to a building and I fired a blast of energy and it hit it and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Out of the explosion came Larva P. Grasshop!

Me: Larva P. Grasshop, I presume?

Larva P. Grasshop: Team Loud Phoenix Storm. I heard so much about you guys. Sorry we have to do this but I don't have a choice

Me: Tell Lord Mantid that we're coming for him and his days are numbered.

Eli: Now where is your friend?

Maniacal laughter was heard and out came CLETUS KASADY A.K.A. CARNAGE!

Me: There he is. Cletus Kasady A.K.A. Carnage.

Carnage: You don't have any idea who you are dealing with! I was hollowed out inside... empty... just like my other. We were both sick... because we were incomplete... but not anymore. We healed each other... Made each other whole. Neither one of us can survive without the other. Forget host. Forget symbiote. There is only Carnage. Did you know that my mother went through electroshock treatments when she was pregnant with me? This was before they would sedate you for that kind of thing... and then, you know... I died minutes after I was born... went to Hell... came back... that whole thing... I've had therapists try to tell me that these "early traumas" led me to being... the way I am. I've heard it all, you know... I'm this way because of abuse, because of video games, or sex and violence on TV, because of guns and knives and the wickedness of this mean old world. But what none of them get... is those things didn't make me what I am. I am made... of them. I am abuse. I am sex and violence. I am the guns and knives and the wickedness of this mean FUCKING world... you know my name. Now scream it. I am the ultimate insanity! I am CARNAGE!

Me: Just as fucked up as ever!

Girl Jordan: YOU TOOK EVERYTHING AWAY FROM ME CARNAGE! YOU MADE MY LIFE HELL!

FORRSAKEN BY WITHIN TEMPTATION PLAYS

Girl Jordan and Carnage went at each other and it was a powerful fight that not only shook the entire planet to the core, but it also shook the very fabric of the entire universe to the very brink. On planets all over the universe people were sensing the sheer viciousness and ferocity of their battle.

Girl Jordan kicked him and fired 4 energy blasts at him as he was flying and he stopped 2 of the blasts with his feet and the other two with his hands and he was struggling to hold them back. She fired another blast and he saw it coming and Girl Jordan flew up to him as the blasts hit and exploded. In the cloud of smoke Girl Jordan punched him and then they both clasped hands and they flared up their auras. Girl Jordan's was Sky Blue Aqua Color and Carnage's was pitch black. Their hands were locked together and their auras mixed and lightning clashed and formed in them. She flared up her power and formed 10 clones that had 1 Rasenshuriken of each elemental force of the 10 Tailed Beasts. They threw the 10 Rasenshuriken and she fired a powerful pitch black Kamehameha Wave and the blasts all slammed into Carnage all at once and exploded with incredibly unbelievable power!

He got up brutally mangled.

Chiro: No Celebrity 5 to help you this time!

Disk Wars Carnage: Larva is all I need!

Larva:...you leave me out of this.

Disk Wars Carnage: Coward! (to Hunter Steele) You get one chance to run, kid. I would take it. After all, Mantid has a lot of plans for you and your friends as it is!

Nico: SHUT YOUR FUCKING MOUTH!

Me: You will die just like Mantid will! And like how we killed many of you!

Now it's time for you to pay for your crimes!

I teleported and kicked him down!

Nico punched Larva and kicked him down.

Corona: WHOA! J.D.'s power is amazing!

Eli: That's my bro for you.

Bebe: I'm putting on my jumpsuit!

She snapped her fingers and was in an Aqua blue suit.

Bebe: You're going to see now.

Disk Wars Carnage tried to slash Bebe But I teleported and kicked him.

I fired a sonic blast and he screamed in pain!

He was being separated from the Symbiote.

Spiderman pulled him out!

Nico fired a blast!

Nico: D-TRAP!

Nico captured the Symbiote!

Bebe: Now, before I was rudely interrupted...

Bebe concentrated and she turned into her Tiger Shark form!

Bebe: I am Streex!

Streex went at Larva and kicked him.

Girl Jordan then jumped Kasady and pulled out a knife! It was a knife made of solar plasma!

Then...

STAB!

HE SCREAMED IN PAIN!

Girl Jordan: SOLAR PLASMA RIGHT THROUGH YOUR BLACK TWISTED HEART! TAKE IT! TAKE IT STRAIGHT TO THE BLACK ABYSS YOU SICKENING PIECE OF MOTHERFUCKING SHITFILLED GARBAGE!

SHE THEN SKEWERED HIS HEART AND INCINERATED HIM AND BANISHED HIM TO THE BLACK ABYSS!

Eli: Good fucking riddance!

Girl Jordan: He is gone.

Cole got out his Rider Card.

KAMEN RIDER! WOLF!

He fired waves of energy and blasted Larva all over!

Girl Jordan: Top this one.

KAMEN RIDER! CARGILL!

She fired blasts of energy and blasted Larva.

Lincoln: Top this.

KAMEN RIDER! ELECTRO!

He fired waves of lightning and electrocuted him.

Chiro got out his Rider Card.

Chiro: Coffee anyone?

KAMEN RIDER! CUPPA JOE!

He fired hot coffee and blasted Larva.

Me: Nice one!

Kendra got out her Rider Card

Kendra: Feel the fire!

KAMEN RIDER! SHENDU!

She fired a blast of fire and blasted Larva.

Nico: Take that!

But then a huge long leg swooped in and smashed Larva down.

Me: WHOA!

We saw where it came from and it was from a STAKATAKA!

Me: WHOA! Stakataka!

Nico: Where'd that come from?

Me: I think I might know.

I used Telepathy and gasped!

Me: WHOA MAN! That's Sequoia Rainflow! She's Snowbelle TreeFrost and Coral Cove's big sister!

Nico: Go help her!

Me: Right!

I went to face her.

Me: Sequoia calm down! Lets talk about this.

All she did was charge at me and I dodged it.

Me: Whoa! She is gonna be tough.

I fired a blast of energy and smashed her all over.

Me: Sorry Sequoia.

I fired blasts of energy and smashed her down. Then I snapped my fingers and she reverted back and was a girl with green hair, blue eyes and had Stakataka in the middle of her forehead and had Green Angel Wings and had a green version of Snowbelle's cutie mark on her arm. I wrapped her in a blanket.

She woke up.

Sequoia Rainflow: (Groans) What hit me?

Me: You were turned into a Stakataka by Dark Gale.

Sequoia Rainflow: I remember!

She was in a green suit and injected and then she busted out and turned into Stakataka and smashed the place up and busted out.

FLASHBACK ENDS

Sequoia Rainflow: It was awful.

Me: Well we're destroying Dark Gale right now. But we have other stuff to do.

Nico: Like this!

Then in a powerful flash of light, me and Sequoia were standing before the mighty Gods, Ra, Odin and Vishnu!

Me: Lord Odin, Lord Ra and Lord Vishnu!

Odin: We are here for Sequoia. You have been chosen. A force of Ultimate Evil has resurrected itself on thy world.

Ra: This evil must be destroyed.

Vishnu: (India Accent) Only through the strength of the Human Spirit and the virtue of human righteousness can this evil be vanquished.

Odin, Ra and Vishnu fired beams of light at Sequoia and a ball of pure white light came out. Then 3 monks came and the monks had powerful crafting hammers and they pounded away at the light and Odin, Ra and Vishnu poured in their strength and power and formed it into a new and powerful sword. The power we were sensing from this process was incredible.

When it was done, the Sword was created. It floated in front of Sequoia.

Odin: This blade was forged from the Righteous Energy within thee.

Ra: It possesses the power to destroy this evil force.

Vishnu: But be warned: This evil is not of the human world. It has magic beyond your understanding. Trust not what you see, but what you feel.

She took the sword and then she got new green powerful clothes.

Me: WHOA! That is cool

Sequoia Rainflow: Wow! I wonder what this evil force is.

Me: I think it's King Sombra.

Sequoia Rainflow: I think so!

We went at Larva and slashed him all over!

Nico: Cool!

Maria then came.

Maria: I'm here guys! (TURNS DIAL) MUTANT FORCE 6!

She summoned Mutant Gorilla, Mucant, Unctuous, Arachnor, No-Face Zombie and Railway Dopant!

Me: YEAH!

But then...

ZOOM!

A figure ran passed us and smashed and pulverized Larva with intense speed!

Me: WHOA! What is that!?

Nico: So fast!

It stopped and kicked Larva and we saw that it was a girl with blue hair and red eyes and black clothes and black wings and had a tiara with Fasttrack on it.

Me: (GASP) Chikara Fasttrack!

Nico: Fasttrack's embodiment! Whoa!

Chikara Fasttrack: (GRUNT) Thought you could (Grunt) use the help.

Me: Thanks Chikara.

Eli: Wow she is fast!

Me: She can run at over 1,000 miles per hour.

Chikara lost control and tried to kick LaGrange

I teleported and kicked her down.

I fired a beam of energy and injected her with the antidote.

Nico: There.

Sequoia Rainflow: Lets do this!

She kicked her down and fired waves of leaves and blasted her all over.

Jaden: Get your game on!

KAMEN RIDER! SPEED DEMON!

He ran fast and kicked her down.

LaGrange charged and knocked her down.

Mary Jane: Take this one!

KAMEN RIDER! EVIL GREEN RANGER!

She fired beams of green energy and blasted her all over.

Jaden charged at her and kicked Chikara.

Spiderman webbed her up and the antidote took effect.

She had her blue eyes back.

Me: There.

Chikara: (Groans) What happened?

Me: Ugly story.

Sequoia blasted Larva all over and smashed him down and Spiderman tied him up.

Bebe reverted back.

Me: Yeah!

Hunter Steele: That was fun!

Bebe: It sure was.

Hunter Steele: Bebe, how did you spend your first week Gene Slammed?

Bebe: Well I spent it on the run from forces out to kill us.

Me: Ugly story. Heard about Dr. Paradigm?

They shook their heads for no.

Me: Ugly story like I said.

Nico: Yep.

Sequoia Rainflow: That is intense.

Nico: What's your role on Sonya's team?

Sequoia Rainflow: I am a nature master and trap my opponents in trees. Outside the team I am a gardener and make awesome treehouses and mansions.

Nico: Cool!

Hunter Steele: That is cool!

Me: It sure is.

We later went back home.

We later came back.

May: Hey guys. How did it go?

Me: Really fun.

We told them everything and it was cool.

May: WHOA! The Disk Wars Version of Carnage was there!?

Me: Yep. And Girl Jordan killed him.

Lola: So cool!

Nico: Next time, Goro, Badrat, Aultcray Melromarc XXXII, Spidey's Rogues, Applejack, Dudley Puppy, and Valiant should come

Me: Awesome!

Qin: Yeah!

Applejack: YEEHAW! Lets have some fun!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next Ridonculous Race challenge starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

The mascots and Dianna Deepfry were in the kitchen and they were cooking a lot of good ravioli.

Tara: What are you guys making?

Poromon: Ravioli.

Tara: Cool!

Dianna Deepfry: Yep. We're making numerous kinds of ravioli.

Poliwag: Yep it's gonna be good.

Later it was ready.

Poromon: COME AND GET IT!

We were having numerous kinds of ravioli.

Me: Oh boy!

Poromon: These are our new ravioli.

We ate them.

Me: Mmm! Pizza!

We had pizza, hamburger, chicken parmesan, Chicken bacon ranch, ribwich, sausage, salmon, and even dessert ravioli.

There was even cookies and cream, strawberry, cherry, blueberry, apple, peach and chocolate ravioli.

Starfire: Is there mustard?

Poromon: Here you go.

She got Mustard filled Ravioli too.

Me: Awesome.

We were really eating a lot of it.

We were stuffed.

Me: Ahh. (LOUD BELCH) Oh sorry.

Misfire: You guys should be proud of yourselves

Poromon: Thanks! We are.

Camie: So good.

Pointblank: But you guys should also try some with us

Poromon: Okay!

They went and did so and it was good.

Camie: So good and awesome.

Wind Man: Man, you guys cooked good food!

Me: Yeah no kidding!

Qin: Yep.

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Trogaar of the Gordanians, along with the entire Gordanian Race, they've come back from the dead and they want revenge on us and they're at The Johto Region. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Trogaar of the Gordanians, along with the entire Gordanian Race, they've come back from the dead and they want revenge on us and they're at The Johto Region.

EVERYONE GASPED!

May: ARE YOU KIDDING ME?! TROGAAR'S BACK?! THAT GODDAMN GORDANIAN!

Starfire: I knew he'd come back. Was this the deed of Morgana Midnight Sparkle or Anti-Monitor?

Lincoln sensed it.

Lincoln: This had Anti-Monitor all over it.

Eli: Figures.

Me: Trogarr has got some nerve to come back along with the Gordanians, but now, we got a chance to wipe them all out. Lincoln, where's he at?

Lincoln: He's at The Johto Region.

Me: Which is our next stop.

Nico: This is gonna be intense and messy. Alright, team, let's get going, this is the last time we ever have to deal with The Gordanians.

Lincoln: We'll meet with Don at The Johto Region and hunt down Trogaar. That monster's time is up, he and his race are going to pay the price for their crimes against the entire universe especially for what he tried to do to Starfire.

Galatea Tamaran: That's for sure.

The previous group came

Dr. Polaris: Can me, Marluxia, Beautiful Gorgeous, Griffin, Atomic Skull, Crimson Dynamo, Turtle, Spot, Skalamander and Red Ghost go with you guys?

Nico: Yes you ll can come with.

Lola: Yeah.

Air Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Junomon next.

Me: Cool! Jupiter next.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Celine Crazy Gem, Midnight Princess of Dark Magic Gem Greed, and she's coming after us at The Johto Region. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Me: Was that?

Lincoln: Yep, the third of The Midnight Princesses, Celine Crazy Gem, Midnight Princess of Dark Magic Gem Greed.

Sarah Grettleton: I knew she'd be the next one we'd face. But, we're ready for her, she's gonna be drowned by the oceans of generosity.

Nico: She's about to be taken down and imprisoned. Alright, everyone, let's head out to The Johto Region!

Lincoln: Trogaar, your time is finally up and now, you and The Gordanians are gonna pay for all your crimes against the universe, and once we get done with him, you're next, Celine Crazy Gem!

Sarah Grettleton: The suffering you've caused all those years ago can never be forgiven, Celine, and now, I will see to it that you die here and now!

Lincoln put up a powerful rainbow energy field around The TLPS Flying City Fortress ready and we headed out to The Johto Region to meet up with Don and hunt down Trogaar of The Gordanians, the next of Dark Gale's members, and once we got done with him and The Gordanians, Sarah Grettleton and Lincoln are going to take out Celine Crazy Gem, Midnight Princess of Dark Magic Gem Greed.

We were off to Azalea Town.

We arrived at The Johto Region and we disembarked.

Me: Ah, we're here in The Johto Region in Azalea Town.

Nico: This is our next stop on The Ridonculous Race.

Me: Yep.

Then, we saw Don arrive.

Don: That's right, guys. We found another of Dark Gale's bases as well.

Lincoln: Along with Trogaar and The Gordanian Race, and this is where they're going to draw their final breath.

Me: Yep.

Marluxia: Lets call Katnappe.

Me: Good idea.

We did so.

Katnappe: I'm ready for action guys.

Me: Awesome!

Dive Man: So, what's Azalea Town famous for again?

Ash: Azalea Town is where we met Professor Kurt and he makes many kinds of Pokeballs from a nut called Apricorns.

Misty: It's true. And we were there to figure out the origin of the G.S. Ball.

Me: The Gold & Silver Ball mystery. Wow.

Griffin: Let's get our own Pokeballs from there

Me: Good idea.

We went to professor Kurt's lab.

Me: This must be it.

Ash: It sure is.

We went in.

Professor Kurt: Ah Ash and Pikachu. Welcome. Team Loud Phoenix Storm what an honor.

Me: Pleasure to meet you too Professor.

Nico: Ash told us a lot about you.

Professor Kurt: I can tell he did.

Elec Man: We'd like our own Poke Balls

Me: We think they are cool. Can you make some for us?

Professor Kurt: I sure can.

Me: Awesome.

Professor Kurt: It'll take a few.

Me: Okay we'll wait.

French Narrator: (French Accent) 3 Hours later

Professor Kurt: All done!

Crimson Dynamo: How do they look?

He showed us all kinds of pokeballs that matched our powers and personalities.

Me: Wow!

Nico: Cool!

Qin: Those are great!

Professor Kurt: Thank you

I gave him a huge bag of money.

Me: Compliments of Team Loud Phoenix Storm.

Qin: Hey look there.

Impact Man: Is that a Porygon 2?

Porygon 2: Pory.

Me: Hey it sure is. Wow what's one of them doing here?

Professor Kurt: Oh that just appeared for some reason.

Me: Wow.

Skalamander: A non Core member should have this one

Me: Good idea.

Mina Midnight Sparkle: I suppose I will.

Me: Go for it Mina.

Mina went over.

Mina Midnight Sparkle: It's okay little one.

Porygon 2 hovered around her and nuzzled her.

Me: Aww Porygon 2 likes you Mina.

Deadpool: Porygon and its' evolutions never appeared that much because of a seizure incident in Japan

Me: Yeah because of what we call the Strobe Light Effect.

Qin: Crazy.

Lola: Yeah.

Deadpool: I for one don't think that's fair. It's one thing to ban an episode. But a Pokemon and its' evolution line?

Me: Yeah no kidding!

Nico: I agree there Wade.

Lola: Same here.

Girl Jordan: That is sad.

Varie: I agree too.

Mina Midnight Sparkle: That is sad there.

Deadpool (to Mina): I hope Porygon 2 helps you take your sister

down.

Mina Midnight Sparkle: I know Porygon 2 will.

But then we saw the lights flicker and then they overloaded.

ZAAAAAP!

Me: WHOA! There's no storm here is there?

Lincoln: No it's the next Akuma, I just had a premonition and this one is electrifying. It's Starfire's Akuma, Starglork. The Hypothetical Akuma of Starfire and a deadly worm with intenes lightning and electricity. She is surging with over 500,000,000,000,000,000,000,000,000,000,000,000,000,000 volts of intense lightning and electricity. She was made because of Blackfire sending her to prison in her place and vowed to kill her and rid the universe of her.

WE GASPED!

He showed us a sketch of her and it was a worm that was SURGING WITH INTENSE LIGHTNING! She looked like the Mongolian Death Worm times 100,000!

Me: WHOA! That is scary!

Eli: That is one SCARY Worm!

Blackfire: And she hates me? Oh boy.

Me: Well not to squeeze lemon juice into the wound but you did kind of cause a lot of problems for her in the past.

Blackfire: I see what you mean.

Starfire: Me being an Akuma like this reminds me of a Glorg creature on Tamaran.

Shanan: It does have some similarities to one.

Nico: Minus the intense lightning.

Red Ghost: Where is she?

THUNDERCLAP!

We looked outside and saw intense lightning striking out of the ground!

Qin: WHOA! Worm sign!

Lola: Like the Sandworms on Arrakis.

Nico: Yep. Just follow the lightning.

We walked to the lightning.

Gargoyle: Keep on following the lightning

THUNDERCLAP!

Me: WHOA! That is powerful.

Lisa Loud: I made this.

She pulled out a thumper machine.

Me: One of the thumpers from Dune.

Lisa Loud: Exactly.

Me: Clever.

I activated it and then there was a rumble and then...

THUNDERCLAP!

Bursting out of the ground was STARGLORK!

Me: WHOA!

SHE WAS A HUGE AND SCARY WORM! SURGING WITH INTENSE LIGHTNING!

Me: WHOA! HOLY SHIT!

She looked at us.

She was looking at us and her vision was seeing the electrical activity of our nervous systems.

Starglork: Hello friends it is so good to see you.

Me: Wow! Starfire you look amazing as a worm. Like the Glorg on Tamaran.

Starglork: It sure is interesting.

Spot: Starfire? Is that you?

Starglork: Yes it is still me. I am here for her.

She pointed to Blackfire with her tail.

Me: You want to kill her for everything she did to you. But Blackfire in our world is changed. She was possessed by an evil spirit that made her that way.

Starglork: Really?

Me: Yeah long story.

Nico: It was back when we saw Tamaran for the first time.

Me: Yeah.

Katnappe: That's why we need you to calm down

Starglork: It must be the one from my world that was like that. Then lets prove it.

She fired an intensely powerful lightning beam and it hit Nico and electrocuted him!

ZZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPP

Ed: ZAPPITY ZAP ZAP!

Nico: Ouch.

I fired a massive blast of lightning more powerful than hers and blasted her down.

Katnappe charged at her and just as he was about to slash her...

ZZZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPP

SHE GOT ZAPPED BY INTENSE LIGHTNING!

Me: GEEZ! It's like trying to touch a powerful Megavolt Electric Generator!

Katnappe: Ouch! No kidding!

Katnappe charged at her but she got zapped again!

Qin: Yikes!

Katnappe: OUCH! This is impossible!

Starglork: My Turn!

She fired a powerful blast of lightning and it hit May and electrocuted her!

ZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPP

Me: YIKES!

She got burned bad.

Starglork then fired a blast of lightning and it hit Ash and electrocuted him!

ZZZZZZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

Ash: YIIIIIIIIIIIIIIIIIIIIIIIIIIIIIIIIII!

HE REALLY GOT ELECTROCUTED!

Nico: GEEZ! REALLY ELECTRIFYING!

Qin: How are we going to attack her if we can't get near her?

Me: (Fire swirled behind me) I am the Champion of Friendship and Protector of the Earth and loved by all. When my Cutie Mark Comes to life, Justice brings evil to a fall!

Fire Swirled behind me and I had my sword glow and my power was intensified!

I fired a massive blast of lightning and energy and blasted her down with a powerful blast from my sword! She was brought down with ease from that!

Me: WHOA! That was awesome!

Sideshow Bob: That was electrifying. And one of the more challenging ones.

Me: Yeah no shit! Ash, Nico, May, are you all okay?

Turtle: How many fingers am I holding up?

Ash: (Dizzy) 42.

May: (Dizzy) 15?

Me: Electrocuted bad.

Misty: Boy Ash got electrocuted many times by Pikachu but it wasn't that bad.

Me: Really? Pikachu how many times did you electrocute Ash?

Pikachu: Hmm.

He got to thinking.

Pikachu: 175.

Me: GEEZ! A miracle you didn't kill him before you joined us.

Nico: No kidding. I'm okay.

Lincoln: Here guys.

Lincoln sucked out the electricity from May and Ash and Nico and anyone that got electrocuted.

Me: Whoa!

May: Ahh thanks Lincoln.

Ash: Yeah.

Me: Boy Starfire your Akuma was one INTENSELY Electrically charged one.

Starfire: Oh it sure was.

Bluefire: That was amazing though sister.

Blackfire: It sure was.

Red Hood: Let's go find Trogarr.

Me: And this time we're going to make sure that he and the Gordanians draw their last breath.

?: Just like all of you will!

We then saw our next target: Celine Crazy Gem, Midnight Princess of Dark Magic Gem Greed.

Sarah Grettleton: If it isn't Celine Crazy Gem, Midnight Princess of Dark Magic Gem Greed.

Celine Crazy Gem: You murdered Sarah! How dare you humiliate us like this!

Lincoln: She deserved it, she and all of you were extremely evil to the core, Celine. You all sought to destroy the world, and we weren't going to let that happen.

Celine Crazy Gem: (ENRAGED DEMONIC SCREAM) I HOPE TROGARR AND THE GORDANIANS DESTROY ALL OF YOU! We will triumph and you and this entire planet will be destroyed!

Mina Midnight Sparkle: Celine stop!

She saw Mina.

Celine Crazy Gem: Mina! You're back!

Mina Midnight Sparkle flew up to her.

Mina Midnight Sparkle: I am back yes. Also Celine this is not you. You are not a greedy girl that wants all those jewels. You love fashions and making people feel absolutely beautiful in amazing and beautiful clothes. Clothes that I love wearing. You are also my sister and I love you. Don't let Morgana control you.

Celine Crazy Gem: But I... (CLUTCHES HER HEAD) NO!

Celine Crazy Gem disappeared in a tornado of purple darkness, gems, and dark magic.

Me and Nico: What a bitch.

Lincoln: You have no idea, and we'll see who gets destroyed first, Celine!

Sarah Grettleton: I knew it, seven years of being trapped in The Netherworld had forever driven them even more insane than ever.

Catherine Fontaine: If the others were that bad, Morgana's become even worse than ever. Alright, we need to get going and stop Trogaar and The Gordanians before they do something really bad.

Nico: Right.

Me: We're still capturing her.

Don: We also spotted some Dark Gale grunts and scientists there as well, give them the same kind of treatment as the ones that were with the others. There's a Gordanian Ship in the forest. Go get them.

Lincoln: You got it.

Sarah Grettleton: And from what we saw, Celine's also going to summon her army of demons as well: The Dark Magic Gem Greed Demons.

Nico: Figures.

Lincoln: Yep, they have their own personal armies of demons and each of them bear the same mark as The Midnight Princesses and have the powers of dark magic and the elements of their masters.

Me: That makes things even more dangerous than ever.

Lincoln: But, we're ready for them. (CRACKS KNUCKLES) Let's tear Trogaar and The Gordanians apart along with Celine's army of Dark Magic Gem Greed Demons and trash those Dark Gale grunts and scientists.

Nico: That's the kind of talk I like to hear!

But, the bold determination and talk also caused Lincoln's harem to blush even more.

Lily the Mermaid: (Swooning) My God.

Lynn: Hey, you guys, snap out of it.

They snapped out of it.

Girl Jordan: Sorry about that.

Nico: Alright, let's get going and hunt down Trogaar and those Gordanians.

Atomic Skull: You think they have prisoners?

Me: We'll find out. Wait Mina I just thought of something. Are you also like the Princess of Friendship and Magic?

Mina Midnight Sparkle: Yes I am J.D. I am the princess of friendship and magic since I am essentially like Twilight Sparkle.

Twilight Sparkle: That is really interesting.

Nico: It sure is.

WE EVENTUALLY GOT A MOVE ON, THE GENOCIDE OF THE GORDANIANS WAS NOW IN FULL EFFECT, AND THOSE

MONSTERS ARE GOING TO PAY FOR THEIR CRIMES!

We were killing Gordanians left and right and killing them by the tens of thousands!

SLASH SLASH SLASH SLASH SLASH SLASH SLASH!

We saw the ship and it was huge.

Me: There it is.

Alister: Entrance time!

Me: Lets form a rescue party to go onto the ship while we battle the Gordanians.

Eli: I'll lead it.

Me: Okay bro.

We went at the ship.

Trogarr and his men were growling.

Then the spirits of Tamaran appeared and then swirled around them and then converged and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard and we landed.

Me: Okay you Gordanian jerkwads! Lets dance!

Starfire: You should've never returned from the dead, Trogaar, and I can't believe that you'd stoop that low as to ally yourself with Elise Elexton. You really are despicable, you know that.

Me: And Anti-Monitor had some nerve bringing you back from The Warp.

Nico: Well then, you've left us no choice, you just sealed your own death warrant, you monster.

Trogaar: We'll see about that!

Suddenly, we saw a massive army of demons arise and they bore the mark of Celine Crazy Gem along with Dark Gale grunts and scientists and Gordanian soldiers.

Lincoln: So, Celine's sent her army of Dark Magic Gem demons and the Dark Gale Grunts and scientists have also come out, along with The Gordanian Soldiers, huh?

Lincoln fired magic draining blasts that hit Celine Crazy Gem's Dark Magic Gem Greed Demons and he sucked out all their dark magic and made them his and he also sucked out their life force and killed them. Then, he fired energy draining blasts that hit the Dark Gale grunts and scientists and drained them of their energy and knocked them down and out. Then, he turned the tips of his eleven brown wolf tails into Cell's stingers, and one by one, he stabbed them into The Gordanian soldiers and he began absorbing them, and he grew even stronger than ever, and he assimilated their super strength and tracking skills.

Then, when Lincoln was done and the stingers changed back, nothing was left of The Gordanians except for their armor and he drained their souls of energy and he sent them to The Black Abyss, and that left Trogaar all alone and he was enraged.

Starfire: Now, you are all alone, and now, it's time to end this for good.

Inside the ship, Eli, Bluefire and some the team were searching.

Beautiful Gorgeous: My god! Trogarr has prisoners all over the place!

Shanan: No kidding! I know many of these creatures. That's a Zordonnian Shrieker, That's a Logrondonian Locrix and so many others.

Qin: Whoa these creatures are amazing.

?: Bluefire!

Bluefire: (GASP)!

They saw Orange, Yellow, Green, Indigo and Violet versions of her.

Bluefire: Orangefire, Yellowfire, Greenfire, Indigofire, Violetfire! You're all safe!

Orangefire: You too sister.

Shanan: Stand back girls!

She kicked the door and smashed it down.

Eli: Nice one!

We blasted and destroyed the Gordanians with Trogarr.

I blasted them.

The Dark Gale Grunts and Scientists were tied up by Eli and everyone with Shanan.

They fired waves of leaves, earth and rock and energy and blasted Trogarr all over the place.

Nico: OH YEAH!

Suddenly, Starfire's green eyes turned neon green and she was surrounded by a purple and emerald green, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, solar light, ultraviolet radiation, fire, flames, lightning, phoenixes, and angels, she unholsters her greatsword, and as she approached Trogaar, she left purple and emerald green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, solar light, ultraviolet radiation, fire, flames, lightning, phoenixes, and angels with every step.

Starfire: I will never forgive you for what you've done in the past, Trogaar, for too long, you and your people have terrified so many planets all over the galaxy and enslaved too many beings from all over the galaxy, and now, I will see to it that you pay the ultimate price for all of your crimes, this is where you and the Gordanian race dies here and now.

Sequoia Rainflow was surprised as her body started trembling. She yelled out in surprise as her body started expanding.

Same with Blue Raspberry Wintermint.

Sequoia Rainflow: No! We control the power!

Blue Raspberry Wintermint: It doesn't control us!

They concentrated and reigned in the power and hey turned into Blacephalon and Stakataka and bashed and smashed Trogarr all over the place! They reverted back!

Me: OH YEAH!

Robin: Titans Go!

The Teen Titans blasted and smashed Trogarr all over!

Then Puff, Whirlwind, Molten Man, Koragg, King Shark, Springfield Mafia, Springfield Bullies, Cantwell, Rojo and Merman came.

Nico: Puff, Whirlwind, Molten Man, Koragg, King Shark, Springfield Mafia, Springfield Bullies, Cantwell, Rojo and Merman.

Whirlwind: How many prisoners were there?

Starfire: Plenty including my sisters!

Molten Man: Say what?!

Me: Long story.

Koragg: I hope you dispose of this dishonorable fiend!

Me: That you can count on.

King Shark: (to Nico) We heard you went to a comic book convention.

Nico: We sure did. And everyone had fun.

Puff: (to Lynn Sr) You should take care of that Chansey

Lynn Sr.: Oh I will.

Yuffo came.

Me: Yuffo! Up for another round?

Yuffo: I sure am.

Me: Awesome!

Yuffo: Here's the next Hitotsuki

Doublekiki: But you are not going to like who my human form is Maria.

Maria: Let me guess. A bully of my past?

Doublekiki: Well no.

He reverted back and it was a nerdy kid and he had black hair and blue eyes and black glasses and had clothes like those of SpongeBob.

Maria: Gregory Abdul.

Gregory Abdul: (Voice Like Mandark's) Its been a long time Maria and Carol you are looking great.

Carol: It has been a while Gregory.

Maria: You look amazing yourself.

Me: I take it you know each other?

Carol: Gregory was a genius kid that had a mad crush on Maria since we were in Kindergarten. He loved her more than anything and even tried on numerous occasions to ask her out on dates. He even has a shrine of her in his room.

Me: Geez!

Clyde: That is like me with my love of Lori long ago.

Maria: I'm sorry, Gregory. But I'm married to William now. But I hope we can still be friends.

Gregory Abdul: I know Maria and I'm happy for you Carol is married too. And I would like that.

Me: Relax on that Gregory there are still many fish in the sea out there.

Gregory Abdul: Thank you.

Me: I'm no matchmaker but I think I do have someone that fits your profile.

I looked at Meg Griffin.

Meg Griffin blushed at him.

Gregory Abdul: She is perfect J.D. Thank you.

Me: You're welcome.

Meg: I'll tell you about my life later

Gregory Abdul: Looking forward to it.

Nico: Lets get it on!

Puff was first.

Puff (to Lynn Sr): Nico's rescue was at the Comic Convention. I remember that your son LOVES comics

Lynn Sr.: He sure does! Loved them for a long time especially Ace Savvy. Also we were there to expose those phony comic book judges that he busted years ago.

Dino Kenty: It was one week before J.D. moved in and they did good. Those jerks had it coming.

Hina: It sure was cool.

Fluttershy: We did all kinds of really funny pranks on them and everyone laughed so hard!

Lilja: (Icelandic Accent) They sure were awesome.

Daffodil Bloom: (LAUGHS) We gave them wedgies, the mascots showed the trailer, we did them all.

Bluebell: We sure did and it was awesome and funny.

Fluttershy (G5): It was really funny.

Tornado Bolt: Yeah that is for sure.

Seabreeze: (Swedish Accent) Yeah that was funny and cool.

Stealth Elf: Yeah I never laughed so before.

Puff: WOW! That is cool! Glad you all had fun. Lets do it!

LYNN SR. MOLE-STACHE

Lynn Sr.: And here is my book.

It was called Lynn Sr.'s Cookbook of Fun Love. They fired waves of leaves, grass, flowers, fruit, wood and energy and smashed them down.

Tom Majors, Deenha, Jared, Miranda Rodriguez, Thunder Eagle, Zyla the Faithful, Thundenix, Rainbow Dash, Comet Thunder, Thunder Rainbow Zoom, Scootaloo, Air Skylanders, Air Man and Dust Man VS Whirlwind, Evil Luxord, Falkar, Carnom, Lego Red Hulk, Universe 666 Genie Jafar, Kekkaibo and Evil Air Minions (Theme including Deenha) - Another Jack Walker, Evil Scratch, Glongi of hayabusa, Hachi Phantom, Vespar, Fighter Jet Dimension and Magmatron who are the gene-slammers of Dragon Queen of Tragic Endings, True King of All Calamities, Divine Grace - Northwemko, Ice Queen, Legendary Flame Lord, Frozen Fitzgerald, Nine-Tailed Fox and Last Tusk Mammoth. As well as the Embodiment of Deepfry.

Whirlwind was next

Whirlwind (to Tom): Nico, Hokuto's team, Jack Walker's team, and the others did good battling Another Starfire, Jack Walker, Evil Scratch, Glongi of hayabusa, Hachi Phantom, Vespar, Fighter Jet Dimension and Magmatron. They are the gene-slammers of Dragon Queen of Tragic Endings, True King of All Calamities, Divine Grace - Northwemko, Ice Queen, Legendary Flame Lord, Frozen Fitzgerald, Nine-Tailed Fox and Last Tusk Mammoth As well as the Embodiment of Deepfry.

Tom Majors: We sure did and it was awesome! We met amazing girls. But one fo them named Connie Greya really had a heartbreaking story. She lost her family because they were murdered at the hands of a ruthless serial killer and was crying hard since then. She became depressed and wants to kill herself.

THEY GASPED!

Evil Luxord: Oh man. Poor thing.

Whirlwind: Wait you mean the infamous Greya Murders? I know who did it!

Tom Majors: You do?

Whirlwind: Yeah! His name is Terrance Roland and he and I went to school together. Years ago me and Terrance were best friends. This was before I became a supervillain. But Terrance became a horrible person because of terrible abuse that went unpunished. But the final straw for him that broke the camels back for him was his father raping him and he snapped! He became insane and started killing people left and right. The man I knew as my friend was dead. He even bragged about killing his victims to me and he wasn't that shy about telling me. It was gruesome. He killed over 500 people and had the country paralyzed with fear and he was that good at evading capture. He even killed the Greya family.

THEY GASPED!

Tom Majors: Oh man! That is terrible!

I came.

Me: Wait David did you say Terrance Roland? I captured him 4 years ago! They found him guilty of all those murders. But he was deemed incompetent for execution. He was sentenced to eternity in the Saturn Arkham Asylum section.

Tom Majors: Oh man! That is awful!

Whirlwind: But thanks for capturing him. I can visit him soon.

Me: You're welcome David and I can arrange that.

I left.

Deenha: That is terrible!

Jared: His own mind became his own worst enemy because of his own father raping him!? That is awful!

Rainbow Dash: Yeah that is awful!

Comet Thunder: Yeah that is sick! His own PTSD he got from the rape damaged his mind and gave him an extreme form of psychosis.

Everyone: WHAT?!

Comet Thunder: I was taking psychology lessons from Laney.

Thunder Rainbow Zoom: Wow that is cool!

Scootaloo: It sure is. But that is awful.

Whirlwind (Skylanders): That is crazy!

Whirlwind (Marvel) No kidding!

Tom Majors: Also we met a gene-slammer for Blacephalon and the Mascots love her because she makes martinis and that is cool!

Then, as soon as Lincoln was done and the stingers changed back, nothing was left of The Gordanians except for their armor and he drained their souls of energy and he sent them to The Black Abyss, and he tossed the powerless and drained Trogaar into the air, and he fired an energy blast that turned into Entei, and it smashed into him and exploded with incredible power killing him and sending him to The Black Abyss.

We were amazed by Sarah Grettleton's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Celine Crazy Gem saw it, she went ballistic and was about to attack her, but Sarah Grettleton fired a massive barrage of purple and white, pure white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, stars, water, ocean waves, gems, Alicorns, phoenixes, and angels that hit Celine Crazy Gem and sent her flying into a wall, she got back out, and she was really enraged!

You wanted to destroy the Earth same with the rest of the other Midnight Princesses, that proves that you're just as dangerous as Queen Opaline, you walked the path of a monster crawling your way through the dark, that's a lonely path, and it's one that'll follow you into death. Celine Crazy Gem, Midnight Princess of Dark Magic Gem Greed, may you suffer for all eternity with not a kindred soul to give you solace!

Lincoln, Sarah Grettleton, Nico, and I went after Celine Crazy Gem, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, purple and white, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Celine Crazy Gem, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Sarah Grettleton did the same by firing purple and white, pure white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Sarah Grettleton, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Celine Crazy Gem even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Celine Crazy Gem, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Celine Crazy Gem's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln fired an orange energy blast that hit Celine Crazy Gem and he began sucking out her dark magic and powers, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and nine other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done, Celine Crazy Gem was knocked out and we fired an Evil Containment Wave and trapped her in a bottle.

We cheered wildly as we holstered our weapons and powered down and Sarah Grettleton's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty five large purple and white planets orbiting around her legs and twenty five smaller purple and white planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized purple and white planets orbiting around her wrists and ankles, eleven massive and long purple wolf tails, and massive purple angel wings and nine sets of large purple angel wings underneath her massive purple angel wings are permanent.

Sarah Grettleton: This is the price that you must pay for all of your crimes, you insane she-demon! Thanks for helping me take down Celine Crazy Gem, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Sarah.

Me and Nico: Our pleasure, Sarah.

Suddenly, Sarah Grettleton wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sarah Grettleton's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Daydream Rarity flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Sarah Grettleton sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Well, that's it for Celine Crazy Gem.

WE HEARD THE LOUD SCREAMS OF DEMONIC RAGE AND INSANITY!

Me: And we've pissed off The Midnight Princesses big time! So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a witch flying in the skies and it left a wave of magic across the skies.

Selene Arcangela: (GASPS) The Witch...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Amara De Rose, Avatar of The Witch and Fusion Gene-Slammer of The Knightmare Duel Monsters and Avatar of The Umbra Witches and Infernal Demons.

WE GASPED!

Me: Wow!

Enya Phoenix: Oh man, I knew you'd pick her, and you guys are going to love meeting her, Amara De Rose, Avatar of The Witch and Fusion Gene-Slammer of The Knightmare Duel Monsters and Avatar of The Umbra Witches and Infernal Demons, is Lincoln's Guardian Angel and the older sister of Morgana De Rose, and she's known as The Dark Umbra Witch Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Amara De Rose is a powerful master of the powers of darkness, The Dark Arts, Witchcraft, the powers of The Knightmare Duel Monsters, The Umbra Witches, and The Infernal Demons, and she's also known for her mastery over darkness, The Dark Arts, Witchcraft, and The Infernal Demons. She lived during an age of darkness and she was said to be born in Europe many centuries ago, and over time, as she grew, she gained all of the incredible strengths and powers of the Witches, Umbra Witches, and Infernal Demons along with immortality and she also mastered the powers of the darkness, Witchcraft, The Dark Arts, and The Infernal Demons, and she'd fought against the most despicable humans and the Angels of Paradiso and she sent The Infernal Demons to devour their souls, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness, The Dark Arts, Witchcraft, the powers of The Knightmare Duel Monsters, The Umbra Witches, and The Infernal Demons, and he also gained all of the incredible strengths and powers of The Witch, The Knightmare Duel Monsters, The Umbra Witches, and The Infernal Demons, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Witches, Knightmare Duel Monsters, Umbra Witches, Infernal Demons and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Whitney kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, she would send The Infernal Demons after them to devour them.

Me: Oh man!

Nico: So, if anyone dared to anger her by hurting Lincoln, they would...!

Lincoln: Yep, they'd face her wrath, and even worse, if she tells her sister, they'd also be in even more trouble.

Fat Tony: Looks like Trogarr's sleeping with the fishes!

Jimbo: He sure is!

Cantwell: Another part of the Ridonculous Race done.

Rojo: And another Dark Gale base destroyed.

Me: Yep. And Number 3 of the Midnight Princesses captured.

Merman: We're on a roll!

Me: We sure are.

Nico: Great job today everyone.

Alright, and now, for tomorrow, the fourth match-up in the saga of The War Against The Midnight Princesses and Dark Gale is Katie Callisto, Daydream Honesty Princess of Earth and Lincoln VS. Carly Creepy Apple, Midnight Princess of Dark Magic Apple Dishonesty

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Little Italy, New York, and for the next day of the gang takedown rescue arc, one of Caleb Maxwell's contacts have gotten reports of yet another old enemy of his still in business, his name is Rocco Romano, he's the leader of a local Mafia family known as The Romano Family, they're a gang of mobsters and thugs who've caused a lot of trouble in Little Italy for years, and Caleb Maxwell had heard tons of stories about them: these guys are well-known troublemakers and some of their members are pretty dangerous and crazy, but their current leader was the most ruthless man ever, and Caleb heard the story on him from Rocco's father, and when he heard of the pretty horrendous things that Rocco had done to local rival gang members, let's just say that it's not pretty: Rocco Romano's known as a boogeyman to locals in Little Italy when he was young, and on some occasions, some of the gang's local tough guys of their group would try to take down Caleb to make a name for themselves and it was long before he died, but the fear of Cage Blunt and Travis Tackett always lurking in the shadows caused them to slink back to their hideout.

Now, Caleb's heard the latest intel: apparently Rocco's also been trying to smuggle illegal weapons to Dark Gale and make money, and when Caleb Maxwell heard it, that pissed him off and he also alerted The Big Claw Gang. We're heading down to Little Italy and we're gonna make the streets run red with the blood of The Romano Family, and we're going to meet the next Avatar of The Mythical Beasts, her name is Amara De Rose, Avatar of The Witch and Fusion Gene-Slammer of The Knightmare Duel Monsters and Avatar of The Umbra Witches and Infernal Demons, she's Lincoln's Guardian Angel and the older sister of Morgana De Rose, and she's known as The Dark Umbra Witch Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Amara De Rose is a powerful master of the powers of darkness, The Dark Arts, Witchcraft, the powers of The Knightmare Duel Monsters, The Umbra Witches, and The Infernal Demons, and she's also known for her mastery over darkness, The Dark Arts, Witchcraft, and The Infernal Demons. She lived during an age of darkness and she was said to be born in Europe many centuries ago, and over time, as she grew, she gained all of the incredible strengths and powers of the Witches, Umbra Witches, and Infernal Demons along with immortality and she also mastered the powers of the darkness, Witchcraft, The Dark Arts, and The Infernal Demons, and she'd fought against the most despicable humans and the Angels of Paradiso and she sent The Infernal Demons to devour their souls, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness, The Dark Arts, Witchcraft, the powers of The Knightmare

Duel Monsters, The Umbra Witches, and The Infernal Demons, and he also gained all of the incredible strengths and powers of The Witch, The Knightmare Duel Monsters, The Umbra Witches, and The Infernal Demons, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Witches, Knightmare Duel Monsters, Umbra Witches, Infernal Demons and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Amara kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, she would send The Infernal Demons after them to devour them.

Part 4 is Mallow's day and we're going after Cyrus of Team Galactic.

See you all next time.

RIDONCULOUS RACE 2024 PART 4 - JOHTO 2

Johto Region Part 2

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had a dream: his dream took him to Little Italy, New York, and as he was flying in Little Italy, he saw the symbol of a Mafia family, and to him, it was the sign of one of the local Mafia families. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh man!

Michelle Emperyous: The symbol of a Mafia family, that's no doubt this is the sign of one of the Mafia families in New York.

Selene Emperyous: We'll have to ask The NYPD Nightshift about this.

Lincoln: Good idea, Selene. Maybe, they know about this in one of the files.

Paige: I wonder if they've gone after the Mafia gangs before.

Lincoln: We'll have to wait until tomorrow to find out. But, if I remember right, Carter's dad was once involved in the underworld, so we'll have to ask him about it.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Little Italy, New York, and as I was flying in Little Italy, I saw the symbol of a Mafia family, and to me, it was the sign of one of the local Mafia families.

Caleb Maxwell gasped along with the NYPD Nightshift.

Caleb Maxwell: My God. Lincoln, that symbol you saw last night. That's the symbol of The Romano Family, one of the local Mafia families who've caused a lot of trouble in Little Italy for years.

Jack Howard: I thought things in Little Italy were much more noisier than ever. We haven't dealt with any of the Mafia families ever since The Big Claw Gang started their business.

Carter Kenrick: Dad told me about this, and when he told me they're at it again, I knew right then and there, it was trouble.

Roxy Drake: And Caleb's heard the stories about these guys, and they're not good.

Caleb Maxwell: She's right, and I know of the leader all too well, same with Carter.

Caleb took out the picture of a male grey-furred cat with black hair and white muzzle, and he had on a business suit.

Carter Kenrick: The guy you see here is the head of The Romano Family, his name is Rocco Romano, they're one of the Mafia families who've been causing a lot of trouble in Little Italy for years, and Caleb heard tons of stories about them: these guys are well-known troublemakers and some of their members are pretty dangerous and crazy, but their current leader was the most ruthless man ever.

Caleb: I heard the story on him from Rocco's father, and when I heard the pretty horrendous things that Rocco had done to local rival gang members, let's just say that it's not pretty: Rocco Romano's known as a boogeyman to locals in Little Italy when he was young.

Carter Kenrick: On some occasions, some of the organization's local tough guys would try to go after and hurt Caleb to make a name for themselves and it was long before he died, but the fear of Cage Blunt and Travis Tackett always lurking in the shadows caused them to slink back to their hideout.

Suddenly, an informant in a black coat called Caleb Maxwell and gave him some juicy information: but when the informant was finished, we saw Caleb's eyes narrow with rage.

Caleb Maxwell: What...the...HELL!?

Suddenly, we saw the sclera of Caleb Maxwell's eyes turn black and his red eyes turn brighter: it was not good.

Captain Whitten: What is it, Caleb?

Caleb Maxwell: My informant told me that Rocco's planning to smuggle illegal weapons to Dark Gale and make money.

When we also heard it, we were really really pissed off!

Nico: What the fuck?!

Me: That shithead!

Caleb Maxwell: That fucking does it!

Caleb Maxwell sent a message to The Big Claw Gang about this, and immediately, they came out of the rooms all dressed up and they were madder than Hell.

Claw Dane Drake: I warned Rocco not to overstep his boundaries, and now, he's trying to smuggle weapons to Dark Gale to make money just like with Chen and The Vermillion Dragons in Chinatown. That's it, we're gonna kill every last one of them.

Nekome: (Japanese Accent) I've been waiting for this chance to come for a long time.

Carla Claw: Hope you got plenty of bullets, Caleb, because we're about to raise Hell on Earth.

Mad Cat Max: Rocco's lived for too long, the parasite.

Carter Kenrick: I've had it up to hear with that piece of shit, today, he's going to die.

Lincoln: That'll be for after Nico's rescue. I just got word from Dipper, Mabel, and Pacifica that Pacifica's evil so-called parents, Preston and Priscilla, are back from The Black Gates.

Me: WHAT THE HELL!

Lincoln: Let's finish up breakfast, and head down to Gravity Falls and take care of them right now.

Nico: Right.

Mallow woke up to see Torterra and Tsareena staring at her.

Torterra: Morning Mallow.

Mallow: Oh morning Torterra. And you too Tsareena.

Torterra: Tsareena said she cooked an amazing meal for you for breakfast.

Mallow: Oh wow.

She went and got dressed and went to the table and she saw awesome purple pancakes with berries in them.

Me: Morning Mallow. Tsareena made Oregon Marionberry pancakes for you.

Mallow: Oh boy!

She got to eating them. And she was in heaven.

Nico: Tsareena sure knows how to make good food.

Me: She sure does.

We then finished our breakfast, and we set out to take down Preston and Priscilla Northwest who've come back from The Black Gates to get revenge once again for Nico's rescue at Gravity Falls, and after that, we're heading to Little Italy in New York.

Nico: Gravity Falls is looking great.

Camie: It sure is.

Me: Last time we were here it was to deal with the Shapeshifter. That was like something out of The Thing.

Kate Lloyd: It sure was scary.

Lola: It sure was.

Pacifica: But it's good to be back here.

Dipper: I agree there.

Mabel: I missed this place.

Me: I can tell guys.

Cloud Man: But we're really excited for this too.

Lola: We sure are.

Nico: Cloud Man, I want to thank you, Soldier Stonekong, and the others for coming.

Cloud Man: Not a problem Nico. This will be fun and cool.

Flint Lockwood: I'm really excited for this too!

Sam Sparks: I am too.

Nico: Flint, remember when we had an adventure involving your invention and Poromon was on Steroids.

Flint Lockwood: I sure do and that was one of the most fun we've ever had.

Me: It sure was. Flint your invention is one of the most amazing we've ever seen too.

Flint Lockwood: It sure was and it really helped my island too.

Camie: I agree there. What does his invention do again?

Me: Turns water into food and it made amazing food weather which was REALLY amazing. Flint's machine helped his home island of Swallow Falls. They were famous for Sardines. But then their local cannery, the Baby Brent sardine cannery closed forever because sardine's were gross. YUCK!

Lola: I don't like sardines. But yeah.

Lana: I heard they are supposed to be good for you.

Me: Yes you heard right. Also Flint's town was in trouble and they were starving. They were stuck eating the sardines no one else wanted. Poached, fried, boiled, dried, candied and juiced. YUCK! So he invented his machine to help out.

Flint Lockwood: That's right. It was amazing.

Brent: It sure was. Also you guys are also forgetting that I am the mascot of the Baby Brent Sardines.

Me: Yes we saw that Brent.

Nico: (to Flint) Seriously, how did you feel about Poromon being on Steroids?

Flint Lockwood: He looked really awesome!

May: (LAUGHS) Manaphy loved him like that.

Me: She sure did. He looked cool too.

Flint Lockwood: He sure did. But guys thank you all so much for helping me and my friends on my island too.

Me: No problem Flint. That was all so much fun there.

Tim Lockwood: It sure was and I'm proud of my son and love him so much.

Flint Lockwood: Thanks dad.

Me: That was fun and Flint's machine came in handy to end world hunger.

Nico: That is for sure.

Ace: Wait. Poromon used steroids?!

Me: Blame Kevin Reynolds for that. Poromon was mugged by a jerk.

Ace: Oh.

Me: Cut Kevin some slack Ace. Sure he may not be a smart guy but he always can get the job done.

Nico: Yeah.

Ace: You're right but that's not very smart.

Me: No it wasn't.

Lola: Lori said he looked like a Machamp's poop. I agree with her.

WE LAUGHED HYSTERICALLY!

Me: (LAUGHS) That was funny Lola! I like that!

Nico: That is funny!

Lola: Okay that was amusing but yeah you're right. I was being serious too.

Me: I know. But yes I agree. We did help him out though.

Sam Sparks: Yeah we sure did.

Camie: That is funny.

Me: Yep.

Nico: But can steroids be used on women?

Me: Yes they can and it makes them bulky like bodybuilders. Marge had to learn the hard way from that. (Season 14 Episode 9)

Nico: Whoa.

Lola: Yikes.

Me: No offense to all the girls present but women can't get as buff as we men can. They can only accomplish that from the use of steroids.

Camie: You're right and none taken.

Nico: Oh.

Me: Yeah.

Flint Lockwood: I agree. But thanks guys.

Me: You're welcome Flint. But man yesterday was so fun!

Nico: We took Trogarr out.

Me: We sure did and also we rescued all of Starfire's sisters and freed the prisoners.

Laney: Yeah we sure did.

May: And Starfire's Akuma was REALLY Electrifying!

Nico: It was one of the more difficult ones.

Me: Yeah we couldn't even touch it because of the intense electricity.

Lola: Yeah no kidding.

Me: That was intense. But also we met Professor Kurt and he made us all these really cool Pokeballs.

Nico: He sure did.

Fluttershy: That is amazing.

Lola: It sure is.

Camie: So many designs.

Nico: Starfire, I didn't know you had so many sisters.

Starfire: You never asked about it.

Nico: I see.

Me: But it's good that we rescued your family.

Starfire: It's glorious they are safe.

Me: It sure is.

Sunset Shimmer: I agree there as well.

Camie: Cool.

Nico: Now the universe can rest easy without the Gordanians destroying and ruining everything.

Me: Thank goodness. Also we destroyed the Gordanian Homeworld 45 minutes ago.

Nico: Good riddance.

Lola: Yep.

We walked around Gravity Falls.

Me: Boy Gravity Falls is looking great.

Camie: It sure is.

Me: I remember the first time we came here.

Nico: Me too.

Camie: Really?

Me: Yep. That was when we busted the Northwests for the first time.

Qin: I remember that! I just joined the team back then and had a lot of catching up to do with Nico.

Me: That was fun.

Nico: Why do I get the feeling history's about to repeat itself?

Me: I got that feeling too.

Pacifica: You guys should see my mansion.

Camie: Can you show us?

Pacifica: Sure.

We went to the mansion of the Northwest's.

We arrived.

Pacifica: Here we are!

Camie: Oh wow!

Momo: Wow! Pacifica this is not just a mansion it's a log village!

Pacifica: (LAUGHS) Yeah that's what I called it.

Me: Yeah no kidding. Also we built a mansion like it at the estate for Dipper and Pacifica.

Nico: Yep.

Camie: Wow.

Me: We couldn't take the house here from Gravity Falls because it's part of the history here.

Camie: I see.

Nico: He's got a point.

Me: We never checked the entire place out when we were here before.

Nico: You're right.

Pacifica: I'll show you all around. As much as I hate it, it was still home.

Me: Okay.

We went inside. We saw that it was converted into a museum.

Me: Wow! They converted it into a museum.

Camie: Wow.

Pacifica: They sure did.

We walked around and saw the history of the most hated parents in the entire world.

Northwest Manor was the previous home of Pacifica Northwest and her family. It was built 150 years ago by the loggers of Gravity Falls. After a year of building, they where promised a big celebration called Northwest Fest. But when completed, the family turned the town folks away. One of the loggers died in front of the house from a mud slide and promised to take revenge on the Northwest family. Pacifica's family was forced to sell their house after Preston became allies with Bill Cipher and invested in Weirdness bonds. In the series finale, Old Man McGucket bought the house from them.

Over the next 150 years, the Northwest family had lived in the manor throwing parties for the wealthy and high class. At the same time they have stolen from the town people, hunted and killed many animals, worked for the Nazis, coned the native Americans and many other unthinkable things all of these things painted and hidden deep within the manor. The house is full of expensive things and including many rare animals like peacocks.

We were shocked and Pacifica's so-called parents were WORSE THAN WE COULD HAVE IMAGINED! They were terrible scumbags!

Nico: Jesus!

Me: No fucking shit! Siding with the Nazi's is treason and allying with Bill Cipher!? That's absolute unholyness!

Lola: And conning the Native Americans!? That is evil!

Pacifica: Yeah! My family was the worst.

Luan: Yeah no kidding!

Me: Either way it's good we stopped them. They are nothing but fucking parasites!

Qin: Yeah!

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Gravity Falls, but as I just told you guys this morning: we're here to face Pacifica's evil so-called parents, Preston and Priscilla, who've come back from The Black Gates and they still want revenge on us.

Me: Just as you told us.

Nico: I can't believe those fucking pricks are back. They've got some nerve.

Lincoln: Well, that ends now. But, instead of killing them again, we're throwing them back in prison, but I'm also going to give them one of the Lovecraftian Curses, and it's one meant for child abusers.

Eli: But, won't that kill them when they reach the final stage of the curse?

Lincoln: Nope, this one will break their minds completely, but not kill them. Plus, there's a surprise waiting for us when we meet up with Pacifica, Dipper, and Mabel.

Me: This should be good.

We also saw Sam, Clover, Alex, and Brittney were with us on hover chairs.

Yesterday, we found out at the hospital that Sam, Clover, Alex, and Brittney were pregnant with girls, and Lincoln and his entire harem were protecting them especially against two toxic individuals. The first was Sergio, the former member of the team and constant troublemaker and party animal: that repulsive rat with wings may be in prison forever, but he'll still try anything to get revenge on us, and it's not just him, but the second individual was Sebastian who despite being freed from the Monster Chip implanted in him thanks to Sergio was now consumed by toxicity and bloodlust now wants to end the lives of Sam, Clover, Alex, and Brittney's girls before they're born along with their own lives.

Ace: Wow, you guys are taking defending Sam, Clover, Alex, and Brittney real seriously.

Anna Anyanova: We have to. This puts them in danger not only against anyone who'd sought to do them harm, but also, against two certain toxic individuals: the first of the toxic individuals is none other than our old enemy, Sergio Casagrande, the former member of Team Loud Phoenix Storm and Great Lakes City's constant troublemaker and notorious party animal. That stupid repulsive rat with wings may be in prison forever, but he's still going to try anything to get revenge on us.

Eman Reynolds: And that includes hurting Lincoln's future wives who are pregnant with their kids.

Ronnie Anne: Knowing him, he'll do something like this and since Sancho and his gang cut all ties with Sergio, he'll seek the help of the local thugs and criminals to do so, and it's not just him.

Luna: She's right, dudes.

Anna Anyanova: You're right about that, Ronnie Anne, which brings us to the second toxic individual: Nico's friend and the eternally hated enemy of Lincoln's Guardian Angels, Sebastian Mendez. The reason why I said this is despite being freed from the Monster Chip implanted in him no thanks to Sergio, he's now been consumed by toxicity and bloodlust and he's plotting to end the lives of Sam, Clover, Alex, and Brittney's girls before they're born along with their own lives to bring misery to Lincoln so that he can break him and kill him. We sensed it through his soul and his black heart.

Trudy Lawrence: If that inhuman toxic fucker tries anything, I'm gonna smash his pointed fangs out of his mouth.

Qin: Save room for the rest of us, Trudy, after all, we've got nine years of anger and rage to unleash on him. He may have been freed from The Monster Chip implanted in him thanks to Sergio, but all of the toxicity he had inside him hadn't truly died with his dark side and demons, this is one born from the madness of his eternally black heart and let's not forget that he'd crossed many lines and he also committed tons of unspeakable atrocities in the past, and that tape Buster showed us all proved how inhumane, atrocious, and abhorrently toxic he was and still is to this day.

Lucia Lucifer: In other words, he was worse than all of Nico's old bullies and enemies combined, and even we'd seen how cold-blood, blackhearted, inhumane, abhorrent, and toxic he became, and this wasn't just with us, but he was like that towards everyone in our old high school in New Jersey after his descent into darkness and madness, especially after the wedding disaster.

Lincoln: Don't worry, I made sure to chain him up and throw him in his room and locked it to keep him from doing something malevolent, and I put guards at his door to keep him inside.

Nicole Nefaria: I don't know if that'll work, he'll break out and come after us. But, the second he ever does, we're gonna end his toxic reign forever and we'll also engage our second plan to save you and your harem the trouble, Lincoln.

Lincoln: Huh?

Nico puts his left hand on Lincoln's shoulder.

Nico: My harem and I had been talking about this, Lincoln, it may be true that my friends and I may forgive Sebastian, but we know you and your harem couldn't stand him anymore, and I understand it, and we can't tolerate his destructive toxic behavior any longer. If this continues any more, we're permanently cutting off all ties with him for good and he'll be treated just like with the jerks at Lynn's Table.

Suddenly, we saw a fiery determination in Lincoln's eyes, and we saw Lincoln's deep sapphire eyes had a gold ring around it and they had white, golden yellow, and blue flames raging in them: those were the flames of heavenly justice, and that meant that no matter what, evil will never win.

Lincoln: You're right, Nico. Sebastian tried many times to break me and my harem in the past seven years ago, but he failed as always, and I'm not going to let his toxicity go on any further, no amount of his constant and completely murderous threats towards me, my harem, my kids, and my entire family will never break me, but it's already proven that he's just as toxic and destructive as the dark sides of Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins along with all of my enemies. And the second he comes after Sam, Clover, Alex, and Brittney to hurt my unborn girls, I will beat him to a bloody pulp and turned into a human pretzel and inside out human sausage just like what I did to Dark Lynn and many of my enemies! (MASSIVE LOUD WOLF ROAR)

UH OH! WATCH OUT, TOXIC MONSTER OF CHAOS! YOU JUST ANGERED LINCOLN LOUD, AND YOU GOT YOURSELF A ONE-WAY TICKET TO THE NINE CIRCLES OF HELL!

Me: Oh shit! He's let out that wolf roar, and to Sebastian, that means he's pissed Lincoln off!

Nico: That's the spirit, Lincoln! Sebastian, the second you try to come after us, you're getting a one-way ticket to The Nine Circles of

Hell, motherfucker!

Eli: Now, let's get going and take those two pricks down.

Suddenly, Lincoln had a premonition: it turns out Sergio's sent out a gang of thugs to hurt Sam, Clover, Alex, and Brittney and kill them and their unborn girls.

Lincoln: Sergio, you little...!

Me: What's wrong, Lincoln?

Lincoln: It's not good, Sergio's sent out a gang of thugs to hurt Sam, Clover, Alex, and Brittney and kill them and their unborn girls.

WE GASPED!

Nico: That repulsive rat with wings! He and the gang he hired are going to pay for this!

Lincoln: I'll get everything ready after we take care of those two bastards and traitors to the United States. (Sensed Sebastian's dark energy) And if that wasn't enough, guess who's coming after us now?

Me: Sebastian. He's broken out.

Suddenly, the rest of the team arrived.

Ed Cowart: That he did.

Lori: We also heard what Lincoln said: looks like he got himself a one-way trip to The Nine Circles of Hell big time.

Lincoln: Yep. Well, he brought that on himself.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body

muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Preston and Priscilla) AHA! There you are, you fucking bastards! I just spotted Preston and Priscilla, they're 20 yards away, and Pacifica, Mabel, and Dipper are fighting them along with our special guest. Let's give them a hand. (Sensed Sergio's hired thugs and Sebastian) And I just spotted Sergio's thugs and Sebastian.

Nico: Let's tear them apart.

Me: Okay we'll use the Northwest mansion as our base of operations for this. I think it's perfect should we have missions or rescues here.

Nico: Good idea.

Laney: I agree.

Eli: Me too.

Skyla heard a Pokémon cry.

Skyla: Look.

We saw a Swanna.

Me: Ooh a Swanna and you have one of those Skyla.

Skyla: I sure do.

Swanna: Yeah and this place is beautiful.

Me: It sure is. Are you hungry?

Swanna: I sure am.

We gave her some food.

Skyla: Wanna come with me?

Swanna: I would be honored.

Me: Awesome.

Eli: Cool. (Senses something) Oh man! I sense a huge force coming!

We went outside and saw CELESTEELA!

Me: WHOA! Celesteela!

Nico: How'd that get here?

Lola: No idea but this is a big one.

Qin: Yeah.

Saffron Masala: (India Accent) I think I know this one.

Saffron used her telepathy and then gasped!

Saffron Masala: Oh man! Vindaloo Phaal! She's my sister

Me: Boy those are two of the spiciest curries ever made. My favorites.

Qin: Nice.

Me: Lets go!

Me and Saffron went to face her.

Saffron Masala: Vindaloo! It's me Saffron!

All she did was charge at her.

We dodged her.

Me: WHOA!

Saffron Masala: We got to stop her.

Me: I know.

Me and Saffron fired waves of energy and blasted her all over. We blasted her more. Then I snapped my fingers and she reverted back. She had black hair and had purple eyes and had orange angel wings and had Celesteela in the middle of her forehead and had a yellow version of Saffron's cutie mark on her arm. We wrapped her in a blanket and brought her over.

Me: (Sniffs) Wow I smell curry on her.

Nico: (Sniffs) Me too.

Me: Potent and cool.

She woke up.

Saffron Masala: Vindaloo? Vindaloo?

Vindaloo Phaal: (India Accent) Saffron? (Gasp) Saffron! You're here.

She hugged her.

Vindaloo Phaal: Where am I?

Me: You're in the Northwest Mansion in Gravity Falls, Oregon. You were turned into a Celesteela by Dark Gale.

Vindaloo Phaal: (GASP) I remember.

She was in a yellow suit and she was injected and then she turned into Celesteela and busted out.

FLASHBACK ENDS

Vindaloo Phaal: It was awful.

Me: I know. But we're killing all of Dark Gale even as we speak. We already destroyed 3 of their bases.

Nico: Yep.

Vindaloo Phaal: Thank goodness for that.

Me: Yeah.

Nico: Your role in Sonya's team?

Vindaloo Phaal: I am the curry chef of the team and I make everyone lunch.

Sonya: You should see all the kinds of curries she makes Nico. They are some of the most delicious ever.

Nico: Cool!

Vindaloo Phaal: Also I am the fire master of the team and burn my enemies with fire. Outside the team I am a chef that makes curries in a good restaurant.

Me: Wow that is cool.

Saffron Masala: I offered my sister a job at the Tasty Treat but she said she wanted to do things her way and she understood.

Nico: That is okay.

Mary Knudson: Your sister and your father had problems at the Tasty Treat in Canterlot and me, dad, Rarity and Pinkie Pie went there to help them out.

Me: It's true. That was fun.

Saffron Masala: And we are grateful to them.

Nico: Can we try some of your food later?

Vindaloo Phaal: I would be honored to share my food with you.

Me: Awesome.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her an amazing orange outfit and a flaming Marshmallow staff.

Vindaloo Phaal: I look amazing! And a flaming marshmallow staff?

Me: The Skylanders have weapons like that and it's awesome.

Spyro: He's right on that. We use practically all kinds of good weapons.

Vindaloo Phaal: I like it.

Me: Cool.

Nico: Lick that after we're done

Me: Nico you don't want to burn your tongue on that. It's permanently on fire.

Nico: Oh sorry. Now we got two scumbag monsters to take down. Pacifica, Dipper and Mabel have gone ahead to face them.

Me: Lets go.

We then took off into the air to help Pacifica, Mabel, and Dipper along with this special guest and take down Preston and Priscilla Northwest and send them to prison and kill Sergio's hired thugs and drive Sebastian back to his room A.K.A. The Pits of Darkness from where he crawled out of.

We were flying in the air, and there we saw Pacifica, Dipper, and Mabel, along with a girl with blonde hair, purple and blue eyes, blue and purple clothes, purple star angel wings, the symbol of the journal on her forehead, skirt, and right arm, and she has a Gravity Falls-themed Keyblade, and they're fighting against Preston and Priscilla Northwest.

Lincoln: There's Pacifica, our cousins, and our special guest: Lori Northwest, Keyblade Knight of Gravity Falls.

Me: Wait, that's our special guest, and she's a Keyblade Knight of Gravity Falls, wow!

Anna Anyanova: I knew it was her, and you guys are going to love her story, Lori Northwest, Keyblade Knight of Gravity Falls, is Lincoln's Guardian Angel from Gravity Falls and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and a powerful deadly force of nature. She's The Keyblade Knight of Gravity Falls and she's a very powerful master of magic and a very powerful and skilled warrior. Plus, she also comes from the evil Northwest family, and she loves her little sister, Pacifica. She's also known as The Black Sheep of the family and when she defended her sister from her parents, she was kicked out of the house. But, before she left, she vowed to one day return and destroy the evils of the Northwests forever and send her evil parents to prison forever and save her little sister from Hell. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of magic and she helped him bulk up in muscle faster than ever and he became an even more powerful and skilled warrior and an even more powerful master of magic. Lincoln made her an awesome necklace, and to show thanks, she kissed Lincoln on the lips, and as a result when Lincoln comes of age, he'll marry her along with the rest of his harem, and she absolutely hates all of Lincoln's enemies with a vengeance and vowed to kill them all and send them to the fires of Hell forever.

Nico: Dang. So, we're not the only ones who despised those two bastards.

Eli: We sure aren't.

Lincoln: Lori knew that her evil so-called parents had returned from The Black Gates thanks to Anti-Monitor breaching them, but he didn't put any Monitor Orbs in them because of how arrogant, snooty, and conceited they were. But, that ain't stopping us from trashing them.

Me: Probably because Anti-Monitor found them too snooty or repulsive. Not the words I would use to describe them but you know what I mean.

Lincoln fired blasts of magic and elemental forces from his massive white angel wings and nine other sets of large white angel wings underneath his massive white angel wings and they hit Preston and Priscilla Northwest, and they screeched with pure anger as we landed.

Me: I should've known you pieces of dog crap with the brain of a peanut would come crawling back here to get revenge, but we're well-prepared for you once again.

Nico: You've got some nerve crawling out of The Black Gates to attack your daughter once again, you piles of dog shit.

Qin: YEAH!

Lincoln: And Lori warned you that she would return and destroy you evil Northwests forever and send you both to prison forever and save her little sister from the living Hell you forced her into, and we're also here to help her out with that task as well.

Dipper: When we found out that you two came back, we immediately contacted Lori who came here as fast as she could.

Mabel: Now, you two are finally going to get what you deserve.

Pacifica: That's right, you two are going to prison forever since you two don't deserve to die once again, and I warned you: I am done being your miserable slave. You two were never good parents to me at all, you just abused me and beat me to slake your love for cruelty and pain, you two monsters and Sebastian are also perfect for each other: you're completely monstrous and evil to the core and none of you have any sort of redeeming qualities within you. You three should rot in Hell forever, you three are rotten good-for-nothing, cruel, remorseless, blackhearted, cold-blooded, sadistic monsters and have no place in society whatsoever!

WE GASPED AT WHAT PACIFICA SAID: SHE REALLY TOLD OFF THOSE SO-CALLED BASTARDS AND SHE EVEN TOLD OFF SEBASTIAN WHO WAS HIDING IN THE SHADOWS!

Eli: WHOA!

Me and Nico: Pacifica!

Xenia: Wow!

Dipper: I think you heard her right.

Dipper: (YELLS OUT LOUD) AND SEBASTIAN, GET YOUR BLOODSTAINED TWO-FACED MURDEROUS FLEA-BITTEN HIDE OUT HERE NOW SO WE CAN KICK YOUR BUTT!

Dipper's yell and Pacifica's telling off of her so-called parents and Sebastian pissed him off so bad, he came crawling out of the shadows, and he snarled and hissed at us with his snake tongue flaring out at us.

Lincoln: Nice yelling, cousin. So, you've come crawling out of your pit to hurt my pregnant future wives and kill our unborn baby girls, eh? I knew you were going to do so.

Preston: (To Sebastian) I'll pay you whatever money you want, get rid of those peasants!

Priscilla: Do it right now! Obey your superiors!

But, then...!

SLASH! SLASH!

SCREAMS OF AGONY!

SEBASTIAN SLASHED PRESTON'S LEFT EYE AND PRISCILLA'S RIGHT EYE OUT WITH HIS MASSIVE GREATSWORD AND HE HAD A CRUEL MALICIOUS GRIN ON HIS FACE AND HIS MIDNIGHT BLUE EYES TURNED BRIGHT RED AND THE SCLERA OF HIS EYES PERMANENTLY TURNED DARK RED: HE TURNED BACK TO WHAT HE WAS: A TOXIC UNFORGIVEABLE EXCUSE FOR A HUMAN BEING!

Me: WHAT THE FUCK!

Eli: OUCH!

Nico: Oh shit! Sebastian..., you didn't...!

Suddenly, Sebastian bended backwards and he was cackling insanely like a lunatic: he went berserk and scarred the Northwests and gave in to his toxic madness once again.

Lincoln: Well, looks like we got three bastards to take care of. And you hired thugs of Sergio better get out here right now, I can catch the smell of cheap booze in the air.

Suddenly, we saw a group of big muscular thugs come out: they were dressed in biker clothes and they are no doubt in league with Sergio.

Thug: The boss wants you and your pregnant wives dead, and that's exactly what's gonna happen.

Lincoln: Tell Sergio to jump off a cliff and buzz off! I'm not letting you hurt my pregnant wives, me, or my family ever!

Lincoln stabbed the tips of his tails that he turned into Cell's stingers into the chests of the thugs and he proceeded to absorb them and he grew stronger. When he was done and the stingers changed back, nothing was left of the thugs except for their clothes and then, he proceeded to pulverize our deranged friend Sebastian into the dirt, and he grabbed him by the collar of his shirt, and...!

BONES CRACKING! SCREAMS OF AGONIZING PAIN!

LINCOLN TURNED HIM INTO A HUMAN PRETZEL! OUCH! THEN, LINCOLN GRABBED SEBASTIAN'S TONGUE AND HE PULLED HIS INSIDES OUT AND HE TURNED HIM INTO AN INSIDE OUT HUMAN SAUSAGE! GROSS!

Eli: EW!

Me: GROSS!

Lori: LITERALLY GROSS! BUT, WELL DESERVED! NICE ONE, LITTLE BRO! (To Sebastian) HAH, SUCK ON THAT, TRASH!

Then, Lincoln wound his left fist back and clenched his left fist real tight, and then...!

Skippy the Bush Kangaroo went after Preston and Priscilla, and he fired extremely powerful blasts of red and yellow, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, kangaroos, phoenixes, and angels at the two bastards and they exploded with incredible power as they hit them. Then, he punched them hard with his gauntlets and kicked them with his graves and they got hit hard.

Then, Skippy balanced himself on his tail and he'd delivered a hard kick to Preston's pelvis area and shattered it and he fell to the ground in pain, and he delivered two good punches to Priscilla's face and messed it up good and he also messed up her make-up and she let out a screech of anger!

Dipper: Ooh! That's gonna leave a mark.

Mabel: Big time.

Pacifica: You got that right.

Lori Northwest: But, they deserved it, and I've got a few words to say to you two bastards, and I've been saving it for a very very long time!

Lincoln: OH NO! SHE'S GONNA USE A SEBASTIAN STYLE RANT ON THEM! HIT THE DIRT!

Suddenly, the skies turned dark and Lori Northwest had a really really angry glare in her eyes and she glared at Preston and Priscilla with fury and hatred, and she had a fiery red aura around her and it looked like it came straight out of Hell itself. Then, the show began!

Lori Northwest: I CAN'T BELIEVE YOU TWO GODDAMN PARASITIC INSECTS! NOT ONLY DID YOU MAKE MY LITTLE SISTER SUFFER ALL KINDS OF HELL THANKS TO THE ABUSE YOU SUBJECTED HER TO, BUT YOU TRIED TO MAKE HER YOUR OBEDIENT SLAVE AND PUPPET! FYI, DICKHEADS, SHE'S NOT A PUPPET, SHE'S A HUMAN BEING WHO DESERVES RESPECT!

Priscilla: She's not a human being, she's nothing more than property and a slave, and we can do whatever we want to her!

Lori Northwest: YOU SHUT YOUR GODDAMN MOUTH, YOU MISERABLE OLD HAG! (To Priscilla) YOU CAUSED MY SISTER NOTHING BUT PAIN WHEN YOU PUT A SEARING HOT PAN TO HER BACK AND YOU EVEN BURNED YOUR CIGARETTES ON HER ARMS AND BODY AND YOU HAD NO FUCKING REMORSE FOR THAT, YOU HAD A CRUEL SMILE ON YOUR UGLY CONTORTED FACE AND CRUELTY IN YOUR EYES! YOU NEVER LOVED YOUR KIDS AT ALL, YOU'RE JUST AN UGLY BLACKHEARTED VAIN MONSTROUS OLD HAG!

WHOA! CRUEL!

Lori Northwest: (To Preston) AND YOU'RE ALSO JUST AS BAD AS HER, YOU MISERABLE OLD MAN! YOU ALSO WHIPPED PACIFICA WITH YOUR BELT IN ORDER TO MAKE HER YOUR SLAVE WHO ONLY OBEYS YOUR COMMANDS AND I GOT SO SICK OF THAT, I WANTED NOTHING MORE THAN TO TAKE THAT BELT OF YOURS AND STRANGLE YOU WITH IT! BUT, UNLIKE YOU INHUMAN MONSTERS, I HAVE A LOT MORE HUMANITY THAN YOU TWO COMBINED!

Pacifica: WHOO! ALRIGHT, YOU TELL THEM, SIS! (FLIPS THE FINGER AT HER SO-CALLED PARENTS) AND SUCK ON THAT, ASSHOLES!

WE CHEERED!

Lincoln: It's not over yet, here comes the big finish!

Lori Northwest: I CAN'T BELIEVE THAT I'M RELATED TO YOU TWO! I WANT NOTHING TO DO WITH YOU TWO, AFTER EVERYTHING THAT YOU BOTH HAVE DONE TO PACIFICA, YOU CAN BOTH ROT IN HELL FOR ALL ETERNITY! YOUR RELATIVES ARE A PACK OF POLAR BEARS WHO SMELL LIKE ROTTEN CHEESE AND OUR ANCESTERS ARE AND ALWAYS WILL BE NOTHING MORE THAN ROTTEN SACKS OF SHIT WHO LOOK DOWN ON OTHERS AND REFUSE TO SHARE THEIR WEALTH TO THE PEOPLE AND ALWAYS ACT SO GODDAMN ARROGANT AND CONDESCENDING AND I HOPE THEY ALL SUFFER FOR ALL ETERNITY IN HELL!

Then, Lori Northwest fired a blast of magic at Preston and Priscilla and turned them into pigs, and when she showed them their new forms in the mirror, they screamed and squealed, and we were laughing our butts off!

Nico: (LAUGHING HYSTERICALLY) OKAY, THAT WAS SO AWESOME AND REALLY HILARIOUS!

We were amazed by the transformations of Dipper, Mabel, and Pacifica, but when Preston and Priscilla saw it along with Sebastian, they were furious, but before they could attack, Dipper, Mabel, and Pacifica fired massive energy and elemental blasts that hit the three of them, and that made Sebastian shriek in total anger.

Then, Lincoln pierced the necks of the Monster Northwests with two of his eleven massive and long brown wolf tails and he injected a serum that made their veins glow dark blue and they were changed back to normal.

Dipper: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Celestial Chaos Gravity Falls Firestorm Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Celestial Chaos Gravity Falls Firestorm Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I've had enough of you two always causing Pacifica enough harm for the last time.

Mabel: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Gravity Falls Magic Cosmic Star Storm Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Gravity Falls Magic Cosmic Star Storm Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This time, we're taking you two down for good.

Lori Northwest: But, not before Lincoln cures you and give you two a very lethal curse. (To Sebastian) And as for you, Toxic Depraved Bringer of Eternal Madness, you're going to get quite a thrashing from me for what you've tried to do just now along with all the crap you've done since your descent into madness nine years ago. You've gone from a young man who's willing to get back on the right track back into the toxic heartless evil bastard whom we'd despised, and now, you're going to pay for all of your crimes.

Priscilla and Preston Northwest: YOU MOTHERFUCKING BITCH!

UH OH!

Me, Nico, Lincoln, Eli, and Everyone: UH OH! NOW, YOU'VE GONE AND DONE IT!

Lori Northwest: Calling me a motherfucking bitch?! Hah, look who's fucking talking! And, of course, a "Motherfucking Bitch" was the only kind of person you couldn't handle. I remember all of the times you've called me so many horrible and disgusting names when I wouldn't obey your commands like a slave and instead, lashed out at you and pulverized you whenever you tried to also attack me like the filthy animals that you are. When Pacifica was born, you also did the same thing to her trying to turn her into your obedient slave, but all you did was seal your fate. You tried to poison your own daughter with your own hatred and turn her into a miniature version of yourself, and that made me sick to my own stomach. You tried to turn her into something that she's not, but into you two: homicidal and completely mentally unstable psychopaths and criminals who don't show any value towards friendship or comradery and wanted everything handed to you on a silver platter just like you two and all our damned ancestors did. You cheated in everything and you were also going against the United States when you founded your criminal empire. Isn't that right, and they say that you're leading the family to greatness. But, it turns out you two are just lost souls and pathetic bastards whose only love was committing crimes and you know it. You're not even in the same league in the kind of power that I possess, not even close. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power, you two are nothing compared to me and you two and our accursed family throughout the ages are nothing but a bunch of pathetic ants compared to it. The way you did all the deeds in the name of your desires to get rich and kill anyone who gets in the way of your empire and look down on everyone. It's downright fucking disgusting. As one of the most powerful fighters and warriors and champions in the universe, all I see when I look at you two are two fucked up miserable fuckweeds and heartless motherfucking psychotic abusive wretches, and on top of that, I fucking hate you above all others, you ruthless fuckkickers! What is it that you are hoping to accomplish? Abusing and hurting Pacifica, trying to mold her into you two, committing crimes all over the planet just to satisfy your lust for money, power, and destruction, murdering innocent people, looking down on people, pursuing petty and worthless desires like revenge, and above all betraying the United States. You Northwest Motherfuckers don't give a flying fuck about anyone except your pathetic goddamned motherfucking selves and that is why I cut off all ties with you long ago after you kicked me out for saving Pacifica from you bastards. You two and the Northwests before you are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why I turned my backs on all of you. YOU ALL FUCKING DISGUST ME!

WE CHEERED WILDLY AT WHAT LORI NORTHWEST SAID TO HER PARENTS!

Me and Nico: AW YEAH! TAKE THAT, ASSHOLES! (FLIPS BOTH MIDDLE FINGERS) AND FUCK YOU BOTH!

THAT MADE THE NORTHWESTS GASP IN HORROR AND THEY FAINTED! BUT, AS FOR SEBASTIAN, IT MADE HIM SUPER FURIOUS!

Sebastian Mendez: YOU! YOU MISERABLE LITTLE BITCH! YOU THINK YOU CAN GET AWAY WITH THIS AND ACT SO FUCKING SMUG! I'LL PUT YOU IN YOUR PLACE, YOU FUCKING WHORE! YOU AND THE REST OF YOU LOVY-DOVY WHORES OF THAT WHITE-HAIRED FREAK'S HAREM!

WE GASPED IN HORROR! BUT, WHEN LINCOLN HEARD IT, WE SAW HIS LEFT HAND CLENCH WITH ABSOLUTE FURY AND HIS GOLD-PLATED DRAGON CLAWS ON THE TIPS OF HIS FINGERS DREW BLOOD FROM HIS PALM, AND WHEN IT HIT THE GROUND, IT SIZZLED!

YOU JUST UNLEASHED PURE HELL ON YOUR HEAD ONCE AGAIN, YOU DELUSIONAL PSYCHOPATHIC BASTARD!

Lincoln: (Deathly calm voice) You little piece of trash...!

THEN, LINCOLN TELEPORTED AND KICKED SEBASTIAN HARD IN THE NECK!

Lincoln: TAKE THAT!

Sebastian Mendez: (SCREAMS)

Lincoln sent him flying into The Northwests and they crashed into each other and they crashed into a wall, they got back out, but now, they were beyond mad and completely crazy with revenge.

Because after we get through with you, you're gonna wish Nico killed you nine years ago, and don't think getting banished to The Black Abyss will work for you. We got a special kind of punishment meant for a bastard like you, Perpetual Enemy of The Guardian Angels of Lincoln Loud!

OUR JAWS DROPPED TO THE FLOOR!

CLANG!

ELI PUT OUR JAWS BACK!

Me: What the?! A punishment meant for Sebastian?!

Nico: My God! You sick twisted monster, you would dare to piss off Lincoln and his Guardian Angels like this?!

Lincoln: He's always done this for the past nine years even before and after you moved to Michigan, Nico, he never learned his lesson and he always does this: pissing us off to no end and causing chaos and mayhem wherever he went. Now, you know why my Guardian Angels wouldn't forgive a bastard like that.

Eman Reynolds: That's right, and about the talk of forgiving him after finding out Chase Young's Dark Side was responsible, consider that revoked for good. I've been waiting a long time to give that evil lunatic a painful thrashing, let's get him!

Just be glad we won't try to smash your heads in. But, not you, Sebastian, we're gonna enjoy smashing your head in for what you did and with what you said, Lincoln and his Guardian Angels are gonna enjoy trashing you for this.

Lincoln, Robin Hood, Rayman, Skippy the Bush Kangaroo, Dipper, Mabel, Pacifica, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Preston and Pacifica Northwest, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, blue, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Preston and Pacifica Northwest and they exploded with incredible power as they hit them.

Lincoln also fired an energy blast that trapped Sebastian in a barrier and kept him from trying to also attack us.

Then, we attacked Preston and Pacifica Northwest with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Dipper, Mabel, and Pacifica did the same by firing colored, white, golden yellow, and blue energy slashes from their gold-plated claws and greatswords, and Lincoln, Robin Hood, Rayman, Skippy the Bush Kangaroo, Dipper, Mabel, Pacifica, Crash Bandicoot, Nico, and I and all of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength and that made Preston and Pacifica Northwest even angrier than ever.

Suddenly, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and nine sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Preston and Pacifica Northwest, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird

Then, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Preston and Pacifica Northwest.

Me: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Ultimate Harmony Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Ultimate Harmony Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) After everything that you've done, you deserve no forgiveness for your crimes.

Then, Lincoln and I charged and smashed our rainbow energy infused left fists into the stomachs of Preston and Pacifica Northwest and a cluster of rainbow, white and blue heavenly flames exploded out behind them then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your freedom comes to an end.

Lincoln and I attacked them with two powerful energy slashes, and then...!

Lincoln and Me: NOW, DIE AND GO TO HELL!

Lincoln and I did one final powerful energy slash that hit Preston and Pacifica Northwest hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln and I landed and Preston and Pacifica Northwest were on their last legs and they were really really mangled.

Then, Lincoln fired a massive black energy ball with brown Eldritch writings around it and with eyes and writhing black tentacles around it, and it hit Preston and Priscilla Northwest, and then, their minds suddenly snapped when they heard the Eldritch chants and their sanity was destroyed, and then, they began seeing horrific visions of an ancient burial ground and other unspeakable horrors, and their sanity which was already destroyed crumbled even further, and then, the final stage of the curse is when they finally lay eyes upon Ghatanothoa himself, and then, their minds were utterly destroyed as their brains suffered horrific seizures and they were imprisoned in leathery cocoons and the sclera of their eyes are turned black with Eldritch writings embedded in the sclera and their eyes turned brown with blood tears running from their eyes.

Then, the cops came and threw them in the car and before the cops drove off, Lincoln, Nico, Eli, Lincoln's harem, and I gave them double middle fingers, but they were completely frozen and didn't react and the cars drove off.

Everyone: BURN IN HELL FOR EVERYTHING YOU'VE DONE, YOU PILES OF GARBAGE, AND MAY YOU THREE NEVER DARKEN GRAVITY FALLS AND YOUR DAUGHTERS' LIVES EVER AGAIN! THIS IS WHAT YOU GET, YOU DAMNED BASTARDS!

Everyone cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, accessories, large gold halos with four large orbiting gold rings on each corner behind the heads, eleven massive and long brown wolf tails, large twenty-five colored planets orbiting around the legs and twenty five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive brown and blonde angel wings and nine sets of large brown and blonde angel wings underneath his massive brown and blonde angel wings of Dipper, Mabel, and Pacifica are permanent.

Me: See you never, assholes. And Lincoln, was that a...?!

Lincoln: Yep, it's a brand-new Lovecraftian Curse.

Nicholette Torrington: And I'd recognize that curse from anywhere. That was THE DEMONIC CALL OF GHATANOTHOA - Lincoln fires a massive black energy ball with brown Eldritch writings around it and with eyes and writhing black tentacles around it, and when it hits abusive parents like Preston and Priscilla Northwest, and then, their minds suddenly snapped when they heard the Eldritch chants and their sanity was destroyed, and then, they began seeing horrific visions of an ancient burial ground and other unspeakable horrors, and their sanity which was already destroyed crumbled even further, and then, the final stage of the curse is when they finally lay eyes upon Ghatanothoa himself, and then, their minds were utterly destroyed as their brains suffered horrific seizures and they're then imprisoned in leathery cocoons and the sclera of their eyes are turned black with Eldritch writings embedded in the sclera and their eyes turned brown with blood tears running from their eyes.

OUR JAWS DROPPED TO THE FLOOR!

CLANG!

ELI CLOSED OUR JAWS!

Me and Nico: HOLY FUCKING CRAP!

Lincoln: Yep. This curse basically not only destroyed their minds and sanity, but it also imprisoned them inside those leathery cocoons for all eternity and never to be free again. Now, for one last piece of business.

Suddenly, Sebastian broke out, and he was really out for blood.

Sebastian Mendez: You! YOU!

Then, Sebastian had blood tears falling from his eyes and he was in pain, and then, he grabbed his massive greatsword and he slashed at himself and he let out an absolute scream of agonizing pain and we saw a black mist with Morgana Midnight Sparkle's face in it and then, it was destroyed, and Sebastian's blood poured out of his wound before the wound healed.

Me: WHAT THE?!

Lincoln: So, Morgana infected him.

Mina Midnight Sparkle: Figures my sister was behind this.

We sent Sebastian to the infirmary in critical condition.

Qin: Mina, your sister is an absolute monster! She's insane!

Mina Midnight Sparkle: Tell me about it.

Lincoln: She'll get her just desserts when the time comes. (To Lori Northwest) And it's so good to see you again, Lori.

Lori Northwest: You too, Lincoln.

Lincoln suddenly pinned Lori Northwest down to the floor and he leaned his head down to her right trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Then, Lincoln helped her up, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on her neck with purple gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Lori Northwest: Well, that's one way to say it's good to see you again. (Rubs Lincoln's massive pecs) I knew you were still the same gentleman, but to also find out you also have an animalistic side to you as well? (Seductive Voice) Damn.

Lincoln had an atomic red blush on his face and muzzle, and we snickered.

Lori Northwest: And I'm so glad my evil parents are going to prison forever, they deserve to rot there.

Lincoln: You said it, they're monsters and they weren't going to change at all, stuck up good-for-nothing snobs.

Lola: Those clods deserve to spend the remainder of their days in prison.

Nico: And that new Lovecraftian Curse you put on him, let me just say, is that one of the "non-lethal" of the Lovecraftian Curses?

Lincoln: Yep. It's one of the non-lethal of the curses since they're not worthy of death a third time.

Me: Well, they don't deserve to die again, they're gonna rot in prison forever.

Lincoln: Yep, and now that we took care of those criminal snobs, now we can take care of one final business: The Anothers.

Me: Right.

Nico: Now, you can restore the Northwest name

Lori Northwest: That is too true. Me and Pacifica are going to restore the true honor to the Northwest Name. We're going to bring it on the road to redemption. For too long we have poisoned it with darkness and evil. Now we're going to bring it back to where it truly belongs, in the light.

Me: That is the spirit!

We went back to the Northwest Mansion.

Lori Northwest: Never thought I'd say this but I missed this place.

Me: Yeah.

Nico: Yep. Nice job Swanna.

Swanna: Thanks Nico. It was fun.

Poromon: Want some beer?

Swanna: Sure!

Swanna was given some and she drank it down.

Swanna: Ahh. (Barney Gumble Belch)

Barney Gumble: Welcome to the party. (BELCH)

Swanna got drunk.

Poliwag: Sing the ABC's!

Swanna: (Belching) ABCDGHWMDJSKJSDNAJZJXMDMWW!

WE LAUGHED HYSTERICALLY!

Nico: Oh, Cloud Man, what do you like to do in your free time?

Cloud Man: I am a meteorology robot and help monitor the weather.

Nico: Cool!

Cloud Man: It's good money too.

Me: Yep.

I snapped Swanna back to normal.

Xenia: Awesome.

Indiana Jones: (to the mascots) I might need your help later.

Poromon: Oh boy! We'll gladly help.

Poliwag: Yeah!

Me: Sweet and Connie me and Whirlwind will go with you to kill Terrance.

Connie Greya: Thank you.

Nico: Now, before we do the Anothers, how about giving us a sample of your food?

Vindaloo Phaal: Sure.

She went and got cooking and we were given many kinds of her curry.

Me: (Eating her curry) Wow! (Fire Aura flares up) Delicious!

Nico: (Eating) Wow! So good!

We ate 50 bowls of it.

Me: Ahh! (BURPS) Oh pardon.

Rainbow Dash: That was so good!

Penny: (LOUD BELCH) I'm full.

Qin: It was good.

Maria: NOW we can do the Anothers.

Nico: Who ARE said Anothers anyway?

Eli: They are Another Soldier Stonekong, Mallow, Savage French Chefs (Ren & Stimpy), Sonja (Family Guy), The Killer (Total Drama), Dr. Diaper and Taco the Toucan.

Me: WHOA!

Mallow: Another me!? Whoa this is gonna be interesting.

Me: Yep.

Eli: I sense that the anothers minus Mallow and Soldier Stonekong are6 people.

Me: Wow!

Nico: So Cloud Man, Flint Lockwood, Sam Sparks, Tim Lockwood, Brent and Manny are up.

Me: Yep.

We went outside.

But then...

BONK!

I got hit by a loaf of French Bread!

Me: OUCH! Ooh a French Baguette.

I ate it!

Me: Mmm!

Laney: Okay who did that!?

Nico: There they are!

We saw Another Savage French Chefs (Ren & Stimpy), Sonja (Family Guy), The Killer (Total Drama), Dr. Diaper and Taco the Toucan.

Nico: Whoa!

Qin: This will be fun.

Another Savage French Chefs: (In a girls voice) It sure will.

They reverted back and were the gene-slammers of Maryokutai, Hino-Kagu-Tsuchi, Fushi No Tori, Yamata Dragon, Mavelus and Susa Soldier.

Nico: (GASP) Hailey Kagu Tsuchi, Yulia Yamata-No-Orochi, Fiona Fushita, Marlia Mavelus, Qin Yan Maryokutai and Susan Susa!

Me: Whoa the gene-slammers of Maryokutai, Hino-Kagu-Tsuchi, Fushi No Tori, Yamata Dragon, Mavelus and Susa Soldier!

Susan Susa: That's right.

Me: Wow! Those we the spirit Duel Monsters.

Lola: Named after some of the most amazing figures of legend in Japan.

Camie: Yeah!

Marlia Mavelus: That's right and it's amazing.

Me: It sure is. Awesome to meet you girls. By the way is the Another Mallow and Soldier Stonekong friendly or hostile?

Yulia Yamata-No-Orochi: (Japanese Accent) Friendly and Hostile.

The Another Mallow is actually neutral.

Me: Oh boy.

Nico: We truly are sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

I went over to Sam and the girls.

Me: How are you girls feeling?

Sam Simpson: Heavy. But we'll make it.

Clover: It's gonna be so awesome being mothers.

Alex: Yeah it sure is.

Me: Well if you all need any help you let us know.

Brittney: We will J.D.

Me: Good

Nico: I wonder who Another Mallow is.

Me: We'll find out soon.

Qin: Yeah.

Nico: Now we know she's neutral

Me: Yep. Oh look!

Then out came Another Soldier Stonekong and Mallow!

Nico: There they are.

Qin: Cool!

Another Soldier Stonekong: (In a girls Voice) (Scottish Accent) Looks like the fun started now.

Nico and the Loud Kids: (GASP) That voice!

She reverted back and was the gene-slammer of DANGER! NESSIE!

Nico: Siobhan Wallace!

Siobhan Wallace: Aye good to see you again Nico and you too Lincoln and the Louds lads.

Lincoln: Same here Siobhan! Good to see you again.

Me: Awesome to meet you. How do you know Lincoln and his family?

Siobhan Wallace: I went and visited the Louds from time to time to help them in their journeys away from the team also I am the mortal enemy of Morag now.

Me: WHOA!

Siobhan Wallace: I have been fighting her from time to time now. Anti-Monitor brought her back.

WE GASPED!

Me: That big-assed bitch!

Nico: YEAH!

Siobhan Wallace: Aye. She was a stain on the Scottish Highlands lads.

Me: That is for sure! Especially on what she tried to do with Team Dark Phoenix Storm!

Siobhan Wallace: Aye! I swear on the power of my ancestors that I will make sure she pays!

Nico: Siobhan is descended from legendary Scottish Warrior, Sir William Wallace.

Me: Whoa! He was a great hero during the Scottish War of Independence back during the 13th Century.

Siobhan Wallace: Aye. And he is a great power of our history lad.

Me: Yeah and he was a brave and powerful warrior that fought against the English back then.

Nico: Yep.

Me: And you're also the gene-slammer of DANGER! Nessie! Which is fitting for you because of your Scottish Origin and Ancestry.

Siobhan Wallace: Aye. And it's fitting for me too being Another Soldier Stonekong because of that too.

Soldier Stonekong: That is too cool!

Me: I'll say.

Nico: And your friend?

Another Mallow: Someone Mallow knows.

Mallow: (GASP) That voice.

She reverted back and was a younger version of Mallow.

Mallow: (GASP) Aloe! Alola!

Aloe: Alola sister its been a while.

Me: I take it you two know each other?

Mallow: Aloe is my little sister. She wanted to be a good cook like me but I was always better than her in that.

Me: It's a pleasure to meet you Aloe.

Aloe: Same here J.D. But I was jealous of my sister because my cooking was terrible.

Me: It's okay Aloe. You can be a great cook with Mallow. Mary can help you with that.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Siobhan Wallace: Aye he did lad but I countered his offer by slashing off his wee arm and leg.

Me: WHOA! That must've hurt.

Sakura Knudson: That explains the reason I found him mutilated and dismembered that day and blood splattered all over the plae.

Me: YUCK! Too bad that didn't kill him.

Siobhan Wallace: It should have been enough to kill him now.

Me: That is for sure. But he should never underestimate the warrior spirit.

Siobhan Wallace: Aye. We used that time to run out of there too lad.

Me: Nice.

Kaito and Zocks: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Lincoln: Lets separate you girls first.

We did so.

Me: Lets get them!

Nico: (gets out Soldier Stonekong's Ridewatch) Feel the power of the stone!

May: (Gets out Sonja's ridewatch) This bitch means business!

Maria: (Gets out Dr. Diaper's ridewatch) Time for some poo power!

Flint Lockwood: (Gets out Savage French Chefs Ridewatch) Oui oui pain!

They used the powers of Soldier Stonekong, Savage French Chefs (Ren & Stimpy), Sonja (Family Guy), The Killer (Total Drama), Dr. Diaper and Taco the Toucan and blasted the Anothers.

Siobhan Wallace: BASTARD! (ROARS!

She ran at the Another Stonekong and slashed him and then...

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

HE EXPLODED! I caught the Ridewatch and purified it!

Me: WHOA! She has that Scottish Strength and power like her Ancestor! No doubt about it!

Nico: Yep.

Then Firekat, Lava Lord, Molten Man-Thing, Tito Turtle, The Brittles, and Moanica D'Kay came! So did Phillipe Mouten.

Me: WHOA!

Nico: WOW! Nice team Firekat.

Firekat: Thanks Nico!

Me: Lava Lord! One of Aquaman's enemies.

Aquaman: Been a while.

Lava Lord: It has been a while.

Me: Phillipe Mouten! My god you look really scary made of pure lava!

Phillipe Mouten: (French Accent) Oui but it makes me one with ze volcano.

Me: It sure does.

Phillipe Mouten: I'm looking for an archenemy.

Me: We'll find one.

Horsea: Count on it!

Nico: Yeah!

?: That is for sure!

Junomon came!

Me: Whoa! Junomon!

Nico: Awesome!

Junomon: It sure is.

Nico: Jianna Jupiter Juno! Wow!

She reverted back and was a girl with green hair, blue eyes and had green clothes and had green angel wings and had the symbol of Juno in the middle of her forehead and had Junomon on her shirt and skirt and had a lightning sword in her hand.

Jianna Jupiter Juno: Awesome to see you again Nico. I got this. (ECHOING) GRACEFUL LANCE!

She fired a wave of lightning from her sword and it hit Another Mallow and blasted her and I caught the ridewatch and purified it.

Me: Oh yeah!

Nico: Nice job!

Jianna Jupiter Juno: Thanks Nico.

Me: And I guess that makes you the daughter of Juno.

Jianna Jupiter Juno: That's right and it's awesome.

Me: Yep.

Flint Lockwood: Do you have any good memories of Nico?

Jianna Jupiter Juno: I sure do. When me and Nico went into the Underworld and battled numerous demons and souls running around.

Nico: That was fun.

Camie: Wow!

Me: That is awesome

Nico and Jianna hugged.

Nico: I've missed you.

Jianna Jupiter Juno: Same here.

We later went back home. The Northwest's were back in prison where they belong and Lori and Pacifica vowed to make sure the Northwest name is redeemed.

Now, Caleb's heard the latest intel: apparently Rocco's also been trying to smuggle illegal weapons to Dark Gale and make money, and when Caleb Maxwell heard it, that pissed him off and he also alerted The Big Claw Gang. We're heading down to Little Italy and we're gonna make the streets run red with the blood of The Romano Family.

Lincoln: Ah, we're here in Little Italy, New York, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're going to destroy The Romano Family along with its head, Rocco Romano.

Cage Blunt: The Romano Family's done for, and as for what happened with telling The Big Claw Gang about it this morning, you really threw open The Gates of Hell, Caleb. I wouldn't be surprised if they aren't already going on the rampage and busting the heads of Rocco Romano's goons open.

Jack Howard: Knowing Panther and Shroud, they're bound to do just that, same with the others.

Roxy Drake: You really unleashed Hell when you told them this morning, Caleb.

Tyler Maxwell: Honestly, if I was still at home, I'd have told you to watch your temper, Caleb.

Allie Maxwell: Caleb tried to keep his anger in check for years, and it wasn't funny.

James Blunt: Take it from me, I'd seen how angry your older brother got, and it was pretty ugly when he lost it.

Caleb Maxwell: Yeah, it wasn't pretty. But, what are we going to do with Morgana, she's not going to stop. I know we have powers same with Sebastian, but because of what Chase Young's Dark Side did to him all those years ago, it made him easily vulnerable to be turned evil, it's like he's a magnet for all things evil!

Nico: That's going a bit too far, but I agree, Caleb. Only problem is, how do we create a barrier that powerful to block all of Morgana's dark magic attacks, and also, keep The Kanker Sisters out.

Lincoln: (GASPS) I've got just the thing.

Lincoln chanted an Enochian Incantation, and a golden yellow shield with gold yellow Enochian runes appeared around the TLPS Flying City Fortress, and it had an heavenly aura surrounding it and it was keeping out all the dark magic of Morgana Midnight Sparkle and it also kept out The Kankers.

Selene Arcangela: That's perfect, now not only is it keeping out any of Morgana's dark magic attacks to try and corrupt Sebastian again, but it's also going to keep those stupid Kankers out.

Cloud Man: That'll teach them. So, where in Little Italy would Rocco Romano be at?

Suddenly, we heard gunshots in the air.

Caleb Maxwell: I know exactly where he's at, and it sounds like Max has already started the fun without us.

Allie Maxwell: Ugh, figures.

We immediately high-tailed it and met with The Big Claw Gang who'd taken cover and Caleb went to Claw Dane Drake.

Caleb Maxwell: Dane, what happened?

Claw Dane Drake: Before you ask, this was the doing of one of Rocco Romano's braindead thugs. He found out we were here and they started shooting.

Patch: He's right, Max didn't shoot at them.

Mad Cat Max: I wanted to, but Rocco beat me to it.

Caleb Maxwell: That goddamn wiseguy! Fine, if he wants to play rough, then, he's left me no choice but to give him Hell.

Lincoln: Actually, leave this one to me, Caleb. It's my turn to give these guys a taste of their own medicine.

Lincoln unholstered his massive greatsword from his back, and as he swung it, he fired a massive and powerful shower of blades of light that skewered Rocco Romano's thugs and they were killed almost in a split second and the streets and sidewalks were covered with their spilled blood.

Eli: Yeesh!

Mad Cat Max: Well, Caleb did say the streets were going to run red with Romano blood.

Caleb Maxwell: Let's get after that piece of shit before he tries to flee.

Suddenly, we saw a witch flying in the skies and it left a wave of magic across the skies, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair, purple eyes, massive black angel wings, long long-sleeved black coat with a witch on it and on her forehead, white dress shirt, white cravat, white gloves, purple skirt, black gothic lace stockings, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, magic, darkness, witches, demons, phoenixes, and angels on the coattails, and on the back is the Witch, The Knightmare Duel Monsters, and the symbol of The Umbra Witches and The Infernal Demons, she has a darkness greatsword in her right hand and the Love is Blue pistols holstered on her hips, and with her are the five girls.

Lincoln: (GASPS) Amara De Rose, Avatar of The Witch and Fusion Gene-Slammer of The Knightmare Duel Monsters and Avatar of The Umbra Witches and Infernal Demons.

Amara De Rose: That's right, and I got the girls away from Rocco Romano, but he and the remnants of his gang are trying to escape.

Caleb Maxwell: Not on my watch.

We ran immediately, and then, we saw our main target: Rocco Romano, and he and the remnants of his gang were trying to escape Little Italy, but then, Lincoln erected a blessed barrier and kept them from trying to escape.

Rocco Romano: (Italian Accent) Shit! Who did this?!

?: Who do you think, asshole?

Rocco Romano turned around, and he saw Caleb Maxwell along with all of us as well.

Rocco Romano: (Italian Accent) Crap, Caleb Maxwell, The NYPD, The Big Claw Gang, and Team Loud Phoenix Storm?! Just when we were about to escape!

Lincoln: You seriously thought you were going to escape? I'm afraid that's impossible, the angelic seal I put up cannot be broken, and it'll stay there until we take you all down.

Rocco Romano: (Italian Accent) I'm not going down easy! GET THEM!

Rocco Romano's men came after us, pathetic.

Carter Kenrick: Seriously?! Ugh, you're lucky Dad and the rest of my family didn't find out about this because if they did, they'd have your brains blown out of your skull.

Skippy the Bush Kangaroo went after Rocco Romano's men, and he fired extremely powerful blasts of red and yellow, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, kangaroos, phoenixes, and angels at the thugs and they exploded with incredible power as they hit them. Then, he punched them hard with his gauntlets and kicked them with his graves and they got hit hard.

Then, Skippy balanced himself on his tail and delivered a hard kick to their pelvis area and shattered them and they fell to the ground in pain. Now, all that's left is Rocco Romano, and he was panicking.

Lincoln: It appears you're all alone, now you have no one left to help you, Rocco Romano. Your father despised your actions in life and he still does after he died and entered into Heaven, and now, your sins have finally caught up to you, now you shall pay for your sins. (HOWLS)

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Rocco Romano, and he proceeded to brutally smash him right into the ground with his massive superhuman strength, slashed him with his gold-armored dragon claws and greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON HIM! HE WAS REALLY GOING APESHIT ON THEIR MISERABLE HIDES!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SQUELCH! AGONIZING SCREAM!

LINCOLN ALSO GAVE HIM A SEVERE CASTRATION AS HE SLASHED OFF ROCCO ROMANO'S CROTCH WITH HIS MASSIVE GREATSWORD AND FIRED A BLAST OF HEAVENLY LIGHT THAT CAUTERIZED THE WOUND, BUT THAT MADE ROCCO ROMANO SCREAM EVEN MORE IN PAIN!

May: OH! AND HE ALSO RESORTED TO THAT! EUGH!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL! NASTY CASTRATION!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going apeshit on you!

James Blunt: That's only a fraction of what's going to be awaiting you after you die.

We saw Rocco Romano shaking with rage, and he was a mess:

Lincoln tore some of his hair off and he left claw marks on his face and clothes.

Rocco Romano: YOU! YOU EXPECT ME TO BEG FOR MERCY LIKE A DOG?! HUH?! SCREW YOU! FUCK YOU!

Lincoln: You do not deserve mercy whatsoever for your crimes, Rocco Romano. You murdered so many innocent people and you showed no remorse for your sins, and what you did in breaking the commandment of thou shalt not kill, you've doomed your soul to eternal damnation and no atonement for your sins in the past can save you from the fate that now befalls you: eternal damnation in The Black Abyss.

LINCOLN SHOT HIM AN EXTREMELY DEATHLY GLARE AND THAT MADE ROCCO ROMANO AND HIS THUGS SO SCARED, THEY SCREAMED IN FRIGHT!

Rocco Romano and his crime family: (BLOODCURDLING SCREAMS)

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, HE REALLY DID IT, HE TRIED TO BEG FOR MERCY, BUT LINCOLN SHOT THEM DOWN WITH THE FACT THEY BROKE THE COMMANDMENT OF THOU SHALT NOT KILL AND THE TELLING THEM OF THEIR FATE ALONG WITH A DEATHLY GLARE AT THEM TOO!

Eli: They are done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKERS, YOU MESSED WITH THE WRONG HEROES AND THE WRONG PLANET, YOU JUST BOUGHT YOURSELVES A ONE-WAY TRAIN RIDE TO THE NINE CIRCLES OF HELL!", "TAKE THAT, YOU ASSHOLES!", "YOU DESERVED TO GET BEATEN DOWN BY LINCOLN! HAVE FUN IN THE BLACK ABYSS, YOU MISERABLE FUCKS!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending explicit condemnation and threats to those thugs.

We saw the public condemnation, and it was really explicit!

Me: Wow.

Nico: Man, they really are going all out to say those kinds of explicit threats to those bastards.

Luna: And what Lincoln said was true, now they're really doomed.

Me: When eternal damnation is proclaimed to those facing judgement for their sins, there's no escape from their judgement.

Then, Lincoln approached Rocco Romano who was writhing in pain.

Lincoln: You're now writhing in agony and pain, and you're not going to last for long, same with your men. Now, to put you out of your misery.

Lincoln grabbed Rocco Romano by the neck with his left hand, and his deep sapphire blue eyes glowed and we saw Rocco Romano's eyes glow white as Lincoln sucked out the thug's soul which killed him, and then, he also did the same to the remaining members of The Romano Family as he also sucked out their souls and ended their lives, and Lincoln's counterparts judged them and he found them guilty and Lincoln drained the souls dry of energy and sent them to The Black Abyss. We cheered as we holstered our weapons and powered down, and we headed back into The TLPS Flying City Fortress.

Lincoln: Rest in The Black Abyss forever, Rocco Romano.

Caleb Maxwell: Mr. Romano, it's over, Rocco and his gang are gone. Now, you can rest in peace.

Me: Wait, what did you mean? Is Mr. Romano still...?

Caleb Maxwell: No, Mr. Romano died at the age of 78 when I was still in high school. I came over to his house and paid my last respects to him, but before he died, he made me promise I'd take Rocco down for good. Back then, I didn't want to kill anyone and he also realized it as well despite his son was extremely evil, but after my death and realizing what kind of bloodthirsty person Rocco was and realizing he's just as bad as Drake, I would honor Mr. Romano with this one act.

Carter Kenrick: He'd be proud of you for doing so, you helped him rest in peace by taking his son down forever.

Lincoln: Even if it meant spilling blood, but we finally did it: we stopped The Romano Family, but I don't think this is the last time. We'll need to keep an eye on New York's gangs for any Dark Gale trouble in the coming days. (To Amara De Rose) And it's so good to see you again, Amara.

Amara De Rose: You too, Lincoln, it's been seven years since we last met.

Suddenly, Amara De Rose had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Amara De Rose was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Amara De Rose: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Amara De Rose and hugged her, and Amara De Rose is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Amara De Rose: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Amara De Rose, Avatar of The Witch and Fusion Gene-Slammer of The Knightmare Duel Monsters and Avatar of The Umbra Witches and Infernal Demons, she's Lincoln's Guardian Angel and the older sister of Morgana De Rose, and she's known as The Dark Umbra Witch Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Amara De Rose is a powerful master of the powers of darkness, The Dark Arts, Witchcraft, the powers of The Knightmare Duel Monsters, The Umbra Witches, and The Infernal

Demons, and she's also known for her mastery over darkness, The Dark Arts, Witchcraft, and The Infernal Demons. She lived during an age of darkness and she was said to be born in Europe many centuries ago, and over time, as she grew, she gained all of the incredible strengths and powers of the Witches, Umbra Witches, and Infernal Demons along with immortality and she also mastered the powers of the darkness, Witchcraft, The Dark Arts, and The Infernal Demons, and she'd fought against the most despicable humans and the Angels of Paradiso and she sent The Infernal Demons to devour their souls, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness, The Dark Arts, Witchcraft, the powers of The Knightmare Duel Monsters, The Umbra Witches, and The Infernal Demons, and he also gained all of the incredible strengths and powers of The Witch, The Knightmare Duel Monsters, The Umbra Witches, and The Infernal Demons, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Witches, Knightmare Duel Monsters, Umbra Witches, Infernal Demons and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Amara kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, she would send The Infernal Demons after them to devour them.

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: Same here.

Lincoln: And no one dared to mess with her, she'll give you Hell, and now that you're here, Amara.

Lincoln with his massive muscular arms still wrapped around Amara De Rose's waist leaned his head down first to the right side of Amara De Rose's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Amara De Rose: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Amara De Rose with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Amara De Rose: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Amara De Rose.

Amara De Rose had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Amara De Rose's waist, and he leaned down to her face and kissed her on the lips, and with Amara De Rose's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Laura Leprechaun had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Amara De Rose: (In Heaven) My God. Oh, Lincoln, the five girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the five girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The five girls are Hatsune Minakami, Kaede Homuragi, Miri Tsuchioka, and Ryouko Nishikaze from Warikiri Kousai ~Deatta Onna to Yari Makure~ and Reika from Dead or Alive.

Lincoln: Oh whoa, it's Hatsune Minakami, Kaede Homuragi, Miri Tsuchioka, and Ryouko Nishikaze from Warikiri Kousai ~Deatta Onna to Yari Makure~ and Reika from Dead or Alive.

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really sexy and voluptuous.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Hatsune Minakami: Yes, we're okay, thanks to you.

Then, when Hatsune Minakami and the other four girls saw who it was that saved them from Rocco Romano and the Romano Family, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and ten-pack abs, sturdy tan muzzle, long wild white hair going to the length of his shoulders with orange streaks and colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large brown wolf ears with rainbow markings on top of his head with large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. Maria: Alright, guys, come on out.

We then came out, and we told everyone of what happened.

Maria: Whoa, that was one awesome rescue. But, this isn't the last time the gangs of New York are going to cause us trouble, especially if it involves Dark Gale.

Lincoln: I have a feeling I'm gonna find out about the next gang in my dreams. But, that's when Caleb will provide the info on them.

Nico: That's for sure, he knows about the gangs thanks to his training at the police academy while he was attending NYU.

Me: And he also has a massive network of informants on the streets all over New York, and they also provide him with additional info on them.

Captain Whitten: His network of informants was that great, and they were loyal only to him which was a bit of a downward blow for most of us.

Jack Howard: Namely me and Roxy.

Roxy Drake: It was like our pride took a hit. Thanks a lot, Caleb.

Allie Maxwell: Hey, don't get bent out of shape, Roxy. You and Jack still have your informants.

Marlene Maxwell: True, but your brother's network of informants literally outclassed the informants of The NYPD, same with Cage since he has connections in the vampires.

Cage Blunt: Yep.

Casey Antonio: We had no idea of the informants you had though.

Carter Kenrick: Only for us to find out your informants are also vampires. I'm surprised the council hadn't found out about it.

Suddenly, Carter Kenrick looked at the elders and they had a look saying they knew about it.

Carter Kenrick: Don't tell me...

Vampire Elder: We already knew about it, but Cage is doing good at your precinct and he also didn't want anyone else to suffer the same fate as Caleb eight years ago, so he proved to be a great asset to your precinct, and it was all thanks to your fellow officer, Jack Howard. If anything, Carter Kenrick, Cage Blunt had already set himself on a new path.

Marcus Mackenzie: And seeing Caleb returned to life and back to he once was in his childhood also helped out greatly.

Nico: What was Caleb's childhood like?

Timothy Maddock: (British Accent) He had a happy childhood back then since I first visited him when he was three years old, but then, as he got into his teen years, that was when Drake turned into the monster you all saw him as.

Tucker Williams: And right from there, that was when his downward spiral into depression began and it would culminate in The Hallowshade Bloodbath in 1985 along with his death.

Denver: It was Drake's fault from the beginning, he deserved to die, if anything, someone should've killed him back then!

Victor Bristow: (German Accent) Normally, that would've been true, but the evil didn't take hold until Drake was also in his teen years.

Caleb Maxwell: That very evil was the very thing I fell victim to: the violence, the abuse, the cruelty, the malice, the utter toxicity, the hatred, and darkness. It's unthinkable my dad's scumbag relatives could truly be capable of that, but they're gone forever and for the first time in years, my family can finally live in peace without the threat of that very evil coming back.

Me: That's for sure.

After Lincoln and all of us destroyed Rocco Romano and The Romano Crime Family and sent them to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Amara De Rose saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with

900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Amara De Rose: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Amara, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Amara De Rose: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Amara De Rose: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Sam Simpson: I'm still stunned that Elise Elexton had the nerve to reach out to the gangs in New York to get weapons, that's horrible.

Me: Ever since we dismantled her original crime network fourteen years ago, she's tried to rebuild it with new connections. And how are you girls holding up?

We saw that Sam, Clover, Alex, and Brittney's bellies were really big.

Clover: We're holding on, but we know it's only a matter of time.

Alex: Yep.

Brittney: Only a matter of time before we go into labor.

Lincoln: The second that happens, we're immediately heading for the hospital, girls, and I'll brace myself for the incoming labor pains.

Nico: (GULPS)

Suddenly, the girls went to get a glass of water when...!

FOUR SCREAMS!

We immediately put down the weights and saw water coming down from the girls!

Lincoln: (GASPS) GIRLS! IT'S TIME!

Alex: (SCREAMS) Get us to the hospital, hurry!

Lincoln: Right! EVERYONE, MOVE! MOVE! MOVE!

We immediately got sprayed with water and soap and we rushed immediately to the hospital and we were waiting outside while Lincoln, Sam, Clover, Alex, and Brittney along with the girls' moms outside with us as well.

Sam, Clover, Alex, and Brittney: (SCREAMS) LINCOLN LANDON LOUD, THIS IS ALL YOUR FAULT! IF YOU SO MUCH AS GET US PREGNANT AGAIN, WE'RE CUTTING YOUR CROTCH OFF AND SHOVING IT SO FAR DOWN J.D.'S STOMACH, YOU'LL BE PEEING BUCKETS OF BLOOD DOWN THERE!

WE GASPED AT THE HORRENDOUS THREATENING LABOR PAIN AND MY FACE TURNED THAT PALE, I FAINTED TO THE FLOOR IN HORROR!

FWOMP!

Nico: Damn...!

Gabrielle: Yikes. I knew labor pains were bad, but I never figured they'd result in a threat like that!

Stella: Same here.

Carmen: Lincoln did brace himself for that.

Stella: Let me get J.D. up.

Stella got out some smelling salts, and I woke up and got up off the floor.

Me: Thanks.

Eli: I can't believe that threat they made caused you to faint to the floor.

Me: I knew it was just labor pains, but it was still that real!

Varie: (Hugs me) It's alright, J.D.

Nico: She's right, it was just the labor pains talking, no need to worry.

Then, Lincoln came out with him pushing the wheelchair with Sam in it, and he had three clones of himself pushing the wheelchairs of Clover, Alex, and Brittney, and Sam, Clover, Alex, and Brittney each had a baby girl in their hands: Sam and Lincoln's baby girl has her mom's orange hair with white streaks from her dad and her mom's green eyes, Clover and Lincoln's baby girl has her dad's white hair with blond streaks from her mom and a mixture of her mom's crystal blue eyes and her dad's deep sapphire blue eyes, Alex and Lincoln's baby girl has her mom's black hair with white streaks from her dad and her dad's deep sapphire blue eyes, and Brittney and Lincoln's baby girl has her mom's black hair with white streaks from her dad and her mom's blue eyes.

Gabrielle: (GASPS) Oh, girls, they're beautiful.

Sam Simpson: Thanks, Mom. We'd decided on the names of our baby girls. The one in my arms is Sophia.

Clover: The one in my arms is Evelyn.

Alex: The one in my arms is Isabella.

Brittney: And the girl in my arms is Emily.

Stella: Aw. That's so cute.

Me: They are so adorable.

Nico: Congratulations girls.

Qin: We're so happy for you.

Carmen: We're so getting pictures of the girls, this is so precious.

Lincoln: Thanks. Say, Nico, how's Sebastian?

Nico: (Sighs) He's slowly recovering, but he's still in critical condition, but what he did to himself, that was really brutal. Morgana's not getting away with this.

Mina Midnight Sparkle: But, it exposed the fact that Sebastian's easily vulnerable to falling back into darkness, Chase Young's Dark Side did this to him, and the damage has been done to him.

Qin: Is there any way to even fix it like getting rid of Chase Young's Dark Side once and for all?

Nicholette Torrington: Even that is impossible, we may get rid of Chase Young's Dark Side in the near future, but even that wouldn't be enough to fix Sebastian's state nor his reputation which'd fallen into complete disrepair and darkness.

Nico: In other words, he's now completely broken on the inside and out, and any chances for him to redeem himself...

Lincoln: Are unfortunately gone forever. I'm sorry, Nico.

Me: Damn that Dark Side of Chase Young, I swear he is going to pay for this!

Lincoln: I would've wound up in that same state as Sebastian: broken mentally and physically if my Guardian Angels hadn't come to save me. Let me be the one to end him forever, J.D., he not only caused a lot of people to suffer for over 1,500 years, but he personally tried to destroy my life and my family, there is no way I'm letting a filthy animal like him live, he is going to pay for what he did.

Me: Alright. You got a deal, Lincoln.

We then got home, and Sam, Clover, Alex, and Brittney were resting and Lincoln put the alarm on silent, and we continued to work out.

Lincoln: I'm so glad that Sam, Clover, Alex, and Brittney have given birth to our baby girls, and we'd also taught Preston and Priscilla a lesson, those two had thoughts of killing them and Sebastian who was poisoned by Morgana made their thoughts even worse.

?: That proved how poisonous his darkness truly was.

?: But, Morgana made him into that monster once again.

?: And we can't forgive Chase Young's Dark Side for what he did.

Suddenly, we saw three girls appear: the first girl has short red hair, red eyes, the mark of Brightburn on her forehead and skirt, red angel wings, black and red clothes, and she has The Bond of Flame Keyblade in her hand, the second girl has neon blue long hair, blue eyes, a lightning bolt on her forehead and sleeveless blue crop top, blue clothes, blue lightning angel wings, and a Lightning-themed Keyblade in hand, and the third girl has long braided red hair with red fox ears on top of her head, red eyes, orange and red angel wings, nine massive and long white fox tails with red tips, Nine-Tailed Fox on her forehead, skirt, and crop top, and red clothes.

Lincoln: (GASPS) Brenda Breyer, Keyblade Knight of Thalios, Farah Fulmas, Keyblade Knight of Fulmas, and Natsumi Kitsune, Avatar of The Kitsunes and Gene-Slammer of Nine-Tailed Fox.

Me: Whoa, a Keyblade Knight of Amperi's planet, Fulmas, shocking. And (GASPS) A Keyblade Knight of the planet of...!

Nico: The Thalionians. But, you, you're one of pure good like...!

Helen James: Like me. Awesome.

Me: And the third one is not only the Avatar of The Kitsunes, but also, the Gene-Slammer of Nine-Tailed Fox the Duel Monster, wicked. And Lincoln, you know them?

Lincoln: Indeed I do, J.D.

Selene Emperyous: And so do we, the first girl is Brenda Breyer, Keyblade Knight of Thalios, she's Lincoln's Guardian Angel and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and a powerful deadly force of nature. She is the Keyblade Knight of Thalios, and she's a deadly and powerful force of good and she's a deadly master of fire. She has all the powers of The Thalionians and more and she's a master of fire, plus, she's the last of The Thalionians and the older sister of Brandon Breyer A.K.A. Brightburn, but she's the total opposite of him. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of all the powers of The Thalionians and more along with fire and she helped him bulk up in muscle faster than ever. Lincoln made her an awesome necklace, and to show thanks, she kissed Lincoln on the lips, and as a result when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a vengeance and she vowed to break every single bone in Lynn's body into powder and make sure she never plays sports ever again and then cut off her arms and legs and destroy her sports career PERMANENTLY!

Nico: Thank God, you're nothing like Brandon at all, your evil brother and I were nothing more than mortal enemies, I hated him for what he'd done to the town of Brightburn, Kansas and what he and the rest of your race had done all over the universe.

Brenda Breyer: I know. I hate my brother with a vengeance, he was nothing more than a heartless monster, and I'm ashamed to even have him as a brother. I should've killed him long ago before the Brightburn tragedy occurred.

Nico: Brandon's no longer worth killing anymore, we now have him imprisoned in The M.O.E. and he's not getting out of this easily.

Lincoln: Yep.

Michelle Emperyous: You got that right. The second girl is Farah Fulmas, Keyblade Knight of Fulmas, she's Lincoln's Guardian Angel and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and a powerful master of energy blasts, lasers, and the skies. She is the Keyblade Knight of Fulmas, home planet of Shock Rock and she's a deadly master of lightning and the weather. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of lightning and the weather. Lincoln made her an awesome necklace, and to show thanks, she kissed Lincoln on the lips, and as a result when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hates Lisa with a vengeance and vowed to have her struck with over 100,000,000,000,000 lightning strikes.

Nico: Oof! If you did that, you'd risk killing her.

Lincoln: I had to stop Farah from doing so, but I did say if Lisa went too far one more time, we'd disown her, and that means...!

Me: (GULPS)

Nico: Oh boy.

Qin: Either way, she was screwed.

Laney Emperyous: Yep. And the third girl is Natsumi Kitsune, Avatar of The Kitsunes and Gene-Slammer of Nine-Tailed Fox, she's Lincoln's Guardian Angel from Michigan and she's a powerful force of good. She's a kitsune and a powerful master of fire, wind, and the inferno, and she's someone no one would dare to mess with unless they want to get burned badly. She came to Royal Woods where she met Lincoln, and she trained him in mastering the powers of fire, wind, the inferno, and the kitsune, and he also gained all of the incredible strengths and powers of the nine-tailed fox, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 kitsunes and men combined and she helped him bulk up in muscle even faster than ever and Lincoln also gained incredible levels of incredible superhuman intelligence and he's as smart as 999,000,000,000,000,000,000,000,000,000,000 kitsunes, and she also helped him improve his strategizing and cunning, plus it also enhanced his incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she also found out Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him in his werewolf form on the muzzle and made out many times in his werewolf form and he came back home all covered in kisses and his tails were wagging like crazy. Lincoln made her a powerful fire greatsword and gave her a flower to put in her hair, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lincoln's enemies with a vengeance and vowed to burn them all with the intense power of fire.

Eli: That's really intense.

Lincoln: Yep, her power with fire, wind, and the inferno is that intense, and no one would dare to anger her, not unless they want to be burned.

Suddenly, Lincoln put the weights down, and he made two clones of himself, and while he pinned Brenda Breyer to the ground, his clones pinned Farah Fulmas and Natsumi Kyuubi to the ground too, and they kissed the girls on the lips. Then, they leaned their heads down to their right trapezius, and they slowly bit them and fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln and his clones slowly unlatched their fangs from their right trapezius and the marks sealed up and they kissed the spot where they bit them.

Then, Lincoln helped them up, and then, three Elemental Thunderbird Necklaces of Eternal Love appeared on their neck with colored gems on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with three white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Natsumi Kyuubi: Well, that's one way to say it's good to see you again. (Rubs Lincoln's massive pecs) I knew you were still the same gentleman, but to also find out you also have an animalistic side to you as well? (Seductive Voice) Damn.

Lincoln had an atomic red blush on his face and muzzle, and we snickered.

Qin: Well, he did get turned into a vampire-werewolf hybrid because of two certain incidents. Isn't that right, Lori, Lynn, Lola, Lisa, and Luan?

They looked down.

Farah Fulmas: Adriana Ardelean Dracula and Rudina Adalwulf were the ones who saved his life on two separate occasions and turned him into an Alpha Vampire-Werewolf hybrid, and we helped in training him even more with those vampire and werewolf powers of his, and he became even more powerful than ever.

Lincoln: And the vampire and werewolf blood in my veins had caused me to grow even more in height and muscle mass, by the time I was 16, I was already 6'11" and I had the powerful body of a male God and professional heavyweight bodybuilder.

Luna: Yeah, and don't forget hairy. You had chest hair on your pecs and forearms and you also had facial stubble on your jawline.

Lynn Sr.: Thank goodness I taught you how to shave.

Me: You sure did.

We got a shower, and then, Lincoln, Water Girl, White Night Queen, Witch of the Black Forest, Smile Angel, and Victorica, Angel of Bravery are heading to Undersea Dream.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Water Girl, White Night Queen, Witch of the Black Forest, Smile Angel, and Victorica, Angel of Bravery are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Water Girl, White Night Queen, Witch of the Black Forest, Smile Angel, and Victorica, Angel of Bravery all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

White Night Queen: Wow, so this is Undersea Dream, it sure is beautiful.

Lincoln: It sure is, White Night Queen, and it's perfect for our first date, shall we?

Lincoln, Water Girl, White Night Queen, Witch of the Black Forest, Smile Angel, and Victorica, Angel of Bravery dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Water Girl, White Night Queen, Witch of the Black Forest, Smile Angel, and Victorica, Angel of Bravery got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Water Girl: (Swooning) My goodness, Lincoln's truly changed years ago, he grew from the 11-year-old to an 18-year-old 9'10" imposing and extremely muscular man, and he's also become that much more handsome and much more manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Water Girl, White Night Queen, Witch of the Black Forest, Smile Angel, and Victorica, Angel of Bravery and hugged them in their abnormally massive and powerful muscular arms, and Water Girl, White Night Queen, Witch of the Black Forest, Smile Angel, and Victorica, Angel of Bravery placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Water Girl, White Night Queen, Witch of the Black Forest, Smile Angel, and Victorica, Angel of Bravery and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Undersea Dream, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Water Girl, White Night Queen, Witch of the Black Forest, Smile Angel, and Victorica, Angel of Bravery on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Water Girl, White Night Queen, Witch of the Black Forest, Smile Angel, and Victorica, Angel of Bravery are in your harem, Linky.

Water Girl, White Night Queen, Witch of the Black Forest, Smile Angel, and Victorica, Angel of Bravery showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Water Girl: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing

900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next Ridonculous Race challenge starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan

into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Then me, Whirlwind and Connie were heading to the Saturn Asylum.

Me: We'll be back later Nico we're going to kill Terrance.

Nico: Make that monster pay for us.

Me: We will.

We teleported.

The mascots and Nicole, Daring Do and Nico were going with Indiana Jones.

Lillymon: What does Indy need your help with anyway?

Poromon: One of his enemies, Mola Ram is back and we're going to kill him and get the treasure he has.

Nicole: This is gonna be fun!

Nico: Yep.

They were off.

* * *

At the Saturn Insane Asylum, me, Whirlwind and Connie Greya were heading to Terrance's cell.

Me: Connie this is Dr. Tori Akihabara. One of the chief psychologists and neurodoctors here.

Connie Greya: Pleasure to meet you.

Dr. Tori: Pleasure to meet you Connie.

Me: We're here to kill Terrance Roland.

Dr. Tori: Ah the most violent patient we have. Follow me.

We followed her.

Me: Thanks for coming to help us with this David.

Whirlwind: Anytime J.D. It'll be fun to help you out with this. Here, I'm gonna show you a trick I haven't used in a while

He showed us sawblades on his arms.

Me: Ah the Sawblades. This will be cool.

Whirlwind: It sure will be.

We got to the Supermax section.

Dr. Tori: This is our supermax section. It's only reserved for the most dangerous and most evil and psychotic of all of our patients. We call it the Arkham Asylum section.

Connie Greya: Wow! These guys must be really dangerous!

Dr. Tori: Think of them like the Joker.

Me: Yep.

Whirlwind: Not really sure Batman's enemies would fit in with these guys.

Dr. Tori: Too true.

Flying over the western Pacific Ocean was the mascots and the team.

Mallow: Where's Mola Ram right now?

Nicole: In the Pankot Palace in India.

Nico: Where we fought him the first time.

Indiana Jones: It's gonna be good.

Nico: Yep.

Poromon: This will be fun.

They landed in the jungle and arrived at the temple.

Nico: There they are!

Nico fired an energy blast and blasted the temple and out came MOLA RAM and his men!

Nico: Time to get some!

They went at them and kicked and bashed them all over.

We arrived at the cell. It was a huge and powerful reinforced door.

Connie Greya: This it?

Dr. Tori: Yep. We keep him in this cell for the protection of the general population. He is so dangerous that he will kill anyone.

Me: Okay.

She opened it and in it, tied up in a straitjacket chained to the wall was a man with black hair and he had piercing red eyes and a HOMICIDAL GRIN!

Whirlwind: Hello, Terrence.

He laughed like a completely fucked up lunatic.

Whirlwind revealed his real face.

Whirlwind: Remember me Terrance? David Cannon, A.K.A. Whirlwind? Your best friend?

Terrance Roland: (LAUGHS FUCKED UP) LIKE A CHARM!

Whirlwind: You turned into a monster Terrance. Shame my own best friend can be so evil and a monster. You're no better than Kasady and I hate that guy.

BUZZSAWS WHIR!

Terrance Roland: Fuck you!

When he showed his middle finger, Whirlwind threw his saw blades and it cut said finger off!

SLASH!

HE SCREAMED IN PAIN!

I gave Connie a dagger.

Me: Tori you may not want to look at this.

She turned away.

Connie Greya: (ENRAGED) THIS IS FOR MY MOM AND DAD! AND MY SISTER!

Terrance Roland: I AM GLAD I KILLED THEM! I ATE THEIR BRAINS AND INTESTINES TOO! (LAUGHS FUCKED UP)

THAT WAS THE LAST STRAW! SHE SCREAMED IN RAGE AND EXPLOSIVE FURY AND THEN JUMPED HIM AND STABBED HIM VICIOUSLY!

SHE STABBED HIM OVER AND OVER AND OVER AND OVER AND OVER AND OVER!

Connie Greya: I HATE YOU! I HATE YOU! I HATE YOU! I HATE YOU! I HATE YOU! I HATE YOU! I HATE YOU! I HATE YOU!

SHE SCREAMED IN SO MUCH FURY AND EVEN SLASHED OFF HIS ARMS AND LEGS AND EVEN DISEMBOWELED HIM AND MUTILATED HIM AND THEN SLASHED HIS THROAT AND BEHEADED HIM! SHE GOUGED HIS EYES OUT AND RIPPED HIS TONGUE OUT! AND THEN CARVED A STAR OF SATAN

INTO THE MIDDLE OF HIS FOREHEAD!

BLOOD SPLATTERED ALL OVER THE PLACE AND DRENCHED HER AND THE CELL!

Me: HOLY FUCKING SHIT!

Whirlwind: MY GOD! THAT IS SAVAGE!

Me: OH MAN!

CONNIE RIPPED HIS CROTCH OFF AND SLASHED IT APART! SHE RIPPED HIS LIVER OUT AND CHOPPED IT INTO PIECES! THEN SHE RIPPED HIS INTESTINES OUT AND BIT THEM AND RIPPED THEM APART! SHE THEN RIPPED OUT HIS HEART AND SQUISHED IT!

SPLAT!

Whirlwind: OH MAN! THAT IS SAVAGE AND HORRIFIC!

Me: Even for me!

SHE REALLY MUTILATED HIM AND SLASHED AND CUT HIM UP INTO A THOUSAND PIECES!

* * *

Back with Nico and everyone they were killing all of Mola Ram's men all over.

Sideways: Hey, assholes!

He blasted them.

Nicole then saw a powerful staff in Mola Ram's hands and recognized it. It was a black staff of the sun.

Nicole: The Staff of Kali!

Nicole kicked it out of his hands and caught it.

Indiana Jones: Mola Ram, prepare to meet Kali...

Nico and Nicole: IN HELL!

Nicole: KALI MA! KALI MA! KALI MA!

She ripped out his heart and mounted it on a spear and then threw it into a volcano! HE THEN BURSTED INTO FLAMES AND MELTED AND IT WAS HORRIFIC!

Crosshairs: That's hot!

Nico: Yeah!

Then a powerful blast of lightning hit him and obliterated him and we banished him to the Black Abyss! They turned and saw that it was a Xurkitree!

Nicole: WHOA! Xurkitree!

Nico: What's that doing here?

Crimson Napalm: I think I know.

He used telepathy and gasped!

Crimson Napalm: That's my sister Scarlet Fallout!

Nico: Oh man! I'll help you!

Nico and Crimson went to face her.

Crimson Napalm: Scarlet it's me Crimson!

All she did was charge at him.

They dodged her.

Nico: WHOA! We got to stop this.

They fired wave of fire and energy and blasted her.

Nico then snapped his fingers and she reverted back. She was a girl with red hair and had purple eyes and had red and black angel wings and had Xurkitree in the middle of her forehead and had a black version of Crimson Napalm's cutie mark on her arm.

Nico and Crimson wrapped her in a blanket and they brought her over.

Nico: Whoa! That was close.

Crimson Napalm: I know.

She woke up.

Scarlet Fallout: (Groans) What hit me?

Crimson Napalm: Scarlet?

Scarlet Fallout: Crimson? (GASP) Crimson! It's you!

They hugged.

Scarlet Fallout: You big dweeb.

Crimson Napalm: I know. Crimson Napalm is my little sister and she is a strong girl.

Nico: Nice. You were turned into a Xurkitree because of Dark Gale.

Scarlet Fallout: (GASP) I remember.

* * *

She was in a black suit and injected and turned into a Xurkitree and blasted numerous members of Dark Gale and busted out.

FLASHBACK ENDS

Scarlet Fallout: It was awful.

Nico: We're in the process of killing Dark Gale now. What was your role in Sonya's team?

Scarlet Fallout: I'm the pyromancer and fierce muscle of the team. I have the strength of 750 million men and also I am the lightning master too. I have the power of

750,000,000,000,000,000,000,000,000,000,000,000 volts and storms. Outside the team I am a workout warrior and martial artist.

Nico: Wow! That is cool!

Eli: It sure is.

Nico: Is there any treasure here?

Nicole: Got it already.

She held up the staff.

Nicole: The Staff of Kali. It has all of Kali's powers and burns them with the intense inferno of the sun and fire.

Nico: Wicked! Who should get that?

Nicole: I am gonna give it to Blossomforth.

Blossomforth: I would be honored.

Rarity: (To Scarlet) Lets get you some clothes darling.

The Fashion Brigade gave her new black clothes and a fire sword.

Scarlet Fallout: I look amazing.

Nico: You sure do.

Indiana Jones: Thanks for your help guys.

Poromon: Anytime! This was awesome!

Later everyone came back.

Nico: WHEW! That was cool.

Then we came back.

Seawing: How was visiting the prison?

THEY GASPED AND SAW CONNIE CRYING AND SATURATED

IN BLOOD!

Nico: OH GOOD GOD! What happened?

Me: She REALLY TORE HIM to shreds!

Whirlwind: It's true.

We told everyone about it and everyone turned green around the gills!

Nico: OH THAT IS AWFUL!

Qin: (GROANS) So gross!

Nico: Wanna know what we did?

Whirlwind: First lets get the kid to the shower.

We did so.

Later They told us.

Me: WHOA! So you guys killed Mola Ram!? Awesome!

Nicole: It sure was dad.

Camie: Yep the mascots did great!

Me: You ALL did great! Good job.

Poromon: Thanks!

Nico: And Terrance was given the Black Abyss.

Me: Good fucking riddance.

Lola: Yep.

Connie Greya came back.

Poliwag: How are you feeling?

Connie Greya: Better than ever. I feel better now.

Me: Awesome.

Nico: Cool.

Ino: I'll still help with your therapy though.

Connie Greya: I could use it too.

Horsea cuddled up to her.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Cyrus from Team Galactic, he's come back from the dead and he wants revenge on us and he and some Team Galactic grunts are at The Johto Region. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the silent alarm and everyone came in.

May: We saw the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Cyrus from Team

Galactic, he's come back from the dead and he wants revenge on us and he and some Team Galactic grunts are at The Johto Region.

EVERYONE GASPED!

May: ARE YOU KIDDING ME?! CYRUS OF TEAM GALACTIC'S BACK?!

Mallow: I should've known he'd be back. Well, that's going to end here and now, this is where he's going to die. Was this the deed of Morgana Midnight Sparkle or Anti-Monitor?

Lincoln sensed it.

Lincoln: This had Anti-Monitor all over it.

Eli: Figures.

Me: Cyrus has got some nerve to come back, but now, we got a chance to end him. Lincoln, where's he at?

Lincoln: He's at The Johto Region.

Me: Figures he'd be back in The Johto Region.

Nico: This is gonna be intense and messy. Alright, team, let's get going, this is the last time we ever have to deal with Cyrus.

Lincoln: We'll meet with Don at The Johto Region and hunt down Cyrus. That monster's time is up, he and his race are going to pay the price for their crimes against the Johto Region.

Mallow: That's for sure.

The previous group came. Whirlwind was already with us.

Molten Man: Can me, Puff, Whirlwind, Koragg, King Shark, Springfield Mafia, Springfield Bullies, Cantwell, Rojo and Merman go with you guys?

Dolph: I know Whirlwind is already here. But still.

Me: Yeah.

Nico: But yes you all can come with.

Me: We're going to Goldenrod City for the next stop.

Ash: All right!

Me: Yep.

Armada Cyclonus: Boss, which Gene Slammer do you think you'll meet next?

Louie: It's probably a powerful one like always

Nico: Yep. This time it's gonna be Minervamon.

Nicole: Ooh cool!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and nine sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Carly Creepy Apple, Midnight Princess of Dark Magic Apple Dishonesty, and she's coming after us at The Johto Region. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Me: Was that?

Lincoln: Yep, the fourth of The Midnight Princesses, Carly Creepy Apple, Midnight Princess of Dark Magic Apple Dishonesty.

Katie Callisto: I knew she'd be the next one we'd face. But, we're ready for her, she's gonna be taken down by the Apples of Honesty.

Nico: She's about to be taken down and imprisoned. Alright, everyone, let's head out to The Johto Region!

Lincoln: Cyrus, your time is finally up and now, you and your Team Galactic grunts are gonna pay for all your crimes against the Johto Region, and once we get done with him, you're next, Carly Creepy Apple!

Katie Callisto: The suffering you've caused all those years ago can never be forgiven, Carly, and now, I will see to it that you die here and now!

Nico: To the Control Room!

We stood on a door wall.

Nico: (To me) (Imitating Yzma) Pull the lever Kronk!

CLICK!

I pulled the lever and then...

XYLOPHONE SCALE!

NUMEROUS CHICKEN WINGS Fell on Nico.

Me: That never happened with Yzma.

Nico: Still funny But it's lunch!

Nico ate them!

I pulled the right lever and we go into a roller coaster.

Announcer: Please remain seated and keep your arms and legs in at all times and scream like little girls.

The roller coaster started and we screamed like girls and got to the stop and flipped and landed. We high five.

Nico: That was funny!

Lincoln put up a powerful rainbow energy field around The TLPS

Flying City Fortress ready and we headed out to The Johto Region to meet up with Don and hunt down Cyrus of Team Galactic, the next of Dark Gale's members, and once we got done with him and his Team Galactic grunts, Katie Callisto and Lincoln are going to take out Carly Creepy Apple, Midnight Princess of Dark Magic Apple Dishonesty.

We were off.

We arrived in Goldenrod City.

Me: Ah, we're here in The Johto Region in Goldenrod City.

Nico: This is our next stop on The Ridonculous Race.

Then, we saw Don arrive.

Don: That's right, guys. We found another of Dark Gale's bases as well.

Lincoln: Along with Cyrus of Team Galactic, and this is where they're going to draw his final breath.

Puff: This is the place.

Kearney: Anyone want to call Evil Seed?

Nico: Good idea.

We did so.

Evilseed: I'm here guys.

Me: Cool!

Whitney (Pokemon): It's good to be back in Goldenrod City.

Lugnutz: So, what's this place famous for?

Legs: I was gonna ask the same question.

Me: What were you gonna really ask Legs?

Legs: Get in my way and I'll whack you in the lobanza.

Me: Get in MY way Legs and I'll kick you in the fucking balls.

Nico: Guys calm down.

Ash: This is where I had my battle with Whitney for the Plain Badge.

Me: That is cool.

Nico: it sure is.

Whitney: Yeah Ash and me didn't hit it off well. He thought I was too you know.

Lola: O-L-D?

Whitney: Yeah.

Me: Oops.

We then saw a Granbull.

King Shark: Is that a Granbull?

Me: Hey it sure is. Must be a wild one. Who wants to catch it?

Billy: I will!

Me: Go for it Billy!

Billy: (FARTS)

Billy fired a snot blast and drenched it.

Then he threw a Pokeball and caught it.

Me: Wait for it.

Then the light turned red and it clicked off and he caught it.

Me: Oh yeah!

Menasor: (Irish Accent) Congrats, Lad!

Billy: Thanks! That was fun! And we tried our new Pokeball too!

Me: Yep. Plenty of Pokemon where that came from.

Nico: Awesome!

We walked around.

Me: Boy Goldenrod City is beautiful. This is gonna be the final resting place of a base of Dark Gale where they will draw their last breath.

?: Just like all of you will!

We then saw our next target: Carly Creepy Apple, Midnight Princess of Dark Magic Apple Dishonesty.

Katie Callisto: If it isn't Carly Creepy Apple, Midnight Princess of Dark Magic Apple Dishonesty.

Carly Creepy Apple: You! YOU! How dare you humiliate us like this!

Lincoln: You deserved it, she and all of you were extremely evil to the core, Carly. You all sought to destroy the world, and we weren't going to let that happen.

Carly Creepy Apple: (ENRAGED DEMONIC SCREAM) I HOPE CYRUS AND HIS TEAM GALACTIC GRUNTS DESTROY ALL OF YOU! We will triumph and you and this entire planet will be destroyed!

Mina Midnight Sparkle: Carly stop this now!

Carly Creepy Apple: Mina!? You're alive!

Mina Midnight Sparkle: I'm more than alive.

She flew up to her.

Mina Midnight Sparkle: Carly, Morgana is only using you. You are not this dishonest monster that Morgana made you into. You are an honest girl and make some of the most delicious apple pies ever. You made some amazing pies and more. Morgana is going to kill you. Don't do this.

Carly Creepy Apple: But Mina I... (CLUTCHES HER HEAD) NO! (SCREAMS)

Carly Creepy Apple disappeared in a tornado of orange darkness, apples, and dark magic.

Me and Nico: What a bitch.

Lincoln: You have no idea, and we'll see about that, Carly!

Katie Callisto: I knew it, seven years of being trapped in The Netherworld had forever driven them even more insane than ever.

Catherine Fontaine: If the others were that bad, Morgana's become even worse than ever. Alright, we need to get going and stop Cyrus and his Team Galactic grunts before they do something really bad.

Nico: Right.

Mina Midnight Sparkle: I know there is still good in her.

Don: We also spotted some Dark Gale grunts and scientists there as well, give them the same kind of treatment as the ones that were with the others.

Lincoln: You got it.

Katie Callisto: And from what we saw, Carly's also going to summon her army of demons as well: The Dark Magic Apple Dishonesty Demons.

Nico: Figures.

Lincoln: Yep, they have their own personal armies of demons and each of them bear the same mark as The Midnight Princesses and have the powers of dark magic and the elements of their masters.

Me: That makes things even more dangerous than ever.

Lincoln: But, we're ready for them. (CRACKS KNUCKLES) Let's tear Cyrus and his Team Galactic grunts apart along with Carly's army of Dark Magic Apple Dishonesty Demons and trash those Dark Gale grunts and scientists.

Nico: That's the kind of talk I like to hear!

But, the bold determination and talk also caused Lincoln's harem to blush even more.

Lily the Mermaid: (Swooning) My God.

Lynn: Hey, you guys, snap out of it.

They snapped out of it.

Girl Jordan: Sorry about that.

Nico: Alright, let's get going and hunt down that fucker.

Me: Yeah.

We walked around.

Jimbo: Strange that we're not facing Cyrus in Sinnoh. But at least we're facing him in a Pokemon region

Me: Any Pokemon region is good enough as long as we get to kick his butt.

Camie: Big time.

Lola: Yeah.

Then we sensed a huge magic wave. Then NUMEROUS FLOWERS OF GOLDENROD appeared and sprouted and grew out of the ground out of nowhere! They completely covered all of the city in Goldenrod!

Me: WHOA!

Qin: WOW!

Lola: Everything is all covered in Goldenrod!

Then NUMEROUS MORE COLORED FLOWERS GREW ALL OVER!

Me: WHOA!

Xenia: This is not my doing!

Sam S.L.: Oh no! (SNEEZING UNCONTROLLABLY)

Me: Oh no Sam's hay fever. I forgot about that

Lincoln: WHOA! I know who is doing this! It's Mallow's Akuma, Lifelilly! The Hypothetical Akuma of Mallow and a powerful master of nature and all life. She was made because of Team Skull causing lots of problems and she swore to make those monsters pay.

WE GASPED!

Me: Whoa man!

He showed us a sketch of her and she looked like a fairy with green hair and pink and green wings and she had flowers grow all over.

Me: Ooh she is pretty.

Mallow: I look awesome as a fairy of nature.

Me: It's fitting too since you use Grass Pokemon.

Mallow: It sure is.

Me: Yeah and Team Skull was the catalyst that made her this time. Those jerks just don't know when to quit do they.

Lola: No they sure don't.

Nico: We'll have to bash their brains out later.

Burst Man: Look at all the flowers!

Me: I know! So many of them!

Lola: Yeah!

Sam was sneezing a lot!

Sam S.L.: ACHOO! ACHOO ACHOO ACHOO ACHOO ACHOO ACHOO!

Rojo: At least they're not worse plants

Me: Thank goodness.

Lily: Yeah.

Flora: This is one amazing Akuma that brings the color of nature.

Nico: I agree there. Too bad for Sam she can't take it because of Hay Fever.

Sam S.L.: (Nasally and Congested) I hate Hay Fever!

Edd: I have a solution.

Double D made an amazing hypoallergenic containment breathing helmet and gloves for her and she got better.

Edd: This hypoallergenic containment breathing helmet and these gloves will keep you safe from it.

Sam S.L.: Thanks Double D.

Brawlrus: Where is she?

Me: I think she's right in front of us.

We saw her sitting on a fountain and lots of birds and butterflies and Pokemon of many kinds were around her and she loved them all.

Me: Wow she is like a fairy version of Fluttershy.

Fluttershy: She sure is like me.

We went over to her.

Lifelilly: Oh hello friends.

Me: Wow you really added a lot of color and sparkle to the city.

Lifelilly: I sure did.

Mallow: I look so beautiful as a fairy.

Lifelilly: It sure is cool there.

Me: I agree there.

Qin: Yeah.

Laney: Like you totally are one with the power of nature.

Mallow: I agree.

Merman: Mallow? Is that you?

Lifelilly: Yes Merman it's still me.

Qin: Cool.

Me: Hate to burst your bubble but we're not on the Alola Islands. This is the Johto Region.

Mallow: Yeah.

Lifelilly: I see.

Evil Seed: You need to calm down. Look what you're doing to Sam!

Sam sneezed.

Lifelilly: I'm sorry about that. I forgot that Sam had hay fever. But you can stop me by helping me calm down.

Me: Okay then.

Laney: You aren't the only one that knows how to use the powers of nature Mallow. Watch this.

She concentrated and glowed in a green aura.

(CHOIR SINGING)

Thunder rumbling was heard.

Storm clouds formed and then lightning and thunder crashed and the flowers and trees all over glowed. The plants life energy flowed and poured into Laney as her power was increasing exponentially!

Me: Whoa!

Laney's power was skyrocketing fast!

Crysta: She's calling up the magical powers of nature to help her!

Lola: Amazing!

Camie: Wow!

She then released all of her power and was ready! Her eyes glowed a dazzling diamond and crystal blue and her aura was green like nature all around her. All of life was stronger and amazing than ever.

Nico: WOW!

Laney: (Divine Nature Voice of Beauty) The powers of nature are one with everyone.

She used the power and made flowers grow all over. Then vines grew and wrapped around Lifelilly.

Evilseed charged at her and blasted her with leaves and grass.

Laney: Nature helps restore all the power of life.

Lifelilly: That is true. My turn.

She threw fruit and Laney's power made them fall and they grew into amazing new fruit trees!

Nico: WOW!

Laney: Time for you to be in a tree.

She trapped Lifelilly in an enchanted tree and sent her to the M.O.E.

Nightshade: You okay, Sam?

Sam S.L.: I'll be fine.

Me: Good.

Qin: That was amazing Laney!

Laney: It sure was.

Lola: Shows just how strong the magical powers of nature are.

Camie: Yeah.

Discord: He might have some Galactic Grunts still loyal to him

Me: We'll be ready for them.

Camie: Yep.

Eli: I sense him in Goldenrod Gym.

Varie: And the base must be under it.

Fat Tony: Then that's where we're headed

Eli: Yep.

Nico: Entrance time.

WE EVENTUALLY GOT A MOVE ON, THE FINAL BATTLE AGAINST CYRUS OF TEAM GALACTIC WAS NOW IN FULL EFFECT, AND THAT MONSTER'S GOING TO PAY FOR HIS CRIMES AND THE LAST TRACE OF TEAM GALACTIC WILL BE WIPED FROM THE FACE OF THE EARTH!

At Goldenrod Gym Cyrus was enraged. He was really pissed.

Then the spirits of Pokemon came and swirled aroud him and then converged and then...

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and we landed.

Me: Cyrus, your twisted ambitions end here!

Cyrus: YOU!

Me: That's right! Us! Been a long time.

Cyrus: YOU RUINED EVERYTHING! YOU RUINED OUR PLANS TO MAKE THE UNIVERSE INTO A BETTER PLACE!

Nico: Better place my ass!

Cyrus: It could've been wonderous! This universe destroyed to make a new one!

Ravage: No! The universe would've been destroyed period!

Me: There would have been nothing left but an endless black void of darkness and you would have eradicated COUNTLESS lives all for your own sick pleasure!

Qin: YEAH! There's no honor in that!

Cyrus: HONOR!? You know nothing of honor! I was making the universe better!

Me: No you weren't! You destroy the entire universe, you erase EVERYTHING that happened and more and beyond!

Koragg: I agree with Qin!

Qin: Yeah! You are the one that has no honor!

Me: And for that, you will pay! FOR ALL THE PEOPLE AND FOR EVERYONE WHOSE LIVES YOU RUINED, WE ARE GOING TO FINISH YOU!

Nico: YEAH!

Commander Mars: You only used us as a tool!

Commander Jupiter: You never cared about us!

Dead End: Even your former lackies desert you. Even Saturn, though he's not here.

Cyrus: I DON'T CARE! I WILL KILL THEM AFTER I KILL ALL OF YOU! AND THEN I WILL FINISH WHAT I STARTED SO THAT EVIL CAN REIGN SUPREME! (INSANE LAUGHTER!)

Me: YOU'RE FUCKING INSANE!

Whirlwind:...I think that's enough talking.

Cyrus: Yes. Quite enough! Men, attack!

But no one came.

Cyrus: Men?

Everyone came with all the grunts and men tied up and the prisoners freed.

Me: So much for your men.

Mallow: You should've never returned from the dead, Cyrus, and I can't believe that you'd stoop that low as to ally yourself with Elise Elexton. You really are despicable, you know that.

Me: And Anti-Monitor had some nerve bringing you back from The Black Gates.

Nico: Well then, you've left us no choice, you just sealed your own death warrant, you monster.

Cyrus: We'll see about that! You will all pay for ruining our plans to rule the world!

Suddenly, we saw a massive army of demons arise and they bore the mark of Carly Crazy Apple

Lincoln: So, Carly's sent her army of Dark Magic Apple Dishonesty demons huh?

Lincoln fired magic draining blasts that hit Celine Crazy Gem's Dark Magic Gem Greed Demons and he sucked out all their dark magic and made them his and he also sucked out their life force and killed them.

That left Cyrus all alone and he was enraged.

TRACE OF TEAM GALACTIC WAS ON!

Lincoln, Crash Bandicoot, Mallow, Nico, and I and the rest of us went after Cyrus, and we fired extremely powerful blasts of rainbow, green, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Cyrus and they exploded with incredible power as they hit him.

Lori: (Spots the Monitor Orb) Aha. Lincoln, if you would.

Lincoln fired ricocheting rainbow, white, golden yellow, and blue energy beams from his fingers and the planets orbiting his fingers like rings and ankles and they hit the Monitor Orb embedded in Cyrus' head, and not only did we gain a massive power boots, but Cyrus clutched his head and he screamed in agonizing pain.

Scarlet Fallout was surprised as her body started trembling. She yelled out in surprise as her body started expanding.

Same with Vindaloo Phaal.

Scarlet Fallout: NO! We control the power.

Vindaloo Phaal: It doesn't control us.

They concentrated and reigned in the power and turned into Celesteela and Xurkitree and blasted him with energy and blasted him all over.

They reverted back and smashed and kicked him all over.

Horsea squirted ink at him and blinded him.

Missy Rodgers fired a Psychic ball and blasted him in a powerful explosion!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Me: Take that!

Then Biowulf, Pete, Kangor, LaGrange, Xiao Fung, Johnny 13, Angel, Tala, The U-Foes and Zzzax came

Nico: Biowulf, Pete, Kangor, LaGrange, Xiao Fung, Johnny 13, Angel, Tala, The U-Foes and Zzzax.

Biowulf: It's fitting that Cyrus dies in a Pokemon region.

Pete: Even if it isn't Sinnoh.

Kangor: (Jamaican Accent) Either way mon, he's going down.

Nico: That is for damn sure

LaGrange: (to Nico) We heard you fought Pacifica's foremr parents.

Nico: We sure did and we sent their asses off to prison forever.

Angel: (to Skyla) You should take care of that Swanna

Skyla: I will.

Tentacus came.

Me: Tentacus, up for another round?

Tentacus: I sure am.

Me: Awesome.

Tentacus: So, you guys remember when Burns and Crocker sicked that army of Another Ws and that they bribed you with the resurrection of those who ever got killed if you destroyed said army?

Taro: Ah, the next Hitotsuki must be one of the resurrected. Is it Morshower or Kellaway?

Out came the OOO Riders Hitotsuki OOOkiki.

OOOKiki: OOOkiki, Hitotsuki of the OOO Riders.

Me: Cool! This will be cool and also you look like a Slot Machine. Can I put in a quarter and play?

WE LAUGHED!

OOOKiki: (LAUGHS) That is funny! But also here is my human form.

He turned back and it was MITCH KELLAWAY!

Me: Kellaway! You're back!

Kellaway: Good to be back!

Mask: OOH! I missed this!

ZOOM!

HOING! SNAP!

Mask: WEDGIE!

He gave Kellaway an atomic wedgie!

Mask: OH I missed doing that to you! SOMEBODY STOP ME!

Kellaway: Mask, you don't have to worry about me going after you anymore. I've learned my lesson. Just make sure you give Krall a much harder wedgie.

Cyborg:...if we ever see him again, it's gonna be worse then a wedgie.

Me: We will but it will be on a rescue probably.

Nico: Yeah! LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

Jake Long, Draco, Yumi, Tabitha Welkington, Bonnie, Lucy,

Sabrina, Twilight Sparkle, Stellar Sparkle, Starshine Sparkle, Magic Skylanders, Overbite and Seawing VS Biowulf, Ludo, Sweetcheeks, Wood Ninja, Esper, Nightmare (Metroid Other M), Wolfblades and White Wolf (Theme including Draco (Dragonheart)) - Nico's rescue in Gravity Falls

---

Biowolf was first.

Biowulf (to Jake): Nico's rescue was in Gravity Falls. Did he fight anyone there?

Jake Long: Yes they did. And they fought Pacifica's evil parents.

Ludo: WHAT?! Not those clods again!

Jake Long: I'm afraid so. But you should have seen what went down. We met one of Lincoln's Guardian Angels who was the Keyblade Knight of Gravity Falls and we saw Pacifica and her do an Evil Sasuke and Sebastian Mendez Rant on them and it was cool!

Draco: Yes it was really enjoyable to see and it was amazing too.

Yumi: It sure was! We really socked it to them too and Pacifica and her sister Lori really told them off! That was the name of the Keyblade Knight of Gravity Falls. Her name is Lori Northwest and she is a TRUE angel.

Biowulf: WOW! That is amazing!

Twilight Sparkle: It sure was. Lincoln then used a terrifying Lovecraftian Curse on them. It was called THE DEMONIC CALL OF GHATANOTHOA - Lincoln fires a massive black energy ball with brown Eldritch writings around it and with eyes and writhing black tentacles around it, and when it hits abusive parents like Preston and Priscilla Northwest, and then, their minds suddenly snapped when they heard the Eldritch chants and their sanity was destroyed, and then, they began seeing horrific visions of an ancient burial ground and other unspeakable horrors, and their sanity which was already destroyed crumbled even further, and then, the final stage of the curse is when they finally lay eyes upon Ghatanothoa himself, and then, their minds were utterly destroyed as their brains suffered horrific seizures and they're then imprisoned in leathery cocoons and the sclera of their eyes are turned black with Eldritch writings embedded in the sclera and their eyes turned brown with blood tears running from their eyes.

THEY GULPED IN FRIGHT!

Biowulf: That is scary!

Twilight Sparkle: It sure was! But we sent those monsters off to prison forever!

Stellar Sparkle: We sure did and it was awesome!

Starshine Sparkle: It sure was.

Spyro: Yeah that was cool. Those monsters deserved it for all the pain they caused. Now Preston and Priscilla Northwest are now truly the most hated parents in the world. Lori and Pacifica vowed to cleanse the Northwest name of their evil and vowed to set it on the right path and vowed to help people instead of destroying them.

Biowulf: Good for them! I'm glad they are stepping up to bring it on the road to redemption. Lets do it!

We were amazed by Katie Callisto's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Carly Crazy Apple saw it, she went ballistic and was about to attack her, but Katie Callisto fired a massive barrage of orange and brown, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, stars, earth, apples, Alicorns, phoenixes, and angels that hit Carly Crazy Apple and sent her flying into a wall, she got back out, and she was really enraged!

You wanted to destroy the Earth same with the rest of the other Midnight Princesses, that proves that you're just as dangerous as Queen Opaline, you walked the path of a monster crawling your way through the dark, that's a lonely path, and it's one that'll follow you into death. Carly Crazy Apple, Midnight Princess of Dark Magic Apple Dishonesty, may you suffer for all eternity with not a kindred soul to give you solace!

Lincoln, Katie Callisto, Nico, and I went after Carly Crazy Apple, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, orange and brown, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Carly Crazy Apple, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Katie Callisto did the same by firing orange and brown, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Katie Callisto, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Carly Crazy Apple even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Carly Crazy Apple, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird

Then, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Carly Crazy Apple.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Carly Crazy Apple's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Carly Crazy Apple hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Carly Crazy Apple was now on her last legs and she was really really mangled.

Then, Lincoln fired an orange energy blast that hit Carly Crazy Apple and he began sucking out her dark magic and powers, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and nine other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done, Carly Crazy Apple was knocked out and we fired an Evil Containment Wave and trapped her in a bottle.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Goodbye forever, monster of Hell.

We cheered wildly as we holstered our weapons and powered down and Katie Callisto's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty five large orange and brown planets orbiting around her legs and twenty five smaller orange and brown planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized orange and brown planets orbiting around her wrists and ankles, eleven massive and long brown wolf tails, and massive brown angel wings and nine sets of large brown angel wings underneath her massive brown angel wings are permanent.

Katie Callisto: This is the price that you must pay for all of your crimes, you insane she-demon! Thanks for helping me take down Carly Crazy Apple, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Katie.

Me and Nico: Our pleasure, Katie.

Suddenly, Katie Callisto wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Katie Callisto's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Daydream Applejack flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Katie Callisto sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Well, that's it for Carly Crazy Apple.

WE HEARD THE LOUD SCREAMS OF DEMONIC RAGE AND INSANITY!

Me: And we've pissed off The Midnight Princesses big time! So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a Hippogriff flying in the skies and it left a gentle breeze across the skies and it blew across us.

Selene Arcangela: (GASPS) The Hippogriff...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Helen Hippogriff, Avatar of The Hippogriff.

WE GASPED!

Me: Wow!

Enya Phoenix: Oh man, I knew you'd pick her, and you guys are going to love meeting her, Helen Hippogriff, Avatar of The Hippogriff, is Lincoln's Guardian Angel and she's known as The Hippogriff Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Helen is a powerful master of the powers of the wind, and she's also known for her mastery of the powers of The Hippogriff. She was born to a family of Hippogriffs during a time of light, and over time, as she grew, she gained all of the incredible strengths and powers of The Hippogriff, along with immortality and she also mastered the powers of The Hippogriffs, and she'd fought to protect the Hippogriffs from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of wind, and he also gained all of the incredible strengths and powers of The Hippogriffs, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Hippogriffs and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Angela kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Hippogriffs and be blown away by the winds!

Me: Oh man!

Nico: So, if anyone dared to anger her by hurting Lincoln, they would...!

Lincoln: Yep, they'd be blown away by the winds.

Xiao Fung: This is officially the end of Team Galactic.

Johnny 13: And the end of Cyrus.

Tala: You said it.

Me: Mallow killed him with a kiss.

Poison Ivy: She learned that from me too.

Ironclad: He sure got a pounding.

Me: He sure did. And we captured the 4th member of the Midnight Princesses.

X Ray: Where should we celebrate?

Zzzax: Here, of course!

Nico: Good idea! Great job today everyone.

Alright, and now, for tomorrow, the fifth match-up in the saga of The War Against The Midnight Princesses and Dark Gale is Rebecca Hernandez, Daydream Loyalty Princess of Air and Lincoln VS. Relena Rainbow Dark

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Harlem, New York, and for the next day of the gang takedown rescue arc, one of Caleb Maxwell's contacts have gotten reports of yet another old enemy of his still in business, his name is Harold Devins, he's the leader of a local gang of thugs who've caused a lot of trouble in Harlem for years, and Caleb Maxwell had heard tons of stories about them: these guys are well-known troublemakers and some of their members are pretty dangerous and crazy, but their leader was the most ruthless man ever, and Caleb heard the story on him from Harold's father, and when he heard of the pretty horrendous things that Harold had done to local rival gang members and to the innocent, let's just say it's not pretty: this guy's a boogeyman to locals in Little Italy when he was young, and on some occasions, some of the gang's local tough guys of their group would try to take down Caleb to make a name for themselves and it was long before he died, but the fear of Cage Blunt and Travis Tackett always lurking in the shadows caused them to slink back to their hideout.

Now, Caleb's heard the latest intel: apparently Harold's also been trying to smuggle illegal weapons and drugs to Dark Gale and make money, and when Caleb Maxwell heard it, that pissed him off and he also alerted The Big Claw Gang. We're heading down to Harold and we're gonna make the streets run red with the blood of those bastards, and we're going to meet the next Avatar of The Mythical Beasts, her name is her name is Helen Hippogriff, Avatar of The Hippogriff, she's Lincoln's Guardian Angel and she's known as The Hippogriff Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Helen is a powerful master of the powers of the wind, and she's also known for her mastery of the powers of The Hippogriff. She was born to a family of Hippogriffs during a time of light, and over time, as she grew, she gained all of the incredible strengths and powers of The Hippogriff, along with immortality and she also mastered the powers of The Hippogriffs, and she'd fought to protect the Hippogriffs from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of wind, and he also gained all of the incredible strengths and powers of The Hippogriffs, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Hippogriffs and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Angela kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Hippogriffs and be blown away by the winds!

Next is the Hoenn Region and we're going after Murmukusmon and we're going to make him pay.

See you next time.

RIDONCULOUS RACE 2024 PART 5- HOENN 1

The Hoenn Region part 1

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had an interesting dream: apparently, his dream led him to Japan, and as he was flying, he saw the sun burning brighter than ever, and then, he saw five girls emerge, along with Amaterasu from the video game, Okami. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh man! What you just saw, Lincoln, that was The Protectors of The Sun Goddess, along with Amaterasu from the video game, Okami. (Gasps) This means...!

Lincoln: I knew this day would come, it was only a matter of time.

Michelle Emperyous: Same here. Which means, it's time you told everyone of "the secret".

Lincoln: Right, Michelle.

Girl Jordan: Secret? What secret?

Lincoln: You'll see first thing tomorrow morning, Girl Jordan.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Japan, and as I was flying, I saw the sun burning brighter than ever, and then, I saw five girls emerge, along with Amaterasu from the video game, Okami.

WE GASPED!

Nico: Whoa, and who are these girls?

Lincoln: They're a group called Protectors of The Sun Goddess.

Michelle Emperyous: Yep, these five girls are Lincoln's Guardian Angels from Japan and classmates in English, and they are the Embodiments of Bakugan, Okami, Kirby, Megaman NT Warrior, and Final Fantasy, and these five girls are considered the most powerful of Lincoln's Guardian Angels. They were assigned by God himself to protect Lincoln from those who seek to destroy him and here's the plot twist: it turns out there were two villains who sought to destroy him, the first and obvious one was Chase Young's Dark Side who's the true villain behind all the pain Lincoln suffered at the hands of Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins.

Me: Figures. But, who's the second?

Selene Emperyous: The second villain was Yami from Okami.

Eli: What?

Nicole: But, why would Yami from Okami be the second villain who was out to destroy Lincoln?

Selene Arcangela: There's a reason why, Nicole, Yami fears Lincoln, because the truth is, he's the reincarnation of Amaterasu from Okami.

OUR JAWS HIT THE FLOOR WHEN SELENE ARCANGELA TOLD US THAT!

CLANG!

ELI PUT OUR JAWS BACK IN!

Me: (GASPS) Wait, WHAT?! You're the reincarnation of Amaterasu from Okami?! Holy shit!

Nico: Incredible!

Lincoln: Yes, that's right, I am the reincarnation of Amaterasu from Okami, and this exposes another side of me that no one knew about. See, before I got my powers from Hinon, I was born with powers of the sun, light, life, energy, and life nourishment, and I also have the power to purify those who've been corrupted by darkness, and I was also born with her very powers as well.

Suddenly, we saw a gold version of Trinity Mirror with three rings of spikes made of gold from Okami appeared behind Lincoln's large gold halo with four orbiting gold rings behind his head, and it also has the combined powers of Amaterasu's four Reflectors from Okami: Divine Retribution, Trinity Mirror, Infinity Judge, Snarling Beast, and Solar Flare, a gold version of The Tundra Beads from Okami appeared around Lincoln's neck, and it also has the combined powers of Amaterasu's four Rosaries from Okami: Devout Beads, Life Beads, Resurrection Beads, and Tundra Blades, and a gold version of Tsumugari from Okami appeared slung on Lincoln's right hip, and it also has the combined powers of Amaterasu's four Glaives from Okami: Tsumugari, Seven Strike, Blade of Kusunagi, and Thunder Edge.

Then, we saw the pronounced crimson markings of Amaterasu appear on Lincoln's face and body.

WE WERE STUNNED!

Nicole: Holy moly! Also, Amaterasu is a quiet, mature, and kind goddess who assists and aids those in need, and she's also unafraid to show her opinion, just like you.

Nico: Which also proves what we've been told: you are the reincarnation of Amaterasu from Okami, that is so awesome! When we tell the rest of The M.O.E. about this, they're gonna freak out!

Suddenly, the rest of The M.O.E. arrived when they heard everything.

Vypra: Wait. Did everything you just said is true?! Then, that means...!

Then, just as Nico pointed out, the rest of The M.O.E. freaked out as their jaws hit the floor and they also did tons of wild takes!

Electro: Holy shit! Unreal! Did any of you know about this?

Lincoln's sisters, parents, and friends shook their heads: they didn't know about that at all!

Lynn Sr.: We didn't know about this at all, but we'd seen it on separate occasions, but he made us swear to keep it a secret.

Rita: And he also trusted Luna, Laney, Lucy, Lana, and Lily, since Lori, Lynn, Lola, Lisa, and Luan had already been infected by Chase Young's Dark Side and turned into those ruthless fuckkickers we all despised.

Me: (Laughs) Good one, Ms. Rita. So, what else can you tell us about them?

Laney Emperyous: They and and Lincoln made statues of Amateretsu, Kirby, various NetNavis, The Celestial Brush Gods, various Bakugan, and Themoogles made of faux materials. Lincoln made the Protectors of The Sun Goddess bikinis based on their favorite colors, and to show thanks, they kissed lincoln on the lips. As a result Lincoln promised that when he comes of age, he will marry the protectors of the sun goddess along with the rest of his harem, and they hate the jerks and perverts with a blazing passion, and they absolutely despise Chase Young's Dark Side and Yami from Okami with a blazing hot passion that they swore if they ever ran into those two monsters of darkness once again, they would destroy them and banish their black souls to The Black Abyss forever.

Nico: Chase Young's Dark Side, we'll face him in the near future on one of the main day mission, and I'm hoping it's on Lincoln's big day mission, but Yami from Okami, that monster needs to go when we go to the world of Okami.

Nicole: That's for sure. So, when are they coming over?

Lincoln: They should be arriving right...now!

Suddenly, we saw the rays of the sun shine brighter than ever, and then, five girls descended, and they have emerald green, light red, green, light blue, and yellow hair with matching angel wings, blue eyes, green, indigo, yellow, light red, and blue clothes, and greatswords in hand.

Lincoln: (GASPS) Peppermint Bladefighter, Fusion of all Bakugan and Embodiment of Bakugan, Jasmine Witchwood, Fusion Gene-Slammer of The Celestial Brush Gods and Embodiment of Okami, Lemon Dwarfsmith, Gene-Slammer of Kirby and Embodiment of Kirby, Ginger Elfprotector, Gene-Slammer of and Embodiment of Megaman Battle Network, and Tori Crewe, Gene-Slammer and Embodiment of Final Fantasy.

Nicholette Torrington: They're here.

Nico: So, these are...!

Lincoln: Yep. Everyone, meet Peppermint Bladefighter, Fusion of all Bakugan and Embodiment of Bakugan, Jasmine Witchwood, Fusion Gene-Slammer of The Celestial Brush Gods and Embodiment of Okami, Lemon Dwarfsmith, Gene-Slammer of Kirby and Embodiment of Kirby, Ginger Elfprotector, Gene-Slammer of and Embodiment of Megaman Battle Network, and Tori Crewe, Gene-Slammer and Embodiment of Final Fantasy, The Protectors of The Sun Goddess.

Peppermint Bladefighter: And I can guess from how everyone freaked out, Lincoln told you all about us and that he's the reincarnation of Amaterasu from Okami, right?

We nodded.

Jasmine Witchwood: I knew you guys would freak out, and we knew that Chase Young's Dark Side had returned thanks to Anti-Monitor and he's the true villain behind all the pain Lincoln suffered at the hands of Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins.

Me: We found out about it last year, and we absolutely despised that heartless and ruthless bastard.

Nico: And Lincoln told us of the second villain: Yami from Okami, and that he fears Lincoln because he's the reincarnation of Amaterasu from Okami.

Tori Crewe: That's right, and he won't stop until he destroys the reincarnation of Amaterasu.

Lincoln: But, we're gonna destroy him first before he gets the chance to do so.

Selene Emperyous: That's right, and there's something you guys should know about the members of The Protectors of The Sun Goddess: Peppermint Bladefighter is the twin sister of Rosemary with green hair and green clothing and uses a rainbow colored Pegasus covered by stars Bakugan named Celestisus and is known as the most powerful Bakugan ever because Celestisus wields all 6 Bakugan elemental attributes.

Suddenly, a Bakugan appeared on Peppermint Bladefighter's right shoulder, and then, it turned into its true form: a rainbow colored Pegasus covered by stars.

Me: WHOA! So, that's...!

Lincoln: Yes, that's Celestisus, and it's so good to see you again.

Celestisus: You too, Lincoln.

Then, Celestisus transformed back into its ball form and went back on Peppermint Bladefighter's right shoulder.

Michelle Emperyous: Jasmine Witchwood is the twin sister of Sage with light blue hair and indigo clothing and wields the celestial brush bestowed by Amaterasu herself.

Laney Emperyous: Lemon Dwarfsmith is the twin sister of Parsley who's also a dwarf with yellow hair and yellow clothing plus an appetite that rivals even Lincoln's.

Me: I've seen Lincoln's appetite: he has the appetite of both the Saiyans and Shaggy combined times infinity.

Rachel Emperyous: Ginger Elfprotector is the twin sister of Thyme who's also a dark elf with light red hair and wields the Mega Buster and has a collection of battle chips.

Vorya Emperyous: And Tori Crewe is the sister of Sara Crewe with emerald green hair and blue clothing and uses magic and a jewel-crusted sword.

Nico: Wow, that's really incredible.

Lincoln: And being considered the most powerful of my Guardian Angels, no one dared to cross them, not even Sebastian who was the most bloodthirsty and dangerous of all my enemies.

Suddenly, Lincoln made four clones of himself, and while he pinned Peppermint Bladefighter to the ground, his clones pinned the other four girls to the ground too, and they kissed the girls on the lips. Then, they leaned their heads down to their right trapezius, and they slowly bit them and fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln and his clones slowly unlatched their fangs from their right trapezius and the marks sealed up and they kissed the spot where they bit them.

Then, Lincoln helped them up, and then, five Elemental Thunderbird Necklaces of Eternal Love appeared on their necks with colored gems on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with five white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Jasmine Witchwood: Well, that's one way to say it's good to see you again. (Rubs Lincoln's massive pecs) I knew you were still the same gentleman, but to also find out you also have an animalistic side to you as well? (Seductive Voice) Damn.

Lincoln had an atomic red blush on his face and muzzle, and we snickered.

Qin: Well, he did get turned into a vampire-werewolf hybrid because of two certain incidents. Isn't that right, Lori, Lynn, Lola, Lisa, and Luan?

They looked down.

Ginger Elfprotector: We all knew about those separate incidents. Oh, now there's something that we need to tell you guys concerning Sebastian. (Sighs) It turns out he hadn't been freed truly from the darkness inside him, it continues to spread even further within his body.

Nico: We know. Yesterday, when we'd taken down Preston and Priscilla Northwest in Gravity Falls, he also came out and attacked us.

Trudy Lawrence: Knowing how he betrayed us nine years ago during that wedding incident and all of the atrocious things he'd done since then, we still harbor so much hatred towards him. The fucking bastard from Hell.

Qin: Trudy.

Jasmine Witchwood: You're not thinking about kicking him off the team permanently and putting him down forever, are you?

Me and Nico: Hell freaking No! WE'RE GOING TO GET RID OF THAT DARKNESS IN HIM FOREVER AND MAKE HIM GOOD AND

BETTER AND ALL THAT!

Lincoln: They're right, we're going to banish that darkness in him to The Black Abyss forever, but knowing him, he's not going down without a fight.

Suddenly, Buster Bunny and the other Tiny Toons and Looney Tunes came in, and they were in such a panic.

Eli: Guys?

Nico: Buster, what's the emergency?

Buster Bunny: Sebastian's awakened, but the sclera of his eyes had turned pitch black and he had these freaky bright red eyes. He tried to kill us, but we managed to get away. But, he's escaped and he's heading for Acme Acres!

Plucky Duck: That absolute creep and bully! That's it, we're putting him down forever!

BLANG!

LORI WHACKED HIM IN THE HEAD WITH A MALLET AND HE HAD A LUMP ON HIS HEAD!

Qin: Cool it, Feather Face. So, he's fled to Acme Acres: the place where he'd been defeated by you guys and The Z-Fighters on so many occasions in the past. He really is predictable.

Nico: That's what he's always been, Qin, after his descent into madness. But, if that demon thinks he can get away with this, he's got another thing coming. If he wants to fight us, fine. But, it won't end in the way he wants.

Me: It's going to be brought to an end on our terms, not his.

Lincoln: I've set the coordinates of The TLPS Flying City Fortress to get us to Acme Acres. Watch out, Sebastian Mendez, we're coming for you. Let's finish up breakfast.

Nico: Right.

Me: That's true, we can't fight that lunatic on an empty stomach. But, we got to be careful, we don't know what Sebastian's going to do.

Buster Bunny: He may not be able to bring the Z-Fighters' old enemies to his side anymore since The Ginyu Force have since been put in The M.O.E. along with Cui and several others, but at least, we'd freed the last fragments of their souls from him.

Babs Bunny: But, he can still summon clones of them or shadows of them.

Lincoln: I'm hoping he summons the clones of them, that way, I can absorb them again and gain all of their powers, skills, abilities, and strength.

Me: Like you've done the last time that happened when we faced that demon version of him last year.

Zoe woke up to see Dachsbun staring at her

Dachsbun: Morning Zoe. Time for breakfast.

Zoe: Oh boy!

She went and got dressed and went to the table and we were having French Toast and Italian Sausage omelettes.

Me: Nico, me, Fluttershy, Lilja and Lincoln are gonna go to Iceland and confront Lilja's father.

Lilja: (Icelandic Accent) I just want some answers.

Nico: Okay. Just be careful.

Me: Will do.

We were off to Reykjavik.

We were over at the Reykjavik Insane Asylum,

Me: Here we are.

We were being shown to Gunnar's room by one of the doctors and we knocked on the door.

Gunnar: (Icelandic Accent) Come in.

We went in.

Me: Are you Gunnar Jóhannsdóttir?

Gunnar: Yes I am. Team Loud Phoenix Storm it's an honor to meet you.

Me: Same here.

Lilja: Dad?

Gunnar: (GASP) Lilja?

Lilja: Daddy why did you hurt mom!?

Gunnar: Oh sweetie I'm sorry. I can't help myself.

Lilja: Why?

Gunnar: I had a very traumatic episode back when I was your age. I saw something I shouldn't have seen and it caused me to develop this horrible personality in me. I hear voices every time and it would take control of me and then I would do things I would regret.

Lilja: Oh no.

Fluttershy: Goodness that is awful.

Me: You have Dissociative Personality Disorder and it makes you into someone who you hate.

Gunnar: That's right. I am locked up in here for my protection. I can't go outside because I fear that I may kill people.

Lincoln: That is awful. I'm sorry you did all that.

Me: At least we know it's not your fault. Your own mind has become your own worst enemy.

Gunnar: Yes.

Me: How about this? We have you join us on the holidays under our supervision to bond with Lilja.

Gunnar: I would like that very much. Lilja I'm so sorry I did what I did. Your mother would be very proud of you just like Fluttershy is with you.

Lilja: She already is dad.

Gunnar: I'm glad too. Thank you all so much.

Me: You're welcome Gunnar.

We later left for home. Lilja had gotten her closure.

We later came back.

Nico: How did it go?

Me: It went better than we thought.

I told him everything.

Nico: Oh man! So that's it. Dissociative Identity Disorder.

Laney: That's terrible. So he locked himself up in to protect everyone.

Me: Yeah so we arranged for him to come on holidays to join us for bonding with Lilja under our supervision.

Lynn: Like how you did with my twin sister.

Nico: Yeah.

Me: Yep.

Nico: Good idea. Lets finish our breakfast and get ready for the rescue.

Nicole: It's a treasure hunt. And you guys will love the quarry.

Nico: Cool.

We then finished our breakfast, and we set out to take down Sebastian Mendez and free him from the toxic darkness that still festers inside him.

He vomited lava and it landed into the ocean.

Nico: Ooh yikes.

Nico: That's a little gross

Me: At least it's not vomit.

Nico: True.

Qin: Still hot though.

Lola: It sure is.

Eruptor: Sorry guys I can't help it. Have lots of problems with my tum tum.

Ember: (Japanese Accent) Hes been like that for a while.

Nico: Oh boy.

Me: Yeah. WOW! We had a lot of fun yesterday. We killed Cyrus and captured Number 4 of the Midnight Princesses.

Me: That's good.

Qin: Yeah.

Lola: No kidding there.

Xenia: Yeah.

Lola: That is for sure. Cyrus got what he deserved.

Nico: And we saw Whitney's home town

Me: We sure did.

Qin: That sure was cool.

Lola: Yeah.

Camie: Yeah.

We landed on the island.

Nicole: We're here.

Nico: So, what's this treasure we're looking for?

Nicole: It's called the sword of Lugh the God of the Sun in Celtic Myth. It's said to be the sword of the powers of the sun.

Nico: Cool!

Qin: Yeah!

Nico: Let's watch out for traps.

Me: Right.

We then trekked through the jungle and got to the temple.

Nicole: At last the temple of Lugh!

Nico: Cool! Like I said watch for traps.

Nicole: We know.

We went in and it was amazing.

Qin: Wow!

Girl Jordan: This is amazing!

Lola: It sure is!

Nico: I agree

Mindy Chan: Wow!

We went into the temple and then came into a big room and we saw the sword! It was a golden sword with Irish Sun symbols on it.

Nicole: At last! The Sword of Lugh!

Nico: Wow! It's beautiful.

Qin: It sure is.

Nico: Who wants to get it?

Mindy Chan: I'll get it.

Nico: Go for it sis.

Mindy went over. She then grabbed the handle and then pulled the sword out and it glowed and then she underwent a powerful transformation!

ESCAFLOWNE INTRO SONG FOX KIDS PLAYS!

She was enveloped in a powerful vortex of solar fire and she grew wings made of solar fire and she got the body of a beautiful girl and she her hair grew long and turned blond like Rapunzel's and she had the powers of the sun in her.

When it was done we were amazed!

Me: WHOA!

Lola: WOW! Mindy you look awesome!

Mindy Chan: (Older voice) Whoa that was a rush! (GASP) My voice!

She saw her body.

Mindy Chan: Someone give me a mirror!

I formed one and she saw herself and she looked amazing!

Mindy Chan: WHOA! Wow! I... I look so beautiful!

Qin: Wow! Little Mindy is all grown up!

Mindy Chan: I guess I'm not little anymore.

Nico: I'm so proud of you, sis!

Mindy Chan: Thanks big bro.

They high five but their hands missed.

Mindy Chan: Whoops. Sorry.

They high five.

Mindy Chan: I have a lot of things to get used to here.

Pipp Petals: Lets braid your hair for this. Don't want you to trip.

Rarity: And lets get you a new wardrobe darling.

Mindy Chan: Yeah my clothes are a little snug.

Poromon landed on her head

Pipp braided her hair and made it beautiful like Rapunzel's and made it shorter. Rarity and the fashion brigade gave her amazing purple clothes.

Mindy Chan: Wow! I look awesome. How do I look guys?

Nico: Awesome sis!

Qin: Yep.

Mindy Chan: Cool!

Nico: Wow! Mom and dad and Alicia and Connor are gonna be amazed.

Me: They sure are.

Poromon: You look nice, Mindy.

Mindy Chan: Thanks Poromon. I sure do. Boy M-Bison is gonna be in for a brutal fight when he sees me now.

Nico: You got that right!

Qin: Yeah!

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Acme Acres, and just like we'd discussed this morning: Sebastian's awakened, but the darkness inside him had taken hold and he escaped, and is still out to out to destroy mankind once more.

Me: Just as you told us.

Nico: There's no way in Hell we're going to let this go on any longer, this is where we end this whole nightmare for good.

Qin: That bastard's got some nerve to think he can attack Acme Acres and try to get away with it without us knowing. I knew he was insane, but I never figured he'd be THIS FUCKED-UP!

Lincoln: Well, this was all due to the darkness inside him, we're going to destroy it for good and take down Sebastian as well. But, he's gonna fight like Hell and resort to other means of terror to try and get rid of us.

Lola: Let that monster try, he's gonna regret messing with all of us.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio's sent out a gang of thugs to try and attack us and Morgana Midnight Sparkle has resurrected Pronyma, Forcystus, Magnius, Kvar, Rodyle, Abyssion, and The Pope from Tales of Symphonia and sent them after us.

Lincoln: Sergio, Morgana, you little...!

Me: What's wrong, Lincoln?

Lincoln: It's not good, Sergio's sent out a gang of thugs to try and attack us and Morgana Midnight Sparkle has resurrected Pronyma, Forcystus, Magnius, Kvar, Rodyle, Abyssion, and The Pope from Tales of Symphonia and sent them after us.

WE GASPED!

Nico: That repulsive rat with wings! He and the gang he hired are going to pay for this!

Lincoln: I'll get the bombs full of hot cheese sauce ready after we take care of Sergio's thugs and those bastards.

Me: I like it!

Nico: (SLURPS) Cheese!

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: Luckily, we're ready for anything with Sebastian.

Lori: That lunatic's literally going down and that darkness that's inside him is going straight to The Black Abyss for good this time.

Lincoln: Without a doubt, Lori.

Connor: WHOA! Mindy is that you?

Mindy Chan: Yeah Connor it's me. I've had a huge growth spurt when I got the sword on this treasure hunt.

Alicia: WOW! You look amazing little sis. I guess we can't call you that anymore.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Sebastian) AHA! There you are, you psychotic bastard. I just spotted Sebastian, he's 20 yards away, and he's summoned clones of The Z-Fighters' old enemies and he's already causing havoc. (Sensed Sergio's hired thugs and Pronyma, Forcystus, Magnius, Kvar, Rodyle, Abyssion, and The Pope) And I just spotted Sergio's thugs and Morgana's next set of puppets.

Nico: Let's tear them apart.

Palutena heard a Pokémon cry

Palutena: Look guys!

We saw not a Pokemon but rather a Digimon.

Me: Cool Luminamon!

Palutena: That is perfect for me.

Luminamon: Thank good.

Nene Amano: That is awesome.

Palutena had food appear for her.

Luminamon: Oh boy!

Palutena: Dig in.

Luminamon: Thank you Palutena!

Palutena: You're welcome.

Then a light appeared and it revealed a Digivice! It was a white Digivice.

She got it.

Palutena: My own Digivice! Wow!

Me: Wow! Way to go Palutena.

Palutena: Thanks J.D.

Luminamon: And I'm not alone.

Another Jirachi came but this one had pink streaks on her!

Me: Whoa another Jirachi!

Jirachi: Cool! Looks like I have another playmate.

Jirachi 2: You sure do.

Palutena gave food to her too.

Nico: Wanna come with us?

Luminamon: We would like that.

Jirachi: Sure!

Me: Awesome!

Eli: Whoa I sense something outside!

We went outside.

We looked around.

Eli: Look there!

We saw a Nihilego!

Me: WHOA! Nihilego!

Nico: What's that doing here?

Me: No idea.

Girl Jordan: Wait I sense something familiar about it.

Leeli: Me too.

Janner: Like we know it.

Tink: Yeah.

Girl Jordan used telepathy and gasped!

Girl Jordan: Oh man! Eowyn!

Leeli: Eowyn is here! Wow!

Janner: Eowyn Rosato Wingfeather!? Oh man!

WE GASPED!?

Me: You got to be kidding me!? She has your last name as her middle name!?

Eli: How can that be?

Girl Jordan: We got this!

Girl Jordan and the Wingfeather siblings went up to her.

Nico: Be careful!

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background. Janner and Tink held Girl Jordan and Leeli's hand's too.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and then in a swirl of magical energy she reverted back! She had blond hair and blue eyes and had blue clothes and had blue angel wings and had the Wingfeather Crest in the middle of her forehead and had Nihilego on her arm, shirt and skirt and had the sword of the Wingfeather's in her hand.

Eowyn Rosato Wingfeather: (Groan) Wow.

Girl Jordan: Eowyn? Are you okay?

Eowyn Rosato Wingfeather: (Gasp) Jordan, Leeli, Tink and Janner!? Wow! You're all here.

Leeli: Thank goodness you're safe.

Eowyn Rosato Wingfeather: I am too and Leeli your lame leg is better.

Leeli: Long story.

Girl Jordan: I'm confused. How can we have Rosato in our name?

Eowyn Rosato Wingfeather: Well the truth is Girl Jordan, you're going to be shocked about this. Girl Jordan you are actually part of the Wingfeather family biologically. You were sent here to Earth for protection from Gnag and his forces and you like Leeli are one of the jewels that would lead to his doom.

WE GASPED!

Me: WHOA MAN!

Nico: SAY WHAT!?

NICO OPENED HIS MOUTH SO WIDE THAT HIS SKELETON FELL OUT!

Me: WHOA! So Girl Jordan is a member of Leeli's family!?

Xenia: That is incredible!

Eowyn Rosato Wingfeather: Yes.

Me: That explains why she has that powerful spiritual connection with Leeli and her brothers!

Twilight Sparkle: Wow! That bond grows deeper than we thought!

Nico put his skeleton back.

Nico: I hate it when that happens.

Maria: And you're not naked this time?

Eowyn Rosato Wingfeather: No the song restored me and my clothes.

Girl Jordan: This is amazing! I had no idea I was from Aerwiar. I was raised here on Earth my entire life and didn't even have any clue I was from there.

Me: No kidding!

Nico: No wonder you like that song!

Me: YEAH! That is a shocker!

Girl Jordan: Yeah! Now I know I am part of the Wingfeather family.

Leeli: YAY! BIG SIS!

She hugged Girl Jordan.

Eowyn Rosato Wingfeather: And now we're all back together.

Me: You sure are. Eowyn you were also turned into a Nihilego by Dark Gale.

Eowyn Rosato Wingfeather: I know. What a bunch of horrible monsters.

She was in a black suit and was injected and turned into a Nihilego and she made all the Dark Gale members go insane and kill each other and flew out.

FLASHBACK ENDS

Eowyn Rosato Wingfeather: It was awful.

Me: I know. But we are killing all of Dark Gale even as we speak. We already went to 4 cities and destroyed 4 bases.

Eowyn Rosato Wingfeather: Wow you guys are making good progress.

Girl Jordan: And I guess that makes me a princess too.

Eowyn Rosato Wingfeather: It does.

Lincoln: Wow! 2 of my future wives are princesses of Aerwiar.

Girl Jordan: That's right.

Leeli: It sure is awesome.

Me: Yep.

Nico: Your role in Sonya's team?

Eowyn Rosato Wingfeather: I am the mage, song maiden and sword master of the team and I have magic and powers that are strong as 100,000,000 Merlin's.

Me: Whoa!

Eowyn Rosato Wingfeather: Yep. I use my magic to bring down our enemies. Also outside the team I am the historian of Aerwiar.

Me: Wow! That is cool! You don't have anything to worry about anymore. Gnag and his forces are all dead. We killed them all.

Nico: It's true.

Me: We went to Aerwiar last year and killed them. Gnag the Nameless and his forces were no match for the most powerful force in the entire universe. But we have this feeling that Anti-Monitor brought them back. But we're going to be ready for them.

Eowyn Rosato Wingfeather: Good. I will help you all destroy them.

Nico: It'll be on a rescue though. But you should be proud of Girl Jordan and Leeli and your brothers. They all have been an amazing and tremendous help to all of us.

Eowyn Rosato Wingfeather: And I'm so proud of all of them.

Me: We are too. Leeli, Janner and Tink joined us a year ago and we're really proud of them.

Poromon: We sure are.

Eowyn Rosato Wingfeather: I am so happy for them. I am proud of them too.

Nico: All of us are. Now lets head to the city for bringing the evils of Sebastian down.

Me: Lets go!

We then took off into the air to take down Sebastian and destroy the darkness that festered inside him and send it along with Pronyma, Forcystus, Magnius, Kvar, Rodyle, Abyssion, and The Pope to The Black Abyss and kill Sergio's hired thugs.

We were flying in the air, and when we got into the city of Acme Acres itself, we suddenly saw the utter devastation Sebastian was already leaving in his wake: buildings were being trashed, cars and trucks were destroyed, and they were also on fire! IT WAS A

SCENE STRAIGHT OUT OF HELL ITSELF AND WE HEARD SEBASTIAN'S DEMONIC LAUGHTER ECHOING IN THE AIR!

Nico: My God, look at this place!

Me: Shit, now he's really going to get it!

Lincoln: Let's fix up the damage.

Lincoln snapped his fingers and the damage to the city was repaired. Then, he found a blood trail and we followed it, and lo and behold, it led us straight to the ruins of the former school, Perfecto Prep, and there we saw our target, Sebastian Mendez, and as expected, he had clones of The Z-Fighters' old foes with him, and we heard his deranged and demonic cackling in the air.

Lincoln: Yeah, that's right, keep cackling, you lunatic.

Lincoln fired blasts of light and elemental forces from his massive white angel wings and nine other sets of large white angel wings underneath his massive white angel wings and they hit Sebastian and the clones of The Z-Fighters' old foes, and he screamed and shrieked with pure anger that came out of Hell itself as we landed.

Nico: Sebastian, I should've known you'd go crazy like that again and the darkness inside you turned you back into that...thing!

Qin: We should've kept a closer eye on you. Nico, let me piss him off, this'll get him really enraged.

Qin decided to piss Sebastian off and get him so enraged, he'll go completely crazy!

Qin You've gone too fucking far, Sebastian, I knew we made a mistake in trying to give you a chance at redemption, but it looks like I was wrong. You're still the absolute bloodthirsty toxic monstrous evil insane unhinged sadistic depraved psychotic bastard from the depths of Hell with a black heart of madness and hatred.

Sebastian Mendez: (GROWLS)

Trudy Lawrence: As if that wasn't enough, we can still smell blood on you: the blood of all those who you had shamelessly and mercilessly slaughtered in the past nine years, you're absolutely insane!

Sebastian Mendez growled even more, but it was slowly turning demonic.

Qin: By the way, good work in turning against us when we went after Preston and Priscilla Northwest yesterday, that really made it easy for you to expose your true colors to the world.

It was working: Sebastian was about to lose it!

Qin: Ooh! Mr. Absolute Bloodthirsty Psycho decided to betray us once again and come back to Acme Acres to cause havoc once more and bring death and destruction to mankind once again, and guess who has to clean up your fucking mess?! Us, that's who!

Qin had a really smug smirk on her face when she said it.

Chris Taylor: Alright, now that's telling him!

And just as Qin finally got done saying that, SEBASTIAN ABSOLUTELY FUCKING LOST IT BIG TIME!

Sebastian Mendez: (ENRAGED DEMONIC SCREAM) (DEMONIC VOICE) YOU SCALY BITCH! YOU THINK I'M GOING TO LET YOU GET AWAY WITH THAT! SLAVES, KILL THE BITCH AND ALL OF TEAM LOUD PHOENIX STORM!

The clones of The Z-Fighters' old foes went after us, but then, Lincoln turned the tips of his eleven massive and long wolf tails into Cell's stingers, and one by one, he stabbed them into their chests, and he began absorbing them and he assimilated their superhuman strength, superhuman speed, superhuman endurance, superhuman durability, superhuman stamina, and myriads of superhuman abilities, along with energy blast projection and many other abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and nine other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing stronger.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of any of them, and it really made Sebastian even angrier than ever as he let out a demonic shriek.

Lincoln: I've heard a lot worse from Lori and Lola when they go on their rampages, and you hired thugs of Sergio better get out here right now, I can catch the smell of cheap booze in the air, same with you, Pronyma, Forcystus, Magnius, Kvar, Rodyle, Abyssion, and The Pope.

Suddenly, we saw a group of big muscular thugs come out: they were dressed in biker clothes and they are no doubt in league with Sergio, and we also saw Pronyma, Forcystus, Magnius, Kvar, Rodyle, Abyssion, and The Pope come out.

Thug: The boss wants you and your pregnant wives dead, and that's exactly what's gonna happen.

Pronyma: You will all pay for this humiliation you've dealt unto us.

Lincoln: Tell Sergio to jump off a cliff and buzz off!

I kicked Sebastian in the face and leg swept him and kicked him in the back and flew up and dealt him a spinning axe kick to his stomach and smashed him into the ground.

I punched him in the face and knocked him down.

Eli: Try this on!

Lincoln stabbed the tips of his tails that he turned into Cell's stingers into the chests of the thugs, Pronyma, Forcystus, Magnius, Kvar, Rodyle, Abyssion, and The Pope he proceeded to absorb them and he grew stronger and assimilated their strength, abilities, and powers. When he was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls and sent them to The Black Abyss, and that pissed Sebastian off even more!

Lincoln, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Sebastian, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, blue, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Sebastian Mendez and they exploded with incredible power as they hit him.

Then, Nico and I fired massive rainbow, white, golden yellow, and blue energy blasts and purifying magic that hit Sebastian and it forced him out of that demonic form and back into his normal form, and he was shrieking like crazy: the purifying blasts were hurting the darkness inside him.

Sebastian Mendez: (SHRIEKING)(DEMONIC VOICE) WHAT IS THIS!?

Then, we attacked Sebastian with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength and that made Sebastian even angrier than ever.

Sebastian Mendez: YOU! YOU INSOLENT FOOLS! I'M GONNA MAKE YOU PAY!

Sebastian Mendez ran right at us in a furious rage, but Lincoln and I clenched our left fists real tight, and then,...!

POW! POW!

Sebastian Mendez: (DEMONIC SCREAM)

Then, Lincoln, Nico, and I charged and smashed our rainbow energy infused left fists into Sebastian's stomach, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Sebastian enraged beyond measure charged at us, but Lincoln, Nico, and I fired massive beams of lightning, light, and fire which hit Sebastian and he then let out a bellowing demonic roar as we saw darkness coming off of him, and then, it shot out into the skies as all that darkness came out of him, and it turned into a demonic monster, and we intensified the beams and it hit the darkness and they destroyed it forever and sent it to The Black Abyss for all eternity, and Sebastian fell to the ground as his demonic wings changed back to the black angel wings.

We cheered as we holstered our weapons and we powered down, and my new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind my head, large twenty five planets orbiting around my legs and twenty five smaller planets orbiting around my waist, eleven massive and long brown wolf tails, larger brown wolf ears on top of my head, smaller planets orbiting around my fingers like rings, medium sized planets orbiting around my wrists and ankles, and massive rainbow angel wings and nine sets of large rainbow angel wings underneath my massive rainbow angel wings are permanent, and Nico's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large twenty five planets orbiting around his legs and twenty five smaller planets orbiting around his waist, eleven massive and long brown wolf tails and longer Saiyan tail, larger brown wolf ears on top of his head, smaller planets orbiting around his fingers like rings, medium sized planets orbiting around his wrists and ankles, and massive dark blue angel wings and nine sets of large dark blue angel wings underneath his massive dark blue angel wings are permanent.

Me: We finally did it!

Nico: Sebastian's been freed, thank goodness, and we got rid of that fucked-up darkness inside him for good.

Suddenly, I was swarmed by Varie and the rest of my harem and I was kissed all over the place: face, muzzle, pecs, twelve-pack abs, back, arms, biceps, shoulders, triceps, and neck, and when they were all done, I had a blood red atomic blush on my face and muzzle, hearts in my eyes, and my nose was really gushing out blood like a fountain.

Then, Nico was suddenly swarmed by May and the rest of his harem and he was kissed all over the place: face, muzzle, pecs, twelve-pack abs, back, arms, biceps, shoulders, triceps, and neck, and when they were all done, he had a blood red atomic blush on his face and muzzle, hearts in his eyes, and his nose was really gushing out blood like a fountain.

Me: (In Heaven) Oh...man...!

Nico: (In Heaven) So...fucking...awesome!

Everyone laughed.

Lincoln: (Snickers) You're gonna have to get used to that brand-new form of yours, J.D., and you're gonna have to get used to getting swarmed by your harem like that.

I shook my head.

Me: (Smirks) Like you did?

Lincoln had an Embarrassed Blush on his muzzle.

Nico: But, that was so absolutely awesome! We both transformed into our new forms and we really trashed Sebastian!

Me: That we did.

Lincoln: And we've finally gotten rid of the darkness inside him once and for all.

Varie: That's for sure. (Rubs my massive pecs) (Seductive Voice) And we'll be sure to give you some tender loving care later tonight, J.D.

May: (Rubs Nico's massive pecs) Same with you, Nico.

My nose and Nico's nose were bleeding and our tails were wagging like crazy and they made serious seismic tremors that sent many hidden thugs flying away and sent into our space prisons! Suddenly, we started flexing our now even more massive muscles as we did tons of bodybuilding poses and that made the noses of our entire harems gush out blood like a fountain.

Me and Nico: Like what you see, ladies?

They nodded like crazy.

Suddenly, an informant in a black coat called Caleb Maxwell and gave him some juicy information: but when the informant was finished, we saw Caleb's eyes narrow with rage.

Caleb Maxwell: What...the...HELL!?

Suddenly, we saw the sclera of Caleb Maxwell's eyes turn black and his red eyes turn brighter: it was not good.

Captain Whitten: What is it, Caleb?

Caleb Maxwell: My informant told me that another gang in Harlem, New York, is planning to smuggle illegal weapons to Dark Gale and make money.

When we also heard it, we were really really pissed off!

Nico: What the fuck?!

Me: That shithead!

Caleb Maxwell: That fucking does it!

Caleb Maxwell sent a message to The Big Claw Gang about this, and immediately, they came out of the rooms all dressed up and they were madder than Hell.

Claw Dane Drake: I warned Harold Devins not to overstep his boundaries, and now, he's trying to smuggle weapons to Dark Gale to make money just like with The Vermillion Dragons in Chinatown and The Romano Crime Family in Little Italy. That's it, we're gonna kill every last one of them.

Nekome: (Japanese Accent) I've been waiting for this chance to come for a long time.

Carla Claw: Hope you got plenty of bullets, Caleb, because we're about to raise Hell on Earth.

Mad Cat Max: Harold's lived for too long, the parasite.

Carter Kenrick: I've had it up to hear with that piece of shit, today, he's going to die.

Caleb Maxwell took out the photo of Harold Devins: he's a male brown-furred cat with black hair and white muzzle, and he had on a business suit.

Carter Kenrick: The guy you see here is Harold Devins, he's the leader of a local gang of thugs who've caused a lot of trouble in Harlem for years, and I heard tons of stories about them: these guys are well-known troublemakers and some of their members are pretty dangerous and crazy, but their leader was the most ruthless man ever, and I heard the story on him from Harold's father, and when I heard of the pretty horrendous things that Harold had done to local rival gang members and to the innocent, let's just say it's not pretty: this guy's a boogeyman to locals in Harlem when he was young, and on some occasions, some of the gang's local tough guys of their group would try to kill me to make a name for themselves and it was long before he died, but the fear of Cage Blunt and Travis Tackett always lurking in the shadows caused them to slink back to their hideout.

Lincoln: Looks like we're going after them, after we take care of The Anothers.

Nico: Okay, from this point forward, no one gives Sebastion a hard time anymore!

Me: Okay.

Sebastian got up.

Sebastian: (Groans) What the heck happened?

Me: You were purified of the dark curse that plagued you. You are back to being good.

Sebastian: Wow. (Groans) I've got the worst ever headache. I feel like I was hit by a huge meteor.

Me: I know the feeling.

Lana gave him a huge block of ice.

Lana: There you go.

Sebastian: What the heck did I do?

Me: Well you want the short version or the long version?

Sebastian: Long.

Me: Okay but it's gonna take a while.

I told him everything and it was brutal.

She reverted back and was a girl that looked like a black hair version of her.

Zoe: Gianna Mario!

They hugged.

Zoe: Gianna is my penpal from Italy. She taught me all about how to speak in Italian and how to cook Italian food.

Me: Wow! That is cool!

Xenia: Neat.

Kaito (Gets out Zi O gear): Did Swartz promise you anything?

Zocks (Gets out Zero One gear): Because we can grant it instead.

Kaito and Zocks got weapons from those riders.

Naomi Minerva: Thanks! That was fun!

Me: Wow! That is cool!

Nico: Yep.

They hugged.

Nico: I've missed you.

Naomi Minerva: Same here.

We later went back home.

Now, Caleb's heard the latest intel: apparently Harold's also been trying to smuggle illegal weapons and drugs to Dark Gale and make money, and when Caleb Maxwell heard it, that pissed him off and he also alerted The Big Claw Gang. We're heading down to Harold and we're gonna make the streets run red with the blood of those bastards.

Lincoln: Ah, we're here in Harlem, New York, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're going to destroy Harold Devins and his gang.

Cage Blunt: Harold Devins and his gang are done for, and as for what happened with telling The Big Claw Gang about it this morning, you really threw open The Gates of Hell, Caleb. I wouldn't be surprised if they aren't already going on the rampage and busting the heads of Harold Devins and his gang open.

Jack Howard: Knowing Panther and Shroud, they're bound to do just that, same with the others.

Roxy Drake: You really unleashed Hell when you told them this morning, Caleb.

Tyler Maxwell: Honestly, if I was still at home, I'd have told you to watch your temper, Caleb.

Allie Maxwell: Caleb tried to keep his anger in check for years, and it wasn't funny.

James Blunt: Take it from me, I'd seen how angry your older brother got, and it was pretty ugly when he lost it.

Caleb Maxwell: Yeah, it wasn't pretty.

Suddenly, we met up with The Big Claw Gang.

Nico: Hey, weren't we supposed to meet up with you as soon as we heard the gunshots?

Panther: Not a chance. Those guys have those weird white angel-like creatures with them.

Lincoln: Those are The Angels of Paradiso.

Bayonetta: (British Accent) It's been a while since we've run into them.

Jeanne: (British Accent) And they've allied with those uncouth criminals? Well, looks like things have just gotten even more interesting.

Fuse Man: Uh oh, I don't like the sound of that.

Lincoln: Any normal person wouldn't, but for us, this just got a lot more fun.

Luna: You mean for you, Bayonetta, and Jeanne, right?

Lincoln: Yep.

Nicole: Well, in any case, you guys just use the Infernal Demons on the Angels of Paradiso and not on Harold Devins and his gang.

Lincoln: Don't worry, we'll make sure of that, Nicole. Now, let's get going and hunt down those losers before they find out we're coming for them. But, where in Harlem would they be at?

Suddenly, we heard gunshots.

Caleb Maxwell: I think I know where. Let's go.

We immediately got a move on to stop Harold Devins and his gang, and also, hunt down some Angels of Paradiso while we're at it.

We immediately high-tailed it and Harold Devin's thugs are already shooting like crazy.

Caleb Maxwell: What the Hell?!

Claw Dane Drake: Okay, now it seems they've lost their minds.

Patch: More so than usual.

Suddenly, we saw something invisible go past them.

Mad Cat Max: Was that a...?

Lincoln: An Angel of Paradiso.

Lincoln snapped his fingers and he made The Angels of Paradiso visible, and to our surprise, they're none other than a group of Affinity.

Caleb Maxwell: So, those are The Angels of Paradiso. Okay, now we need to take them down.

Lincoln: Actually, leave this one to us, Caleb.

Lincoln unholstered his massive greatsword from his back, and as he swung it, he fired a massive and powerful shower of blades of darkness that skewered Harold Devin's thugs and they got killed almost in a split second and the streets and sidewalks were covered with their spilled blood.

Then, Bayonetta, Jeanne, and Lincoln went at The Affinity Angels, and they shot, slashed, and blasted them into a gory mess, and Lincoln vacuumed the Halos they dropped to use as currency for The Gates of Hell.

Eli: Yeesh!

Mad Cat Max: Well, Caleb did say the streets were going to run red with their blood.

Caleb Maxwell: And I didn't expect some uninvited guests. Let's get after that piece of shit before he tries to flee.

Suddenly, we saw a Hippogriff flying in the skies and it left a gentle breeze across the skies and it blew across us, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long brown hair, purple eyes, massive blue angel wings, white short-sleeved blouse with a hippogriff on it and on her forehead, sleeveless orange crop top, white gloves, orange skirt, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, winds, hippogriffs, phoenixes, and angels on the coattails, and on the back is the Hippogriff, she has a wind greatsword in her right hand, and with her are the five girls.

Lincoln: (GASPS) Helen Hippogriff, Avatar of The Hippogriff.

Amara De Rose: That's right, and I got the girls away from Harold Devins, but he and the remnants of his gang are trying to escape.

Caleb Maxwell: Not on my watch.

We ran immediately, and then, we saw our main target: Harold Devins, and he and the remnants of his gang were trying to escape Harlem, but then, Lincoln erected a blessed barrier and kept them from trying to escape.

Harold Devins: Shit! Who did this?!

?: Who do you think, asshole?

Harold Devins turned around, and he saw Caleb Maxwell along with all of us as well.

Harold Devins: Crap, Caleb Maxwell, The NYPD, The Big Claw Gang, and Team Loud Phoenix Storm?! Just when we were about to escape!

Lincoln: You seriously thought you were going to escape? I'm afraid that's impossible, the angelic seal I put up cannot be broken, and it'll stay there until we take you all down.

Harold Devins: I'm not going down easy! GET THEM!

Harold Devin's men came after us, pathetic.

Lincoln: What an animal.

Skippy the Bush Kangaroo went after Harold Devins' men, and he fired extremely powerful blasts of red and yellow, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, kangaroos, phoenixes, and angels at the thugs and they exploded with incredible power as they hit them. Then, he punched them hard with his gauntlets and kicked them with his graves and they got hit hard.

Then, Skippy balanced himself on his tail and delivered a hard kick to their pelvis area and shattered them and they fell to the ground in pain. Now, all that's left is Harold Devins, and he was panicking.

Lincoln: It appears you're all alone, now you have no one left to help you, Harold Devins. Your father despised your actions in life and he still does after he died and entered into Heaven, and now, your sins have finally caught up to you, now you shall pay for your sins. (HOWLS)

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Harold Devins, and he proceeded to brutally smash him right into the ground with his massive superhuman strength, slashed him with his gold-armored dragon claws and greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON HIM! HE WAS REALLY GOING APESHIT ON THEIR

MISERABLE HIDES!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SQUELCH! AGONIZING SCREAM!

LINCOLN ALSO GAVE HIM A SEVERE CASTRATION AS HE SLASHED OFF HAROLD DEVINS' CROTCH WITH HIS MASSIVE GREATSWORD AND FIRED A BLAST OF HEAVENLY LIGHT THAT CAUTERIZED THE WOUND, BUT THAT MADE HAROLD DEVINS SCREAM EVEN MORE IN PAIN!

May: OH! AND HE ALSO RESORTED TO THAT! EUGH!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL! NASTY CASTRATION!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going apeshit on you!

James Blunt: That's only a fraction of what's going to be awaiting you after you die.

We saw Harold Devins shaking with rage, and he was a mess: Lincoln tore some of his hair off and he left claw marks on his face and clothes.

Harold Devins: YOU! YOU EXPECT ME TO BEG FOR MERCY LIKE A DOG?! HUH?! SCREW YOU! FUCK YOU!

Lincoln: You do not deserve mercy whatsoever for your crimes, Harold Devins. You murdered so many innocent people and you showed no remorse for your sins, and what you did in breaking the commandment of thou shalt not kill, you've doomed your soul to eternal damnation and no atonement for your sins in the past can save you from the fate that now befalls you: eternal damnation in The Black Abyss.

LINCOLN SHOT HIM AN EXTREMELY DEATHLY GLARE AND THAT MADE HAROLD DEVINS AND HIS THUGS SO SCARED, THEY SCREAMED IN FRIGHT!

Harold Devins and his gang: (BLOODCURDLING SCREAMS)

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, HE REALLY DID IT, HE TRIED TO BEG FOR MERCY, BUT LINCOLN SHOT THEM DOWN WITH THE FACT THEY BROKE THE COMMANDMENT OF THOU SHALT NOT KILL AND THE TELLING THEM OF THEIR FATE ALONG WITH A DEATHLY GLARE AT THEM TOO!

Eli: They are done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKERS, YOU MESSED WITH THE WRONG HEROES AND THE WRONG PLANET, YOU JUST BOUGHT YOURSELVES A ONE-WAY TRAIN RIDE TO THE NINE CIRCLES OF HELL!", "TAKE THAT, YOU ASSHOLES!", "YOU DESERVED TO GET BEATEN DOWN BY LINCOLN! HAVE FUN IN THE BLACK ABYSS, YOU MISERABLE FUCKS!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending explicit condemnation and threats to those thugs.

We saw the public condemnation, and it was really explicit!

Me: Wow.

Nico: Man, they really are going all out to say those kinds of explicit threats to those bastards.

Luna: And what Lincoln said was true, now they're really doomed.

Me: When eternal damnation is proclaimed to those facing judgement for their sins, there's no escape from their judgement.

Then, Lincoln approached Harold Devins who was writhing in pain.

Lincoln: You're now writhing in agony and pain, and you're not going to last for long, same with your men. Now, to put you out of your misery.

Lincoln grabbed Harold Devins by the neck with his left hand, and his deep sapphire blue eyes glowed and we saw Harold Devins' eyes glow white as Lincoln sucked out the thug's soul which killed him, and then, he also did the same to the remaining members of Harold Devins' gang as he also sucked out their souls and ended their lives, and Lincoln's counterparts judged them and he found them guilty and Lincoln drained the souls dry of energy and sent them to The Black Abyss. We cheered as we holstered our weapons and powered down, and we headed back into The TLPS Flying City Fortress.

Lincoln: Rest in The Black Abyss forever, Harold Devins.

Caleb Maxwell: Mr. Devins, it's over, Harold and his gang are gone. Now, you can rest in peace.

Me: Wait, what did you mean? Is Mr. Devins still...?

Caleb Maxwell: No, he died at the age of 58 when I was in high school. I came over to his house and paid my last respects to him, but before he died, he made me promise I'd take Harold down for good. Back then, I didn't want to kill anyone and he also realized it as well despite his son was extremely evil, but after my death and realizing what kind of bloodthirsty person Harold was and realizing he's just as bad as Drake, I would honor Mr. Devins with this one act.

Carter Kenrick: He'd be proud of you for doing so, you helped him rest in peace by taking his son down forever.

Lincoln: Even if it meant spilling blood, but we finally did it: we stopped The Romano Family, but I don't think this is the last time. We'll need to keep an eye on New York's gangs for any Dark Gale trouble in the coming days. (To Helen Hippogriff) And it's so good to see you again, Helen.

Helen Hippogriff: You too, Lincoln, it's been seven years since we last met.

Suddenly, Helen Hippogriff had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Helen Hippogriff was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Helen Hippogriff: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around

Helen Hippogriff and hugged her, and Helen Hippogriff is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Helen Hippogriff: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Helen Hippogriff, Avatar of The Hippogriff, she's Lincoln's Guardian Angel and she's known as The Hippogriff Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Helen is a powerful master of the powers of the wind, and she's also known for her mastery of the powers of The Hippogriff. She was born to a family of Hippogriffs during a time of light, and over time, as she grew, she gained all of the incredible strengths and powers of The Hippogriff, along with immortality and she also mastered the powers of The Hippogriffs, and she'd fought to protect the Hippogriffs from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of wind, and he also gained all of the incredible strengths and powers of The Hippogriffs, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Hippogriffs and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Angela kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Hippogriffs and be blown away by the winds!

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: Same here.

Lincoln: And no one dared to mess with her, she'll give you Hell, and now that you're here, Helen.

Lincoln with his massive muscular arms still wrapped around Helen Hippogriff's waist leaned his head down first to the right side of Helen Hippogriff's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Helen Hippogriff: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Helen Hippogriff with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Helen Hippogriff: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Helen Hippogriff.

Helen Hippogriff had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Helen Hippogriff's waist, and he leaned down to her face and kissed her on the lips, and with Helen Hippogriff's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Helen Hippogriff had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Helen Hippogriff: (In Heaven) My God. Oh, Lincoln, the five girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the five girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The five girls are Ayame Kobayakawa, Nonoka Nanami, Reina Jougasaki, Rin Katsuragi, and Tsubasa Toujou from H Shitai Ko o Mitsuketa Toki no XX.

Lincoln: Oh whoa, it's Ayame Kobayakawa, Nonoka Nanami, Reina Jougasaki, Rin Katsuragi, and Tsubasa Toujou from H Shitai Ko o

Mitsuketa Toki no XX.

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really sexy and voluptuous.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Ayame Kobayakawa: Yes, we're okay, thanks to you.

Then, when Ayame Kobayakawa and the other four girls saw who it was that saved them from Harold Devins, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and ten-pack abs, sturdy tan muzzle, long wild white Ayame Kobayakawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ayame Kobayakawa: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayame Kobayakawa, Nonoka Nanami, Reina Jougasaki, Rin Katsuragi, and Tsubasa Toujou with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out, and we told everyone of what happened.

Maria: Whoa, that was one awesome rescue. But, this isn't the last time the gangs of New York are going to cause us trouble, especially if it involves Dark Gale.

Lincoln: I have a feeling I'm gonna find out about the next gang in my dreams. But, that's when Caleb will provide the info on them.

Nico: That's for sure, he knows about the gangs thanks to his training at the police academy while he was attending NYU.

Me: And he also has a massive network of informants on the streets all over New York, and they also provide him with additional info on them.

Captain Whitten: His network of informants was that great, and they were loyal only to him which was a bit of a downward blow for most of us.

Jack Howard: Namely me and Roxy.

Roxy Drake: It was like our pride took a hit. Thanks a lot, Caleb.

Allie Maxwell: Hey, don't get bent out of shape, Roxy. You and Jack still have your informants.

Marlene Maxwell: True, but your brother's network of informants literally outclassed the informants of The NYPD, same with Cage since he has connections in the vampires.

Cage Blunt: Yep.

Casey Antonio: We had no idea of the informants you had though.

Carter Kenrick: Only for us to find out your informants are also vampires. I'm surprised the council hadn't found out about it.

Suddenly, Carter Kenrick looked at the elders and they had a look saying they knew about it.

Carter Kenrick: Don't tell me...

Vampire Elder: We already knew about it, but Cage is doing good at your precinct and he also didn't want anyone else to suffer the same fate as Caleb eight years ago, so he proved to be a great asset to your precinct, and it was all thanks to your fellow officer, Jack Howard. If anything, Carter Kenrick, Cage Blunt had already set himself on a new path.

Marcus Mackenzie: And seeing Caleb returned to life and back to he once was in his childhood also helped out greatly.

Nico: What was Caleb's childhood like?

Timothy Maddock: (British Accent) He had a happy childhood back then since I first visited him when he was three years old, but then, as he got into his teen years, that was when Drake turned into the monster you all saw him as.

Tucker Williams: And right from there, that was when his downward spiral into depression began and it would culminate in The Hallowshade Bloodbath in 1985 along with his death.

Denver: It was Drake's fault from the beginning, he deserved to die, if anything, someone should've killed him back then!

Victor Bristow: (German Accent) Normally, that would've been true, but the evil didn't take hold until Drake was also in his teen years.

Caleb Maxwell: That very evil was the very thing I fell victim to: the violence, the abuse, the cruelty, the malice, the utter toxicity, the hatred, and darkness. It's unthinkable my dad's scumbag relatives could truly be capable of that, but they're gone forever and for the first time in years, my family can finally live in peace without the threat of that very evil coming back.

Me: That's for sure.

After Lincoln and all of us destroyed Harold Devins and his gang and sent them to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Helen Hippogriff saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Helen Hippogriff: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to

mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Helen, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Helen Hippogriff: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Helen Hippogriff: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Lincoln sensed a massive energy signal as he checked the computer, and once he did, he saw who it was that triggered it: it was Jubileus the Creator.

Lincoln: (GASPS) Jubileus the Creator?! Oh, that is not good.

Nicole: How the Hell did she get resurrected?!

Suddenly, it dawned on us.

Lincoln: (GROWLS) Morgana, you blasphemous she-demon bitch!

Lincoln flew out of The World Tree Estate, and he grew to the size of Jubileus the Creator, and he attacked her with slashes of his massive greatsword, gold-armored dragon claws, weapons, and energy and elemental blasts, and she got hit hard. Then, he turned the tip of one of his eleven massive and long wolf tails into Cell's stinger which opened up into a large sucker and he latched it onto her head and subdued her.

Then, he sucked her into his body, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an astronomically and extremely massive power boost as he assimilated all of her celestial powers and elemental and angelic powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Suddenly, Lincoln's large rainbow gems embedded in his large gold Bracers of The Champions of The Universe changed into large white angel faces with rainbow gems embedded in their foreheads and the gold kneecaps on his gold armored knee-high boots have white angel faces and the large gold buffalo head with rainbow gems for eyes and large rainbow gem in its mouth for the belt buckle of his Belt of Elemental Bravery and the gold phoenix head, gold Thunderbird head, gold werewolf head, gold vampire bat head, gold mermaid head, gold demon head, gold dragon head, and gold angel head with rainbow gems for eyes and large rainbow gems in their mouths around the belt on his waist now have white angel faces embedded in the foreheads.

Then, he drained Jubileus' soul dry of all her energy and sealed her soul deep into his subconscious and he shrunk back down to 9'10" and flew back to The World Tree Estate and continued working out, and we were stunned.

Nicole: Holy...shit! But, how on Earth?!

Caleb Maxwell: How was that even possible?!

Bayonetta: (British Accent) Well, call me impressed. For you to absorb the ruler of Paradiso like that and assimilate all of her celestial powers and elemental and angelic powers, I would've considered it crazy.

Jeanne: (British Accent) Same here, Cereza. You never cease to continue amazing and intriguing us, Lincoln. I wonder what other side we'll find out about you?

Selene Arcangela: There are so many other sides to Lincoln, you won't be able to keep count.

We got a shower, and then, Lincoln, Universe 666 Shizuka Gozen, Universe 666 Mizuki Rashojin, Tessa Bogard, Skullolady, Nessaya, Thelryss, Heltila, Elinaith, and Ryrola are heading to Everbay Coast.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Shizuka Gozen, Universe 666 Mizuki Rashojin, Tessa Bogard, Skullolady, Nessaya, Thelryss, Heltila, Elinaith, and Ryrola are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Universe 666 Shizuka Gozen, Universe 666 Mizuki Rashojin, Tessa Bogard, Skullolady, Nessaya, Thelryss, Heltila, Elinaith, and Ryrola all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all. Plus, Lincoln met with Terry Bogard and Skullomania, and he separated their genderbent selves, Tessa Bogard and Skullolady and made them real, and in the process, he also welcomed Terry Bogard and Skullomania to the team.

Nessaya: Wow, so this is Everbay Coast, it sure is beautiful.

Lincoln: It sure is, Nessaya, and it's perfect for our first date, shall we?

Lincoln, Universe 666 Shizuka Gozen, Universe 666 Mizuki Rashojin, Tessa Bogard, Skullolady, Nessaya, Thelryss, Heltila, Elinaith, and Ryrola dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Universe 666 Shizuka Gozen, Universe 666 Mizuki Rashojin, Tessa Bogard, Skullolady, Nessaya, Thelryss, Heltila, Elinaith, and Ryrola got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Heltila: (Swooning) My goodness, so manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to

Universe 666 Shizuka Gozen, Universe 666 Mizuki Rashojin, Tessa Bogard, Skullolady, Nessaya, Thelryss, Heltila, Elinaith, and Ryrola and hugged them in their abnormally massive and powerful muscular arms, and Universe 666 Shizuka Gozen, Universe 666 Mizuki Rashojin, Tessa Bogard, Skullolady, Nessaya, Thelryss, Heltila, Elinaith, and Ryrola placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Universe 666 Shizuka Gozen, Universe 666 Mizuki Rashojin, Tessa Bogard, Skullolady, Nessaya, Thelryss, Heltila, Elinaith, and Ryrola and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Shizuka Gozen, Universe 666 Mizuki Rashojin, Tessa Bogard, Skullolady, Nessaya, Thelryss, Heltila, Elinaith, and Ryrola on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Shizuka Gozen, Universe 666 Mizuki Rashojin, Tessa Bogard, Skullolady, Nessaya, Thelryss, Heltila, Elinaith, and Ryrola are in your harem, Linky.

Universe 666 Shizuka Gozen, Universe 666 Mizuki Rashojin, Tessa Bogard, Skullolady, Nessaya, Thelryss, Heltila, Elinaith, and Ryrola showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Ryrola: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Silverstream, Shining Armor and Bebe's 3rd mission

Nico: Anyone else want to go with Silverstream, Shining Armor, and Bebe? Besides Goro, Badrat, Aultcray Melromarc XXXII, Spidey's Rogues, Applejack, Dudley Puppy, and Valiant?

Mollie: I'll go.

Kite Man: So will I.

Noir Spiderman: Me and our counterparts will go with too. We have a lot to tell Hunter.

Me: They will look forward to hearing all about that.

Nico: Okay.

Yona: Yona and friends will go too.

Me: Okay.

Nico: Lets go.

We were off. I opened the portal to Arachna and we were off.

Noir Spiderman: We're actually counterparts from the multiverse.

Me: We have quite a story to tell you about all of that.

Corona: An honor to meet you all.

We went into the castle.

Hunter Steele: So how are there more versions of you Peter?

Spiderman: It all started with a tablet.

Me: It was called the Tablet of Order and Chaos. It was shattered and a bunch of Spiderman's rogues from the multiverse took 15 pieces. One for each villain and Madame Web, sent us all to those dimensions to bring them back.

Eli: You wouldn't believe what we had to do to get them.

Me: It was a REALLY AWESOME and amazing epic adventure. First we battled Kraven and he put up an amazing fight.

Kraven: It's true. I was endowed with super speed and strength and agility.

Me: He gave me one helluva fight and it was fun.

Eli: We had a bunch of teams that got a chance to shine in each dimension.

Corona: WOW!

Me: Yeah and we fought him in the jungle. And as a side bonus we found Mary Jane who was stuck there.

Corona: Really?

Me: Yeah it's complicated but we reunited the Spiderman of the Animated Series universe with his version of Mary Jane.

Corona: Oh wow.

Me: Yeah.

Shocker: I didn't get a version with the Tablet.

Rhino: Neither did I.

Me: Probably for the best.

Shocker: You're right.

Me: Then in the Noir Universe we battled Joseph Lorenzini A.K.A. Hammerhead.

Noir Spiderman: In that universe the team helped me kill all of my enemies.

Me: Hammerhead, Vulture and Norman Osborn A.K.A. Green Goblin of that universe killed Noir Spiderman's Uncle Ben and it was brutal! We killed all three of them and banished them to the Black Gates.

Corona: Oh man! That is awful!

Me: It was! All three of those rogues REALLY Pissed me off!

Vulture: I Was a fucking cannibal monster! I would never eat people like that!

Me: Yeah that was awful! That version of Vulture really pissed me off big time!

Eli: Yeah that was awful!

Corona: Oh man! That is awful!

Me: It was.

Curt Conners: I also didn't have a version with the Tablet.

Me: Thank goodness.

Corona: I don't think you would want to have that kind of power.

Curt Connors: No.

Electro: You should have seen what my counterpart could do. My counterpart had the power to make really awesome lightning monsters.

Me: That was the coolest power from that version of Electro we saw.

Nico: That was my favorite out of that whole adventure.

Sandman: I also got a version with the Tablet

Corona: Really?

Me: Yep. That version got intensely strong sand powers beyond what we saw.

Sandman: It's true and J.D. and my daughter Penny did good trying to get through to him.

Me: It's true.

Corona: Wow! I heard about what happened to your daughter Flint. Is she okay?

Sandman: She is much better now. Thanks to J.D.

Me: I gave her my heart and it cured her.

Shadow: Wow! But didn't you die?

Me: Nope. Immortality and invincibility has its perks.

Nico: J.D. helped save his daughter big time back then.

Me: It was back in 2018 but it was awesome.

Corona: Wow.

Me: Yep. Also we faced Juggernaut in that world too. Cain Marko A.K.A. Juggernaut.

Eli: He was strong and intensely powerful.

Nico: Yep.

Corona: Whoa! That is amazing.

Me: Yep. Then in Miguel's world we saw a REALLY ADVANCED future which was really cool.

Hobgoblin: Now I'm glad I came with. Because now, I can say that I got a version with the Tablet.

Me: Hobgoblin 2099 gave us one hell of an explosive battle.

Eli: He was throwing bombs all over the place left and right.

Hunter Steele: Holy mackerel!

Me: I know. We killed that version of him.

Scorpion: Yeah and my version from that world was awful!

Me: That one had a REALLY Tragic Story behind him.

Scorpion: It was awful.

Me: Scorpion 2099's real name was Kron Stone.

Spiderman 2099: He's my older brother and he was Venom before.

Me: Yeah they mutated him REALLY Bad and he laid eggs that were like explosive toxic stinkbombs. They smelled worse than shit!

Eli: They did all kinds of terrible experiments on him.

Me: Totally discombobulated him.

Corona: Yikes!

Me: Yeah big time. In the end of that one we sent him to Vypra and their scientists cured him.

Scorpion: That was scary.

Hunter Steele: Whoa!

Scorpion: And it was all because a Desecendant of Burns was a sore loser

Corona: OH MAN! That is awful!

Me: Yeah no kidding.

Corona: Yeah that is crazy!

Me: Yeah crazy. Then we met 2099 Dr. Octopus. Her real name was Dr. Serena Patel and she was responsible for all the dystopian mayhem in that time.

Dr. Octopus: It was crazy.

Hunter Steele: Oh man.

Me: Yeah. But we stopped her.

Venom: We also didn't get a version with the Tablet

Me: Yeah that was for the best too.

Corona: Good.

Me: Then we had to endure a gameshow from Deadpool in a way. His name was Wade Wilson A.K.A. Deadpool.

Eli: Yep.

Hunter Steele: Oh man! I heard from Spiderman that he likes to break the fourth wall.

Jamesdean5842: You heard right and Wade is a very cool guy once you get to know him.

Nico: Yeah. That was fun.

Me: And coincidentally one of Kim Possible's enemies duplicated the VERY Same kind of scenario years ago.

Corona: WOW! That is crazy!

Me: I know.

Nico: And a version of Carnage also got the Tablet. The next worse possible thing!

Me: THAT was a scary and gruesome one! We got SERIOUSLY hurt and mangled up too. Thousands of people died in that one.

They gasped!

Me: The scariest part was that one made CARNAGE ZOMBIES!

Hunter Steele: WHOA! That is horrifying!

Me: It was. And as you saw, Girl Jordan Hates Carnage with a vengeance. She used the Spirit Bomb and destroyed him with it which was amazing! She also saved that world's version of Gwen Stacy there which was a REALLY Valiant part there.

Eli: Yeah!

Corona: Whoa! That is amazing!

Me: It was. In the end of that one, that version of Nick Fury WAS REALLY INFURIATED that those scientists went behind his back and did all that. He was about to fire them but we came up with a better solution. Give the carriers a fresh coat of paint from top to bottom.

Nico: Yep.

Corona: That one REALLY did a number.

Me: You could say we went though hell on that one.

Eli: Yeah.

Hunter Steele: (to Mysterio) Did you have a version with the Tablet?

Mysterio: Oh, it was more than that.

Me: He had the whole tablet and got Omnipotent power. He was as big as a Kaiju and I grew to his size and fought him to hold him off while everyone attacked him from all angles.

Noir Spiderman: That was a really amazing battle too.

Nico: After that, we decided that the Tablet needs to be kept somewhere safe.

Me: It was too dangerous to use.

Eli: It sure was.

Corona: Wow!

Me: It was amazing though.

Molten Man: Thank goodness me and Hydro Man didn't have versions that had pieces of the tablet.

Hydro Man: Yeah no kidding there.

Me: That was one amazing and epic adventure.

Corona: Wow!

Shadow: Thank goodness you all are okay.

Amazing Spiderman: That was a really scary adventure. But it was fun for all of us.

Me: It sure was.

Nico: So, have any enemies made their move here?

Hunter Steele: Yes. Stags is here.

Me: What can you tell us about him?

They told us about him.

Stags is an armored stag beetle-type Invectid who is very powerful and very loyal to the Invectid cause. He wields a short Zanbato for a weapon. Stags is considered by many as the most powerful of the Big Four. He has a strong sense of honor and cannot stand when it is disrespected. Corona and Igneous once faced him, but barely managed to escape with their lives. So far, Hunter is the only one who has ever harmed him by breaking off one of Stags' horns. During his first fight with Hunter, Stags beat up Grasshop for interfering in their duel and nearly preventing his viewing of Hunter's Oracle Keys in action. Stags was ordered by Mantid to find the two Oracle Keys in Nuuma, but both slipped out of his grasp. He has now turned control of the invasion to Buguese. Stag's latest encounter with Hunter and Shadow proves he has become much stronger, since he is able to defeat Hunter even with the aid of two Oracle Keys. However, he is then defeated when Hunter uses a third Oracle Key. With his warrior spirit broken, Stags plunges from the castle into the ground below (he does not die from the fall). He then threw away his broken sword and cape and departed. Stags is yet another former member of the Big Four due to his warrior spirit being crushed. When Buguese was thrown from Dark Opal after Lord Mantid attacked him, Stags gave him water to drink. He is not angry with Buguese for seizing control over his troops at Nuuma.

When it was done we were shocked!

Me: Oh man!

Nico: Where is he?

Hunter Steele: In a clearing in the Forest of Bewilderment.

Me: Then lets get moving!

Spiderman: CALLING ALL SPIDER RIDERS!

They transformed!

Spider Riders: ARACHNA POWER!

They transformed and had their spiders ready for action!

Me: YEAH!

We were off.

We were flying.

Hunter Steele: Let's get you guys some spiders too

Me: Sure.

Then we got cool spiders! Mine was a fire spider.

Phoenix: I am Phoenix, Spider of Fire.

Me: Cool! Awesome to meet you Phoenix.

Brawny: I am Brawny, Spider of Stars.

Nico: Wow! Awesome to meet you Brawny.

Lasera: I am Lasera, Spider of light.

Eli: Cool! Pleasure Lasera.

We had amazing spiders.

Silverstream: So cool!

Bebe: What about me?

?: Right here.

She saw a water spider.

Aquoia: Aquoia, Spider of Water

Bebe: Neat! Awesome to meet you

Shining Armor: So cool!

?: It sure is!

He saw a Magic Spider.

Magora: Magora, Spider of Magic and Soldiers. At your service.

Shining Armor: Awesome to meet you.

Magora: Same here.

Silverstream: And me?

?: Right here.

She saw a winged spider woman.

Ariasas: Ariasas, Spider of Wind and Wings.

Nico: Cool!

Valiant: There he is!

We saw Stags!

We flew down!

Stags: Well well. Spiderman been a while.

Spiderman: It has been a while Stags.

Stags saw us.

Stags: Team Loud Phoenix Storm it's an honor. I've heard so much about you all.

Me: Mutual feeling.

Nico: You know why we're here.

Stags: To stop me.

Me: That's right.

Eli: Yep.

Spiderman: Like this.

The 5 Spiderman wrapped him in a web cocoon.

But he broke out.

Nico: Looks like we're doing this the hard way

Nico teleported and punched him hard in the stomach and punched and kicked him all over.

Phoenix: Lets dance!

He fired blasts of fire web and burned him bad.

Me: Nice one!

Dudley Puppy got out his Rider Card

Dudley Puppy: Watch this!

KAMEN RIDE! CARFACE CARRUTHERS!

He fired waves of light and blasted him all over the place.

Stags: Don't you know who I am? I AM STAGS YOU FUCKERS!

Me: HEY! No one uses Juggernaut's line but him!

Valiant got out his Rider Card.

Valiant: Time for some pigeon power!

KAMEN RIDE! SANCHO!

He fired waves of energy and smashed Stags.

Applejack: YEEHAW! Time for some action!

Applejack got out her Rider Card.

KAMEN RIDE! VREEDLE BROTHERS!

She fired waves of energy and blasted Stags.

Me: Take that!

Aquoia charged at him and blasted him with water web and wrapped him.

Me: (Imitating The Mask) I think he wants to communicate.

I pulled out a tiny horn and it said squeeze me gently on it.

I honked it.

AAAAAAWWWWWWWWOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOG

He was blown into a rock like a bug smashing into the windshield of a car!

Me: And Stags?

I went over.

Me: (Pulls out watch) Look at that. It's exactly two seconds before I honk your nose and pull your underwear over your head.

RING!

I honked his nose and gave him a frontal atomic wedgie!

Nico gave him a wet willie!

Stags: EW!

Me: YEAH!

Eli: (LAUGHS) THAT WAS FUNNY!

But then an energy blast hit Stags and we saw that it was from a Pheromosa!

Me: WHOA! Pheromosa!

Nico: How'd that get here?

Sandbar: I wonder.

He used telepathy and gasped!

Sandbar: Oh man! Hibiscus Paradise!

Me: You know her?

Sandbar: That's my sister!

Me: Oh man! Nico you hold him we got this.

Nico: Okay.

Me: It's Party Time! P-A-R-T, Y? Because I GOTTA!

Me and Sandbar went over.

Sandbar: Hibiscus it's me Sandbar!

All she did was charge at him and he dodged her.

Me: WHOA! Looks like we got to stop her.

Sandbar: Yep.

Me and Sandbar blasted her with energy blasts.

Me: Take this.

I fired a blast of energy and smashed her. Then I snapped my fingers and she reverted back and was a girl with blue green hair, blue eyes, had Pheromosa in the middle of her forehead and had blue angel wings and had a blue version of Sandbar's cutie mark on her arm.

Me and Sandbar wrapped her in a blanket.

Me: Whoa that was awesome.

She woke up.

Hibiscus Paradise: (Groans) What hit me?

Sandbar: Are you okay sis?

Hibiscus Paradise: Sandbar? (Gasp) Sandbar!

She hugged him.

Sandbar: So good you're okay.

Me: You were turned into a Pheromosa by Dark Gale.

Hibiscus Paradise: (GASP) I remember!

She was in a green suit and was injected and she busted out and turned into a Pheromosa and flew out of there.

FLASHBACK ENDS

Hibiscus Paradise: It was awful.

Me: I know. We're in the process of killing Dark Gale. We already destroyed 4 bases. Lets get you some new clothes.

I snapped my fingers and she got blue green clothes and had a hibiscus flower in her hair and had a Hawaiian Sword.

Hibiscus Paradise: Wow I look awesome!

Sandbar: You sure do.

Me: Lets go.

We went to face Stags.

Hibiscus Paradise: Like old times?

Sandbar: You know it!

Hibiscus Paradise and Sandbar: TROPICAL FURY BLAST!

They fired waves of energy and blasted and smashed Stags all over.

Me: Watch this one.

I pulled out two pipes for clubs.

Me: (Imitating the Mask) HOLD ON TO YOUR LUGNUTS IT'S TIME FOR AN OVERHAUL!

I spun around fast like a tornado and smashed and mangled up Stags all over the place with incredible speed!

Nico: OH THAT IS SO FUNNY!

He was really mangled up.

But then laser blasts blasted Stags all over and then out came a girl with purple hair and red eyes and black clothes and wings and had a tiara with Astrodactyl on it.

Me: (GASP) Allie Astros!

Nico: Astrodactyl's Embodiment!

Allie Astros: (Grunt) That was so funny doing all that! I loved the Mask!

Me: Me too Allie!

Allie lost control and fired lasers at Kite Man

He dodged them.

I fired a beam of energy and injected the antidote into her.

Me: There.

Kite Man flew at her and kicked her down.

Mollie fired waves of lightning and electrocuted her.

Mollie got out her Rider Card

Mollie: Taste this.

KAMEN RIDER! ZZZAX!

She fired more lightning and electrocuted her.

The antidote then took effect and she was back to normal.

Allie Astros: (Groans) What hit me?

Me: Lightning.

Stags was getting up.

Me: (Imitating Dirty Harry) Now you have to ask yourself one question. Do you feel lucky? Well... (Pulls out huge guns with multiple barrels and missles and more) Do you? PUNK?

GUNS CLICK!

Stags: Mommy!

HE RAN FAST AWAY!

THEN BANG FLAGS POPPED OUT!

Me: (LAUGHS)

Nico: He's getting away!

Me: I still got one last gag.

I pulled out a paint kit and painted a flusher on a tree.

He jumped into a pond and I pulled it and Stags screamed as he was flushed down the toilet!

TOILET FLUSHING!

Nico: Stags go down the hole.

Me: That toilet leads to M.O.E. HQ.

Eli: Nice!

Hunter Steele: That was funny!

Me: (Imitating Edward G. Robinson) You were good kid real good. But as long as I'm around you'll always be second best see?

Nico: Your role in Sonya's team?

Hibiscus Paradise: I'm the tropical magic master of the team and use the powers of tropical paradise and blast down my enemies.

Nico: Cool!

Hibiscus Paradise: Yep. Outside the team I work in a fun Hawaiian restaurant and it's cool.

Me: Nice.

Eli: That is cool!

Me: Yep. Whew! This had to be one of the goofiest missions ever.

Silverstream: It sure was!

We later came back home.

May: Hey guys how did it go?

Me: It was awesome.

We told everyone what happened and everyone was laughing so hard!

May: (LAUGHS) THAT IS FUNNY!

Me: (LAUGHS) Yeah that was funny!

Laney: That is awesome!

Qin: (LAUGHS) Yeah.

Nico: Next time, Andy, Rodney, Lewa, Charlie Brown, and Yun will come

Lola: Awesome!

Lewa: Yeah!

Yun: I agree!

Me: This will be fun!

Xenia: Yep.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next Ridonculous Race challenge starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky

muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

The mascots, Girl Jordan and Eowyn were getting ready.

Mask: Have Fun, Guys!

Girl Jordan: We will.

Poromon: Yeah! We will.

Eowyn Rosato Wingfeather: Yeah this will be fun.

Mask: And so will this!

HOING!

He gave Nico a wedgie!

Mask: WEDGIE!

Nico: HEY!

The mascots and Girl Jordan and Eowyn were walking in Bermuda.

Poromon: That secret of Girl Jordan's was a shocker

Girl Jordan: I know! But it was amazing!

Eowyn Rosato Wingfeather: But it's great to know that Girl Jordan is part of the Wingfeathers.

Poliwag: That is cool!

Manaphy: Yep.

They got to the harbor and saw 2 men working.

Girl Jordan: Wow these guys are working hard.

Eowyn Rosato Wingfeather: They sure are.

Poromon: Wonder what they are working on.

Old man: Come on now. Little muck never slowed you down before.

Girl Jordan: Wow that is a lot of work.

Manaphy: Yeah.

Old man: Must've gotten something big. (GASP)

His crane pulled up an old World War II Nazi Fighter Plane!

Girl Jordan: WHOA! Look at that! That's an old World War II Nazi Fighter Plane.

Old Man: Not just any plane young one. It belonged to the greatest pilot of all.

Poromon: Oh wow!

Old Man: Yep and he was the most evil man that ever took to the skies. The Black Flying Cobra!

THEY GASPED

Back at the estate we were watching TV.

Zoe: I hope they'll be okay.

Eli: They'll be okay.

Me: Whoa look at this!

Reporter: The mascots and Girl Jordan and Eowyn Rosato Wingfeather here along with our own Abner Doolittle here in Bermuda Harbor, brought up a long forgotten relic and it's the plane believed to be flown by the infamous Black Flying Cobra.

WE GASPED!

Me: Oh wow!

We saw the plane.

Me: I DON'T BELIEVE IT! That's The Black Flying Cobra's plane! We got to go check this out!

Nico: Yeah!

We went there. We saw it for ourselves.

At Bermuda Harbor we saw it.

Me: I don't believe it! After 82 years it finally was brought back. This is the plane of Baron Von Wilhelm Richtophen II, the Black Flying Cobra.

Nico: WHOA! This is amazing!

Me: Yep. Known as the infamous Black Flying Cobra. He was the most evil pilot that ever took to the sky and has a very impressive shotdown record. He brought down 1,000+ enemy planes from 1939 to 1942. NO ONE HAS EVEN COME CLOSE to his record. Until my grandfather shot him down during the North Africa Campaign. He shot his plane and it flew until it ran out of gas and crashed into the Bermuda harbor. He piloted a 1942 German Fighter Plane. But before he died he vowed to one day return from the dead to get revenge on my grandfather. Should the planes resting place be disturbed, THAT is when he would return.

Nico: WHOA! That is scary!

Me: WOW! This is so cool!

Nico: Yeah!

Me: Yeah and believe it or not, The Black Flying Cobra is who I learned most of my moves from when I was in flight school. I learned and studied about all of his moves back then.

Nico: Wow!

Poromon: That is amazing

Ransack: Should we go in?

Nico: This is an airplane built only for one pilot. Not enough room for us all.

Me: But this is amazing! This plane was long forgotten for over 82 years. It's amazing she is still in really good shape.

Camie: That sure is awesome!

Nico: Well done to you all!

Poromon: Thanks!

Me: The Masters of Evil would be perfect for the Black Flying Cobra.

Hardhead: Poliwag, why are you going inside?!

Poliwag: I just want to see.

I looked in.

Me: Wow this plane is still in good shape.

Poliwag: It sure is.

Me: Yeah.

Nico: This is amazing that you learned all about some of your best moves from the Black Flying Cobra.

Me: Yep. My grandfather shot him down during the North Africa Campaign back in 1942.

Eli: This is amazing! Wow!

Me: Yep.

Nico grabbed Poliwag.

We later went back home.

We arrived back.

Zhalia: Well, good thing you didn't touch any buttons

Poliwag: I know.

Me: But that is so cool guys!

Poromon: Yeah!

T-Bone: That is amazing that you learned all the moves of the Black Cobra from him. Just like how I learned and studied all the moves of the Red Lynx.

Me: Great minds think alike don't they.

Nico: They sure do.

Maria: I'm impressed, Horsea. I expected at least one of you guys to accidentally reactivate it

Horsea: Well we couldn't disrespect a treasure like that. Besides I don't have any hands to do so.

Poliwag: Me neither.

Nico: That was awesome though.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Murmukusmon, he's come back from the dead and he wants revenge on us and he's at The Hoenn Region. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Murmukusmon, he's come back from the dead and he wants revenge on us.

EVERYONE GASPED!

May: ARE YOU KIDDING ME?! MURMUKUSMON IS BACK?!

Zoe Orimoto: I should've known he'd be back. Well, that's going to end here and now, this is where he's going to die. Was this the deed of Morgana Midnight Sparkle or Anti-Monitor?

Lincoln sensed it.

Lincoln: This had Anti-Monitor all over it.

Eli: Figures.

Me: Murmukusmon has got some nerve to come back, but now, we got a chance to end him. I have a huge score to settle with him. Lincoln, where's he at?

Lincoln: He's at The Hoenn Region.

Me: Which is our next stop.

Nico: This is gonna be intense and messy. Alright, team, let's get going, this is the last time we ever have to deal with Murmukusmon

Lincoln: We'll meet with Don at The Hoenn Region at Petalburg City and hunt down Murmukusmon. That monster's time is up, he's going to pay for the war between human and beast Digimon.

Zoe Orimoto: That's for sure.

Camie: Remind me who he is?

Me: Someone I have an old score to settle with. 10 years ago I battled him on an island that was home to Ornismon.

I went over his history

Murmukusmon is the main antagonist in the the Digimon film Digimon Frontier: Island of the Lost Digimon, and the manga Digimon Next. Murmukusmon is a Mega Level Digimon that resembles a half-bird, half-demon monster. He can disguise himself as Darcmon and Hippogriffomon.

Murmukusmon was banished to the Lost Island for his evil deeds. He discovered the opportunity to resurrect Ornismon, and soon launched a war between human and beast Digimon, while taking on two disguised forms; Darcmon to trick the human Digimon, and Hippogriffomon to trick the beast Digimon. During the night of the war, Zoe and J.P. saw Murmukusmon (disguised as Darcmon) running by and discovered Darcmon slide evolving to Hippogriffomon. Soon, Beetlemon and Kazemon commanded a halt to the battle, and proceeded to expose Hippogriffomon's discovery. Furiously, Hippogriffomon slide evolved to Darcmon for the last time, and proceeded to steal all the Digi-code to revive Ornismon. Then, Darcmon revealed his true form as Murmukusmon as he rode on Ornismon. During the battle, Murmukusmon was finally defeated by Agunimon before AncientGreymon and AncientGarurumon proceeded to defeat Ornismon.

When I was done everyone that hadn't heard about it was shocked!

Nico: He played both the human and beast digimon for a bunch of fucking patsies!

Ace: That is horrible!

Qin: Yeah!

The previous group came.

LaGrange: Can me, Biowulf, Pete, Kangor, Xiao Fung, Johnny 13, Angel, Tala, The U-Foes and Zzzax go with you guys?

X Ray: And what's this about a discovery?

Nico: Well in order yes you all can come with us. And second we found out that the mascots helped bring back an old World War II plane that was lost for 82 years.

Me: It's the Black Flying Cobra.

THEY GASPED!

Vector: WHOA! You guys found it!?

Poromon: Yeah!

Me: He was who I learned most of my moves from in Flight School.

Rainbow Dash: Which was really awesome for J.D.

Me: Yep.

Vector:That is so cool!

Olivia Ornis: Right now we got bigger problems. Murmukusmon is back.

Me: And I have a huge score to settle with him.

Wood Man: Nico, which Gene Slammer do you think you'll meet next?

Ironclad: I hope she's as strong as me!

Nico: Bacchusmon next.

Me: OOH! The digimon God of Wine.

Qin: Yep.

Lola: Awesome!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and nine sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Relena Rainbow Dark, Midnight Princess of Dark Magic Rainbow Treachery, and she's coming after us at The Hoenn Region. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Me: Was that?

Lincoln: Yep, the fifth of The Midnight Princesses, Relena Rainbow Dark, Midnight Princess of Dark Magic Rainbow Treachery.

Rebecca Hernandez: I knew she'd be the next one we'd face. But, we're ready for her, she's gonna be taken down by the Rainbow of Loyalty.

Nico: She's about to be taken down and imprisoned. Alright, everyone, let's head out to The Hoenn Region!

Lincoln: Murmukusmon, your time is finally up. Now, you're going to pay for the war between human and beast Digimon, and once we get done with him, you're next, Relena Rainbow Dark!

Rebecca Hernandez: The suffering you've caused all those years ago can never be forgiven, Relena, and now, I will see to it that you die here and now!

Lincoln put up a powerful rainbow energy field around The TLPS Flying City Fortress ready and we headed out to The Hoenn Region to meet up with Don and hunt down Murmukusmon and make that monster pay for the war between human and beast Digimon, and once we got done with him, Rebecca Hernandez and Lincoln are going to take out Relena Rainbow Dark, Midnight Princess of Dark Magic Rainbow Treachery.

We were off.

We arrived and then we were shocked at what we saw!

Me: WHOA!

We saw Petalburg City in the middle of the eye of a HUGE HURRICANE!

Me: Look at that!

Nico: It's in the middle of the eye of the storm!

Lola: Where did that come from!?

Lana: Petalburg City isn't anywhere near the Tropical Areas.

Nico: Yeah!

We landed and we were in Petalburg City.

Me: Ah, we're here in The Hoenn Region in Petalburg City.

Nico: This is our next stop on The Ridonculous Race.

May: It's good to be home again. I've missed this place.

Then, we saw Don arrive.

Don: That's right, guys. We found another of Dark Gale's bases as well.

Lincoln: Along with Murmukusmon, and this is where they're going to draw his final breath.

Me: Yep.

We arrived at May's house.

Pete: Here we are!

Vapor: Let's call Mirror Master.

Me: Good idea.

We did so.

Mirror Master came.

Mirror Master: I'm here.

Me: Awesome.

Lincoln: WHOA! And I know where this Hurricane came from. It's from Zoe's akuma called Lady Hurricane Dragon. The Hypothetical Akuma of Zoe Orimoto and a master of wind and storms and dragons. She is a dragon rider that rides on a dragon of wind. She was made because of Ranamon hurting her friends and vowed to destroy her forever.

WE GASPED IN SHOCK!

Me: Whoa!

He showed us a sketch of her and she was a woman riding a dragon of wind!

We were in awe!

Me: WHOA! She's a Wind Dragon Rider!

Xenia: Amazing!

Me: So this hurricane came from her.

Qin: Wow.

Supernova Zap: We'll go after her later. Let's get inside

Manaphy: After someone catches this Relicanth.

Lola: Cool!

June Carrington: I will.

She fired energy and knocked it out and threw a Pokeball and caught it. The light appeared and then...

CLICK

She caught it!

June Carrington: Awesome!

Me: Way to go June!

Nico: YEAH!

We went over to the door and knocked on it.

Caroline and Norman answered.

Johnny 13: Hi, May's parents!

Caroline: Oh hello everyone!

May: Hi Mom and dad.

Nico: Hey Caroline and Norman.

Qin: Awesome to see you all again.

Caroline: Nasty weather huh?

Me: Long story.

Nico: Yeah.

We went inside.

Caroline: So you all are here for...

Me: The Ridonculous Race is on and also we're going after Dark Gale.

Shred Naught: A lot has changed since you last spoke to us

Me: Yeah so much.

May: We did so much.

Caroline: I heard all about what happened with all of you. It was amazing.

Tala: Manaphy is now Poromon's fiancee

Caroline: Oh that is awesome! Congratulations to you both.

Poromon: Thank you.

Manaphy: We are excited.

Camie: We sure are.

Lola: Yeah.

Spring Man: J.D., what's your history with Murmukusmon?

Me: Well I am the one that destroyed him and ruined all his plans. It was 10 years ago.

I was at the island where the human and beast digimon were fighting.

Me: (Voiceover) I saw all the beast and human digimon fighting and so many innocents were dying. But I knew the whole truth!

Young me: STOP!

Everyone stopped.

Young me: You all were lied to! This war was planned! You were fighting for a lie! I know who is really behind all this! Isn't that right Hippogriffomon!

Hippogriffomon: HE'S LYING!

Young Me: DROP THE ACT! YOU WERE PLAYING BOTH SIDES FOR FOOLS!

I fired a wave of energy and revealed him to be D'arcmon!

Grizzmon: WHAT THE! We were fighting for a lie!

DinoHyumon: We were lied to!

Young me: You are about to see who she really is!

I snapped my fingers and revealed that he was MURMUKUSMON!

Me: I exposed Murmukusmon back then and we engaged in a brutal and savage fight and I blasted him and destroyed him.

FLASHBACK ENDS

Me: I ruined his plans back then and ruined everything he did.

Zzzax: Now, he's come to finish what he started

Me: Except we're not in the Digital World. This is Earth.

Nico: Yeah.

Zzzax: But we're ready for him.

Me: Yep. This time for me it's personal.

Gemini Man: First, we need to deal with the Akuma

Me: Yep.

Qin: Yeah.

Me: Murmukusmon has no idea that I've gotten infinitely more powerful than ever since then.

Nico: Yeah.

Me: Sebastian since you are still recouperating you can sit this one out.

Sebastian: Thank you.

Vector: Don't mention it.

We went outside

Me: Murmukusmon will soon draw his last breath.

?: Just like all of you will!

We then saw our next target: Relena Rainbow Dark, Midnight Princess of Dark Magic Rainbow Treachery.

Rebecca Hernandez: If it isn't Relena Rainbow Dark, Midnight Princess of Dark Magic Rainbow Treachery.

Relena Rainbow Dark: You! YOU! How dare you humiliate us like

this!

Lincoln: You deserved it, she and all of you were extremely evil to the core, Relena. You all sought to destroy the world, and we weren't going to let that happen.

Relena Rainbow Dark: (ENRAGED DEMONIC SCREAM) I HOPE MURMUKUSMON DESTROYS ALL OF YOU! We will triumph and you and this entire planet will be destroyed!

Mina Midnight Sparkle: Relena stop this!

Relena Rainbow Dash: Mina!? You're alive!

Mina flew up to her.

Mina Midnight Sparkle: I'm more than alive. Relena don't do this. You are not this monster. You are a courageous girl that knows how to show loyalty to everyone. You are a brave girl that faces evil head on. Don't do this sis. I love you.

Relena Midnight Dark: Mina... (SCREAMS) (CLUTCHING HER HEAD)

Relena Rainbow Dark disappeared in a tornado of rainbow darkness, rainbows, and dark magic.

Me and Nico: What a bitch.

Lincoln: You have no idea, and we'll see about that, Relena!

Rebecca Hernandez: I knew it, seven years of being trapped in The Netherworld had forever driven them even more insane than ever.

Catherine Fontaine: If the others were that bad, Morgana's become even worse than ever. Alright, we need to get going and destroy Murmukusmon before he does something else.

Nico: Right.

Don: We also spotted some Dark Gale grunts and scientists there as well, give them the same kind of treatment as the ones that were with the others.

Lincoln: You got it.

Katie Callisto: And from what we saw, Relena's also going to summon her army of demons as well: The Dark Magic Rainbow Treachery Demons.

Nico: Figures.

Lincoln: Yep, they have their own personal armies of demons and each of them bear the same mark as The Midnight Princesses and have the powers of dark magic and the elements of their masters.

Me: That makes things even more dangerous than ever.

Lincoln: But, we're ready for them. (CRACKS KNUCKLES) Let's tear Murmukusmon apart along with Relena's army of Dark Magic Rainbow Treachery Demons and trash those Dark Gale grunts and scientists.

Nico: That's the kind of talk I like to hear!

But, the bold determination and talk also caused Lincoln's harem to blush even more.

Lily the Mermaid: (Swooning) My God.

Lynn: Hey, you guys, snap out of it.

They snapped out of it.

Girl Jordan: Sorry about that.

Nico: Alright, let's get going and hunt down that fucker.

Me: First the Akuma. And she is up in the eye of the storm no doubt.

We flew up to the eye of the storm and then we saw her! LADY HURRICANE DRAGON!

Me: WHOA! Look at that!

Zoe: WOW!

Lady Hurricane Dragon: So you all arrived.

Me: Wow! You made an amazing hurricane!

Babs Seed: Zoe? Is that you?

Lady Hurricane Dragon: Yes it's me Babs.

Me: I can't believe Ranamon in your world did this to you. She REALLY Crossed the line.

Lady Hurricane Dragon: I know.

Camie: Lets talk about this.

Angel: You know you put May's old house in danger, right?

Lady Hurricane Dragon: I apologize for that.

Me: It's okay.

Qin: Lets fight then.

She fired waves of energy and blasted her all over.

Mirror Master: You need to calm down!

Lady Hurricane Dragon: Not till Ranamon is gone.

Me: Then we have no choice.

I fired waves of lightning and electrocuted her.

Mirror Master fired waves of energy and blasted her.

Me: Oh yeah! Of and the Ranamon in the M.O.E. is in both the Redemption Squad and the M.O.E.

Lady Hurricane Dragon: I heard all about that! Thats amazing and I heard she is one of Lincoln's future wives.

Me: Yep you heard right.

Lady Hurricane Dragon: My turn!

She fired a wave of wind and I deflected the blast and it hit her and she was knocked out.

Me: That did it.

Hunch: That was windy.

Me: It sure was.

Qin: Yeah.

Lola: Now we got to go after Murmukusmon.

Xiao Fung: She wasn't as windy as me!

Me: Nope.

Qin: Yep.

Nico: Come on guys we got to go now.

Me: Lets go. (Eyes glow red) Murmukusmon we have a score to settle.

Eli: He's in that park down there.

Nico: Lets go. Entrance time!

WE GOT A MOVE ON, THE FINAL BATTLE AGAINST MURMUKUSMON WAS NOW IN FULL EFFECT, AND THAT MONSTER'S GOING TO PAY FOR THE WAR BETWEEN HUMAN AND BEAST DIGIMON AND HE WILL BE WIPED FROM THE FACE OF THE EARTH!

* * *

Murmukusmon was infuriated. Then the spirits of Digimon came and swirled around him and then converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and we landed.

Me: Hello there Murmukusmon.

Murmukusmon: YOU!

Me: Been a long time Murmukusmon. We have a score to settle.

Sheep Creep Baaed and fired missiles and blasted him.

I teleported and kicked Murmukusmon and kicked him in his stomach and slashed him.

He then fired a massive purple fire blast from his mouth.

Me: (ECHOING) PHOENIX FIRE!

I fired a blast of fire and the blasts collided and exploded!

MASSIVE FIERY EXPLOSION!

Nico: WHOA!

Me: You killed THOUSANDS of Digimon back then Murmukusmon! I can never forgive you for all your crimes!

I kicked him!

Me: Your crimes against humans can never be forgiven!

Kangor: (Jamaican Accent) And Digimon too, Mon!

He kicked him and smashed him in the ground.

Zoe Orimoto: You should've never returned from the dead, Murmukusmon, and I can't believe that you'd stoop that low as to ally yourself with Elise Elexton. You really are despicable, you know that.

Me: And Anti-Monitor had some nerve bringing you back from The

Black Gates.

Nico: You've left us no choice, you just sealed your own death warrant, you monster, and I've been waiting to get rid of you for a very fucking long time. This is where it ends for you!

Murmukusmon: We'll see about that! You will all pay for ruining my plans to rule the world!

Suddenly, we saw a massive army of demons arise and they bore the mark of Relena Rainbow Dark along with Dark Gale grunts and scientists coming out.

Lincoln: So, Relena's sent her army of Dark Magic Rainbow Treachery demons and the Dark Gale Grunts and scientists have also come out, huh?

Lincoln fired magic draining blasts that hit Relena Rainbow Dark's Dark Magic Rainbow Treachery Demons and he sucked out all their dark magic and made them his and he also sucked out their life force and killed them. Then, he fired energy draining blasts that hit the Dark Gale grunts and scientists and drained them of their energy and knocked them down and out.

Then, Lincoln tied the knocked out Dark Gale grunts and scientists up and he sent them all to prison, and that left Murmukusmon all alone and he was enraged.

Zoe Orimoto: Now, you're all alone with no Dark Gale grunts or scientists to back you up, Murmukusmon, and now, it's time to end this for good.

Me: YEAH!

Aria Blaze: We're finishing what J.D. started!

Me: And that is destroying you forever! (ECHOING) BLAZING HELIX!

I fired a powerful helix blast of fire and it hit Murmukusmon and exploded!

She fired a cosmic starbeam blast and it hit him and exploded!

Murmukusmon: WHAT!? HOW CAN THIS BE!?

Hibiscus Paradise was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Eowyn.

Hibiscus Paradise: NO! We control the power.

Eowyn Rosato Wingfeather: It doesn't control us!

Hibiscus Paradise and Eowyn concentrated and reigned in the powers of Nihilego and Pheromosa and they turned into them and fired waves of energy and blasted him.

They reverted back.

Me: YEAH!

Poromon pecked him

POINK POINK POINK POINK!

Poromon: Take this! (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him.

Then David Cain, Comic Book Guy, Dr. Destiny, Absorbing Man, See-More, Abomination, Evilseed, Titania, Selene and Evil-Lyn came.

Nico: David Cain, Comic Book Guy, Dr. Destiny, Absorbing Man, See-More, Abomination, Evilseed, Titania, Selene and Evil-Lyn.

Ash: It sure is.

Absorbing Man: (to Nico) We heard you purified Sebastion.

Nico: We sure did and he's resting for a while. Took a lot out of him.

David Cain: (to Palutena) You should take care of that Jirachi and Luminamon.

Palutena: I will.

Infernotron then came.

Me: Infernotron, up for another round?

Infernotron: I sure am.

Infernotron: Don't be too harsh on your husband though

Sólrún Jóhannsdóttir: I won't be harsh. I know it's all not his fault.

Me: We arranged to have him visit on the holidays to bond with Lilja.

Sólrún Jóhannsdóttir: I like that.

Nico: LETS GET IT ON!

Lady Palutena: That was so awesome and amazing! The treasure we went to find was located on an uncharted island in the South

Dawn Eclipse: He had a lot of punishments to last more than 50 eternities.

Princess Celestia (G5): That is for sure and it was good that we saved him from himself.

King Solar: That is for sure. I can't even begin to imagine what would have happened if we didn't purify him.

Solar Eclipsa: Me neither. He would have done a lot of damage like Universe 666 Nico did.

Amber Morning: That would be bad.

Spotlight: I agree there too.

David Cain: That's good you guys saved him. But that was a really fun treasure hunt. Lets do t!

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a sudden barrage of dark magic blasts and gems and the blasts were absorbed into us and made us even stronger than ever.

Lincoln: (Catches the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here, Relena Rainbow Dark.

A tornado of rainbow darkness, rainbows, and dark magic appeared, and as soon as the tornado vanished, in its place stood Relena Rainbow Dark, Midnight Princess of Dark Magic Rainbow Treachery.

Rebecca Hernandez: We've already taken care of Murmukusmon and we not only knocked out the Dark Gale grunts and scientists there and sent them to prison, but we also got rid of your Dark Magic Rainbow Treachery Demons that you sent after us, so you failed to get rid of us with your minions and using one of Elise Elexton's allies.

Relena Rainbow Dark: (ENRAGED DEMONIC VOICE) Those idiots failed in their task, and now, I have to do everything myself! Damn them!

Rebecca Hernandez: Well, you better consider those your last and final words.

Suddenly, Rebecca Hernandez's purple eyes turned neon purple and she was surrounded by a rainbow, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, magic, wind, rainbows, Alicorns, phoenixes, and angels, she unholstered her sword, and as she approached Carly Crazy Apple, she left orange and brown, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, magic, wind, rainbows, Alicorns, phoenixes, and angels with every step.

Rebecca Hernandez: From the very moment that we found out the seal was broken, we'd known you and the other Midnight Princesses would return once again to get revenge on us for banishing you all to The Netherworld seven years ago. But, that is never going to happen, Relena Rainbow Dark, as The Daydream Loyalty Princess of Air and member of The Daydream Princesses, I hereby sentence you all to death for all of your crimes.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Rebecca Hernandez did the same by firing rainbow, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Rebecca Hernandez, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Relena Rainbow Dark even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Relena Rainbow Dark, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Relena Rainbow Dark's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Relena Rainbow Dark hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Relena Rainbow Dark was now on her last legs and she was really really mangled.

Then, Lincoln fired an orange energy blast that hit Carly Crazy Apple and he began sucking out her dark magic and powers, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and nine other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

We cheered wildly as we holstered our weapons and powered down and Rebecca Hernandez's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty five large rainbow planets orbiting around her legs and twenty five smaller rainbow planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized rainbow planets orbiting around her wrists and ankles, eleven massive and long red wolf tails, and massive rainbow angel wings and nine sets of large rainbow angel wings underneath her massive rainbow angel wings are permanent.

Rebecca Hernandez: This is the price that you must pay for all of your crimes, you insane she-demon! Thanks for helping me take down Relena Rainbow Dark, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Rebecca.

Me and Nico: Our pleasure, Rebecca.

Suddenly, Rebecca Hernandez wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rebecca Hernandez's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Daydream Rainbow Dash flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Rebecca Hernandez sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Well, that's it for Relena Rainbow Dark.

WE HEARD THE LOUD SCREAMS OF DEMONIC RAGE AND INSANITY!

Me: And we've pissed off The Midnight Princesses big time! So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a Gorgon flying in the skies and it left a wave of darkness in the skies.

Selene Arcangela: (GASPS) The Gorgon...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Georgia Gorgon, Avatar of The Gorgon.

WE GASPED!

Me: Wow!

Enya Phoenix: Oh man, I knew you'd pick her, and you guys are going to love meeting her, Georgia Gorgon, Avatar of The Gorgon, is Lincoln's Guardian Angel and she's known as The Dark Gorgon Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Georgia is a powerful master of the powers of poison and darkness, and she's also known for her mastery of the powers of The Gorgon. She was born to a family of Gorgons during a time of darkness, and over time, as she grew, she gained all of the incredible strengths and powers of The Gorgons, along with immortality and she also mastered the powers of The Gorgons and she also has a very deadly glare that turns evil humans to stone, and she'd fought to protect the Gorgons from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian

Angels, and she trained him in mastering the powers of darkness, poison, and a deadly glare, and he also gained all of the incredible strengths and powers of The Gorgons, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Gorgons and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Georgia kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Gorgons and risk getting turned to stone for eternity.

Me: Oh man!

Nico: So, if anyone dared to anger her by hurting Lincoln, they would...!

Lincoln: Yep, turned to stone for all eternity.

Me: That's number 5 done.

Abomination: That's another Evil Digimon destroyed.

Evilseed: In a Pokemon region, no less.

Titania: You said it!

Me: That was awesome and that's number 5 of the Midnight Princesses captured and the 5th base of Dark Gale gone.

Xenia: Good riddance.

Selene: How would we celebrate?

Evil-Lyn (to May): Are your parents cooking dinner?

May: I'll have them do that.

Nico: Awesome. Great job everyone!

We went to May's house and had a great meal.

We returned home, and Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, Cronus Chase, and The Starfire Agency, and Thomas A.K.A. Caleb Maxwell: And so, another day ends.

Cage Blunt: And we got rid of another of Dark Gale's members along with the next of The Midnight Princesses, we're already on a roll.

We then got ready for bed.

Alright, and now, for tomorrow, the sixth match-up in the saga of The War Against The Midnight Princesses and Dark Gale is Anna Medina, Daydream Kindness Princess of Life and Lincoln VS. Felicia Fluttermad

For Lincoln's rescue tomorrow, this one is going to be very personal for Lincoln as we go after one of the two villains who sought to destroy him, Lincoln and his group are heading to Nippon in the world of the PlayStation 2 game, Okami, and we're going to meet with Amaterasu, the white wolf Celestial Brush God, and her traveling companion, Issun, and we're going to destroy the Demons that are causing trouble throughout the land, and we're also going to destroy one of the two villains who sought to destroy Lincoln: Yami, The Lord of Darkness, who feared Lincoln because as we found out yesterday, he's the reincarnation of Amaterasu. Lincoln and Amaterasu are going to destroy him once and for all and send him and his minions to The Black Abyss forever, and we're going to meet the next Avatar of The Mythical Beasts, her name is Georgia Gorgon, Avatar of The Gorgon, she's Lincoln's Guardian Angel and she's known as The Dark Gorgon Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Next up for part 6 is where we go to Verdenturf City and we're going to battle Hazel Rainart.

See you all next time.

RIDONCULOUS RACE 2024 PART 6 - HOENN 2

Hoenn Region Part 2

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had a pretty dark dream: apparently, his dream led him to New York, and as he was flying, he saw what looked like Caleb Maxwell, but this one was from eight years ago in 1985 right before he died, and he had pitch black sclera and bright red eyes and sharp black claws on his fingertips. But, the most disturbing thing ever was that he had vampire fangs. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh shit! Caleb's not going to like this one bit, I thought we were finally rid of all of Caleb Maxwell's demons.

Selene Emperyous: I thought we got rid of Caleb Maxwell's demons when the Demon Blood Influenced selves of The NYPD Nightshift merged with them.

Lincoln: Caleb no doubt had that dream, and he's gotten a nightmare due to that.

Paige: So, not all of Caleb's demons have finally vanished.

Lily the Mermaid: Afraid not.

Lincoln: This one, this last demon of Caleb's life was due to his traumatic nightmares of dealing with the abuse and violence of his younger brother, Drake, and the constantly being chased by Cage and Travis when they were drunk on Demon Blood, but we got to be careful with him, this guy is the most dangerous out of all of them.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to New York, and as I was flying, I saw what looked like Caleb Maxwell, but this one was from eight years ago in 1985 right before he died, but the disturbing thing: he had pitch black sclera and bright red eyes and sharp black claws on his fingertips, and he also had vampire fangs.

WE GASPED!

Then, Caleb Maxwell came in along with the rest of The NYPD Nightshift.

Caleb Maxwell: You saw into my nightmares, right?

Lincoln: I did.

Princess Luna: As Lincoln pointed out, this is no doubt the last demon that haunted you, and this one is due to the traumatic nightmares of dealing with the abuse and violence of your younger brother, Drake Maxwell, and the constantly being chased by Cage and Travis when they were drunk on Demon Blood.

Cage Blunt: No doubt about it, but we got to be careful with him, this guy is the most dangerous out of all of them.

Travis Tackett: That's true, he's incredibly violent and full of anger and rage.

Jack Howard: And it was mainly at Drake Maxwell.

James Blunt: That's not so simple, Caleb also told me that he also had nightmares of being constantly chased by Cage and Travis when they were drunk on Demon Blood. So, that also added in both Cage and Travis being targeted by him. I've got to save him and end that last demon that haunted Caleb's nightmares.

Eli: You sure about this?

Roxy Drake: He's right, I know you're a vampire like your son, but Caleb's Demon Blood Influenced self is extremely dangerous.

James Blunt: That may be true, but I knew him all too well in the time we'd spent after he came back from the dead in 1993, and I knew of all his nightmares, and I've got some surprises to purify him.

Lincoln: This we got to see.

Selene Arcangela: Same here. I don't know how, but I sense you've gained purifying powers like us and Lincoln.

Anna Anyanova: And you're going to transform in the same way as J.D. and Nico and most of us had done already, this we really got to see.

Luna: But, how did you gain purifying powers like Lincoln and his Guardian Angels?

James Blunt: I don't really know, but last night, Caleb was having a nightmare and when I placed my hand on his head, my hand started glowing with bright light, and all of a sudden, his nightmare was over and he returned to sleep, but then, I saw a figure transform into Caleb from eight years ago. (Realizes something) That's...the very demon that you saw last night in your dream.

Lincoln: You drove him out, but you didn't destroy him. He must've escaped, which means we'll run into him on Nico's rescue today.

We checked the computer, and we saw it: Demon Blood Influenced Caleb Maxwell has been sighted.

Nico: Got you. But, that was some awesome work last night, Mr. Blunt.

Casey Antonio: I guess this means you still won't be joining The

NYPD.

Caleb Maxwell: He's said it once and he'll say it again, Casey, he's not joining The NYPD.

Lincoln: I've set the coordinates of The TLPS Flying City Fortress to get us to where Demon Blood Influenced Caleb Maxwell is at. Let's finish up breakfast.

Yang woke up to see Slugma staring at her

Slugma: Morning Yang!

Yang: Oh morning Slugma

Slugma: Time for breakfast.

Yang: Oh boy!

She went to get dressed and we were having hot and spicy India Curry Omelettes. They were awesome.

We then finished our breakfast, and we set out to not only take down the next villain on Nico's rescue, but we're also taking down the Demon Blood Influenced version of Caleb Maxwell and James Blunt is going to purify and save him.

Later it was time for the rescue and Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Donbrothers, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Princess Anita, Granity, Rei Miyamoto, Saya Tekagi, Saeko

Camie: Ahh Paris.

Qin: So awesome.

Me: Yep. Paris is so awesome.

Varie: It sure is.

Lola: Paris always is fun.

Eli: I agree there.

Nico: Yep. It sure is fun.

Janeen Aran: You got that right.

Nico: Proto Man, I want to thank you, Scorcher, and your teams for coming

Proto Man: No problem Nico. This is gonna be awesome and fun.

Tessa: We're always ready for some fun.

Flynn: That's right. BOOM!

Me: Yeah! BOOM!

Nico: Tessa, what do you like to do in your free time?

Tessa: Oh Dragonfeathers! I haven't given it any thought. But if I were to pick it would be a phoenix caregiver.

Me: We have a new phoenix nursery at the zoo and she and Cali take care of Phoenix Eggs at the zoo.

Cali: It's a good job at the zoo and it's cool.

Nico: Wow! I didn't know the zoo has Phoenixes now.

Me: It's awesome.

Qin: Yeah.

Tessa: That is cool.

Maria: I actually didn't know that

Me: It just got put in 4 days ago.

Twilight Sparkle: That is awesome. Also Spyro said that at Gryphon Observatory there's this really cool hatching day for phoenixes there in Skylands.

Nico: Wow!

Qin: Wow! That is amazing.

Lola: It sure is.

Nico: Nice!

Me: Yeah it sure is.

Lola: That is cool.

Me: Yep. Wow! Part 5 of the race is done.

Nico: Yep and we defeated Murmukusmon.

Me: And settled an old score with me and him from 10 years ago.

Camie: That is for sure.

Lola: He paid for his crimes.

Me: That was awesome and we captured number 5 of the Midnight Princesses.

Nico: You never really fully explained it to us in the past

Me: Yes and I apologize for that. I never gave you the exact full extent of the details.

Nico: No worries there.

Me: The important thing is that we destroyed him for good.

Camie: That is for sure.

Me: Yep.

May: It was good to be home again in Petalburg City. I missed mom and dad.

Nico: I bet you did honey.

May: Yeah.

Lola: But Zoe's Akuma there was amazing!

Qin: She looked awesome as a Wind Dragon Rider.

Camie: She sure did.

Varie: Yeah.

Me: And the entire city was in the middle of the eye of the storm. How cool! Reminded me of when I was in a hurricane. That was scary.

Qin: Yeah that was scary. It looked like we were in the middle of a giant swirling wheel of storms!

Camie: Yeah!

Me: But as a bonus we won that part and also reunited Lilja with her biological mother Sólrún Jóhannsdóttir.

Lilja: (Icelandic Accent) Yeah I am so happy.

Fluttershy: Now we both can be there for you Lilja.

Eli: That is for sure.

Rainbow Dash: (Crying) Oh that is so adorable and amazing! (Crying)

Rarity: Oh Rainbow Dash what's wrong darling?

Rainbow Dash: (Crying) Seeing them so happy touches me.

Applejack: Aww there there Sugarcube. Besides we are happy for Lilja and Fluttershy.

Me: Yeah now Fluttershy and Sólrún can be there for Lilja.

Nico: She now has 2 moms.

Lana: Like Sam and Luna with Whitney.

Me: That is true.

Nico: I'm also glad Lilja has her mom back

Me: Same here.

Qin: Yeah.

Rainbow Dash: Yeah. It's so awesome.

Lola: Yep.

Me: So far we're making great progress in all this.

Nico: We sure are.

Lola: Yep.

Qin: We got Dark Gale on the ropes.

Varie: Yep.

Then...

THUNDERCLAP!

A MASSIVE DOWNPOUR FELL!

Nico: What the Hell?!

Me: Just happened from out of nowhere!

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Paris, France, and as you can guess from the heavy downpour, we're going after our target.

Suddenly, Lincoln had a premonition, but as soon as he did, he had a massive nose bleed and was sent flying into a tree.

CRASH!

Nico: What the?!

Me: Uh oh, Smoking Hot Bikini Akuma Alert?!

Lincoln: You guessed it. Her name is Stormbikini, she's the Hypothetical Akuma of Dew Gayl and she is a Storm Maiden and drenches entire city blocks in torrential non-stop rain and lightning. She was made because of Cinder Fall killing Pyrrha and she vowed to kill her with the fury of the storm.

WE GASPED!

Lincoln got out his sketchpad that was protected by waterproof shields, and we saw her: she was a smoking hot babe in a bikini and a storm cloud covering her legs. But, that of course forced out our notorious perverted sage!

Lincoln: WHAT THE HELL?! Master Jiraiya!

UH OH!

LINCOLN SPED UP TO JIRAIYA AND PUNCHED HIM SO HARD, HE SENT HIM FLYING OUT OF PARIS AND CRASHING INTO THE BATHHOUSES AT THE HIDDEN LEAF VILLAGE, AND WHEN TSUNADE FOUND OUT!

Tsunade: (OFF-SCREEN) JIRAIYA!

WE THEN HEARD THE SOUNDS OF NASTY PUMMELING AND CLOBBERING!

Me: JUMPING SHITBUCKETS!

Nicole: Nice one!

Sabrina Lorelai: Oh man! I knew you'd send him flying into the bathhouses!

Nicole: And Lady Tsunade caught him right on time! Nice one, Lincoln.

Lincoln: He may be one of The Legendary Sannin and a great ally of ours, but when it comes to his perverted nature, even I can't stand that especially when it comes to the Hypothetical Akuma of one of my future wives.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio's sent out a gang of thugs to try and attack us, and just as we'd found out, the Demon Blood Influenced version of Caleb Maxwell has been spotted.

Lincoln: Sergio, you little...!

Me: What's wrong, Lincoln?

Lincoln: It's not good, Sergio's sent out a gang of thugs to try and attack us, and just as we'd found out, the Demon Blood Influenced version of Caleb Maxwell has been spotted.

WE GASPED!

Nico: That repulsive rat with wings! He and the gang he hired are going to pay for this!

Lincoln: I'll get the bombs full of hot cheese sauce ready after we take care of Sergio's thugs and James Blunt helps the Demon Blood Influenced version of Caleb Maxwell.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: Honestly, Sergio's going way too far with this.

Lori: I literally thought he'd learn his lesson, but I knew this won't be the last time he does something like this.

Lincoln: Well, he's gonna regret this after we take care of our Akuma problem and Demon Blood Influenced problem.

Me: Yep.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Stormbikini) Uh oh, I just spotted Stormbikini, she's 20 yards away. (Sensed Sergio's hired thugs and Demon Blood Influenced Caleb Maxwell) And I just spotted Sergio's hired thugs and the Demon Blood Influenced Caleb Maxwell.

Nico: Let's get going.

Danny heard a Pokemon cry

Danny: Look guys!

We saw a Gastly!

Me: Cool Gastly.

Shaggy: ZOINKS!

Me: Shaggy it's just one of the Ghost Pokemon. Not one of the monsters you faced.

Shaggy: Oh. Like sorry.

Gastly: I do have that effect.

Danny: You must be hungry.

Danny gave it food.

Danny Phantom: There you go.

Gastly: Thank you.

Danny Phantom: Wanna come with me?

Gastly: Sure.

Me: Awesome!

Nico: Yep.

Gastly (to Shaggy): Relax. I'm not that scary

Shaggy: Like sorry. I have this phobia of monsters and ghosts.

Me: Ugly story.

But then we saw something eating all the food in the restaurants.

Me: Look!

We saw a Guzzlord! It was eating all the food in the restaurants all over!

Me: WHOA! A Guzzlord!

Nico: What's that doing here?

Shaggy: Like, oh no!

Nico: I know! This is another of Dark Gale's victims.

Shaggy: We have to eat some food before it eats it all! (starts eating food)

Me: Shaggy!

We saw the Guzzlord eat a WHOLE FRIDGE full of food!

Eddy: WOOHOOHOOHOO! Man tell me I wasn't dreaming! It scarfed the whole fridge! (LAUGHS HYSTERICALLY!)

Shaggy: Hey! I want to eat too! (eats food as well)

Me: GEEZ! And I thought Ed was this hungry when he sleepwalks!

Eddy: Lumpy has nothing on this! This is rich guys!

He pulled us and we got to sitting down.

Eddy: Have a seat! Front row center to the greatest shows on Earth! Mammoth Stomach VS Gargantuan Guzzlord!

He got out some popcorn and ate it.

Me: You gonna share that popcorn Eddy?

Eddy: Sure.

He gave me some.

The Guzzlord ate all the food left and right and did all kinds of tricks with it.

Me: That was very good!

Camie: What an appetite!

Eddy: I can't figure out where it's putting it all!

Shaggy: C'mon, Scoob! We can't let it eat all the food! It needs to learn how to share!

Scooby Doo: Reah!

But the Guzzlord was far ahead of Shaggy and Scooby.

Qin: I don't think Shaggy and Scooby's appetite can match the appetite of a Guzzlord!

Nico: Nope.

Zecora: This Guzzlord has something familiar about it I must feel, but it's one that I know that I must deal.

She used telepathy and gasped!

Zecora: This is my sister Shani Zecora who was turned into a Guzzlord, what Dark Gale did is something that I must Abhore.

Me: That makes sense but yeah!

Shaggy: Hey! You need to learn how to share!

Her response? It ate them!

Me: WHOA!

We looked back.

Me: Good thing I'm a man of the world!

Eddy: I was gonna say the same thing.

Edd: I'm terrified beyond rational thought! I can't look!

We looked and saw that she spit them out.

Eddy: She spit them back out.

Nico: WHEW!

Eddy: Lets go! We don't want to miss her getting heartburn!

We followed the trail and grabbed Shaggy and Scooby who were saturated in drool!

Me: YUCK!

Nico: Gross!

We followed the trail!

Eddy: Look at all this! That Guzzlord must've bilked the whole city of its food!

Me: In a city that's over 2.16 million people!? That's highly unlikely.

Nico: Geez what a mess!

Qin: No kidding!

Edd: Messy messy. (Picks up a bottle) Eating everyone's food is one thing. But LITTERING!?

Eddy: Check it out guys!

We saw that the Guzzlord has eating 20 boxes of muffins.

Eddy: That Guzzlord ate 20 crates full of Bran Muffins and Croissants!

Laney: That is A LOT!

Edd: This could be dangerous guys.

Shaggy: We can't let it eat all the food!

Me: Well lets follow the trail.

We followed it Marinette's Restaurant!

Marinette: NOT MY PARENT'S PASTRY SHOP!

Me: AHA!

We went in and confronted it!

Me: Hey! Don't eat all that food!

Zecora: Shani it is I Zecora and as you can see you must stop this food eating binge for all to not flee!

Shaggy: You need to share!

Me: I don't think she knows what Sharing is.

All she did was charge at us!

We dodged her and Laney tied her up in vines.

Me: Looks like we have to fight.

Me and Zecora fired waves of energy and blasted her all over.

It tried to eat Horsea. But she dodged her.

Horsea: HEY! I'm not on the menu!

Me: Not on our watch!

I snapped my fingers and she reverted back. WITH ONE HUGE LOUD BELCH SHE REVERTED BACK!

LOUD LONG HUGE BELCH!

She was a girl with black hair and purple eyes and had brown angel wings and Guzzlord in the middle of her forehead and had an orange version of Zecora's cutie mark on her arm.

We wrapped her in a blanket.

Sabine Cheng: WHOA! That is one nasty appetite.

Me: Guzzlord has a MASSIVELY huge appetite.

Eddy: Yeah no kidding!

She was out cold and had a bloated belly.

Eddy: (LAUGHS HYSTERICALLY)

Edd: She seems quite content with all that food.

Eddy: Yeah like a beached whale.

We brought her over to a sofa.

Me: Man that was a lot of food for a gene-slammer.

Nico: No fucking shit!

Marinette: At least we stopped her from eating all the food in my parents restaurant.

She woke up to see Horsea's stern gaze

Shani Zecora: Huh?

Horsea: You almost ate me!

Shani Zecora: I'm sorry. What happened?

Me: You were turned into a Guzzlord by Dark Gale and you ate every single piece of food in the city.

Eddy: (Eating donuts) Yeah you ate everything! Including trying to eat Shaggy and Scooby here.

Shani Zecora: Whoa man!

She saw how fat she was and how bloated she was.

Shani Zecora: (Groans) Geez!

Me: You're stuffed like a Thanksgiving Turkey.

Zecora: But you are back to normal for everyone to see and it's good to have you back with me.

Shani Zecora: Zecora!

She tried to hug her but her stomach because of it being so stuffed was too big.

She burped.

LOUD LONG HUGE BELCH!

Me: Whoa! Excuse you.

Shani Zecora: I'm sorry. Man what did I eat?

Me: All of that!

I pointed to the trail of garbage she left.

Shani Zecora: Oh man! I ate ALL THAT!?

Nico: Yeah you did.

Me: You ate 75 restaurants worth of food and tried to eat Marinette's restaurant here.

Qin: Yeah.

She burped again

Shani Zecora: Oh man! I remember.

* * *

She was in a black suit and was injected. Then she turned into GUZZLORD! AND DID SOMETHING HORRIFIC! SHE ATE ALL THE MEMBERS OF DARK GALE IN THAT BASE!

She busted out and was hungry for more!

FLASHBACK ENDS

Shani Zecora: That was... (STOMACH GRUMBLES) UH OH!

THEN SHE VOMITED A MASSIVE FLOOD OF BLOOD, GUTS, BONES, INARDS AND MORE!

She vomited all that up for over 20 minutes.

Me: OH SICK!

Nico: GOOD GOD!

We counted 400 piles of human skeletons!

Eli: GOOD GOD! That will leave a HORRIBLE taste in your mouth!

Hunter: (German Accent) Mein gott! That is gross! Ein haven't seen something this gross since ze time Leni turned into a Werespider.

Nico: Your role in Sonya's team?

Me: Nico let her rest up. She just puked up over 400 skeletons. See?

He saw them.

Nico: Oh right.

Mevya patted her belly.

Poliwag patted her back as she threw up more.

Me: That was way too much food for anyone to endure.

Qin: I agree.

Camie: Yuck.

Nico: CLEANUP ON AISLE 12!

We got mops and buckets and more and cleaned it up.

Me: Geez! Shani are you okay?

Nico: You okay now?

Shani Zecora: I think so.

We gave her some water.

Nico: There.

Me: Sorry you had to see all that Mrs. Cheng.

Sabine: No worries but thank you all for cleaning up.

Me: You're welcome. After we're done here we got to clean up the mess outside too.

Qin: Yeah.

Nico: Anyway your role in Sonya's team?

Shani Zecora: Oh I'm the healer and voodoo magic master of the team. I learned all my skills from Zecora and more on my own when I lived in the Pridelands.

Zecora: Shani lived in the Pridelands in Tanzania for a good amount of time to learn more smarts, and it boosted her skills in survival and the healing and voodoo arts.

Me: Wow!

Shani Zecora: Yeah. Outside the team I work as a shaman and medicine woman.

Me: Wow that is cool.

Horsea: (to Shaggy) Now you and Scooby don't have competition anymore

Shaggy: You're like right on that.

Me: Shaggy and Scooby were trying to outeat you.

Shani Zecora: Wow they have huge appetites.

Me: Yep.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her awesome new red clothes and a new spear.

Shani Zecora: Wow I look awesome.

Me: You sure do.

Nico: Okay lets clean up more.

We did so and I snapped my fingers and fixed the damage and cleaned all the streets up of the garbage and put the trash and recycleables in bins.

Me: There we go.

Nico: Much better.

Me: Yeah. Now Shaggy, Scooby, what did we learn today?

Shaggy: No overeating. But we couldn't let the food go to waste!

Me: And?

Shaggy: Like never outmatch the appetite of a Guzzlord?

Me: And?

Shaggy: We were crazy to do that.

Me: And?

Shaggy: Like we're sorry.

Scooby Doo: Rorry.

Me: Good.

Nico: Now lets go after the Akuma.

We then took off into the air to take down Stormbikini and James Blunt is going to purify the Demon Blood Influenced Caleb Maxwell and get rid of Sergio's hired thugs.

We were flying in the air, and we spotted our target, Stormbikini, the Hypothetical Akuma of Dew Gayl.

Lincoln: There's Stormbikini. Let me take her down.

Me: Whoa what a smoking hot mama.

Lincoln flew fast and hard, and Stormbikini kept firing lightning blasts at him, but that was a really huge mistake as Lincoln absorbed the lightning blasts and it made him even stronger and more supercharged than ever, and then, he flew even faster and grabbed and pinned Stormbikini to the ground with his arms.

Nico: Nice work, Lincoln.

Me: She should've known better than to do that, Lincoln has the powers of lightning along with the elemental forces of nature, the Heavens, the cosmos, and the universe.

Lincoln: Hah, got you.

Stormbikini: (Seductive Voice) (Smirks) Oh really?

Suddenly, Stormbikini wrapped her legs around Lincoln's waist and her arms around his neck as her breasts and stomach pressed against his pecs and ten-pack abs. But, he knew what was coming as he wrapped his massive arms around her waist, and then, he kissed her deeply on the lips which made her hair fly up into the air! He had her outsmarted at her own game of seduction and had her pinned to the ground as they continued to kiss deeply and passionately.

Qin: Whoa.

Then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Stormbikini's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Stormbikini: (Swooning) (In Heaven) What...a...hunky and manly stud!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Stormbikini with red gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

That of course led to Stormbikini making out with him even more as the rainstorms grew even more stronger.

Sarah Succubi: Oh man, he outsmarted her in the ways of seduction.

May: He out-seduced her and marked her.

Nico: Damn.

Me: He really is a ladies' man.

Luna: He's been attracting tons of smoking hot babes and chicks when he was eleven, and now that he's grown into a man, now they're wanting to really get together with him. But, his Guardian Angels always makes sure to scan to see if they're truly good, those who aren't and are just evil, well, they wind up getting sent to the reform school or get sent to Hell.

Rita: And he'd already attended sex education classes and he knows what to do now that he's at that age.

Nicole: Lincoln is really taking that to stride.

Me: And from what we just saw, any display of passion made the rain grow even stronger.

Stormbikini: Oops, sorry.

Lincoln: I got this.

Lincoln dove into the flooded streets, and he began absorbing all of the excessive rainwater into his body, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Me: WHOA! He sucked up all the water like a sponge.

When Lincoln was done, the streets were dry, but his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals was literally still flaring up extremely and it was even more stronger and more intense than ever.

Lincoln: WHOA! It feels like I've drained a whole ocean dry, and I feel even more stronger than ever! This feels incredible!

Me: That sure was awesome. Nice job buddy. SpongeBob would be proud.

SpongeBob: (LAUGHS) I sure would.

Qin: Yeah!

Nico: Dew? You still remember us, right?

Stormbikini: How can I forget? You guys are my friends and you saved Remnant.

Me: Yep. Salem too because of what she had to go through.

Stormbikini: I know.

Lola: Yeah.

Me: What the rest of some of your enemies did was unforgivable.

Qin: Especially Cinder Fall of the Prime Universe.

Me: Yeah Cinder Fall of our dimension will pay for what she did.

Nico: I promise the Prime Version of Cinder Fall will get what's coming to her.

Stormbikini: I know. I know you all will kill her soon.

Me: Yeah. Same with all your major enemies. Including Adam Taurus.

Xenia: That is for sure!

Stormbikini: Good.

Me: Shall we dance?

Gastly charged at her and she fired a blast of lightning. Gastly turned into a lightning rod and absorbed the lightning.

Gastly: That didn't hurt.

He turned back and fired a Shadow Ball and smashed her.

Me: Time for this wolf to howl! RELEASE THE WOLF! (HOWLS)

Suddenly, Lincoln fired massive waves of water that forced out Sergio's hired thugs, and Lincoln made a one-way viewing window for Sergio to see. Then, he grabbed one of the thugs by the neck with his left hand and hoisted him up to make him look him in the eyes.

Lincoln: (Smirks) Well, well, who do we have here?

Then, he tossed the bastard into his friends and they got knocked down, but as soon as they got back up, Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

When Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls and sent them to The Black Abyss, and when Sergio saw it through the one way window, he screeched in anger at us.

Then, Lincoln threw bombs of molten nacho cheese into Sergio's cell and they exploded and he got covered in hot cheese.

Sergio: RRAWK! FUEGO QUESO! IT BURNS! IT BURNS!

WE LAUGHED HYSTERICALLY!

Nico: OOH! Nothing's worse than getting burned by scalding hot cheese. Nice one!

Suddenly, Lincoln got out of the way from an incoming claw swipe, and we saw our next target: it was Demon Blood Influenced Caleb Maxwell, and he matched what Lincoln saw in his dream last night.

Lincoln: So, you got here just in time.

Demon Blood Influenced Caleb Maxwell: And I'm here to get revenge on that asshole who murdered me!

Caleb Maxwell: You're too late on that matter, I'm the one who killed him.

Demon Blood Influenced Caleb Maxwell: WHAT?! (HISSES)

He showed his fangs and that scared us bad. But, not Lincoln, Lucy, Cage Blunt, James Blunt, Travis Tackett, and our fellow vampires.

James Blunt: (Smirks) Was that supposed to scare us? Here's how you really scare someone!

Suddenly, James Blunt let out an animalistic roar as he showed his fangs and that really scared the crud out of our target and most of us!

Me: WHAT THE HELL?!

Nico: OH CRAP!

Cage Blunt and Travis Tackett: Damn...!

Caleb Maxwell: See, this is why no one ever pissed off Mr. Blunt or the other vampires I've met.

James Blunt: Only you would say that because you know it to be true. Alright, let the fun begin.

Suddenly, we felt James Blunt's energy rise as his blood red eyes turned neon blood red and he was surrounded by a black and blood red, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, demons, phoenixes, and angels.

James Blunt: I was surprised to find out that the last of Caleb's demons is a Demon Blood Influenced of himself: the manifestation of the years of Drake's abusive nature and ruthlessness along with the constant nightmares of being chased by Cage and Travis drunk on Demon Blood. But, I feel it: deep within your heart, you're still the same person from all those years ago. (GOLD HEAVENLY RING OF LIGHT APPEARED AND SURROUNDED HIS RED EYES) You're not going to die here again, this time, you're going to be saved from that very darkness that followed you before your death and after you returned from the dead.

James Blunt saw Demon Blood Influenced Caleb Maxwell come charging at him, but he expected that, and he got behind him. Then, he placed his left hand on the creature's back, and as it glowed with light and his tattoo on his right arm glowed, the light then flooded into Demon Blood Influenced Caleb Maxwell's body, and it released him from the darkness as it was destroyed as it caused the sclera of his eyes to change back to white.

Nico: Whoa.

Me: He did it.

But, then, the ghost's mind was flooded with the memories of family love once lost to the darkness thanks to Drake's cruelty and vile abusive ruthlessness.

James Blunt: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) It's over, Caleb. Please, just let go of the very darkness that you harbored within you.

That struck a chord within him as we saw tears fall from his cheeks.

Demon Blood Influenced Caleb Maxwell: I never thought I'd ever feel the memories of family love or anything ever again. Ever since I turned sixteen, I'd felt nothing more than pain and suffering thanks to Drake always attacking us and I've had to use my own body to shield Mom and Allie from his more violent attacks, yet I didn't even expect to find out that all of his repeated violent attacks on me had cost me my physical and mental health and that when I reached 21, I would be dead, my life would be over before it even began. It hurt me to my very soul, and it was all Drake's fault! I hated him with all of my heart! He broke the bond between us brothers and our family, he acted like a monster and an asshole, and he...!

James Blunt holstered his massive greatsword on his back and he went to him and hugged him tight.

James Blunt: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) He betrayed you and your family in the worst possible way imaginable, and even if you were to let him live, he would've tried again to kill you and everyone you loved. He was a sick twisted irredeemable man. No, he was a monster to the end, and with what he did, he hurt you greatly, and he didn't deserve to be forgiven at all. But, now he's gone forever, and there's no need for you to hold on to that darkness forever.

Suddenly, Demon Blood Influenced Caleb Maxwell who heard every last word broke down and cried hard into James Blunt's chest and his tears fell onto the floor as he hugged the vampire cat. This also got to Caleb Maxwell.

Caleb Maxwell: I know I've let go of that darkness after the truth about Dad finally came out, but what Mr. Blunt said was true, I'd harbored one last demon within me: the very demon born from the years of abuse, anger, and violence that Drake inflicted on me. But, now it's finally over.

Suddenly, Demon Blood Influenced Caleb Maxwell started to fade away as he went into Caleb Maxwell and the final demon of his past was finally put to rest forever.

Suddenly, Stormbikini summoned a powerful storm.

Lincoln: You're not the only one who can use the power of the storms.

Lincoln flew into the heart of the storm and he concentrated and glowed in a rainbow, white, golden yellow, and blue aura.

CHOIR SINGING

The rumbling of thunder was heard, and then, more storm clouds formed and were added to the very powerful storm Stormbikini formed, and then, lightning and thunder crashed, and the lightning bolts raging inside the storms glowed, and the massive storm's energy, electricity, and lightning flowed and poured into Lincoln as his power was increasing exponentially!

Me: Whoa!

Lincoln's power was skyrocketing fast!

Nico: HOLY CRAP!

Then, Lincoln released all of his power and he was ready! His deep sapphire eyes glowed a dazzling deep sapphire and cobalt blue and his aura was rainbow, white, golden yellow, and blue like all of the storms and elemental forces was around him, all of the storms were stronger and more amazing than ever.

Eli: UNREAL!

Lincoln: (Divine Storm Voice of Justice) The powers of the storms and the elemental forces are one with everyone.

Let's do this!

Lincoln, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Laney, Dew Gayl, Nico, and I and all of us went after Sebastian, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, green, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Stormbikini and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws

and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Dew Gayl, Laney, Nico, and I and all of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength.

Suddenly, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and nine sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Stormbikini, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Stormbikini.

Then, Lincoln, Nico, and I charged and smashed our rainbow energy infused left fists into Stormbikini's stomach, and a cluster of rainbow, white and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked her with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BEGONE!

Lincoln, Nico, and I did one final powerful energy slash that hit Stormbikini hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Stormbikini was on her last legs and she was really really mangled.

Then, before she could fall to the ground, Lincoln caught her in his arms bridal style, and she kissed him once again on the lips.

Lynn: And she's out!

We cheered as we holstered our weapons and we powered down, and Laney's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large brown and green planets orbiting around her legs, twenty-five smaller brown and green planets orbiting around her waist, smaller planets orbiting around her fingers, and massive brown angel wings and nine sets of larger brown angel wings underneath her massive brown angel wings are permanent and Dew Gayl's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large brown and green planets orbiting around her legs, twenty-five smaller brown and green planets orbiting around her waist, smaller planets orbiting around her fingers, and massive brown angel wings and nine sets of larger brown angel wings underneath her massive brown angel wings are permanent.

Suddenly, Dew Gayl wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Dew Gayl's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Dove flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from

Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Dew Gayl sucked in and absorbed the elemental forces.

Nico: That ought to do it. Plus, you really saved the city of Remnant when you sucked in all of the water into your body, Lincoln.

Me: And I didn't expect you to charge in and pin Stormbikini to the ground like that and engage in a full make out session.

Caleb Maxwell: If we so much as see that bitch, Cinder Fall, I'll shoot her remaining eye out and leave her bleeding in pain.

Me: If anyone's going to give that bitch any pain, it's gonna be Pyrrha. She killed her in cold blood, she deserves to die at her hands.

Pyrrha: That's right, I'm going to be the one to kill her when that day comes, you're not taking that kill away from me, Caleb. You already had your turn when you killed Drake and your dad's scumbag relatives.

Cage Blunt: She's got you on that one, Caleb.

Travis Tackett: And she also got Allie on that one too, she did help you with killing Drake and your dad's scumbag relatives when we went after Claw Dane Drake.

Allie Maxwell: Right, how could I forget that.

Nico: We hadn't forgotten that day. Say, James, what is it that you do on your spare time?

James Blunt: I've helped in fixing cars and doing yard work, it helped in keeping my vampire side under control, but thanks to the transformations and the time I'd fed on Caleb's blood, I feel as though my vampire side and I are now as one.

Caleb Maxwell: Cage helped in fixing cars, but in yard work. Forget it.

Cage Blunt: I didn't like to work back in the late 1960s, and I was wild.

Caleb Maxwell: You know, a little hard work doesn't even hurt, Cage, and if that didn't happen, your vampire side would go out of control. (Under his breath) Lazy bum.

Suddenly, Cage Blunt heard it and wrapped his left arm around Caleb's neck and used his right hand to give Caleb Maxwell a noogie.

Caleb Maxwell: Ouch. Stop it, your knuckles are digging into my scalp! HELP!

Cage Blunt: (Smirks) Ready to give up?! Say uncle!

Caleb Maxwell: You seem to forget one thing, I'm a Maxwell and I don't give up!

Suddenly, Caleb Maxwell got out of his grip and wrestled with Cage Blunt and tied him up with a jump rope that Allie Maxwell got out for him.

Cage Blunt: What the? Seriously?! A jump rope!

Then, Caleb Maxwell grabbed one end of the rope and...!

HE PULLED IT AND SENT CAGE BLUNT SPINNING LIKE A TOP AND WHEN HE STOPPED, HE WAS REALLY DIZZY!

Travis Tackett was on his butt and laughing like a hyena!

Travis Tackett: (LAUGHING HYSTERICALLY) OH MAN! CALEB GOT YOU REAL GOOD!

Cage Blunt: (Smirks) Yeah, real funny. But, you forgot what happened last time you messed with me, right, Caleb?

Caleb Maxwell realized it: he was in big trouble now.

Caleb Maxwell: Oh crap.

Everyone: UH OH! YOU DID IT NOW!

Cage Blunt removed his white long-sleeved coat and threw it into a portal and he grabbed his shirt and...

RIP!

CAGE BLUNT RIPPED HIS SHIRT OPEN AND TO CALEB MAXWELL, HE KNEW HE WAS IN TROUBLE!

Caleb Maxwell: Shit! I need to get out of here!

Lincoln: You can do that after we take of the Anothers, Caleb. But, aren't you not afraid of Cage and Travis anymore?

Caleb Maxwell: (Realizes something) Hey, yeah, you're right! When this is over along with Lincoln's rescue, you and me, in the gym, we'll fight it out.

Cage Blunt: (Smirks) Fine by me. Hope you're ready to lose especially with Peace watching me and cheering me on against you.

Caleb Maxwell: Why, you smart-aleck...! (GROWLS)

Everyone else snickered.

Nico: Well, at least we know who Pyrrha's facing for her big day

Pyrrha Nikos: Yep. Cinder Fall. And I'm going to rip her to shreds.

Stormbikini: That was fun. But yeah I'm going to help you guys too.

Me: Yeah!

Nico: Yep. Nice job Gastly!

Gastly: Thanks Nico. It was fun.

She reverted back and was the gene-slammer of Five Headed Dragon!

Nico: Tiyana Tiamat! Wow!

Me: The gene-slammer of Five Headed Dragon! Wow!

Tiyana Dragon: Yep and a master of Fire, Water, Earth, Wind and Darkness. Fire mostly for Scorcher.

Scorcher: Hot baby! I like it!

Nico: And your friend?

Another Yang: Just someone that misses doing this.

Ruby: EW! HEY!

Yin: I called that one the Double Loop wedgie. I invented that myself.

WE LAUGHED HYSTERICALLY!

Me: (LAUGHS) THAT IS FUNNY!

Eddy: (LAUGHS) That sure is funny!

Camie: Nice one!

Sakura Knudson: (LAUGHS) That explains why I found Swartz with his underwear like that!

Tessa: (Gets out Wacky Pipes ridewatch) I'm going to toot you up!

They used the powers of Scorcher, Wacky Pipes, Arty Alligator, Xylobone, Metaloid Org, and Ghost of Finnyan McDuff and blasted the Anothers.

Then Zeldris of Piety, Buzz (Donkey Kong), TTG Old MacDonald, Buzzlina Von Beena, Flip-Flap and Laser Sergio came.

Nico: WHOA! Nice team Zeldris!

Zeldris: Thanks Nico.

Me: WHOA! Sergio!? Is that you?

Laser Sergio: (Squawks) Yep it sure is.

Me: WOW! You're made of pure laser energy! That is so cool!

Poison Ronnie Anne: Yeah Sergio got hit by it too.

Me: Wow!

I stuck my hand in and my hand went through him like a ghost.

Me: WHOA!

I pulled it back and my hand was unharmed.

Me: Wow!

Nico: Good. The real one is still locked up

Me: Yeah.

Laser Sergio: (Squawk) That's a relief guys.

Bacchusmon came.

Me: Bacchusmon! Wow!

Bacchusmon: (In a girls voice) (Slurred Speech) This will be (HIC) Fun.

Mascots: YAY! BIANCA BACCHUS!

She reverted back and was a girl with purple hair, purple eyes, purple clothes and angel wings and had the symbol of Bacchus in the middle of her forehead and had Bacchus on her skirt and shirt and arm and had a grape juice sword in one hand and a wine bottle in the other.

Bianca Bacchus: Hey! (HUGS ME) I love you guys.

Me: Oooo kay?

Bianca Bacchus: I got this guys.

She fired grape juice and it hit the Anothers and I caught the Ridewatches and purified them.

Me: Whoa she is drunker than a rattlesnake in a whisky barrel.

Nico: But nice job!

Me: Sorry I think Applejack is rubbing off on me.

Applejack: (LAUGHS) Yeah sorry about that.

Bianca Bacchus: My favorite memory is when Nico (HIC) drank all that wine and we (HIC) Dove into grape juice vats together.

Me: Whoa.

Tessa: Dragonfeathers! I haven't asked it yet.

Me: That is funny though.

Qin: Yeah. It is because she is the daughter of Bacchus.

Me: Bacchus always was a partygoer and drunk of the Greek Pantheon.

Camie: Crazy.

Me: Yep.

Nico: Yep.

Nico and Bianca hugged.

Nico: I've missed you.

She kissed him on the mouth.

SMOOCH!

May: (GROWLS)

We went back home before May decided to kill her.

Celestial Brush God, and her traveling companion, Issun, and we're going to destroy the Demons that are causing trouble throughout the land, and this one is going to be very personal for Lincoln as we go after one of the two villains who sought to destroy him: Yami, The Lord of Darkness, who feared Lincoln because as we found out yesterday, he's the reincarnation of Amaterasu.

Now, Lincoln and Amaterasu are going to destroy him once and for all and send him and his minions to The Black Abyss forever.

Lincoln: Whoa, we're here in Nippon in the world of the PlayStation 2 game, Okami, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're going to meet with Amaterasu, the white wolf Celestial Brush God, and her traveling companion, Issun, and we're going to destroy the Demons that are causing trouble throughout the land, and this one is going to be very personal for me as we go after one of the two villains who sought to destroy me: Yami, The Lord of Darkness, who feared me because as you found out yesterday, I'm the reincarnation of Amaterasu.

Me: I was still that stunned to find out you're the reincarnation of Amaterasu from Okami, Lincoln.

Nico: Same here, but still, that's really awesome.

Nicole: Plus, I knew that Yami was up to no good once again, and we're not going to let him get away with this, not ever again.

Lincoln: That's right, Nicole. This is where I'm going to end that bastard once and for all, this is where he dies for good.

Proto Man: You got that right.

Suddenly, we heard a howl, and then, we saw a female white wolf with crimson markings across her body, a tail that's shaped like a calligraphy brush, and she has The Divine Instruments: The Divine Retribution Reflector floating above her back, The Tsumugari Glaive slung on her back, and The Tundra Beads Rosary circling her neck. It was Amaterasu, the Wolf Celestial Brush God, and her traveling companion, Issun.

Nicole: Amaterasu and Issun.

Suddenly, Amaterasu approached Lincoln who kneeled down, and she looked him in the eyes, and she immediately saw it for herself: this is her reincarnation.

Issun: So, this is your reincarnation, he has the same powers as you, Ammy. So, you're here to help us get rid of...!

Lincoln: The Dark Lord, Yami, along with The Spider Queen, Crimson Helm, Blight, Ninetails, and True Orochi. But, we're gonna need all the help we can get.

Amaterasu looked at Lincoln as she saw him and Jasmine Witchwood use The Celestial Brush, and they summoned the other Celestial Brush Gods: Yomigami, the Dragon Celestial Brush God, Tachigami, the Mouse Celestial Brush God, The Hanagami: Sakigami, Hasugami, and Tsutagami, the Monkey Celestial Brush Gods, Bakugami, the Boar Celestial Brush God, Yumigami, the Rabbit Celestial Brush God, Nuregami, the Snake Celestial Brush God, Kazegami, the Horse Celestial Brush God, Moegami, the Rooster Celestial Brush God, Kasugami, the Sheep Celestial Brush God, Kabegami, the Cat Celestial Brush God, Gekigami, the Tiger Celestial Brush God, and Itegami, the Ox Celestial Brush God.

Nicole: The other Celestial Brush Gods have been summoned as well, incredible.

Lincoln: But, there's one last person who needs to join in as well. (SNAPS FINGERS)

Lincoln snapped his fingers, and heavenly lights shined down, and we saw a large female white wolf with long mane of white flowing energy and prominent crimson red markings across her body, a tail that's shaped like a calligraphy brush, and she has The Divine Instruments: The Solar Flare Reflector floating above her back, The Seven Spirit Glaive slung on her back, and The Tundra Beads Rosary circling her neck. It was Shiranui, the previous incarnation of Amaterasu.

Nico: Whoa!

Nicole: Oh man, you also resurrected Amaterasu's previous incarnation, Shiranui, and she's the master of all Celestial Brush techniques.

Lincoln: That's right, and not only do I have the powers of Amaterasu, but I also have Shiranui's powers as well. Now, then, let's get going, we got to slay The Spider Queen, Crimson Helm, Blight, Ninetails, and True Orochi, and finally, The Dark Lord, Yami. (Deep Sapphire Eyes turn Red) Yami, we're coming for you, and we're going to make sure your reign of eternal darkness ends here and now!

We set off to vanquish the demon lords: The Spider Queen, Crimson Helm, Blight, Ninetails, and True Orochi, and finally, we're going to vanquish The Dark Lord, Yami, and send them and the demons to The Black Abyss for eternity.

We immediately started off by heading for Tsuta Ruins, a dungeon located in Agata Forest, and there we encountered the demon ruling there: The Spider Queen.

Lincoln: The Spider Queen, the first of the demons. We need to attack her eyes to destroy her.

We immediately began attacking The Spider Queen's eyes as Lincoln and Amaterasu used the Divine Instruments, and she let out a horrific shriek as she died and Lincoln banished her to The Black Abyss forever after he assimilated her powers, and Amaterasu, Lincoln, and Shiranui howled as their howls dispersed the darkness, and Lincoln's gold halo with four orbiting gold rings and the gold version of the Trinity Mirror Reflector fired beams of purifying light that destroyed the darkness clouding Agata Forest, and light returned to the land.

Me: We did it. Now, where's our next stop?

Lincoln: Our next stop is The Gale Shrine in Kusa Village and the demon, Crimson Helm.

We then flew to Kusa Village, and we arrived at The Gale Shrine, and we had to get the Divine Winds blowing again. Then, we encountered the next demon, Crimson Helm.

Lincoln: Crimson Helm, the next of the demons.

We immediately began attacking Crimson Helm as Lincoln and Amaterasu used the Glaive Divine Instruments, and he let out a horrific shriek as he died and Lincoln banished him to The Black Abyss forever after Lincoln assimilated his powers, and Amaterasu and Lincoln got the Divine Winds blowing in Kusa Village once again, and Amaterasu, Lincoln, and Shiranui howled as their howls dispersed the darkness, and Lincoln's gold halo with four orbiting gold rings and the gold version of the Trinity Mirror Reflector fired beams of purifying light that destroyed the darkness clouding Kusa Village, and light returned to the land.

Lincoln: That's it for Crimson Helm. Now, our next stop is Sei'an City, the capital city of Nippon in Ryoshima Coast, and the next demon, Blight.

We then flew to Sei'an City, the capital city of Nippon, and an enchanted fog spreading plagues has descended on the city, and Blight came out of the fog.

Lincoln: Blight, the next of the demons.

We immediately began attacking Blight as Lincoln and Amaterasu used the Glaive Divine Instruments, and he let out a horrific shriek as he died and Lincoln banished him to The Black Abyss forever after Lincoln assimilated his powers, and Amaterasu, Lincoln, and Shiranui howled as their howls dispersed the enchanted fog, and that got rid of the plagues in the city and Lincoln's gold halo with four orbiting gold rings and the gold version of the Trinity Mirror Reflector fired beams of purifying light that destroyed the darkness clouding Sei'an City, and light returned to the land.

Lincoln: We did it, Sei'an City has been freed from evil. Now, we're to head for Oni Island to take out the next of the demons, Ninetails.

We then flew to Oni Island and Lincoln saw a woman who's ruling the island, but then, he fired a mist that exposed her true form: Ninetails.

Lincoln: Nice try, Ninetails. Now, everyone knows who you are.

We immediately began attacking Ninetails as Lincoln and Amaterasu used their Glaives, and she let out a horrific shriek as she died and Lincoln banished her to The Black Abyss forever after he assimilated her powers, and Amaterasu, Lincoln, and Shiranui howled as their howls dispersed the darkness, and Lincoln's gold halo with four orbiting gold rings and the gold version of the Trinity Mirror Reflector fired beams of purifying light that destroyed the darkness clouding Oni Island, and light returned to the land.

Lincoln: We did it. (Suddenly sensed a dark energy signal) Oh crud, we got to get to the Moon Cave.

We immediately got to The Moon Cave, and there we encountered the next demon, True Orochi, the demonic serpent and enemy of Shiranui 100 years ago.

Lincoln: The demonic serpent, True Orochi.

We immediately began attacking True Orochi as Lincoln and Amaterasu used the Glaive Divine Instruments, and he let out a horrific shriek as he died and Lincoln banished him to The Black Abyss forever after Lincoln assimilated his powers, and Amaterasu, Lincoln, and Shiranui howled as their howls dispersed the darkness and Lincoln's gold halo with four orbiting gold rings and the gold version of the Trinity Mirror Reflector fired beams of purifying light that destroyed the darkness clouding The Moon Cave, and light returned to the land.

Lincoln: Now, we're going after the two demons, Lechku & Nechku, and they're at Kamui.

We immediately got to Kamui, and a blizzard hit Kamui, and then, Lincoln spotted our next targets, Lechku and Nechku.

Lincoln: Lechku and Nechku, the two powerful demons responsible for slaughtering the Oina tribe and bringing a blizzard on Kamui.

We immediately began attacking Lechku and Nechku as Lincoln and Amaterasu used the Glaive Divine Instruments, and they let out a horrific shriek as they died and Lincoln banished them to The Black Abyss forever after Lincoln assimilated their powers, and Amaterasu, Lincoln, and Shiranui howled as their howls dispersed the darkness and ended the blizzard and Lincoln's gold halo with four orbiting gold rings and the gold version of the Trinity Mirror Reflector fired beams of purifying light that destroyed the darkness clouding Kamui, and light returned to the land.

Lincoln: We did it, we got rid of The Spider Queen, True Orochi, Blight, Crimson Helm, Ninetails, Lechku, and Nechku. Now, all that's left is The Dark Lord, Yami. (Deep Sapphire Eyes turn Red) This is where we end our ancient conflict, Yami. Your reign of eternal darkness ends here and now, Lord of Darkness!

Shiranui pointed us to The Ark of Yamato, that's where Yami is located, and we immediately headed to The Ark of Yamato for one final showdown against Yami, The Lord of Darkness, and this will be where he dies here and now.

We arrived at The Ark of Yamato.

Suddenly, we saw a Gorgon flying in the skies and it left a wave of darkness in the skies and it blew across us, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long green hair, green eyes, massive green angel wings, white short-sleeved blouse with a Green on it and on her forehead, sleeveless green crop top, white gloves, green skirt, green knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, snakes, gorgons, phoenixes, and angels on the coattails, and on the back is the Gorgon, she has a darkness greatsword in her right hand, and with her are the eight girls.

Lincoln: (GASPS) Georgia Gorgon, Avatar of The Gorgon.

Georgia Gorgon: That's right, and I lured out Yami after I got the eight girls away.

We then saw a mechanical sphere covered in arcane Moon Tribe-like markings to protect its true form: a small pale fish contained in a glass ball full of water. It was Yami, The Lord of Darkness and the archenemy of Amaterasu and hated dark enemy of Lincoln.

Lincoln: Yami, my hated archenemy, I knew you'd be here.

Yami tried to drain Amaterasu of her powers, but Lincoln fired a purifying blast which hit Yami and it stripped The Dark Lord of all his powers, and it exposed his true form: a small pale fish contained in a glass ball full of water.

Skippy the Bush Kangaroo went after Yami, and he fired extremely powerful blasts of red and yellow, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, kangaroos, phoenixes, and angels at Yami and they exploded with incredible power as they hit him. Then, he punched him hard with his gauntlets and kicked him with his graves and he got hit hard.

Then, Skippy balanced himself on his tail and delivered a hard kick to the ball and shattered it and Yami fell to the ground in pain.

Lincoln: This is where it all ends for you, Yami! TIME TO DIE, MY HATED ARCHENEMY! IT'S TIME FOR YOU TO PAY FOR YOUR SINS, LORD OF DARKNESS! (HOWLS)

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Yami, and he proceeded to brutally smash him right into the ground with his massive superhuman strength, slashed him with his gold-armored dragon claws and greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON HIM! HE WAS REALLY GOING APESHIT ON THEIR MISERABLE HIDES!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SLASH!

LINCOLN ALSO SLASHED YAMI WITH HIS MASSIVE GREATSWORD AND FIRED A BLAST OF HEAVENLY LIGHT THAT HIT YAMI!

May: OH! AND HE ALSO RESORTED TO THAT! EUGH!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going apeshit on you!

James Blunt: That's only a fraction of what's going to be awaiting you after you die.

We saw Yami was a mess: Lincoln left claw marks on it.

Lincoln: You don't deserve mercy whatsoever for your crimes, Yami. You murdered so many innocent people and you showed no remorse for your sins, and what you did in trying to plunge the world into eternal darkness, you've doomed your soul to eternal damnation and no atonement for your sins in the past can save you from the fate that now befalls you: eternal damnation in The Black Abyss.

LINCOLN SHOT HIM AN EXTREMELY DEATHLY GLARE AND THAT MADE YAMI SO SCARED, HE FLINCHED IN FRIGHT!

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, HE REALLY DID IT, LINCOLN SHOT HIM DOWN WITH THE FACT HE BROKE THE COMMANDMENT OF THOU SHALT NOT KILL AND TELLING HIM OF HIS FATE ALONG WITH A DEATHLY GLARE AT HIM TOO!

Eli: They are done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKER, YOU MESSED WITH THE WRONG HEROES AND THE WRONG PLANET, YOU JUST BOUGHT YOURSELVES A ONE-WAY TRAIN RIDE TO THE NINE CIRCLES OF HELL!", "TAKE THAT, YOU ASSHOLE!", "YOU DESERVED TO GET BEATEN DOWN BY LINCOLN! HAVE FUN IN THE BLACK ABYSS, YOU MISERABLE FUCK!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending explicit condemnation and threats to those thugs.

We saw the public condemnation, and it was really explicit!

Me: Wow.

Nico: Man, they really are going all out to say those kinds of explicit threats to those bastards.

Luna: And what Lincoln said was true, now they're really doomed.

Me: When eternal damnation is proclaimed to those facing judgement for their sins, there's no escape from their judgement.

Suddenly, we felt the prayers of everyone in Nippon flooding into Lincoln, Amaterasu, the Wolf Celestial Brush God, Shiranui, the Wolf Celestial Brush God, Yomigami, the Dragon Celestial Brush God, Tachigami, the Mouse Celestial Brush God, The Hanagami: Sakigami, Hasugami, and Tsutagami, the Monkey Celestial Brush Gods, Bakugami, the Boar Celestial Brush God, Yumigami, the Rabbit Celestial Brush God, Nuregami, the Snake Celestial Brush

God, Kazegami, the Horse Celestial Brush God, Moegami, the Rooster Celestial Brush God, Kasugami, the Sheep Celestial Brush God, Kabegami, the Cat Celestial Brush God, Gekigami, the Tiger Celestial Brush God, and Itegami, the Ox Celestial Brush God, and they suddenly grew even more stronger than ever, and it angered Yami to no end!

Then, Lincoln, Amaterasu, the Wolf Celestial Brush God, Shiranui, the Wolf Celestial Brush God, Yomigami, the Dragon Celestial Brush God, Tachigami, the Mouse Celestial Brush God, The Hanagami: Sakigami, Hasugami, and Tsutagami, the Monkey Celestial Brush Gods, Bakugami, the Boar Celestial Brush God, Yumigami, the Rabbit Celestial Brush God, Nuregami, the Snake Celestial Brush God, Kazegami, the Horse Celestial Brush God, Moegami, the Rooster Celestial Brush God, Kasugami, the Sheep Celestial Brush God, Kabegami, the Cat Celestial Brush God, Gekigami, the Tiger Celestial Brush God, and Itegami, the Ox Celestial Brush God fired blasts of elemental energy and light that took on the constellations of the Zodiac, and they slammed into Yami and exploded with incredible power killing him for good, and he was banished to The Black Abyss forever.

Then, Lincoln and Amaterasu let out one final howl and that made the sun rise into the skies, and it dispelled the darkness and banished the demons into darkness forever. We cheered as we holstered our weapons and powered down, and we headed back into The TLPS Flying City Fortress with our brand-new members to the team: Amaterasu, the Wolf Celestial Brush God, Shiranui, the Wolf Celestial Brush God, Yomigami, the Dragon Celestial Brush God, Tachigami, the Mouse Celestial Brush God, The Hanagami: Sakigami, Hasugami, and Tsutagami, the Monkey Celestial Brush Gods, Bakugami, the Boar Celestial Brush God, Yumigami, the Rabbit Celestial Brush God, Nuregami, the Snake Celestial Brush God, Kazegami, the Horse Celestial Brush God, Moegami, the Rooster Celestial Brush God, Kasugami, the Sheep Celestial Brush God, Kabegami, the Cat Celestial Brush God, Gekigami, the Tiger Celestial Brush God, and Itegami, the Ox Celestial Brush God.

Lincoln: We finally did it. The Lord of Darkness is gone forever along with the demons and peace has returned to Nippon, and one of the two villains who wanted to destroy me is finally gone!

Me: That's true, Lincoln. But, we still got Chase Young's Dark Side to take care of.

Lori: When he shows up, he's gonna pay the price for what he did in turning us into monsters to kill you.

Lynn: He's nothing more than an absolute heartless bastard who gets off on making others suffer for his own amusement! That piece of garbage deserves to die!

Lola: Absolutely, he deserves to die in the worst way imaginable.

Lisa: He doesn't deserve to live, not after what he's done.

Luan: He's caused far too many innocent people to suffer for 1,500 years including you, Lincoln, he deserves only death!

Lincoln: And that he does. When we face him again, I will permanently end him forever. (To Georgia Gorgon) And it's so good to see you again, Georgia.

Georgia Gorgon: You too, Lincoln, it's been seven years since we last met.

Suddenly, Georgia Gorgon had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Georgia Gorgon was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Georgia Gorgon: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Georgia Gorgon and hugged her, and Georgia Gorgon is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Georgia Gorgon: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Georgia Gorgon, Avatar of The Gorgon, she's Lincoln's Guardian Angel and she's known as The Dark Gorgon Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Georgia is a powerful master of the powers of poison and darkness, and she's also known for her mastery of the powers of The Gorgon. She was born to a family of Gorgons during a time of darkness, and over time, as she grew, she gained all of the incredible strengths and powers of The Gorgons, along with immortality and she also mastered the powers of The Gorgons and she also has a very deadly glare that turns evil humans to stone, and she'd fought to protect the Gorgons from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness, poison, and a deadly glare, and he also gained all of the incredible strengths and powers of The Gorgons, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Gorgons and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Georgia kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Gorgons and risk getting turned to stone for eternity.

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: Same here.

Lincoln: And no one dared to mess with her, she'll give you Hell, and now that you're here, Georgia.

Lincoln with his massive muscular arms still wrapped around Georgia Gorgon's waist leaned his head down to the right side of Georgia Gorgon's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Georgia Gorgon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Georgia Gorgon with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Georgia Gorgon: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Georgia Gorgon.

Georgia Gorgon had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Georgia Gorgon's waist, and he leaned down to her face and kissed her on the lips, and with Georgia Gorgon's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Georgia Gorgon had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Georgia Gorgon: (In Heaven) My God. Oh, Lincoln, the eight girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the eight girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The eight girls are Cola Ginsky, Zukia, Karin, Ittica, Olivia, X-Elle, Maria, and Rena from Metal Max.

Lincoln: Oh whoa, it's Cola Ginsky, Zukia, Karin, Ittica, Olivia, X-Elle, Maria, and Rena from Metal Max.

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really sexy and voluptuous.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Cola Ginsky: Yes, we're okay, thanks to you.

Cola Ginsky: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Cola Ginsky: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Cola Ginsky, Zukia, Karin, Ittica, Olivia, X-Elle, Maria, and Rena with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out, and we told everyone of what happened.

Maria: Whoa, that was one awesome rescue, and you finally got rid of Yami for good.

Lincoln: You said a mouthful. After everything Yami tried to do in not only trying to destroy me, but also, trying to plunge the world into eternal darkness, he deserved to die.

Nico: That's for sure.

Me: Plus, we also met Amaterasu, the Wolf Celestial Brush God, and she saw into Lincoln's eyes that he's her reincarnation and she's now not only part of the team, but now, she's part of Lincoln's family, along with the other Celestial Brush Gods.

Suddenly, Nico felt a sharp pain on his wider and muscular back, and then, his massive dark blue angel wings with aurora and orange tips on the dark blue feathers grew much larger for his new body with a wingspan of 1,050'0" and his medium-sized dark blue angel wings with aurora and orange tips underneath his massive dark blue angel wings grew larger with a wingspan reaching 950'0" and his small-sized dark blue angel wings with aurora and orange tips underneath his medium sized dark blue angel wings grew larger with a wingspan reaching 850'0" and another pair of dark blue angel wings with aurora and orange tips grew and sprouted out underneath his small sized dark blue angel wings with a wingspan of

Me and Nico: Sweet.

Lincoln: Wow, that's awesome!

Nicole: This may be due to what you did in absorbing Jubileus yesterday, Lincoln, wow.

Maria: That's so cool.

Suddenly, Skippy the Bush Kangaroo felt a sharp pain on his now wider and more muscular back, and then, his massive brown angel wings with red and yellow tips on the large brown feathers grew much larger with a wingspan of 1,050'0" and his medium sized brown angel wings with red and yellow tips underneath his massive brown angel wings grew much larger with a wingspan of 950'0" and his small sized brown angel wings with red and yellow tips underneath his medium sized brown angel wings grew larger with a wingspan of 850'0", and the another pair of brown angel wings with red and yellow tips underneath his brown angel wings grew larger with a wingspan of 750'0", and the another pair of brown angel wings with red and yellow tips underneath the another pair of brown angel wings grew larger with a wingspan of 650'0" and the another pair of brown angel wings with red and yellow tips underneath the another pair of brown angel wings grew larger with a wingspan of 550'0" and the another pair of brown angel wings with red and yellow underneath the another pair of brown angel wings grew larger with a wingspan of 450'0" and the another pair of brown angel wings with red and yellow tips underneath the another pair of brown angel wings grew larger with a wingspan of 350'0" and the another pair of brown angel wings with red and yellow tips underneath the another pair of brown angel wings grew larger with a wingspan of 250'0" and the another pair of brown angel wings with red and yellow tips underneath the another pair of brown angel wings grew larger with a wingspan of 150'0" and another pair of brown angel wings with red and yellow tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 50'0" and another pair of brown angel wings with red and yellow tips grew and sprouted out underneath the another pair of brown angel wings with a wingspan of 25'0" and the shoulder blades of his massive brown angel wings and eleven other sets of large brown angel wings underneath his massive brown angel wings have eyes with blue irises.

Skippy the Bush Kangaroo: (Australian Accent) Looks like I also got an upgrade as well.

Lincoln: And who knows who's going to get another upgrade as well.

Me: We'll have to wait and see.

Nico: Good idea.

After Lincoln and all of us destroyed Yami and the Demons in Nippon and sent them to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Georgia Gorgon saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Georgia Gorgon: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Georgia, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Georgia Gorgon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Georgia Gorgon: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Meanwhile, in another part of the gym in the sparring area, Caleb Maxwell was facing Cage Blunt and we saw it for ourselves.

Cage Blunt: Okay, Caleb, you better be ready.

James Blunt: This is gonna get messy, Caleb knew how strong I am, not only naturally thanks to me being a vampire and all the hard work I've been doing with yard work and car repairs along with Cage and Travis, and yet, despite it, he's suffered so much and that trauma was his source of strength.

Caleb Maxwell: You don't stand a chance, Cage. I know of your vampiric strength, but I had to deal with nightmares due to my brother and you two drunk on Demon Blood, and that along with my pain became my strength. Prepare yourself!

Cage Blunt and Caleb Maxwell then charged at each other, and Cage Blunt used a lot of wrestling moves on Caleb Maxwell, but Caleb Maxwell dealt him a hard punch to the stomach and got him off of him.

Nico: Hey, no hitting below the belt!

Allie Maxwell fired a blast of dark energy at her own brother who dodged it and took to the air, and he was enraged.

Caleb Maxwell: What the?! ALLIE!

Allie Maxwell: (Smirks) Sorry, elder bro, but you asked for it, you know there's no hitting below the belt in wrestling, you broke the rule and you had to get a penalty. (Chuckles)

Maria: Man, Allie, you really are a bad girl.

Caleb Maxwell: What?! I...! I can't believe you...! WHAT THE?! (GROWLS)

NYPD Nightshift: OH NO!

Allie Maxwell: Oh, you wanna go, eh? Let's dance, crazy! I'm not getting out of this, and you're not getting away!

Caleb Maxwell let out a vampiric shriek, but Cage Blunt stood right in front of him.

Suddenly, we felt Cage Blunt's energy rise as his blood red eyes turned neon blood red and he was surrounded by a black and blood red, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, demons, phoenixes, and angels.

Cage Blunt: (Smirks) I always knew you'd lose it once again. Well, now then, it's time for me to really let loose on you.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF CAGE BLUNT WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE

Kindness, Selflessness, Courage, and Trust) (Smirks) Alright, Caleb, let's do this.

Caleb Maxwell: W-wait a second! Cage, is it too late to declare a time-out?

Nico: You can't back out now, Caleb.

Me: Yep, time for Round 2.

Eli rang the bell.

DING!

Cage Blunt went at Caleb Maxwell again, and he used a lot of wrestling moves on Caleb Maxwell who hadn't gotten a chance to fight back, and he seriously got clobbered big time

Caleb Maxwell: (SCREAMS) Travis, you got to stop him! Please!

Travis Tackett: No can do, Caleb. You were the one who made that smartass comment to Cage calling him a lazy bum, so you started this, and now, you have to face the consequences.

Caleb Maxwell: Shit...! Frick...! DAMN IT...!

Caleb Maxwell tried to get away, but Cage Blunt grabbed him and did a two-handed spin toss on Caleb and he was really getting dizzy, and then, he threw him onto the mat. Then, he got on the pole, and we knew what it meant.

Caleb Maxwell: (Groans) What the?!

And then, Cage Blunt jumped off the pole and...!

CAGE BLUNT BODY-SLAMMED CALEB MAXWELL ON THE GROUND AND PINNED HIM TO THE FLOOR WITH HIS HANDS AND BODY WEIGHT!

Me: ONE...TWO...THREE! YOU'RE OUT!

EVERYONE CHEERED!

Caleb Maxwell: (Weakly) Ouch...! Okay..., okay...! I give! I give!

Then, Cage Blunt got off of Caleb Maxwell and helped him up, then, Cage Blunt wrapped his left arm around Caleb Maxwell's neck and used his right hand to give Caleb Maxwell, but instead of giving him a noogie, he patted him on the head.

Cage Blunt: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) There, now that wasn't so bad, was it? All you had to do was admit defeat, but you did make me transform.

Caleb Maxwell: Yeah, I did.

Then, he let go of Caleb Maxwell, and suddenly, Peace Salyers got into the ring and went to Cage Blunt and she kissed him and he returned it, but not before wrapping her arms around his waist and almost grabbing him by the butt.

Peace Salyers: As if you couldn't gotten even hotter than before, you just proved me wrong.

Leela Salyers: Oh boy. Peace, I should've known, you had feelings for Cage even after he moved in, and you almost grabbed him by the ass.

Allie Maxwell: And who had the idea to try and get into his and Travis' room in the first place, eh? You're lucky Caleb was still terrorizing Dad's former organization back then.

Jazz Jackson: (Snickers) If he found out, he'd try to use whatever demons he can summon to scare you back to your room.

Leela Salyers: You forgot we've dealt with Caleb before, and he was a real demon, a bat out of Hell.

Jazz Jackson: Yeah, I know, we all knew Caleb was a bat out of Hell and out for revenge. Well, looks like you're gonna be making quick work of criminals even more, especially with that new body of yours, Blunt.

Cage Blunt holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large twenty-five black and red planets orbiting around his legs and twenty-five black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and blood red planets orbiting around his wrists and ankles, longer brown tail, and his massive brown angel wings and eleven other sets of larger brown angel wings underneath his massive brown angel wings are permanent.

Cage Blunt: Well, one look at me, and they'll be running for their lives, and it won't be long before Travis also transforms as well.

Allie Maxwell: If that happens, your little sister's going to be drooling over him even more, Peace.

Leela Salyers: Allie.

Travis Tackett: (Smirks) Allie, do I need to remind you of what happens when you open your mouth and blurt out something like that?

Allie Maxwell: (Eyes went wide) Travis Tackett, you better not even think about...!

Travis Tackett pinned Allie Maxwell to the floor and tickled her feet with his tail, as she laughed hysterically.

Allie Maxwell: (Laughs) Cut it out, Travis. Okay, okay, I give.

Travis Tackett: Much better.

Then, he helped her up.

Caleb Maxwell: Maybe, next time, that'll teach you about running your mouth, sis.

Tyler Maxwell: Yep, I missed out on a lot, and I'm gonna be keeping an eye on you two even though Caleb's my older brother.

Lincoln: But, they and The NYPD Nightshift have been an awesome help, Tyler, ever since we met them last year.

Nico: He's right, and we'd seen through the tapes of how Caleb's life had been, but we haven't even begun to scratch the surface.

We got a shower, and then, Lincoln, Meninas McAllon, Universe 666 Bambietta Basterbine, Universe 666 Candice Catnipp, Liltotto Lamperd, Universe 666 Giselle Gewelle, and Universe 666 Misa Amane are heading to Laverra Beach.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Meninas McAllon, Universe 666 Bambietta Basterbine, Universe 666 Candice Catnipp, Liltotto Lamperd, Universe 666 Giselle Gewelle, and Universe 666 Misa Amane are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Meninas McAllon, Universe 666 Bambietta Basterbine, Universe 666 Candice Catnipp, Liltotto Lamperd, Universe 666 Giselle Gewelle, and Universe 666 Misa Amane all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Meninas McAllon: Wow, so this is Laverra Beach, it sure is beautiful.

Lincoln: It sure is, Meninas, and it's perfect for our first date, shall we?

Lincoln, Meninas McAllon, Universe 666 Bambietta Basterbine, Universe 666 Candice Catnipp, Liltotto Lamperd, Universe 666 Giselle Gewelle, and Universe 666 Misa Amane dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Meninas McAllon, Universe 666 Bambietta Basterbine, Universe 666 Candice Catnipp, Liltotto Lamperd, Universe 666 Giselle Gewelle, and Universe 666 Misa Amane got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Liltotto Lamperd: (Swooning) My goodness, so manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Meninas McAllon, Universe 666 Bambietta Basterbine, Universe 666 Candice Catnipp, Liltotto Lamperd, Universe 666 Giselle Gewelle, and Universe 666 Misa Amane and hugged them in their abnormally massive and powerful muscular arms, and Meninas McAllon, Universe 666 Bambietta Basterbine, Universe 666 Candice Catnipp, Liltotto Lamperd, Universe 666 Giselle Gewelle, and Universe 666 Misa Amane placed their hands on the massive hairy pecs of

Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Meninas McAllon, Universe 666 Bambietta Basterbine, Universe 666 Candice Catnipp, Liltotto Lamperd, Universe 666 Giselle Gewelle, and Universe 666 Misa Amane and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Meninas McAllon, Universe 666 Bambietta Basterbine, Universe 666 Candice Catnipp, Liltotto Lamperd, Universe 666 Giselle Gewelle, and Universe 666 Misa Amane on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Meninas McAllon, Universe 666 Bambietta Basterbine, Universe 666 Candice Catnipp, Liltotto Lamperd, Universe 666 Giselle Gewelle, and Universe 666 Misa Amane are in your harem, Linky.

Meninas McAllon, Universe 666 Bambietta Basterbine, Universe 666 Candice Catnipp, Liltotto Lamperd, Universe 666 Giselle Gewelle, and Universe 666 Misa Amane showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Meninas McAllon: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later in the lab, the mascots, me, Nicole and Loki and Lisa were there.

Ibara: What are you guys working on?

Nicole: We have 2 projects going on and Loki agreed to test it for us.

Loki Loud: Yep.

Lisa Loud: This is our project. It's called my Super Methanobrevibacter Excretion Flatchup Serum. It's actually a mixture made from Methanobrevibacter bacterium and Flatchup.

Me: WHOA! That is gonna be potent.

Lisa Loud: It's a Super Fart Serum and it causes you to fart explosively. Makes explosive farts that smell like 100,000,000 stinkbombs times 100,000,000. Enough to make you hurl your insides out.

WE GASPED!

Nico: WHOA! This is gonna really stink.

Loki: Okay let it rip.

Yang: I get it. You're drinking it because you have Stinky Butt as an archenemy.

Loki: That and I volunteered for this.

Me: Nice.

Loki drank it and then his stomach grumbled loudly.

Lola: What's going on?

LOKI FARTED IN LOLA'S FACE AT POINT BLANK RANGE! SHE SMELLED IT AND HURLED ALL OVER NICO EXPLOSIVELY!

Nico: WHEW!

Me: Here we go.

I finished my Replica and it was for my Ebonwu Squadron Self!

I concentrated and transfered the power of my Ebonwu Squadron self into it and then it glowed and woke up!

J.D. 2: What

Me: It worked! IT'S ALIVE! IT'S ALIVE! (EVIL LAUGHTER)

J.D. 2: (GASP) I am... I'm back! I'm back in the world of the living! Wow! I have everything back. How did this happen?

Me: I made a replica and gave you a body and more as well as all your powers and a few extras with my powers.

J.D. 2: Wow! It's good to be back! ANd it's great to be on the outside again.

Nico: Wow! Same here and awesome to meet you in person.

J.D. 2: Same here Nico and it's awesome to be with you all and back on Earth again. (Stomach Growls) Whoa I am really hungry.

We then got him some food and he was eating.

J.D. 2: (EATING) Mmm! Mmm!

Nico: Wow he sure is hungry.

Me: He was a spirit inside my head for a long time.

Horsea: we can see that.

J.D. 2: (Finishes) Wow I am stuffed. Thank you all.

Me: You're welcome.

Qin: Wow you sure were hungry.

J.D. 2: I know. I'm just glad to be back. I have a lot to tell you about what I know.

We then went to the park in the city and my Ebonwu Squadron self told us about everything that happened with him and his family.

J.D. 2: Well my family origins date back to 220 trillion years ago way before the dawn of the universe. My family the Ebonwu Squadron were known as the masters of fire and we had power that was amazing. I was peaceful for us. Until the day the Ice Union, a rival family power of ours attacked and then the Great Ebonwu Squadron Ice Union War Began and it was a stalemate every time. My ancestors fought ferociously against the Ice Union for over 199,000,000,000,000 years and it was brutal. Until my father Eon Knudson and Camille brought an end to so much fighting by using the powers of the 7 Great Spirit Snakes. It was a decisive factor in the war. After it ended my parents got married and had me and my sister Neri. Neri is the Princess of Oceana that Varie has been having dreams about.

WE GASPED!

Varie: That's who I was having dreams about!?

Me: That is amazing!

Qin: It sure is!

J.D. 2: Yeah. It's a long story.

He told us how he came into being after the big bang long ago and more and how he formed the Ebonwu Squadron on Earth and more and it was amazing.

Laney: That is incredible!

8m agoNico: No kidding!

Qin: Yeah.

J.D. 2: Yep. Like you all, the Ebonwu Squadron has incredible power and more. We have intense power that is equal to yours as well as super advanced technology and all that.

Nico: That is amazing!

Lola: It sure is.

J.D. 2: I agree.

But then a buzz was heard and we saw a BUZZWOLE!

Me: Whoa! Buzzwole!

Poliwag: What's that doing here?

J.D. 2: I think I have a good feeling. That's one of Dark Gale's gene-slammers.

Me: Just what I was thinking.

Eddy: I have a feeling I know this one.

He used Telepathy and gasped!

Eddy: That's Apple Philanthropy!

Nico: WHOA!

Eddy: She's the older sister of the Flim Flam Brothers.

WE GASPED!

Nico: SAY WHAT!?

NICO OPENED HIS MOUTH SO WIDE THAT HIS SKELETON FELL OUT!

Poromon: Didn't expect that!

Nico put his skeleton back in.

Nico: I hate it when that happens. But that is shocking!

Eddy: But she is the Polar opposite of them and is giving and earns money the right way instead of scamming people.

Nico: WHOA! Big difference.

Me: Lets go help her.

J.D. 2: It'll be good to get back into the fray again!

Me, J.D. 2., and Eddy went to face her.

Eddy: Apple it's me! Eddy the pipsqueak!

Me: I thought only your brother can call you that?

Eddy: I have friends that call me that for fun and a humorous time.

Me: Oh.

All she did was charge at him and we dodged her.

J.D. 2: FIRE SHOT!

He fired blasts of fire from his finger like a gun and blasted her!

KRABBBBOOOOOMMM KRABBBBOOOOOOOOMMMM! KRABBBBBBOOOOOOOOMMMM!

She was blasted all over.

J.D. 2: I still got it. It's gonna take a while to adjust because I've been gone for so long.

Me: That's okay.

Me and Eddy blasted her.

Poromon pecked her.

POINK POINK POINK POINK POINK!

Me: Lets bring her back to normal.

I snapped my fingers and she reverted back and was a girl with red hair, green eyes, red angel wings and had Buzzwole in the middle of her forehead and had an apple with cash cutie mark on her arm.

We wrapped her in a blanket and we brought her over to a bench.

Me: Wow.

J.D. 2: That was cool and awesome.

Lola: Yeah!

She woke up.

Apple Philanthropy: (Groans) What hit me?

Eddy: You okay Apple?

Apple Philanthropy: Eddy? (GASP) Eddy you pipsqueak it is you?

She hugged him.

Eddy: Glad you're okay.

Me: You were turned into a Buzzwole by Dark Gale.

Apple Philanthropy: (GASP) I remember!

She was in a red suit and was injected and she turned into a Buzzwole and busted out wth intense strength.

FLASHBACK ENDS

Apple Philanthropy: It was awful.

Me: I know.

J.D. 2: Man those Dark Gale jerks are nothing but trouble.

Nico: Tell me about it. What was your role in Sonya's team?

Apple Philanthropy: I'm the financial officer and apple master of the team. I use apples as bombs to bring down our enemies. Also I work to gather funds for the team.

Me: Right every team has to have some form of financial stability.

Nico: Yep.

Apple Philanthropy: Outside the team I work for a top dog business firm.

Nico: Wow! That is cool.

Lola: Yep.

Apple Philanthropy: Yep it's good money.

Eddy: We're in the middle of taking down Dark Gale.

Me: Yep. We already took down 5 bases.

Apple Philanthropy: Awesome.

Nico: Yep. And the Flim Flam Brothers, your brothers, remind Eddy of so much of him in Peach Creek.

Apple Philanthropy: That's what I heard. I have a few words to say for them.

Me: (GULP) Like what?

Apple Philanthropy: (Clears Throat) [screams] Arrgh! Regga flebba breeka brecka smullen-ellen Flim Flam Brothers! Yegga hegga mergin wallet scams! Dimmy middy sams! Rivy flivy diva shiva Flim Flam Brothers Scams! [during Apple Philanthropy's rage, J.D. 2 looks up these words in the dictionary and gasps and blushes.]

J.D. 2: JEEZ!

Qin: WHOA! What a colorful vocabulary!

Horsea: What did she say?

Lily: You don't wanna know.

Horsea: Oh.

Poromon: Your brothers are in the Masters of Evil

Apple Philanthropy: I heard and I'm glad.

Me: Great.

Apple Philanthropy: I still will reprimand them though.

Rarity: Lets get you some clothes darling.

The Fashion Brigade gave her new red clothes and an apple sword.

Apple Philanthropy: I look great.

Me: You sure do. Also how do you know Eddy?

Apple Philanthropy: I met him in Atlanta and helped him and his friends take down the Kankers one time during one of their hissy fits.

Qin: Whoa!

Apple Philanthropy: Yeah it was fun.

Me: Awesome. Lets head home shall we?

We did so.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next Ridonculous Race challenge starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Yep.

J.D. 2: Boy that is awesome.

Qin: It sure is.

Manaphy went into the fridge and got a soda.

Manaphy: (Gulping) Ahh

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than Hazel Rainart, he's in the Hoenn Region and is causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: UH OH! WE'VE GOT TROUBLE!

Eli: A new enemy?

Lincoln: Yep, but this is one whom Yang knows all too well.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: it was none other than Hazel Rainart, he's in the Hoenn Region and is causing havoc.

EVERYONE GASPED!

Yang: What the?! I should've known he'd be back. Well, that's going to end here and now, this is where he's going to be taken down here and now!

Me: Uh oh.

Nico: Oh boy. Looks like there's gonna be trouble today.

Me: You said it. Lincoln, where's he at?

Lincoln: He's at The Hoenn Region.

Me: Which is our next stop.

Nico: This is gonna be intense and messy. Alright, team, let's get going, we're taking Hazel Rainart down.

Lincoln: And we're sending him to The M.O.E. after we give him a thrashing.

Camie: Who is Hazel?

Me: He was one of Salem's henchmen.

Salem: Yeah he was a strong one but he had a lot of honor.

Salem and me went over his history.

Hazel Rainart is a major antagonist in the American web cartoon series RWBY. He was an associate of Salem and part of her inner circle.

In Volume 8, after learning about Salem's true goal, he decided to defect from her inner circle to help Oscar Pine and Emerald Sustrai escape from Monstra, during which he sacrificed himself to hold her back allowing Oscar to destroy her and Monstra.

He was voiced by William Orendorff, who also provides the vocal sound effects of the Grimm.

Not much is known about Hazel's past except that he had a sister named Gretchen who desired to become a Huntress under Ozpin's guidance. However, Gretchen died during training, and Hazel holds Ozpin responsible for her death. Later on, Hazel encountered Salem and was able to successfully kill her, although because of her curse, she came right back and subdued him. Salem was eventually able to recruit Hazel into her inner circle by promising vengeance for his sister, furthering his vendetta against Ozpin.

In "The Next Step", Hazel attends a meeting at Salem's Domain with fellow associates Watts, Cinder and Tyrian. He questions how Cinder was able to lose against a "novice" like Ruby Rose, stating that they've dealt with silver-eyed warriors in the past. Salem later instructs Hazel to meet with the White Fang leader, Sienna Khan, and ensure that they fall in line, to which he complies.

In "Kuroyuri", Hazel is seen in Mistral walking past a train station until he notices Oscar failing to get a train ticket from the machine. He helps Oscar by slamming on the machine with his hand, causing it to malfunction and shoot out a ticket for him. Hazel then tells the child not to let something as small as that hold him back before leaving.

In "Dread in the Air", Hazel appears before Sienna Khan during her meeting with Adam Taurus, standing his ground against her threats and prepared to convince her to cooperate with Salem. However, to his surprise, Adam commits a coup and murders Khan to usurp her position as High Leader of the White Fang. Hazel confronts Adam about his actions, angered that he withheld his plans from him and acted without his approval. Adam justifies his actions as it removes Salem's concern about Khan's willingness to cooperate. Hazel then states that no one needed to die, before leaving the meeting, to which Adam disagrees.

In "The More the Merrier", Hazel enters the meeting room to join Cinder, Emerald, Mercury, Raven and Vernal in their confrontation with Qrow, Team RNJR, Oscar, Weiss and Yang; closing the door behind him and revealing that the White Fang is beginning their assault on Haven and planting explosive charges across the school grounds. While everyone begins fighting, Hazel is confronted by Ren and Nora. Hazel tells the two he does not wish to fight them, but upon hearing their refusal to back down, accepts their challenge and engages them in battle.

In "Vault of the Spring Maiden", Hazel next seen berating Lionheart over being humiliated by Oscar. Though once he learns the boy is actually Ozpin, he drops Lionheart and completely loses his composure, recognizing the cane in Oscar's hand. Vowing to kill him repeatedly, Hazel jabs two shards of Lightning Dust into his arms and attacks, intent on avenging his sister who he proclaims was killed by Ozpin. Though Oscar tries reasoning with him, Hazel refuses to yield, but soon finds himself on the defensive when Ozpin takes over. Qrow Branwen tries to intervene, but Hazel sends him flying with an lightning-enhanced punch.

In "Downfall", Hazel easily defeats Ren, Qrow, and Oscar before Nora charges at him. Hazel angrily asks Ozpin how many more children have to die for him, electrocuting Nora without realizing it was actually enhancing her strength. Nora throws Hazel off of her, and Ozpin (through Oscar) reveals his Semblance is the ability to take great physical pain, hence why he is able to inject himself with so much Dust. When Hazel charges at her again, she uses Magnhild to send him flying outside the building where Adam and the White Fang are. He injects himself with even more Dust before witnessing Blake, Ilia, and Sun Wukong arrive with Faunus from Menagerie to stop the White Fang. When Adam asks Hazel what to do, he tells him it's Adam's own business and to figure it out for himself, contrasting what Adam said to him when he assassinated Sienna Khan. Hazel is impaled by a Lancer summoned by Weiss and dragged back into the building.

In "Haven's Fate", Hazel destroys Weiss' Lancer with a fire and lightning projectile. But then he is drop-kicked by Blake, and he later roars in rage after Lionheart flees the battle. Hazel then fights with Mercury Black and Emerald Sustrai against Ruby, Weiss and Blake, but they are eventually worn out and on the losing side. When Yang Xiao Long emerges from the vault with the Relic of Knowledge in hand, Hazel growls in anger, realizing Cinder has failed and they have truly lost. After Emerald breaks down and unleashes a powerful hallucination on the heroes, Hazel and Mercury make their escape down a mountain path, the former carrying the unconscious

Emerald.

In "So That's How It Is", Hazel, Emerald, and Mercury return to Salem's palace empty-handed, they briefly encounter Tyrian by the front entrance. Hazel leads the two inside of the palace. Inside the council chamber, the three are seen kneeling down. Salem inquires about why they failed their mission and Hazel tries to take the blame. This only invokes Salem's wrath, causing her to bind Hazel to the floor with disembodied Grimm hands. After Salem releases Hazel, he speaks up about how Ozpin is leading Qrow and the children to Atlas. Hearing this infuriates Salem, Hazel along with the rest are dismissed, right before she unleashes her rage.

In "Our Way", Hazel looks on as Salem creates hybrid Beringels with wings on their backs, telling Mercury and Emerald that she is taking matters into her own hands.

In "Divide", Hazel with Emerald and Mercury make their way to Salem. After climbing the steps to the immortal queen's throne room, they notice Cinder has returned. Emerald delightfully runs towards Cinder while Mercury and Hazel stoically stand aside. After scolding Cinder by telling her to know her place, Hazel along with the rest of the subordinates are dismissed by their master.

In "Fault", after trying to get Oscar to tell her the password to the Lamp of Knowledge, Hazel walks into the room, where he brutally beats Oscar. Telling him that was for Haven Academy, and the rest that follows will be for his sister.

In "Midnight", in an attempt to use Salem's own tactics against her (dividing her enemies against each other), Ozpin takes over Oscar's body and attempts to reason with Hazel. Here, Hazel reveals he did once try to kill Salem the first time he encountered her, and although he succeeded, she came back and defeated him.

In "War", Ozpin reveals to Hazel the truth about Salem's immortality and her true motivations for obtaining the Relics as a way to bring the old gods back to destroy the world and end her curse. Hazel is hesitant to believe Ozpin, so Oscar resumes control of his body and tells Hazel to call for Jinn when approaching the Relic of Knowledge and use it to find the truth for himself.

In "Witch", Hazel brings Oscar to the chamber containing the Relic of Knowledge, with Emerald following behind them. Hazel tests Oscar by telling him if he's lying, Hazel would pay the price before Oscar would. Oscar successfully calls for Jinn and motions for Hazel to ask his question...only for Hazel to state his questions were answered. Believing Ozpin told the truth, Hazel decides to get both Oscar and Emerald off of Monstra. During their escape, Hazel and Emerald are approached by Salem, who has sensed that there are not only intruders aboard Monstra but that one of them stole the lamp (unbeknownst to anyone, it was actually Neo). After Salem takes down Yang, Jaune, Ren, and Emerald, she attempts to kill Oscar/Ozpin once more before Hazel shows up, seemingly complying with Salem's orders. However, after Hazel quietly warns Oscar not to let any more "Gretchens" happen again, Hazel fully turns on his former master and attacks her, saving Emerald and giving the others an opening to escape. Encouraging Emerald to escape with them, Hazel declares stopping Salem is what Gretchen would have wanted him to do and begins fighting her. Although he gets the upper hand for a while, he is once again taken down by Salem before Oscar/Ozpin intervenes. Before Salem can unleash her full power on Oscar/Ozpin, Hazel wraps himself around Salem, telling Oscar/Ozpin to do what he needs to do, prompting Oscar/Ozpin to unleash his power.

When it was done those that haven't heard about it were shocked.

Camie: WHOA MAN!

Tsuyu: At least he has honor.

Salem: But I wonder what he is doing now that I am redeemed.

Me: We'll find out.

The previous group came.

Abomination: Can me, David Cain, Comic Book Guy, Dr. Destiny, Absorbing Man, See-More, Evilseed, Titania, Selene and Evil-Lyn go with you guys?

Nico: Yes you all can come with.

Dr. Destiny: (Sees J.D. 2) Wow you're J.D.'s Ebonwu Squadron self?

J.D. 2: That's right. Awesome to meet you all.

Titania: Same here.

J.D. 2: In the universe I came from the Ebonwu Squadron would always defeat you guys as the Legion Of Doom and throw you all in prison.

Me: Wow that is amazing.

Camie: Yeah.

Jared: We're going after Hazel Rainart next and have him sent to you guys.

David Cain: Wow that is interesting and cool.

Me: Yep.

Nico: What city are we going to?

Me: We're going to Verdanturf Town.

May: Cool! That is gonna be fun.

Ty Lee: Nico, which Gene Slammer do you think you'll meet next?

Nico: Hmm. Jupitermon next.

Qin: That one is gonna be electrifying.

Xenia: Wow!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and nine sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Felicia Fluttermad, Midnight Princess of Dark Magic Nature Cruelty, and she's coming after us at The Hoenn Region. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Me: Was that?

Lincoln: Yep, the sixth of The Midnight Princesses, Felicia Fluttermad, Midnight Princess of Dark Magic Nature Cruelty.

Anna Medina: I knew she'd be the next one we'd face. But, we're ready for her, she's gonna be taken down by the Nature of Kindness.

Nico: She's about to be taken down and imprisoned. Alright, everyone, let's head out to The Hoenn Region!

Lincoln: Hazel Rainart, your time is finally up. Now, you're going to pay for your crimes, and once we get done with him, you're next, Felicia Fluttermad!

Anna Medina: The suffering you've caused all those years ago can never be forgiven, Felicia, and now, I will see to it that you die here and now!

Lincoln put up a powerful rainbow energy field around The TLPS Flying City Fortress ready and we headed out to The Hoenn Region to meet up with Don and hunt down Hazel Rainart and take him down and send him to The M.O.E., and once we got done with him, Anna Medina and Lincoln are going to take out Felicia Fluttermad, Midnight Princess of Dark Magic Nature Cruelty.

We were off to Verdanturf Town

We landed and disembarked. We were in Verdanturf Town

Me: Ah, we're here in The Hoenn Region in Verdanturf Town.

Nico: This is our next stop on The Ridonculous Race.

May: It sure is amazing to be back here again

Then, we saw Don arrive.

Don: That's right, guys. We found another of Dark Gale's bases as well.

Lincoln: Along with Hazel Rainart, and we'll make sure he's taken down and sent to The M.O.E.

Me: Yep.

David Cain: We should call Motor Ed

Me: Good idea.

We called him and he came.

Motor Ed: Motor Ed is seriously here!

Qin: Awesome!

Sid Arkale: What's this place famous for?

Rubanoid: Does it make anything good?

May: Yes it's where I won my second contest ribbon and we had fun there.

Ash: I remember that. That was cool.

Brock: Yeah it sure was.

Max: That was awesome to see.

Dr. Destiny: Is that a Medicham?

We saw one.

Qin: It sure is.

Chichi: Let me go for it.

Me: Go for it Ms. Chichi.

She blasted it and threw a Pokeball and caught it.

The red light came on and it clicked off and she caught it.

Me: Yeah!

Chichi: That did it!

Qin: YEAH!

Ruckus: Nice job!

Qin: YEAH!

Lola: Cool!

Camie: Yep.

See More: So, Ash. Do you like that we're having this event in the Pokémon regions?

Ash: I sure do and it's so much fun.

Pikachu: Yeah we sure do.

Qin: It's awesome and cool.

Varie: I agree.

Camie: That is awesome.

J.D. 2: It sure is awesome. I think it's fun you're all doing this here.

Sabrina: I'm glad we visited my home town

Me: That was fun.

May: And my home town.

Me: That was cool too.

Qin: Yep.

Selene: And we caught a few Pokémon too

Me: Yep.

Qin: That was cool.

Lola: Yeah.

Camie: Yeah that was cool.

Poromon was drinking soda.

Poromon: (BURP) Oh pardon.

But then Suddenly, Lincoln had a premonition, but as soon as he did, he had a massive nose bleed and was sent flying into a tree.

CRASH!

BLANG! BLANG BLANG BLANG BLANG!

Lincoln got hit in the head with 5 coconuts!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH 5 COCONUTS!

Nico: What the?!

Me: Uh oh, Smoking Hot Bikini Akuma Alert?!

Lincoln: OUCH! Yeah and Patrick that guy was me! It's Yang's Akuma and her name is Flametaurette. The Hypothetical Akuma of Yang and she is a Centaurette of fire and she is a deadly master of fire. She was made because of Adam Taurus breaking her heart and trying to kill her and slashing her arm off and she vowed to kill that heartless monster no matter what.

We gasped!

Me: WHOA!

He showed a sketch of her and she was a Centaurette of fire and had fire wings and had a cutie mark in the shape of Yang's Crest and her hooves are on fire!

Me: WHOA! She is pretty.

Yang: I look amazing as a Centaur.

Majar: Why does she have Cutie Mark?

Borth: Yang isn't from Equestria.

Me: That cutie mark is her emblem.

Yang: It's true. Some of us have emblems on Remnant.

Xenia: Yep.

Majar: Oh.

Me: But she looks like a fire version of the Centaurettes of Fantasia. Those were my favorites.

Qin: Yeah those were pretty.

Nico: Yep.

Yin: What are Centaurs?

Me: They are legendary creatures that are half man and half horse.

Yin: Wow.

Evil-Lyn: Where is she now?

Me: I think she is coming!

We saw FLAMETAURETTE!

Me: WOW!

Lincoln: Oh wow!

Lincoln went up to her.

Suddenly, Flametaurette wrapped her front legs around Lincoln's waist and her arms around his neck as her breasts and stomach pressed against his pecs and ten-pack abs. But, he knew what was coming as he wrapped his massive arms around her waist, and then, he kissed her deeply on the lips which made her hair fly up into the air! He had her outsmarted at her own game of seduction and had her pinned to the ground as they continued to kiss deeply and passionately.

Qin: Whoa.

Then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Flametaurette's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Flametaurette: (Swooning) (In Heaven) What...a...hunky and manly stud!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared on the neck of Flametaurette with red gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

That of course led to Flametaurette making out with him.

Me: (LAUGHS) You are always a good charmer Lincoln.

J.D. 2: He sure is.

Qin: Yeah.

Yang: Boy I look awesome!

Lola: You sure do.

Flametaurette: I agree there.

Gru: Yang? Is that you?

Flametaurette: It sure is Gru.

Me: I got to admit Yang, you look absolutely amazing as a Centaurette.

Flametaurette: Thanks. It's awesome.

Xenia: It sure is and Linky loves it too.

We laughed.

Me: Yeah.

Flametaurette: Where's Adam Taurus?

Me: The one from the prime universe in our dimension we're going to kill soon. Not sure when.

Lola: Yeah.

Titania: You need to calm down before I use my fists to make you calm down!

Me: Wait! Lets make this better for her.

I formed a fire whip and lashed it and grabbed her world's version of ADAM TAURUS!

Me: There's your worlds version of Adam.

Nico: Knock yourself out.

Flametaurette: Gladly!

She MUTILATED AND SMASHED HIM ALL OVER WITH INTENSE BRUTALITY!

SMASH WHAM BIFF SMASH WHOMP BIFF CRASH!

HE WAS SCREAMING LOUD AS HE WAS BEING MANGLED!

Chuck: OH GEEZ! I think I'm gonna hurl!

Slab: (Holds Chunk's mouth) Hold it in pal!

They looked like they were going to throw up!

SMASH!

ADAM SCREAMS!

POW!

ADAM SCREAMED AS HE WAS BEATEN TO DEATH!

Ripster: May I take a bite out of him?

Flametaurette: Sure!

Ripster then picked him up and put him in his mouth and then...

CRUNCH!

HE SCREAMED IN PAIN AS ADAM WAS BITTEN IN HALF! HE HAD BLOOD POURING OUT OF HIS MOUTH AND BODY AND RIPSTER ATE HIM!

Me: Taste like chicken!

Ripster: Yeah he tasted like chicken.

Jab: You're really sick bro!

Big Slammu: But that was jawsome!

Nico: But we're still killing our version

Flametaurette: That was awesome though! Thanks guys!

Me: You're welcome. Okay lets dance.

I fired waves of fire and blasted her.

Motor Ed charged at her and kicked her down.

Motor Ed: That must've hurt. Seriously!

Me: Yeah!

Flametaurette: My turn!

She fire waves of fire and we absorbed it.

J.D. 2: Time for this.

He grew the tails of Isobu.

J.D. 2: ROUGH SEA SPUME!

He fired a blast of water and blasted her down and drenched her.

Me: WHOA!

Qin: WOW! You have the powers of the tailed beasts?!

J.D. 2: I sure do. All their powers and abilities and know a massive variety of techniques.

Nico: WOW

Horsea: Is she down?

Me: Yep.

She got up.

Lincoln: It's okay guys. She surrenders.

Flametaurette: That was fun.

Me: It sure was!

Yang: I agree.

LOUD NASTY STRONG SUPER FART!

Loki: Sorry!

RD Sam Sharp: You're still farting?!

Loki: Yeah I sure am.

Lisa Loud: The effects of the serum last 12 hours. It will be done by the time the mission is done.

Me: Oh. At least it's temporarly.

Camie: Yeah

J.D. 2: That is funny.

Nico: Now it's time to go after Hazel.

?: Not before we destroy all of you!

We then saw our next target: Felicia Fluttermad, Midnight Princess of Dark Magic Nature Cruelty.

Anna Medina: If it isn't Felicia Fluttermad, Midnight Princess of Dark

Magic Nature Cruelty.

Felicia Fluttermad: You! YOU! How dare you humiliate us like this!

Lincoln: You deserved it, she and all of you were extremely evil to the core, Felicia. You all sought to destroy the world, and we weren't going to let that happen.

Felicia Fluttermad: (ENRAGED DEMONIC SCREAM) I HOPE HAZEL DESTROYS ALL OF YOU! We will triumph and you and this entire planet will be destroyed!

Mina Midnight Sparkle: Felicia stop this madness now!

Felicia Fluttermad: (GASP) Mina! You're back!

Mina Midnight Sparkle: I sure am Felicia.

She flew up to her.

Mina Midnight Sparkle: Felicia don't do this. Don't listen to my sister. She is pure evil and is a monster that will destroy you. You are not this cruel monster that hates everything. You are a kind and loving girl that loves all animals and all that. You love them all and love everyone. Your kindness is amazing. Don't give in to my sister.

Felicia Fluttermad: (Crying) I'm so sorry Mina. (CLUTCHES HER HEAD) (SCREAMS)

Felicia Fluttermad disappeared in a tornado of pink darkness, plants, and dark magic.

Me and Nico: What a bitch.

Lincoln: You have no idea, and we'll see about that, Relena!

Anna Medina: I knew it, seven years of being trapped in The Netherworld had forever driven them even more insane than ever.

Catherine Fontaine: If the others were that bad, Morgana's become even worse than ever. Alright, we need to get going and tale down Hazel Rainart before he does something else.

Nico: Right.

Don: We also spotted some Dark Gale grunts and scientists there as well, give them the same kind of treatment as the ones that were with the others.

Lincoln: You got it.

Anna Medina: And from what we saw, Felicia's also going to summon her army of demons as well: The Dark Magic Nature Cruelty Demons.

Nico: Figures.

Lincoln: Yep, they have their own personal armies of demons and each of them bear the same mark as The Midnight Princesses and have the powers of dark magic and the elements of their masters.

Me: That makes things even more dangerous than ever.

Lincoln: But, we're ready for them. (CRACKS KNUCKLES) Let's tear Hazel Rainart apart along with Felicia's army of Dark Magic Nature Cruelty Demons and trash those Dark Gale grunts and scientists.

Nico: That's the kind of talk I like to hear!

But, the bold determination and talk also caused Lincoln's harem to blush even more.

Lily the Mermaid: (Swooning) My God.

Flametaurette: Yeah he is a hunk! RAWR!

Lynn: Hey, you guys, snap out of it.

They snapped out of it.

Girl Jordan: Sorry about that.

Nico: Alright, let's get going and hunt down that fucker.

Me: Right.

Evilseed: We need to find the base first.

Eli: I sense it's at the contest hall.

May: Then we'll go there.

Nico: Lets get it on! Entrance time!

WE GOT A MOVE ON, THE BATTLE AGAINST HAZEL RAINART WAS NOW IN FULL EFFECT, AND THAT MONSTER'S GOING TO PAY FOR HIS CRIMES!

Hazel was waiting in the contest hall. Then the spirits of Remnant came and swirled around him and then converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and we landed.

Me: Hazel Rainart, long time no punch.

Hazel Rainart: Nice of you to show and Lady Salem good to see you.

Salem: Same to you Hazel.

Yang: You've got some goddamn nerve showing your face here, Hazel Rainart, and I can't believe that you'd stoop that low as to ally yourself with Elise Elexton. You really are despicable, you know that.

Me: Proving that you're definitely the lowest of the low: committing crimes in Remnant and allying with that bitch, Elise Elexton, proved you're a bastard.

Nico: A shameless bastard, no doubt.

Lincoln: You've left us no choice, you just sealed your own fate, bastard, and I've been waiting to teach for a very fucking long time.

This is where it ends for you!

Hazel Rainart: We'll see about that! You will all pay for killing The Dark Queen of The Grimm and also for killing Cinder Fall and Tyrian Callows!

Me: Tyrian Callows got what he deserved! Same with Cinder Fall.

Suddenly, we saw a massive army of demons arise and they bore the mark of Felicia Fluttermad along with Dark Gale grunts and scientists coming out.

Lincoln: So, Felicia's sent her army of Dark Magic Nature Cruelty demons and the Dark Gale Grunts and scientists have also come out, huh?

Lincoln fired magic draining blasts that hit Felicia Fluttermad's Dark Magic Nature Cruelty Demons and he sucked out all their dark magic and made them his and he also sucked out their life force and killed them. Then, he fired energy draining blasts that hit the Dark Gale grunts and scientists and drained them of their energy and knocked them down and out.

Then, Lincoln tied the knocked out Dark Gale grunts and scientists up and he sent them all to prison, and that left Hazel Rainart all alone and he was enraged.

Yang: Now, you're all alone with no Dark Gale grunts or scientists to back you up, Hazel Rainart, and now, it's time to end this for good.

Lusamine: Hazel, is there any reason why you joined up with Dark Gale?

Hazel: It's simple. Ever since Salem joined you all, my life lost purpose. Further supporting this point is the fact that my deceased sister would've disapproved of my actions. So I joined Dark Gale to have a purpose in life. Though even now, my life still feels empty.

Nico: I can do you one better. After we defeat you, you join the Masters of Evil and honor your sister's memory.

Hazel: That is a good offer. But answer this. Why was Salem doing all those crimes to Remnant?

Me: That is an easy one. She was doing all that because she wanted her lover Ozma back. But in the end she was punished for it and cursed with immortality. No matter how hard they tried they couldn't kill her. She lived for thousands of years and caused trouble to Remnant.

Salem: And I completely am regretful for everything I did.

Me: Yeah.

Dusk Eclipse: That is terrible! That is what I call a fate worse than death!

Moondust: Just what I was thinking! That is completely unfair!

Nico: I know.

Hazel: (to Absorbing Man) I think I remember you fighting me before.

Absorbing Man: And we'll start round 2 after I find something to absorb

He touched the floor and turned into concrete.

Jared: Time for some fun. Honorable man to man. As a man of honor myself I always give my opponents what they want when it comes to a fight.

Hazel: Lets do it then.

He and Jared went at each other and Jared punched him and they blocked punches and kicks all over.

J.D. 2: Wow! Jared fights really well. Just like my son.

Me: Well my kids share the same names as your kids in your universe

J.D. 2: Very coincidental. Same habits, same traits, same personalities, same power.

Me: Yep.

Jared punched him in his face.

Hazel fired a blast of fire and Jared did so too. The blasts collided and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They fought ferociously as Goku and Frieza did on Namek.

Hazel fired a blast of lightning and Jared dodged it and fired a blast of lightning and Hazel dodged it and fired waves of light and Jared dodged the blasts and fired waves of water and blasted him.

MASSIVE FIERY EXPLOSIONS!

Nico: WHOA!

Comic Book Guy: Lets make more cheese.

Comic Book Guy and Cierra Cheese Sandwich: CHEESE SANDWICH AVALANCHE BARRAGE!

Lincoln, Crash Bandicoot, Yang, Nico, and I and the rest of us went after Hazel Rainart, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Hazel Rainart and they exploded with

incredible power as they hit him.

Lori: Lincoln, if you would.

Apple Philanthropy was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Shani Zecora as her stomach was growling!

Apple Philanthropy: NO! We control the power!

Shani Zecora: It doesn't control us!

They concentrated and reigned in the powers of Guzzlord and Buzzwole and transformed into them and blasted Hazel!

Me: YEAH!

They reverted back.

Me: OH YEAH!

Slugma charged at him and blasted him with lava.

Lola: Take that!

Then Vortex, Aqueduct, Swordsman, Roxy Rocket, Madame Masque, Gator Ghoul, Iceage, Ice Demon, Thundermon and Grundy came.

Nico: Vortex, Aqueduct, Swordsman, Roxy Rocket, Madame Masque, Gator Ghoul, Iceage, Ice Demon, Thundermon and Grundy.

Vortex: We'll gladly let Hazel into our ranks.

Aqueduct: After all, he wants a purpose in life, right?

Me: That is true.

Swordsman: Then we'll give it to him

Me: Yep.

Madame Masque: (to Nico) We heard you fought Dew Gayl's Akuma.

Nico: We sure did. Lincoln made two new Akuma future wives here in this one.

Roxy Rocket: (to Danny) You should take care of that Gastly.

Danny Phantom: I will.

Me: Awesome.

Scrapper came.

Me: Scrapper, up for another round?

Scrapper: I sure am.

Me: Cool.

Scrapper: Here's the next Hitotsuki but you got to help her, she's in a lot of trouble!

Nico: I'm sure it's not that bad

Scrapper: Actually it's worse than you think.

WE GASPED!

Haruto: SHIZUNE!

We saw she had a REALLY MALEVOLENT PURPLE AURA AROUND HER!

She was crying in despair.

Me: Oh my god! She's being turned into a Phantom!

Me and Haruto went over.

Me: Don't give in Shizune! Fight it!

Nico: Nevermind, it IS that bad!

Haruto: HENSHIN!

He transformed!

Me: Don't give in Shizune. Don't give in.

Haruto used magic and I used a magic spell and helped her.

Elyon: Let me help!

Elyon went into her mind with Haruto.

Elyon and Haruto were battling THE SIREN PHANTOM!

They forced the Phantom out of her and she was on the outside now!

Haruto put a ring on her.

Shizune (Wizard): (Groans) What happened?

Me: Ugly story Shizune.

We saw the Phantom!

Me: (GASP) Siren! I remember you!

Siren Phantom: YOU MOTHERFUCKERS!

I fired a blast of energy and blasted her.

Me: Looks like the Wizard Riders and me are going to fight you and the Hitotsuki!

Elyon: I'll help too!

Me: Good!

Nico: Yep. LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Aerrow, Angel (X-Men), Olivia Echmeneff, Gemini Richie, Levina Zeus, Aurora Leocadia, Morana Marzann, Rainbow Dash, Comet Thunder, Thunder Rainbow Zoom, Scootaloo, Air Skylanders, Tornado Man and Plug Man VS Vortex, Teen Tornado, Sublimino, RID Anvil, Black Anvil, Lord Fear, Cockatrice Minosaur and Cyclone (Theme including Angel (X Men)) - Nico's rescue was battling Dew Gayl's Akuma

---

Vortex was first.

Vortex (to Aerrow): Nico's rescue was battling Dew Gayl's Akuma. What was it called?

Aerrow: Her name was Stormbikini and she was a smoking hot one. She was a Storm Maiden like Lightning Rod's species in Skylands.

Angel (X-Men): Lincoln made her part of his harem when they wrestled with each other and it was cool. She was made because of Cinder Fall's crimes and for killing Pyrrha.

Olivia Echmeneff: It was awesome too. And it was in Paris as well. She was raining all over and it was drenching all over.

Rainbow Dash: We were really soaked!

Comet Thunder: We sure were and it was crazy but awesome.

Thunder Rainbow Zoom: That was cool.

Scootaloo: Yep. It was awesome.

Whirlwind: That was still awesome though.

Vortex: Wow! A Weather Akuma is perfect for me there. Lets do it!

AERROW! CRABDOZER!

Aerrow: And here is my book.

It was called Aerrow and the Storm Hawks of Atmos and the Crimes of the Cyclonian Empire. They fired waves of wind, rainbows and lightning and smashed them down.

Anna Medina: We've already taken care of Hazel Rainart and we not only knocked out the Dark Gale grunts and scientists there and sent them to prison, but we also got rid of your Dark Magic Nature Cruelty Demons that you sent after us, so you failed to get rid of us with your minions and using one of Elise Elexton's allies.

Lincoln, Anna Medina, Nico, and I went after Felicia Fluttermad, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, pink and yellow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Felicia Fluttermad, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Anna Medina did the same by firing pink and yellow, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Anna Medina, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Felicia Fluttermad even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Felicia Fluttermad, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Felicia Fluttermad's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln fired an orange energy blast that hit Felicia Fluttermad and he began sucking out her dark magic and powers, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and nine other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

We cheered wildly as we holstered our weapons and powered down and Anna Medina's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty five large pink and yellow planets orbiting around her legs and twenty five smaller pink and yellow planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized pink and yellow planets orbiting around her wrists and ankles, eleven massive and long pink wolf tails, and massive pink angel wings and nine sets of large pink angel wings underneath her massive pink angel wings are permanent.

Anna Medina: This is the price that you must pay for all of your crimes, you insane she-demon! Thanks for helping me take down Felicia Fluttermad, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Anna.

Me and Nico: Our pleasure, Anna.

Suddenly, Anna Medina wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Anna Medina's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Daydream Fluttershy flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Anna Medina sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Well, that's it for Felicia Fluttermad.

WE HEARD THE LOUD SCREAMS OF DEMONIC RAGE AND INSANITY!

Me: And we've pissed off The Midnight Princesses big time! So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a Minotaur flying across the skies and we saw mountains forming out of nowhere.

Selene Arcangela: (GASPS) The Minotaur...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Marie Minotaur, Avatar of The Minotaur.

WE GASPED!

Me: Wow!

Enya Phoenix: Oh man, I knew you'd pick her, and you guys are going to love meeting her, Marie Minotaur, Avatar of The Minotaur, is Lincoln's Guardian Angel and she's known as The Minotaur Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Marie is a powerful master of the powers of earth, and she's also known for her mastery of the powers of The Minotaur and she was also born with really incredible superhuman strength, and she's so strong, she's able to shatter mountains with one punch and any punch from her will shatter someone's skeleton into dust. She was born to a family of Minotaurs during a time of darkness, and over time, as she grew, she gained all of the incredible strengths and powers of The Minotaur, along with immortality and she also mastered the powers of The Minotaurs, and she'd fought to protect the Minotaurs from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of earth, and he also gained all of the incredible strengths and powers of The Minotaurs, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Minotaurs and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Marie kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Minotaur and be pulverized into dust!

Me: Oh man!

Nico: Man, she's really strong.

Lincoln: Yep, and watch out, this girl has massive superhuman strength that powerful, she can shatter someone's skeleton with one punch, and if you mess with her, you're gonna be left as a boneless blob for the rest of your life!

Me: Jeez.

Luna: She was far stronger than Lynn in terms of massive superhuman strength, and she helped Lincoln bulk up in so much muscle mass, he became even more muscular and intimidating to the worst of the worst.

Gator Ghoul: Another recruit in our ranks.

Me: Yep.

Iceage: And another base destroyed

Me: And another member of the Midnight Princesses captured.

Qin: Yep. We're done with the halfway point.

Ice Demon: Dark Gale's losing its strength

Thundermon: Soon, it will all be gone.

Part 7 is gonna be in the Sinnoh Region next and get ready for an ultimate act of vengeance as we battle Michael and Michelle Malloy, Sam's evil fake parents and we're going to kill them and banish them to the Black Abyss.

See you all next time.

RIDONCULOUS RACE 2024 PART 7 - SINNOH 1

Sinnoh Region part 1

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had a pretty dark dream: apparently, his dream led him to Michigan, and he was flying, he saw three familiar figures who were resurrected by Anti-Monitor: those three figures were none other than our hated enemies, Sam S. Loud's evil racist uncle, Sinclair T. Sharp, and those fake parents and absolute bastards, Michael Malloy and Michelle Malloy, and they've returned once again to get revenge on us once more. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh shit! Sam and Luna aren't going to like this one bit! I thought we were done with her evil racist uncle and those assholes, Michael and Michelle Malloy.

Lincoln: I thought so too, but Anti-Monitor had some goddamn nerve to bring those racist bastards back.

Girl Jordan: Sam isn't going to like hearing it, same with Luna.

Lincoln: That's right, and it's going to get real ugly tomorrow.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Michigan, and I was flying, I saw three familiar figures who were resurrected by Anti-Monitor: those three figures were none other than our hated enemies, Sam S. Loud's evil racist uncle, Sinclair T. Sharp, and those fake parents and absolute bastards, Michael Malloy and Michelle Malloy, and they've returned once again to get revenge on us once more.

WE GASPED!

Me: WHAT THE FUCK!

Sam S. Loud: What the heck?! Those trash piles are back?!

Luna: Anti-Monitor has got some nerve, dudes, and there's no doubt they've allied with Elise Elexton.

Nico: Well, then, they're dead when we catch them.

Suddenly, we heard the doorbell ring.

Sam Simpson: We'll get it. Someone we know is stopping by here today.

Sam, Clover, and Alex went to the door, and they answered it, and in the door was an old friend of theirs during one of their missions: Theodore.

Sam: Thanks for coming, Theodore.

Lincoln: Sam, Clover, Alex, is this another friend of yours?

Clover: Yep. This is Theodore, we met him during one of our missions, he's one of the students who was a victim of John Smith and he's a friend of Sam, it was when we were investigating Oceanside Middle School by pretending to be the staff of Oceanside Middle School.

Me: Wait, what happened back then?

Lincoln: And who is this John Smith?

Theodore: He's no good, he's an evil 800-year-old wizard who was born during the 1200s in the 13th Century, and he had these with him.

Theodore took out three ominous jewels.

Brittney: (GASPS) Oh crap, those are The 3 Jewels of Sumatra, these grant the user immortality and eternal youth by stealing youth from young children and teenagers. Those were lost eight centuries ago.

WE GASPED!

Clover: That's right, they were in his possession for more than 800 years and he's used them to steal the youth of young children and teenagers to maintain his immortality and eternal youth, and you're not going to like this, Lincoln: among his many victims was Alex.

When Lincoln heard that, he suddenly became extremely pissed off!

Lincoln: He...did...what?! That's it, that 800-year-old youth stealing wizard's going to get it!

Alex: But, wait, didn't he turn to dust after we stopped his youth stealing plot?

Theodore: That's what I thought. But, I saw a girl with ominous demonic wings in Oceanside Middle School and she brought him back and restored him to his full youth and strength.

We knew right then and there, it was Morgana Midnight Sparkle who did the deed.

Mina Midnight Sparkle: Morgana, you didn't...!

Lincoln: Wait, this is no doubt another double-cross she's got planned. When we were searching for The Seven Black Star Dragon Balls thanks to that sicko, Gerald Vexos, he went to Morgana Midnight Sparkle who brought Venn Vexos back from the dead. But, then, she double-crossed Gerald and killed Venn Vexos and sent him to Limbo for all eternity until Da Ji brought him back from Limbo. When we take down John Smith, Morgana's gonna double-cross him by undoing the spell she used to restore him to full strength and youth and that'll cause him to return to dust, but once that happens, I've got to banish him to The Black Abyss before Morgana can send him to Limbo. Now, I know who we're going after on my rescue tomorrow.

Nico: You said it. But, what about the Jewels of Sumatra.

Lincoln's massive greatsword glowed and they absorbed The 3 Jewels of Sumatra and they were also embedded in the 9'5" massive, wide, double-edged gold blade and they also enhanced Lincoln's youth stealing powers and soul stealing power infinite-fold, and they also were embedded in our weapons as well, and we also had our youth stealing powers and soul stealing powers enhanced infinite-fold.

Lincoln: There we go, and we're already immortal and eternally young, but I can always use them on my old enemies, J.D.'s, and Nico's old enemies, and I'll definitely be sure use them on Elise Elexton and Morgana Midnight Sparkle. Now, let's finish breakfast and head out to take down the villain for Nico's rescue.

Nico: Right.

Sam woke up to see Entei staring at her

Entei: Morning Sam and Luna.

Sam S.L.: Morning Entei.

Luna Loud: Sup dude.

Entei: Time for breakfast.

Thet went and got dressed and we were having omelettes and pancakes.

We then finished our breakfast, and we set out to take down the next villain on Nico's rescue.

Hornet Man: No problem Nico. We're BUZZING with excitement!

We laughed!

Me: YEAH!

Barry B.: This is gonna be awesome! That was a good one though.

Nico: Barry, I don't think we ever had an adventure with you before you joined us.

Barry B.: I don't think you all did. But that would have been so awesome.

Me: It sure would have been cool.

Qin: I agree.

Lola: Yeah.

Maria: Can you explain your adventures before joining us?

Barry B.: Well I went to file a lawsuit to forbid humans from eatting our honey.

Me: I remember that.

Qin: Me too.

Barry B.: Yeah but it was fun.

Me: But without honey humans can't live. It's part of our ecosystem.

Camie: It's true.

Varie: Yep/

Barry B.: That is too true.

Barry: I think I even went near Pooh during that time

Me: Really?

Barry: Yeah it's crazy.

Me: Oh.

Barry: But all and all it was fun.

Me: Cool. Man we're halfway done with the race!

Nico: We sure are and it was awesome battling Hazel Rainart.

Camie: That was so cool.

Nico: He was a tough challenge.

Me: But he did put up a really good fight.

Lola: He sure did. Also Yang's Akuma was really awesome.

Laney: She sure was.

Fu: I thought she was really cool as a Fire Centaurette.

Lincoln: I agree there. I got two more Akuma's of my future wives with me and us now.

Nico: And she had her own cutie mark

Me: Yeah and that's her Emblem.

Qin: Yep.

Lola: That was cool.

Lana: Yep.

Nico: And we found where May did her first contest.

Varie: It sure was.

Nico: Here we are in Vegas

Me: Yep.

Nico: So cool.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Las Vegas, but here's the bad news: it appears Dorian Tyrell is back from the dead along with his men and they're causing havoc once again.

WE GASPED IN HORROR!

Me: WHAT THE FUCK?!

Nico: What the hell?! Dorian Tyrell's back along with his men?! (GROWLS) We'll make those piles of shit pay!

Lincoln: We'll unleash tons of humiliating attacks on them before we finally send them to The Gallows for good.

Eli: That's for sure.

Me: I'll be sure to give that stupid bastard a really nasty atomic wedgie.

Nico: We'd better get The Mask immediately.

Suddenly, we saw a wild whirlwind heading for us, and when it stopped, in its place was The Mask.

Mask: So, the dirty crook's back, eh? Well, then, let's get him.

Lincoln: You came right on time.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio's sent out a gang of thugs to try and attack us.

Lincoln: Sergio, you little...!

Me: What's wrong, Lincoln?

Lincoln: It's not good, Sergio's sent out a gang of thugs to try and attack us.

WE GASPED!

Nico: That repulsive rat with wings! He and the gang he hired are going to pay for this!

Lincoln: I'll get the next torture ready for that rat with wings: I'm gonna dunk him in a vat of melted chocolate and candy and he's getting licked all over the place.

Lincoln had a vat of melted chocolate and jars of candy ready.

Me: Ooh! Nice one.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: I can't believe Dorian's back.

Lori: I thought we were literally rid of him, but I've got a feeling this was the dark magic of Morgana Midnight Sparkle.

Lincoln: You guessed it.

Cody: As if Anti-Monitor resurrecting my parents' killers and Sam's fake parents and her evil racist uncle wasn't horrid enough, now we find out Morgana brought back that son of a bitch. (GROWLS) She's going to get burned by the dark flames of Anubis for this, both her and Anti-Monitor!

Lincoln: Morgana will get hers soon, Anti-Monitor will get his when we do face him in the future after we get rid of all his minions.

Me: Yep.

Mask: And just for fun...

HOING! SNAP!

He gave Nico an atomic wedgie!

Mask: WEDGIE! (LAUGHS) SOMEBODY STOP ME!

Nico: HEY! Very funny.

Eli: Funny and full of laughs.

Qin: Yeah.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles

detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Dorian Tyrell) AHA! Gotcha, you piece of crap! I just spotted Dorian Tyrell, he's 20 yards away and he's causing havoc. (Sensed Sergio's hired thugs) And I just spotted Sergio's hired thugs.

Nico: Let's get going.

Camie: Who is Dorian Tyrell?

Me: One of Edge City's most dangerous mafia men.

I went over his history

Dorian Tyrell is the main antagonist of the 1994 superhero comedy film The Mask, based on the comic book series of the same name. He did not appear in the comics.

He was a notorious member of the Edge City Mafia who formerly worked for Niko, both in the mafia and at the Coco Bongo casino, but wanted to usurp him. However, once Niko threatens to kill him upon realizing his intentions, Dorian focuses on capturing Stanley Ipkiss, so he can steal the Mask of Loki and use its powers to topple Niko's criminal reign and take over the city. He is Stanley's arch-enemy and Tina Carlyle's ex-boyfriend.

He was portrayed by Peter Greene, who also played Zed in Pulp Fiction, D.J Wheeler in Black Cat Run, Deacon in Blue Streak and Tommy Bucks in Justified. His Masked form was voiced by Robert Swenson and body-acted by Garret T. Sato.

Dorian Tyrell was a highly decorated mobster who was entrusted by his crime boss, Niko, to oversee the management of the latter's casino known as the Coco Bongo. However, Tyrell grew weary of taking orders from Niko as time went on; he eventually decided to plan on eliminating Niko and, with a number of henchmen loyal to him, sought to ascend himself as the newfound mafia kingpin of Edge City.

Carrying out his sinister plot step-by-step, Dorian had his girlfriend and mole, Tina, go to the local bank and use her handbag as a camera so that Tyrell - who was on the top floor of the Coco Bongo - could get a view of the bank's security system. Tyrell then organized for his right-hand man and best friend, Freeze to rob the bank in order to obtain the cash necessary for their plot against Niko.

However, Niko's henchmen eventually discovered Tyrell's schemes. His criminal activities attracted unwanted attention from the police and the Coco Bongo was almost closed down by them due to their investigations. Niko was unable to tolerate Tyrell's behavior, so he ordered his thugs to take Tyrell to meet with him. Niko threatened Tyrell via his thugs forcing him down at gunpoint, placing a golf tee in his mouth with a golf ball on top. Niko swung his tee and hit the ball, giving Tyrell a bloody lip and narrowly avoiding his skull. After explaining that he would not tolerate Tyrell's plans, Niko informed Tyrell that he would not kill him if he left Edge City within a week.

Refusing to obey Niko's demand, Tyrell sent Freeze to rob the local bank they had previously examined; Freeze complied and was accompanied by Tyrell's other henchmen Sweet Eddy and Murray, along with one other nameless henchmen. In the meantime, Tyrell remained at the Coco Bongo to attend to his necessary duties along with his other trusted henchman Orlando. However, later that night, Tyrell's men returned with a mortally wounded Freeze, shot several times in the stomach, much to Tyrell's regret. Freeze informed Tyrell that someone robbed the bank before them and set off the burglar alarm, luring the police to the bank and resulting in a gunfight. Tyrell offered Freeze a cigarette, but when he was in the process of lighting it, Freeze died.

Enraged that the robbery attempt was a disaster and at losing one of his most trusted henchmen, Tyrell violently questioned Eddy as to who was the one responsible, and the terrified Eddy pointed to a green-faced, smartly dressed man below on the dancefloor. The man was Stanley Ipkiss under the influence of the mask, who was performing an intense dance with Tina. Tyrell and Orlando confronted Ipkiss and Orlando fired a single shot at him, which narrowly missed. Tyrell's henchmen threatened all the guests, who were ordered to leave. Tyrell and Orlando interrogated Ipkiss, demamded to know where the money was ,which the mask responded by pulling out an adding machine going over his financial status (As Stanley was an actual banker) and funeral bouquets(referring to the death of Freeze). Unable to tolerate his wacky behavior, talking about his personal status and for mocking the loss of his friend, Tyrell ordered Orlando to open fire, but Ipkiss managed to flee. Shortly after, the police entered. Lt. Mitch Kellaway intervened and accused Tyrell of having his men rob the bank, as Tyrell's men were found on the scene. Tyrell and his men were then cuffed by Kellaway and taken to the police station, for fingerprinting and further questioning even when a police officer found Freeze's dead body.

However, due to the fingerprints at the crime scene not matching those of Tyrell's men, Tyrell and his men were released. In an effort to exact revenge on Ipkiss, Tyrell placed a $50,000 bounty on his head.

Eventually, Tyrell and his men were led by Peggy Brandt to Ipkiss, who betrayed Ipkiss despite offering to help him hide from the police when he fled from them while under the influence of the powers from the mask. Tyrell gave the money to Peggy and took possession of the mask. He ordered his men to dangle Ipkiss over a Newspaper Printing Machine, despite Peggy's cries not to harm him. Tyrell demanded to know how the wooden mask worked. After being told by Ipkiss that he simply should wear it, Tyrell put on the mask, and dramatically transformed. His appearance differed significantly from the appearance of Ipkiss under the control of the mask. Rather than the thin and comical variant similar to Ipkiss, a bulkier and more intimidating version of himself was created, possessing an extremely deep voice, burning red eyes and purple, chapped lips, but still retaining the trademark green face. His hair was also the same even under the influence of the mask, contradicting Ipkiss, as his head under the influence of the mask was bald. His clothes also stayed the same, compared to Ipkiss, whose clothes simply changed after putting on the mask.

Tyrell then made a fake green mask and handed Ipkiss over to the police with it. The police drew the conclusion that Ipkiss was the culprit they had been looking for due to the presence of the mask with him. Ipkiss was then thrown into prison.

The next day, Tyrell heard that Tina had visited Ipkiss at the police station, and he and his men cornered her in the streets by gunpoint as she attempted to flee. As Tyrell threatened Tina not to betray him earlier, Tyrell then changed his rebellion plans, planning to kill Tina in the process.

That night, Tyrell (wearing the mask) barged into the Coco Bongo with his men. They confronted Niko and his gang, who were celebrating under the belief that Tyrell had left town. After a verbal confrontation, a gunfight took place. Two of Tyrell's henchmen were shot but his thugs succeeded in eliminating everyone except Niko himself. Tyrell challenged Niko to try and kill him, prompting Niko to fire several shots at Tyrell, hitting him with all of the bullet left in his gun, but Tyrell was seemingly unharmed. He then proceeded to suck the bullets from his body and fire them back out of his mouth, killing Niko. Tyrell ordered his men to ransack the club, taking as much cash as they could. He then proceeded to use a bomb to destroy the Coco Bongo, taking Tina and many other innocent lives with it, unaware that Ipkiss had escaped from the police station and, aided by a reluctant Kellaway, was coming to find him for a final confrontation.

Ipkiss was captured by Orlando when attempting to sneak closer to Tyrell, after knocking out Bobby the Bouncer (who Dorian had used to block the back exit) and handing his gun to Charlie. Tina, tied to an artificial tree next to the bomb, tricked Tyrell into removing the mask for one last kiss. As Tyrell kissed her, Tina kicked the mask out of his hands, and a fight began, which involved Stanley's dog, Milo, managing to put the mask on. He then proceeded to attack Tyrell's men. Meanwhile, as the timer of the bomb continued to count down, Tyrell and Ipkiss fought until Ipkiss succeeded in knocking out Tyrell with solid punches.

Ipkiss retrieved the mask off Milo and put it on. He then managed to dispose of the bomb by swallowing it and freed Tina and also defeated Tyrell's thugs including Eddy, Orlando, Murray, and several nameless henchmen. Tyrell attempted to kill Ipkiss from behind with a penknife. But Ipkiss, using his powers, painted a flush handle on the tree, pulling it just as Tyrell entered the fountain next to them. The flush worked like a real one, and Tyrell, screaming, was flushed away into the sewers, followed by his penknife pointing downwards.

It is unknown if Dorian survived into the sewers or not, but it's possible that he either survived while in the sewers or was killed off-screen by his penknife. Regardless that, Mayor Tilton dismisses Kellaway's claims about Ipkiss' responsibility and determines that Dorian was the Mask the whole time, exonerating Ipkiss from being arrested and is free to go before Mayor Tilton tells Kellaway that he will have a word with him tomorrow morning.

When I was done everyone that hadn't heard about it was shocked!

Camie: Man what a jerk!

Lola: Yeah no kidding!

Me: We're going to really punch his face in and kill him.

Wheeler heard a Pokémon cry

Wheeler: Look guys!

But then...

ZOOM! POW!

A figure kicked Nico in his face with blazing speed! We saw it was a Cinderace!

Me: WHOA! A Cinderace!

Nico: OW!

Me: A fast one too.

Cinderace: Sorry force of habit.

Me: No worries.

Wheeler: Yeah. You must be hungry.

Cinderace: Sure am.

We gave it apples and she ate them.

Cinderace: Ahh thank you.

Wheeler: You're welcome.

Me: Yep.

Wheeler: Wanna come with me?

Cinderace: Sure.

Me: Cool!

But then Day suddenly turned into night!

Me: What the!?

We saw the sky totally dark with stars.

Nico: It suddenly turned into night!

Eli: Yeah!

Laney: LOOK!

We saw a Lunala in the sky!

Me: WHOA! Lunala!

Nico: What's that doing here?

J.D. 2: It must be one of Dark Gale's Gene-slammers.

Qin: Yeah.

Megan Williams: Let me see.

She used her Telepathy and gasped!

Megan Williams: (GASP) Oh man! That's my sister Emily! She was turned into a Lunala!

Me: WHOA!

Firefly (G1): WOW! So Emily is here! We better help her!

Me: Lets go!

We flew up to her.

Megan Williams: Emily it's us! Megan and Firefly!

All she did was use Moongeist Beam.

She fired a Moongeist Beam at us!

I Fired a Kamehameha Wave and the blasts collided and a massive fiery explosion blasted out!

MASSIVE AND INTENSE FIERY EXPLOSION!

Nico: WHOA! That was powerful!

Laney: WOW!

Qin: No kidding!

We flew out of the explosion and bashed her.

Me: Looks like we got to do this the hard way.

Megan Williams: Yep.

We fired waves of energy and lightning and blasted her all over.

Me: Wait did I just?

Megan Williams: I think you got stronger.

Me: But how?

Megan Williams: We'll find out later.

Poromon pecked her.

POINK POINK POINK POINK!

I fired a blast of lightning and electrocuted her. I Then snapped my fingers and she reverted back and was a girl with blue hair, blue eyes, Lunala's wings and had Lunala on her forehead and had a purple version of Firefly's cutie mark on her arm.

Me and Megan caught her and wrapped her in a blanket. The sky turned back into daytime.

Me: That's better.

Megan Williams: Yeah it sure is!

Firefly (G1): I agree.

We went to a bench and brought her to it and sat her down.

She woke up

Emily Lunala Williams: (Groans)

Megan Williams: Sis are you okay?

Firefly (G1): Are you alright?

Emily Lunala Williams: Megan? Firefly? (GASP) It is you two!

She hugged them both.

Emily Lunala Williams: Thank goodness you're both okay.

Megan Williams: Same to you sis.

Me: You were turned into a Lunala by Dark Gale.

Emily Lunala Williams: (GASP) I remember!

FLASHBACK!

She was in a black and blue suit and strapped to a table and injected. She busted out and turned into Lunala and blasted the members of Dark Gale and flew out.

FLASHBACK ENDS

Emily Lunala Williams: It was awful.

Me: Well we're in the process of destroying Dark Gale. We already destroyed 6 of their bases.

Qin: We're halfway done.

Emily Lunala Williams: That's good.

Nico: Your role in Sonya's team?

Emily Lunala Williams: Oh I'm the Moonlight master of the team and I can turn day into night and we use the cover of darkness to get our enemies.

Me: Under the shadow of darkness you never see your enemies coming. Very clever.

Emily Lunala Williams: Yep. Outside the team I help Twilight Sparkle and friends battle their enemies.

Me: We got many of them taken care of.

Megan Williams: It's true. We battled many of them and they were powerful and tough. We even battled many of my enemies.

Me: Long story but it was fun.

Nico: It sure was.

Emily Lunala Williams: Wow! I see you have Tirek and Cozy Glow with you.

Me: The Spirit of Harmony knows there is good in them.

Nico: It's true.

Me: Yep.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her awesome new blue clothes and she looked awesome.

Emily Lunala Williams: Wow! I look awesome.

Me: You sure do.

Horsea: Let's keep going.

Me: Right.

Nico: You heard the lady.

But then we heard screaming and saw people running for their lives from the Wynn Hotel and casino!

Me: Uh oh! Looks like the fun is beginning!

We then took off into the air to destroy Dorian Tyrell and his men and send them to The Gallows and The Black Abyss and get rid of

Sergio's hired thugs.

We were flying in the air, and we spotted our target, Dorian Tyrell and his asshole thugs.

Lincoln: Aha, there they are.

Lincoln fired blasts of elements and energy from his massive white angel wings and nine sets of larger white angel wings underneath his massive white angel wings which hit Dorian Tyrell and his thugs and that pissed them off as we landed.

Me: You've got some fucking nerve coming back from the dead, asshole.

Suddenly, Dorian Tyrell and his thugs got out their guns and fired at us, but Nico, Lincoln, and I caught all of the bullets and crushed them in our hands, and that pissed them off.

Nico: And as always, you resort to trying to shoot people, you really are an asshole and an absolute thug.

Lincoln: And not even your punishment in The Warp was enough to make you learn your lesson. Well, then, we'll have to resort to more...gruesome measures to do so.

Robin Hood: But, before that, you guys are in for a world of pain.

I jumped and punched him!

POW!

He grabbed me and we wrestled.

Dorian Tyrell: I'm gonna tear you apart!

Me: Well I hope you can live long enough for me to TEAR YOUR FUCKING HEAD OFF!

POW! BIFF!

I punched him in his face twice!

Nico: Okay you mafia motherfuckers! Come get some!

Tyrell's men came at everyone and Nico fired laser vision blasts and melted their guns.

Cinderace charged at him and kicked him in the crotch!

POW! POW! BIFF BIFF BIFF BIFF! POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW POW!

I punched him in his face left and right all over.

I punched him and kicked him into a slot machine and he crashed into it and the jackpot was won!

Poromon and the mascots collected all the money from it!

I then grabbed him and punched him into a HUGE PIGGYBANK!

CRASH! SMASH!

The bank exploded and the mascots collected all the money from it!

Qin: NICE ONE!

Me: GRAND SLAM!

The Mask swirled in and grabbed all the mafia men and pulled their underwear over each of their heads!

Me: Keep at it guys!

Nico: GEEZ!

Patrick: That's gonna leave a mark!

Me: It already has.

Aerrow: Yep.

Suddenly, Robin Hood felt a sharp pain on his wider and muscular back, and then, his massive scarlet angel wings with green tips on the large scarlet feathers grew much larger with a wingspan of 1,050'0" and his medium-sized scarlet angel wings with green tips underneath his massive scarlet angel wings grew larger with a wingspan of 950'0" and his small-sized scarlet angel wings with green tips underneath his medium sized scarlet angel wings grew larger with a wingspan of 850'0" and the another pair of scarlet angel wings with green tips underneath his small sized scarlet angel wings grew larger with a wingspan of 750'0" and the another pair of scarlet angel wings with green tips underneath the another pair of scarlet angel wings grew larger with a wingspan of 650'0" and the another pair of scarlet angel wings with green tips underneath the another pair of scarlet angel wings grew larger with a wingspan of 550'0" and the another pair of scarlet angel wings with green tips underneath the another pair of scarlet angel wings grew larger with a wingspan of 450'0" and the another pair of scarlet angel wings with green tips underneath the another pair of scarlet angel wings grew larger with a wingspan of 350'0" and the another pair of scarlet angel wings with green tips underneath the another pair of scarlet angel wings grew larger with a wingspan of 350'0" and the another pair of scarlet angel wings with green tips underneath the another pair of scarlet angel wings grew larger with a wingspan of 250'0" and another pair of scarlet angel wings with green tips grew and sprouted out underneath the another pair of scarlet angel wings with a wingspan of 150'0" and another pair of scarlet angel wings with green tips grew and sprouted out underneath the another pair of scarlet angel wings with a wingspan of 50'0" and another pair of scarlet angel wings with green tips grew and sprouted out underneath the another pair of scarlet angel wings with a wingspan of 45'0" and another pair of scarlet angel wings with green tips grew and sprouted out underneath the another pair of scarlet angel wings with a wingspan of 25'0" and the shoulder blades of his massive scarlet angel wings and eleven sets of larger scarlet angel wings underneath his massive scarlet angel wings now have eyes with green iris and his larger and longer scarlet tail now has green markings.

Suddenly, the green gems on his large gold Bracers of The Champions of The Universe changed to white angel faces built in around the Bracers with green gems embedded in their foreheads and the gold fox head belt buckle on his Belt of Elemental Bravery had a white angel face built into its forehead and many other gold fox heads appeared around the belt with white angel faces built into its foreheads.

Robin Hood: Well, well, looks like I also wound up getting an upgrade. (Sensed Sergio's thugs) Aha, got you!

Robin Hood fired waves of green energy with swings of his greatsword and they forced out Sergio's thugs.

Lincoln: (Smirks) Well, well, who do we have here?

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

When Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls and sent them to The Black Abyss, and when Sergio saw it through the one way window, he screeched in anger at us.

Nico: Yeah, screw you, Sergio!

Me: We'll deal with you later. Right now, we got to take out the trash.
